ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS.

On December 31, 2003, Patient Infosystems, Inc. acquired substantially all of the assets and substantially all of the liabilities of American CareSource Corporation (ACS), a Dallas based company that operates as a national ancillary benefits management company. The acquired assets include, among other things, accounts and notes receivable, intellectual property, customer and supplier contracts and tangible personal property. In consideration, Patient Infosystems issued 1,100,000 shares of its common stock (on a post-split basis) to ACS. The terms of the acquisition, including the consideration, were determined through arm's length negotiations between Patient Infosystems and ACS. In connection with this transaction, Patient Infosystems loaned \$3.4 million to ACS for working capital and repayment of indebtedness. ACS will continue to operate in the ancillary benefits management industry under its name as a wholly owned subsidiary of Patient Infosystems.

ITEM 7. FINANCIAL STATEMENTS, PRO FORMA FINANCIAL INFORMATION AND EXHIBITS.

- (a) The required historical financial statements of ACS and related pro forma financial information to be filed by amendment.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
