Edgar Filing: EMTEC INC/NJ - Form 8-K

Pursuant to an Agreement and Plan of Merger dated as of July 14, 2005 (the "Merger Agreement"), by and among Emtec, Inc. (the "Registrant"), Emtec Viasub LLC, a Delaware limited liability company and wholly-owned subsidiary of the Registrant ("MergerCo"), and Darr Westwood Technology Corporation, a Delaware corporation ("Darr"), Darr will merge with and into MergerCo, with MergerCo remaining as the surviving company (the "Surviving Company") and a wholly-owned subsidiary of the Registrant (the "Merger").

In connection with the Merger, and as provided in the Merger Agreement, each of the 500 shares of Darr common stock issued and outstanding immediately prior to the Merger shall be canceled and extinguished and automatically converted into (i) 19,056.22 shares of the Registrant's common stock and (ii) a 5-year warrant to purchase shares of Registrant's common stock which shall be subject to adjustment. The warrant shall evidence the obligation of the Registrant to issue shares of its capital stock in the aggregate equal to ten percent (10%) of such stock calculated on a fully diluted basis at the time of and after giving effect to the exercise of the warrant. The aggregate exercise price of the warrant is \$3,645,752. The per share exercise price shall be equal to such former Darr stockholders aggregate exercise price divided by the number of warrant shares received by the Darr stockholder. Additionally, by virtue of the Merger and without any action on the part of the holders of the equity interests in MergerCo, each issued and outstanding equity interest of MergerCo shall be converted into one equity interest of the Surviving Company.

Completion of the Merger is subject, among other matters, to regulatory filings and the expiration of a 10 day waiting period subsequent to July 14, 2005. Subject to the receipt of institutional financing, which is also a condition to the completion of the Merger, the Registrant will initiate a self tender offer to repurchase up to 2,864,584 shares of its then issued and outstanding common stock having an aggregate purchase price of up to \$5.50 million at a price of \$1.92 per share. The current stockholders of Darr will not participate in this tender offer. Certain of the existing directors and officers of the Registrant intend to participate in this tender offer.
