Other Events.

On January 16, 2013, National HealthCare Corporation (the "Company") received notice that the receiver of ElderTrust of Florida, Inc., a Tennessee non-profit corporation which we provide management services for, had filed a lawsuit against the Company and another party in the Chancery Court of Davidson County, Tennessee (Case No. 13-0060-IV). The complaint primarily asserts that the Company and another party caused ElderTrust to enter into transactions on adverse terms.

The Company adamantly denies the claims made by ElderTrust and intends to vigorously defend against its complaint.
