The Independent Committee was established in December 1995 and, during the year ended December 31, 2001, met once in person and acted five times by unanimous written consent.

DIRECTOR COMPENSATION

Directors who are not employees or officers of Emerging or associated with Emerging receive \$1,000 for each Board and Committee meeting attended in person, and \$250 for each Board and Committee meeting attended telephonically. Further, all directors are reimbursed for certain expenses in connection with their attendance at Board and Committee meetings.

On April 26, 2001, the Compensation Committee of the Board of Directors (and the Independent Committee as it relates to Drs. Robert and Alan Cohen) authorized the grant, to each of Dr. Robert Cohen, Dr. Alan Cohen and Joel L. Item 13. Certain Relationships and Related Transactions

Cohen's Fashion Optical

Drs. Robert and Alan Cohen are officers and directors of CFO, including its affiliate, Real Optical, LLC. ("REAL"). CFO, which has been in existence since 1978, owns a chain of company-operated and franchised retail optical stores doing business under the name "Cohen's Fashion Optical." As of April 22, 2002, CFO had 71 franchised stores and 13 company-owned stores (including one store operated by an affiliate of CFO under the name "Cohen's Optical"). In addition, CFO also licenses to retail optical stores the right to operate under the name "Cohen's Kids Optical" or "Ultimate Spectacle." As of April 22, 2002, there were two Ultimate Spectacle stores located in the State of New York; and REAL, as of such date, operated three stores (under the name "Cohen's Fashion Optical"), all of which were located in New York State. CFO and REAL stores are similar to the Company's retail optical stores. CFO has been offering franchises since 1979 and currently has retail optical stores in the States of Connecticut, Florida, New Hampshire, Massachusetts, New Jersey and New York. In the future, Cohen's Fashion Optical, Cohen's Kids Optical or Ultimate Spectacle stores may be located in additional states. As of April 22, 2002, approximately 20 CFO stores

Edgar Filing: EMERGING VISION INC - Form 10-K/A

were located in the same shopping center or mall as, or in close proximity to, certain of the Company's retail optical stores. It is possible that one or more additional Cohen's Fashion Optical stores, Cohen's Kids Optical stores or Ultimate Spectacle stores may, in the future, be located near one or more of the Company's retail optical stores, thereby competing directly with such Company stores. In addition, the Company's stores and certain of CFO's stores jointly participate, as providers, under certain third party benefit plans obtained by either the Company or CFO, which arrangement is anticipated to continue in the future.

In January 2002, the Company subleased from CFO, for a term of five years, a portion of the space then being leased by CFO in a building located at 100 Quentin Roosevelt Boulevard, Garden City, New York and, in connection therewith, relocated its principal executive offices to such premises. The Company believes that its rent with respect to such premises is equal to the fair market rental value of such space.

Until January 10, 2002, the Company subleased, from a limited liability company owned by certain of the Company's principal shareholders, and shared with CFO and others, an office building located in East Meadow, New York. Occupancy costs were appropriately allocated based upon the applicable square footage leased by the respective tenants of the building. For the years ended December 31, 2001, 2000 and 1999, the Company paid approximately \$440,000, \$420,000 and \$494,000, respectively, for rent and related charges for these offices. On January 10, 2002, the Company relocated its principal executive offices to 100 Quentin Roosevelt Boulevard, Garden City, New York, and, in connection therewith, entered into a sublease with CFO for one of the two floors then being subleased to CFO, for a term of five years. Occupancy costs are being allocated between the Company and CFO based upon the respective square footages being occupied. Management believes that its rent with respect to such premises is equal to the fair market rental value thereof.

General Vision Services

In January 2001, GVS, a Delaware limited liability company located in New York City and beneficially owned, in principal part, by Drs. Robert and Alan Cohen and certain members of their respective, immediate families (collectively, the "Cohen Family") acquired substantially all of the assets of General Vision Services, Inc. As of April 22, 2002, GVS operated approximately 20 retail optical stores located in the New York metropolitan area, which stores are similar to the retail optical stores operated and franchised by the Company. In addition, GVS solicits and administers third party benefit programs similar to those being administered by the Company. It is possible that a GVS store, or another retail optical store which provides third party benefit plans administered by GVS, may now or in the future be located near one or more of the Company's retail optical stores and may be competing directly with such store.

Furthermore, the Company, CFO and/or GVS jointly participate in certain third party benefit plans, and certain of the Company's retail optical stores, CFO's stores and GVS' stores participate as providers under third party benefit plans obtained by either the Company, CFO or GVS and, in all likelihood, will continue to do so in the future.

In June 2001, the Company subleased to GVS its retail optical store (and the furniture, fixtures and equipment located therein), located in Nyack, New

Edgar Filing: EMERGING VISION INC - Form 10-K/A

York, at a rent per month equal to the rent and additional rent payable under the Master Lease for such store, less a monthly rental credit, until May 31, 2003, of \$2,500. Pursuant to the terms of such sublease, the Company will be required to transfer and convey to GVS all of such store's furniture, fixtures and equipment from and after June 15, 2003, provided GVS is not then in default in performing its obligations under such sublease.

Further, in April 2002, Emerging sold to GVS, for the sum of \$55,000, substantially all of the assets of one of its stores located in New York City, together with all of the capital stock of its wholly-owned subsidiary, Sterling Vision of 125th Street, Inc., which is the tenant under the Master Lease for such store.

Additional Agreements and Transactions Between the Company and the Cohen Family

During the fiscal year ended December 31, 2001, certain of the Company's real estate and construction supervisory service personnel were also employed by CFO in similar positions. The Company believes that the terms of this transaction was as favorable to the Company as could have been obtained from an unrelated party.

On December 6, 2001, the Company borrowed from Broadway Partners, LLC ("Broadway"), a New York partnership owned by certain of Dr. Robert and Alan Cohen's children, the sum of \$300,000, which loan, together with interest thereon, calculated at 1% above the prime rate of interest, was repaid to Broadway, in full, on January 23, 2002.

During 2001, the Company purchased from City Lens, Inc. ("City Lens"), an ophthalmic lens laboratory owned, directly or indirectly, by members of the Cohen family, ophthalmic lenses and certain lens refinishing services for its Company-owned stores. For the year ended December 31, 2001, the total cost of such lenses and services purchased from City Lens, was approximately \$243,000. The Company believes that the cost of such lenses and services were as favorable to the Company as those which could have been obtained from an unrelated third party.

Horizon Investors Corp. and Matters Relating to Benito R. Fernandez

In November 2001, Horizon Investors Corp. ("Horizon"), a New York corporation principally owned by Benito R. Fernandez, a Director of the Company, purchased from Rare Medium, Inc. ("Rare"), a portion (1,325,000) of the shares of EVI's Common Stock previously issued to Rare pursuant to its various agreements with such entity; and, in connection therewith, Horizon acquired Rare's right to require EVI to use its reasonable, good faith efforts to register all such shares under the Securities Act of 1933, as amended (the "Act").

On December 3, 2001 and December 20, 2001, the Company borrowed from Horizon the sum of \$150,000 and \$300,000, respectively, each of which loans, together with interest thereon, calculated at 1% above the prime rate, were repaid by the Company, in full, on January 23, 2002.

On January 23, 2002, the Company and Horizon entered into a series of agreements pursuant to which Horizon established, in favor of the Company, a

Edgar Filing: EMERGING VISION INC - Form 10-K/A

credit facility, in the maximum amount of \$1 million and, in connection therewith, the Company obtained from Horizon an initial advance thereunder, in the amount of \$300,000. Loans under such credit facility: (i) are secured by a pledge to Horizon of a substantial portion of the Company's franchise notes receivable; (ii) must be in increments of at least \$150,000; (iii) bear interest at the rate of 1% above the prime rate; and (iv) must be fully amortized (repaid) over the then remaining term of the facility, which will expire on January 23, 2004. In addition, pursuant to the terms of such agreements with Horizon, the Company: (i) is required to pay to Horizon a facility fee equal to 2% per annum of the average daily principal balance of the unused portion of the facility from time to time outstanding; (ii) issued to Horizon five-year warrants to purchase up to 2,500,000 shares of EVI's Common Stock at an exercise price of \$0.01 per share, 2,000,000 of which warrants are presently exercisable and the balance of which will vest in increments of 250,000 provided there is due and owing to Horizon (and/or North Fork Bank), as of each of July 22, 2002 and October 22, 2002, any amounts under such credit facility (and/or under the Company's loan from North Fork Bank); (iii) is required to use its reasonable, good faith efforts to register, under the Act, the shares of EVI's Common Stock underlying such warrants; and (iv) is required to pay to Horizon an interest rate differential fee equal to the difference between the rate of interest actually paid, by the Company, to North Fork Bank on its \$1 million term loan from such Bank (which loan was personally guaranteed by Horizon and Mr. Fernandez and secured by Horizon's pledge, to the Bank, of a \$1 million certificate of deposit) and 1% above the prime rate of interest.

Matters Relating to Robert S. Hillman

In October 2001, the Company entered into a certain management agreement with H&H Optical, LLC ("H&H") (a Nevada limited liability company owned, in part, by Susan Hillman, the sister of Robert S. Hillman, the Company's President and CEO) to manage the operations of its store located in Palm Desert, California, and, in December 2001, similar management agreements were entered into with H&H to manage the operations of an additional three Company-owned stores located in the State of Minnesota. These management agreements generally have a term of 1 to 2 years, provide for the payment of additional rent and Advertising Fund contributions (based upon the gross revenues of the Sterling Stores in question), provide for a full rent subsidy by the Company, and provide H&H with an option to purchase the assets of each store, together with a Sterling Optical Center Franchise, for the same, upon the expiration of the respective terms thereof.
