Introductory Statement

The purpose of this Amendment No. 4 is to report an agreement between the Issuer and a limited partnership of which the Reporting Person, David W. Mann, is a general and limited partner with respect to the secured debt of the Issuer held by the Reporting Person, as a result of which the beneficial ownership of Mr. Mann of common stock of First Financial Corporation may be deemed to have decreased.

Item 1. Security and Issuer.

This statement relates to the voting common stock, no par value per share (the "Common Stock"), of First Financial Corporation, a Texas corporation (the "Issuer"). The address of the Issuer's principal executive offices is 800 Washington Avenue, Waco, Texas 76701.

Item 2. Identity and Background.

(a) - (c) David W. Mann is an individual whose business address is 800 Washington Avenue, Waco, Texas 76701. Mr. Mann's principal occupations are president, chief executive officer, chief financial officer and a director of the Issuer; chairman of the board of First Preference Mortgage Corp., a Texas corporation and a subsidiary of the Issuer, the address of which is 800 Washington Avenue, Waco, Texas 76701; and president and a director of Citizen's State Bank of Woodville (Texas), a Texas banking association, whose address is P.O. Box 109, Woodville, Texas 75979. Mr. Mann is also an officer and director of certain insurance agencies and insurance companies and holds management positions with several other business entities.

(d) Mr. Mann has not, during the last five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) Mr. Mann has not, during the last five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction resulting in any judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) Mr. Mann is a citizen of the United States of America.

Item 3. Source and Amount of Funds or Other Consideration.

Prior Transactions. As previously reported in Amendment No. 3 to the Reporting Person's Schedule 13D, on December 13, 2005, JRPM Investments, Ltd. ("JRPM") and Bluebonnet Investments, Ltd. ("BIL") entered into a Note Purchase Agreement with the Issuer. JRPM is a limited partnership of which Mr. Mann is a 0.5% general partner, the sole owner of the other 0.5% general partner, and a 68.37% limited partner. The sole general partner of BIL is a corporation of which Mr. Mann is president and a director and all of the outstanding voting common stock of which is held by The David W. Mann 1990 Trust. (For further information about this trust, see Item 5.) Pursuant to the terms of the Note Purchase Agreement, BIL loaned the Issuer \$350,000 in exchange for a promissory note in that principal amount ("Note 1") and JRPM loaned an aggregate \$850,000 to the Issuer in exchange for two convertible promissory notes in the principal amounts of \$350,000 ("Note 2") and \$500,000 ("Note 3"), respectively. JRPM funded the loan amount through working capital and an unsecured loan in the amount of \$125,000 from the Robert A. Mann Foundation, which loan is payable by December 31, 2006, with interest payable monthly at the rate of interest published by The Wall Street Journal (the "WSJ") as the base rate on corporate loans.

Prior to the transactions described under "Recent Events" below, the principal amount of each of Notes 1, 2 and 3 was payable in full on December 29, 2006, and interest was payable monthly at the rate of interest published by the WSJ as the base rate on corporate loans plus 2%. Upon an event of default under the notes, the interest rate on each note increased by 1%, payable on demand. Each note was secured by a deed of trust against certain real property owned by the Issuer or its subsidiaries and each of Note 2 and Note 3 was also secured by a pledge of stock of direct or indirect subsidiaries of the Issuer.

The principal amounts of Notes 2 and 3 were convertible into shares of Common Stock at the election of the holder. The conversion price of Note 2 was equal to the greater of \$2.50 per share or the book value per share as of the date of conversion. Unless book value per share exceeded \$2.50 on the date of conversion, Note 2 was convertible into 140,000 shares. Note 3 was convertible into 326,472 shares at a conversion price of \$1.5315249 per share. The conversion prices of Notes 2 and 3 (and therefore the numbers of shares into which these Notes were convertible) were subject to adjustment under customary anti-dilution provisions.

The Note Purchase Agreement also granted JRPM an option (the "Option") to acquire up to the number of shares that is equal to \$350,000 divided by the exercise price of the option, which is equal to the greater of \$5.00 per share or the book value per share on the date of exercise. Thus, the maximum number of shares of Common Stock that can be acquired upon the full exercise of the Option is 70,000. Like Notes 2 and 3, the Option exercise price is subject to adjustment under customary anti-dilution provisions. The Option is exercisable in whole or in part from date of issuance until December 31, 2006. The final Option exercise date is subject to extension, as described below.

Recent Events. Effective May 16, 2006, the Issuer, JRPM and BIL entered into a Secured Debt Settlement Agreement pursuant to which, among other things, the following occurred:

- JRPM and the Issuer agreed to the cancellation of all conversion rights under Note 2; thereafter, JRPM assigned to BIL its rights with respect to principal in the amount of \$287,000 under Note 2 and cancelled its third- and fourth-ranking lien and security interest in the real property securing Note 2 and Note 3, in exchange for which assignment and cancellation of liens, BIL transferred to JRPM cash and other assets having a value of \$287,000.
- In full payment and satisfaction of the amounts owed on Note 1 (\$350,000) and that portion of the principal amount of Note 2 held by BIL (\$287,000), as well as the amount due under another promissory note held by BIL (\$613,000), which amounts aggregated \$1,250,000, BIL accepted full ownership of the real property securing those notes from a subsidiary of the Issuer.

- In full payment and satisfaction of the remaining balance payable on Note 2 (\$63,000) and in payment and satisfaction of principal in the amount of \$150,000 of Note 3, JRPM accepted all of the outstanding shares of certain direct and indirect subsidiaries of the Issuer, leaving a remaining principal balance due on Note 3 of \$350,000.
- JRPM agreed to convert the \$350,000 remaining principal balance due on Note 3 on or after November 15, 2006, but no later than December 31, 2006 at the conversion price specified in Note 3, for which JRPM will receive 228,530 shares of Common Stock.

Item 4. Purpose of Transaction.

Entities affiliated with Mr. Mann entered into the transactions described in Item 3 for the purpose of compromising and settling all of the secured debt of the Issuer and its principal operating subsidiary held by them. As reported in Item 5 below, Mr. Mann may be deemed to have beneficial ownership of shares of Common Stock by virtue of having sole or shared voting or dispositive power with respect to such shares as a result of the positions he holds with entities that hold shares of Common Stock or the right to acquire shares of Common Stock directly or with entities that control other entities that hold shares of Common Stock directly. Despite such deemed beneficial ownership, Mr. Mann currently does not have actual ownership of the 228,530 shares of Common Stock into which Note 3 is convertible and the 70,000 shares for which the Option is exercisable. Mr. Mann has agreed to convert the remaining unpaid principal balance of \$350,000 of Note 3 to 228,530 shares of Common Stock of the Issuer on or after November 15, 2006, but no later than December 31, 2006. At this time, Mr. Mann has not made a determination as to whether he will exercise the Option.

Other than as set forth above, Mr. Mann currently has no intention to proceed with any further plan or proposal that would result in (a) the acquisition or disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) any change in the present board of directors or management of the Issuer; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) changes in the Issuer's articles of incorporation, by-laws, or other instruments corresponding thereto or other actions that may impede the acquisition of control of the Issuer by any person; (h) causing any change in the trading market of any class of securities of the Issuer; (i) a class of equity securities of the Issuer becoming eligible for termination of registration under the Securities Exchange Act of 1934; or (j) any action similar to any of the matters enumerated above.

As a person who may be deemed to have beneficial ownership of shares of Common Stock, however, Mr. Mann intends to review continuously his investment, and the investment by entities with which he is affiliated, in the Common Stock; the Issuer's business, board of directors, management, operations, financial results and condition and prospects; conditions in the securities markets generally; and general economic and industry conditions. Mr. Mann may, in light of his continuing review of these factors, change his intention with respect to any or all of the matters referred to in this Item 4 and may formulate a plan or proposal relating to one or more of such matters. In addition, in his capacity as an officer and a director of the Issuer and its subsidiaries, Mr. Mann may discuss one or more of the matters enumerated above with the other officers and directors of the Issuer, and may formulate and effectuate a plan or proposal relating to one or more of the matters enumerated above. Effectuation of most or all such plans or proposals would require action by the Issuer's board of directors.

Item 5. Interest in Securities of the Issuer.

(a) Assuming all of the rights to acquire the Common Stock described in Item 3 are exercised, David W. Mann may be deemed the beneficial owner of 401,428 shares of the Common Stock, which shares represent 85.0% of the outstanding shares of such stock based on the number of shares of Common Stock (173,528 shares) outstanding as of May 31, 2006, plus 298,530 shares that may be acquired upon the conversion of Note 3 held indirectly by Mr. Mann and the exercise of the Option held indirectly by Mr. Mann.

(b) Mr. Mann's beneficial ownership of such shares is as follows:

(i) 102,898 shares of Common Stock are held directly by FFHL, of which the general partners are Mr. Mann and FFC Holdings, Inc. ("Holdings"), a Texas corporation of which Mr. Mann is president and a director and all of the outstanding voting common stock of which is held by the David W. Mann 1990 Trust (the "1990 Trust"). The sole beneficiaries of the 1990 Trust are David W. Mann, his spouse and his descendants. The trustee of the 1990 Trust is Harold E. Allison III, who has reported his beneficial ownership of such shares on the Schedule 13D filed on July 30, 2001 as amended by Amendment No. 1 to Schedule 13D filed on April 11, 2002 and Amendment No. 2 to the Schedule 13D filed on November 20, 2003. Mr. Mann may be deemed to share the power to vote or to direct the vote and the power to dispose or to direct the disposition of the 102,898 shares of Common Stock held directly by FFHL with Mr. Allison. The answer to Item 2 of this Schedule 13D/A and the answer to Item 2 to Amendment No. 2 to Schedule 13D filed by Mr. Allison on November 20, 2003 with respect to his beneficial ownership of shares of Common Stock are incorporated by reference in partial response to this Item 5(b).

(ii) The following rights to acquire shares that are held by JRPM, the general partners of which are Mr. Mann, individually, and RAM Investors, Inc. ("RAM"), a corporation solely owned by Mr. Mann. Upon JRPM's exercise of the Option and of its rights to convert the remaining unpaid principal balance of Note 3, Mr. Mann will have sole voting and dispositive power with respect to these shares.

(A) a maximum of 228,530 shares of Common Stock issuable upon the conversion of the remaining unpaid principal balance of Note 3, based on an assumed conversion price of approximately \$1.5315249 per share;

(B) a maximum of 70,000 shares of Common Stock issuable upon exercise of an option, based on an assumed exercise price of \$5.00 per share.

(c) As described more fully in Item 3, on May 16, 2006, JRPM and the Issuer agreed to the cancellation of all conversion rights under Note 2, which Note was subsequently paid in full, and JRPM agreed to convert the \$350,000 remaining principal balance due on Note 3 on or before December 31, 2006. The Reporting Person has not engaged in any other transactions during the past sixty days involving the Common Stock.

(d) As owner, FFHL has the right to receive dividends from, or the proceeds from the sale of, 102,898 shares of the Common Stock. As general partners in FFHL, Holdings and Mr. Mann have the power to direct the receipt of dividends from, or the proceeds from the sale of, such 102,898 shares. As holder of Note 3 and the Option, JRPM has the right to receive dividends from, or the proceeds from the sale of, up to 298,530 shares of the Common Stock that may be acquired by JRPM. As general partners in JRPM, RAM and Mr. Mann have the power to direct the receipt of dividends from, or the proceeds from the sale of, such 298,530 shares.

(e) Not applicable.
