The Audit Committee works closely with management as well as DXP's independent auditors. The Audit Committee has the further responsibility of overseeing DXP's Business Ethics Policy. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding from DXP for outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties.

The Board has determined that Audit Committee member Kenneth H. Miller is an audit committee financial expert as defined by Item 401(h) of Regulation S-K of the Securities Exchange Act of 1934, as amended and is independent within the meaning of the NASDAQ listing standards. Stock Performance

The following performance graph compares the performance of DXP Common Stock to the Dow Jones Industrial Services Index, the Nasdaq Industrial Index and the Nasdaq Composite (US). The graph assumes that the value of the investment in DXP Common Stock and in each index was \$100 at December 31, 1999, and that all dividends were reinvested.

As of December 31, 2003, Dow Jones discontinued the Dow Jones Industrial Services Index previously used by DXP. Because the Dow Jones Industrial Services Index was discontinued, information as to that index was calculated based on the performance of its constituent companies during 2004. DXP has selected as a replacement the Nasdaq Industrial Index.

Compensation of Directors

DXP pays each non-employee director \$2,000 per committee or Board meeting attended, not to exceed \$2,000 in the event two or more meetings occur on the same day. In addition, DXP reimburses travel expenses relating to service as a director. In 2004, Messrs. Davis, Halter and Miller each received \$8,000 for attendance at board and committee meetings.

Employment Agreements

The Company has entered into an employment agreement (the "Little Employment Agreement"), effective January 1, 2004, as amended, with Mr. Little. The Little Employment Agreement is for a term of three years, renewable annually for a term to extend three years from such renewal date. The Little Employment Agreement provides for compensation in a minimum amount of \$300,000 per annum, to be reviewed at least annually for possible increases, monthly bonuses equal to 5% of the profit before tax of DXP as shown on the books and records of DXP at the end of each month, a \$4,000 per month car allowance, and other perquisites in accordance with DXP policy. In the event Mr. Little terminates his employment for "Good Reason" (as defined therein), or is terminated by the Company for other than "Good Cause" (as defined therein), Mr. Little would receive a cash lump sum payment equal to the sum of (i) the base salary for the remainder of the employment period under the Little Employment Agreement, (ii) an amount equal to the sum of the most recent 12 months of bonus paid to him, (iii) two times the sum of his current annual base salary plus the total of the most recent 12 months of bonuses, (iv) all compensation previously deferred and any accrued interest thereon, and any accrued vacation pay not yet paid by the Company, and (v) continuation of benefits under the Company's benefit plans for the current employment period. Mr. Little is also entitled under the Little Employment Agreement to certain gross-up payments if an excise tax is imposed pursuant to Section 4999 of the Code, which imposes an excise tax on certain severance payments in excess of three times an annualized compensation amount following certain changes in control or any payment of distribution made to him.

DXP has entered into an employment agreement (the "McConnell Employment Agreement"), effective as of October 1, 2000, with Mr. McConnell. The McConnell Employment Agreement is for a term of one year, renewable automatically for a one-year term. The McConnell Employment Agreement provides for (i) base salary ("Salary") in the minimum amount of \$150,000 per annum, and (ii) other perquisites in accordance with DXP policy. The McConnell Employment Agreement provides for a bonus: Mr. McConnell is entitled to a quarterly bonus of three quarters of one percent of the quarterly profit before tax of DXP, excluding sales of fixed assets and extraordinary items. The aggregate of the quarterly bonuses in any one year may not exceed twice the annual base salary. In the event Mr. McConnell terminates his employment for "Good Reason" (as defined therein), or is terminated by DXP for other than "Cause" (as defined therein), he would receive (i) 12 monthly payments each equal to one month of the current Salary, (ii) a termination bonus equal to the previous four quarterly bonuses and (iii) any other payments due through the date of termination. In the event Mr. McConnell dies, becomes disabled, or terminates the McConnell Employment Agreement with notice or the McConnell Employment Agreement is terminated by DXP for Cause, Mr. McConnell or Mr. McConnell's estate, as applicable, would receive all payments then due him under the McConnell

Employment Agreement through the date of termination.

Compensation Committee Report

The Compensation Committee is composed of Cletus Davis, Timothy Halter and Kenneth Miller. The purpose of the Compensation Committee is to review, approve and make recommendations to the Board on matters regarding the compensation of officers, directors, employees, consultants and agents of DXP and act as the administrative committee for any stock plans of DXP. The Compensation Committee makes its compensation decisions based upon its own research and analysis. The Compensation Committee has the authority to obtain advice and assistance from, and receive appropriate funding from DXP for, compensation consultants, legal, accounting and other advisors as the Compensation Committee deems necessary to carry out its duties.

The Compensation Committee believes that DXP's success depends upon a highly qualified and stable management team. DXP believes that the stability of a management team is important to its success and has adopted a strategy to (i) compensate its executive officers through a stable base salary set at a sufficiently high level to retain and motivate such officers, (ii) link a portion of their compensation to their individual and DXP's performance and (iii) provide a portion of their compensation in a manner that aligns the financial interests of DXP's executive officers with those of DXP's shareholders.

The major components of DXP's executive compensation program consist of base salary, incentive compensation tied to DXP's performance and equity participation in the form of stock ownership and stock options.

Base Salary

Base salaries for executives are influenced by both objective and subjective criteria. Salaries are determined by reviewing the executive level of responsibility, tenure, prior year compensation and effectiveness of the management team. In setting compensation levels for positions other than the Chief Executive Officer, the Compensation Committee considers recommendations from the Company's Chief Executive Officer. The Compensation Committee believes executive base salaries and incentive compensation for 2004 were reasonable based upon the duties and responsibilities of those executives.

Incentive Compensation

The Compensation Committee believes incentive compensation tied to DXP's performance is a key component of executive compensation. The incentive compensation for the executive officers ranges from 0% to 200% of the base salary portion of their annual compensation package. The Compensation Committee believes this type of incentive compensation motivates the executive to focus on the DXP's performance. Additionally, poor performance by DXP results in lower compensation for the executives.

Stock Options and Restricted Stock

The Compensation Committee believes equity participation is a key component of the executive compensation program. Stock options and restricted stock are granted to executives based upon the officer's past and anticipated contribution to the growth and profitability of DXP. The Compensation Committee also believes that the granting of stock options enhances shareholder value by aligning the financial interests of the executive with those of the shareholders.

Chief Executive Officer's 2004 Compensation

Mr. Little's annual salary for 2004 was \$300,000, an increase of \$30,000 from \$270,000 for 2003. Mr. Little's base compensation had not previously been adjusted in several years. Mr. Little's compensation program includes an

incentive bonus of 5% of DXP's profit before tax. This incentive bonus amounted to \$218,803 for 2004. The incentive bonus directly links a significant portion of Mr. Little's compensation to DXP's profit before tax. In recognition of the 37% increase in DXP's income before taxes in 2004 from 2003, the Compensation Committee awarded Mr. Little a discretionary bonus of \$100,000 for 2004.

The undersigned members of the Compensation Committee have submitted this report to the Board.

ITEM 13. *Certain Relationships and Related Transactions*

A company wholly owned by Mr. Wappler is reimbursed by DXP for Mr. Wappler's and other DXP employees' business use of a plane owned and operated by such company. During 2004, DXP reimbursed such company for an aggregate of \$17,325 for business use of the plane during 2004.

Mr. Vinson is the trustee of three trusts for the benefit of Mr. Little's children, each of which holds 544,059 shares of Common Stock and 5,000 shares of Series B Preferred Stock. Mr. Vinson exercises sole voting and investment power over the shares held by such trusts.

Mr. Little has personally guaranteed up to \$500,000 of the obligations of DXP under its credit facility.

Prior to 2002, the Board had approved DXP making advances and loans to Mr. Little. During 2001 the advances and loans to Mr. Little were consolidated into three notes receivable, each bearing a fixed rate of interest of 3.97 percent per annum and due December 30, 2010. Accrued interest is due annually. On March 31, 2004 and as approved by the Board, DXP exchanged two of the notes receivable from Mr. Little with a face value of \$338,591, including accrued interest, for 80,619 shares of Common Stock held by three trusts for the benefit of Mr. Little's children. The shares were valued at the \$4.20 per share closing market price on March 31, 2004. The total balance of the notes was \$880,000 and \$1,239,000 at December 31, 2004 and 2003, respectively. During 2004 Mr. Little paid \$35,878 of accrued interest and \$23,736 of principal to DXP. The largest aggregate balance of the notes outstanding during 2004 was \$1,239,000. The balance of the notes outstanding at April 25, 2005 was \$880,000. The note is partially secured by 224,100 shares of DXP common stock and options to purchase 800,000 shares of DXP common stock.

ITEM 14. *Principal Accounting Fees and Services.*

Hein & Associates LLP ("Hein") served as independent auditors for the fiscal year ended December 31, 2004. Hein has been engaged by the Audit Committee to review DXP's unaudited interim financial information before DXP files its Forms 10-Q during 2005. The Audit Committee expects to engage Hein as independent auditors for the year ended December 31, 2005 at its Audit Committee Meeting in August 2005. Representatives of Hein are expected to be present at the annual meeting of shareholders, will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Arthur Andersen LLP ("Andersen") served as independent auditors for the fiscal years ended December 31, 1997 through 2001. In response to Andersen's legal problems, on June 3, 2002 the Audit Committee decided, with the approval of the Board of Directors, that effective June 6, 2002 DXP would no longer engage Andersen as independent auditors and that as of June 7, 2002 Hein would be appointed as independent auditors for the year ended December 31, 2002.

The reports of Andersen on DXP consolidated financial statements for the fiscal year ended December 31, 2001 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During DXP's fiscal year ended December 31, 2001 and through June 6, 2002, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Andersen's satisfaction, would have caused it to make reference thereto in connection with its report on DXP's financial statements for such periods; and there were no "reportable events" as such term is used in Item 304(a)(1)(v) of Regulation S-K.

DXP provided Andersen with a copy of the foregoing disclosures. A letter from Andersen was included as Exhibit 16 to Form 8-K, filed June 6, 2002, stating its agreement with such statements.

During the fiscal year ended December 31, 2001 and through June 6, 2002, DXP did not consult Hein & Associates LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

Fees Incurred by DXP for Hein & Associates LLP

The following table shows the fees paid or accrued by DXP for the audit and other services provided by Hein & Associates LLP for fiscal 2003 and 2004.

	2003	2004

Audit-Related Fees	--	--
Tax Fees ⁽²⁾	40,890	38,297
All Other Fees	--	--

The Audit Committee considers the provision of services by Hein not related to the audit of DXP's financial statements and the review of DXP's interim financial statements when evaluating Hein's independence.

The Audit Committee has delegated to the Chair of the Audit Committee the authority to pre-approve audit-related and non-audit services not prohibited by law to be performed by DXP's independent auditors and associated fees up to a maximum for any one non-audit service of \$10,000, provided that the Chair shall report any decisions to pre-approve such audit-related or non-audit services and fees to the full Audit Committee at its next regular meeting. During 2004 all audit-related and non-audit services were pre-approved by the Audit Committee.

1. Audit fees represent fees for professional services provided in connection with the audit of our financial statements and review of our quarterly financial statements.
2. Tax fees represent fees for professional services provided in connection with federal and state tax compliance.
