The Board of Directors has determined that each of the following directors comprising the six non-management directors meet the criteria for "independent" directors as defined in Section 303A.02 of the listing standards of the New York Stock Exchange ("NYSE Listing Standards"): Clinton A. Clark, Kristin Gamble, Horace G. McDonell, Edward H. Meyer, Richard A. Sandberg and Frank G. Wisner. As noted below, Edward H. Meyer is Chairman and President of Grey Global which performs certain services for the Company but which relationship is not material under Section 303A.02 of the NYSE Listing Standards. In addition, the Board of Directors has determined that this relationship never interfered with

Mr. Meyer's demonstrated independence from management and has therefore concluded that Mr. Meyer is in fact an independent director.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OR RATIFICATION OF THE NOMINEES FOR DIRECTOR NAMED ABOVE, WHICH IS DESIGNATED AS PROPOSAL NO. 1 ON THE ENCLOSED PROXY CARD.

Meetings and Committees of the Board of Directors

During fiscal year 2004, there were four regularly scheduled meetings of the Board of Directors, the annual meeting of shareholders and two additional meetings where the independent directors met without the presence of management. Each regularly scheduled board meeting allocates time for the independent directors to meet without management. All directors are expected to attend all board meetings, shareholder meetings and committee meetings. All directors, who held office, attended the November 17, 2003 annual meeting. Average attendance at the aggregate number of Board of Directors and committee meetings was 100% in fiscal year 2004 and no director attended fewer than 100% of the aggregate number of meetings of the Board of Directors and committees on which he or she served.

The Board of Directors has established three standing committees: the Audit Committee; the Compensation Committee; and the Nominations/Corporate Governance Committee. Committee memberships of each nominee and continuing director are set forth below:

Audit Committee:

Horace G. McDonell (Chairman)
Clinton A. Clark
Richard A. Sandberg

AUDIT COMMITTEE

The Audit Committee is principally responsible for ensuring the accuracy and effectiveness of the annual audit of the financial statements as conducted by the Company's internal auditors and independent auditors. The duties of the Committee include, but are not limited to (i) appointing and supervising the Company's independent public accountants; (ii) assessing the organization and scope of the Company's internal audit function; (iii) reviewing the scope of audits to be conducted, as well as the results thereof; (iv) approving audit and non-audit services provided to the Company by the independent auditors; and (v) overseeing the Company's financial reporting activities, including the accounting standards and principles applied.

In accordance with Securities and Exchange Commission ("SEC") regulations, the Audit Committee has approved an Audit Committee Charter, describing the responsibilities of the Audit Committee, a copy of which can be found on the Company's website at www.ethenallen.com/governance. Each member of the Audit Committee is independent, as defined in Sections 303.01(B)(2)(a) and (3) of the NYSE Listing Standards, Item 7(d)(3) of Schedule 14A and is an "audit committee financial expert" as defined under 401 of Regulation S-K of the Securities Exchange Act of 1934.

Report of the Audit Committee of the Board of Directors

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the system of internal control. In fulfilling its oversight responsibilities, the Audit Committee reviewed, with management, the audited financial statements in the annual report, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures contained in the financial statements.

The Audit Committee reviewed with KPMG LLP ("KPMG"), the Company's independent auditors who are responsible for expressing an opinion on conformity of those audited financial statements with U.S. generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles. The Audit Committee also reviewed such other matters as are required to be discussed under auditing standards of the Public Company Accounting Oversight Board (United States). In addition, the Audit Committee has received from KPMG the written disclosures required by Independence Standards Board Standard No. 1 and has discussed with KPMG the auditors' independence from management and the Company.

The Audit Committee discussed with the Company's internal auditors and KPMG the overall scope and plans for their respective audits. The Audit Committee met with the internal auditors and KPMG, with and without management present, to discuss the results of their examinations, their evaluations of the Company's system of internal control and the overall quality of the Company's financial reporting. The Audit Committee held seven meetings during fiscal year 2004, which included, but were not limited to, the review of the quarterly 10-Q filings and annual 10-K filing.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended June 30, 2004 for filing with the SEC.

Audit and Non-Audit Engagement Pre-Approval Policy

To help assure the independence of the Company's independent auditors, the Audit Committee has established a policy whereby all audit and non-audit engagements proposed to be performed by the independent auditor must be approved in advance by the Committee or its Chairman. For fiscal year 2004, less than 1% of the Audit-Related Fees, Tax Fees and All Other Fees disclosed below were approved pursuant to the de minimus exception set forth in Rule 2-01(c)(7)(i)(C) of Regulation S-X.

Fees Paid to Independent Auditors

KPMG served as the Company's independent auditors for the fiscal year ended June 30, 2004 and has been selected, subject to final agreement as to the specific terms of the engagement, to serve in such capacity for the fiscal year ending June 30, 2005. Representatives of KPMG will be present at the Annual Meeting and will be given the opportunity to make a statement if they desire. They will also be available to respond to appropriate questions. The following table represents a summary of professional fees billed by

COMPENSATION COMMITTEE

The duties of the Compensation Committee include, but are not limited to (i) reviewing and making determinations with regard to the employment arrangements, and compensation for the Chief Executive Officer, President and Chief Financial Officer or Treasurer; and (ii) considering and either accepting, modifying or rejecting the Chief Executive Officer's recommendations as to incentive compensation for executives and employees. No member of the Compensation Committee was an officer or employee of the Company or of Ethan Allen Inc. during the fiscal year ended June 30, 2004.

Report of the Compensation Committee of the Board of Directors

The Compensation Committee reviews and approves the remuneration arrangements for the officers and directors of the Company, and reviews and recommends new executive compensation or stock plans in which the officers and/or directors are eligible to participate, including the granting of stock options and restricted stock awards. The Compensation Committee held two meetings during fiscal year 2004.

General Policies Regarding Compensation of Officers

The Compensation Committee's goals in establishing compensation levels and administering officer compensation plans are (1) to attract and retain high quality managerial and executive talent, (2) to reward executives for superior performance and (3) to structure appropriate incentives for executives to produce sustained superior performance in the future. The Company's compensation structure consists of base salary and discretionary annual cash bonuses, stock options and restricted stock awards. Generally, in formulating the compensation arrangements for officers, other than the Chief Executive Officer, the

Compensation Committee solicits recommendations from its Chief Executive Officer relating to discretionary cash bonuses and stock options, which it considers, and either accepts, modifies or rejects.

Salary

The Compensation Committee assesses base salaries of the Chief Executive Officer and Chief Financial Officer or Treasurer at levels that reflect the Compensation Committee's subjective assessment of prevailing salary levels among the companies with which it believes the Company competes for executive talent, as well as companies in the Company's industry, in general.

Bonuses

For fiscal year 2004, the Company's Compensation Committee maintained a cash bonus program (the "Bonus Program") for managerial employees of the Company. The Bonus Program had two components: (i) an aggregate of \$2,187,500 in cash to be distributed to managerial employees, other than Mr. Kathwari, in amounts recommended by Mr. Kathwari; and (ii) as to Mr. Kathwari, an amount determined in accordance with the Employment Agreement (defined below). In light of the Company's performance for fiscal year 2004 and in accordance with the bonus formula in the Employment Agreement, the Committee approved a bonus of \$1,073,000 for Mr. Kathwari.

Stock Options and Restricted Stock Awards

Stock options granted at 100% of the Company's Common Stock market value on the date of grant are currently the Company's primary long term compensation vehicle. The Compensation Committee believes that stock options align the interests of management with those of the Company's shareholders, providing appropriate incentive to motivate executives, thereby increasing shareholder return.

In determining the size of individual option grants and restricted stock awards, the Compensation Committee considers the aggregate number of shares available, which is, in turn, a function of: (i) the level of shareholders' dilution; (ii) the number of shares previously authorized by shareholders and remaining available for grants of options and awards; and (iii) the number of individuals to whom it wishes to award stock options and restricted stock. The Compensation Committee also considers the range of potential compensation levels that may be yielded by the options. Furthermore, the Compensation Committee considers the size of option grants awarded by those companies with which it believes the Company competes for executives, especially within the home furnishings industry. The Compensation Committee reserves the discretion to consider any factors it considers relevant, and to give all factors considered the relative weight it considers appropriate under the circumstances, then prevailing, in reaching its determination regarding the size and timing of option grants and restricted stock awards.

Compensation for the Chief Executive Officer

As of July 1, 2002, Mr. Kathwari and the Company entered into a new employment agreement (the "Employment Agreement"). Pursuant to the Employment Agreement, the Company has agreed to continue to employ Mr. Kathwari as Chairman, President and Chief Executive Officer of the Company and Ethan Allen Inc. for a period of five years commencing July 1, 2002, with two automatic one-year extensions commencing on each of July 1, 2007, and July 1, 2008 (each, an "Anniversary Date"), unless notice is given by either Mr. Kathwari or the Company not later than 12 months prior to an Anniversary Date. Pursuant to the terms of the Employment Agreement, Mr. Kathwari will receive a base salary of \$850,000 per year, subject to an annual increase upon the review and recommendation of the Compensation Committee, with automatic annual cost-of-living increases.

Pursuant to the terms of the Employment Agreement, Mr. Kathwari is entitled to an annual incentive bonus based upon the Company's Operating Income (as described in the Employment Agreement). If the Company's Operating Income for the fiscal year ended June 30, 2004, is \$88 million (the "Threshold") or

less, he will receive no incentive bonus. If the Company's Operating Income for the fiscal year ended June 30, 2004, exceeds the Threshold, his incentive bonus will be equal to 2% of the amount by which Operating Income exceeds the Threshold after giving effect to certain other adjustments as stipulated in the Employment Agreement. The Threshold will be increased by 10% each fiscal year. In addition, in the event the Company consummates a major acquisition, the Company and Mr. Kathwari have agreed that they will negotiate in good faith for an appropriate revision to the Threshold in order to properly implement its purposes.

Pursuant to the Employment Agreement, Mr. Kathwari was granted (i) as of August 1, 2002, ten-year stock options to purchase 600,000 shares of Common Stock, at an exercise price of \$31.02 per share (the price of a share of Common Stock on the New York Stock Exchange as of such date), which vest at a rate of 200,000 each year following the date of grant, up to and including August 1, 2005, (ii) as of August 1, 2003, ten-year stock options to purchase 400,000 shares of Common Stock, at an exercise price of \$35.53 per share (the price of a share of Common Stock on the New York Stock Exchange as of such date), which vest at a rate of 200,000 each year following the date of grant, up to and including August 1, 2005, and (iii) as of August 1, 2004, ten-year stock options to purchase 200,000 shares of Common Stock, at an exercise price of \$37.15 per share (the price of a share of Common Stock on the New York Stock Exchange as of close of business on July 30, 2004, the date the Common Stock was last reported as August 1, 2004 was a Sunday), which vest on August 1, 2005. All options were granted pursuant to the 1992 Stock Option Plan. All options will become fully vested upon the occurrence of a Change in Control of the Company (as defined in the Employment Agreement) or in the event that Mr. Kathwari's employment is terminated by the Company without "cause" or by Mr. Kathwari "for good reason."

Pursuant to the Employment Agreement, Mr. Kathwari received on July 1, 2002, July 1, 2003 and July 1, 2004, 10,500 shares of restricted stock. The shares of restricted stock vest on the third anniversary of the grant date in accordance with a tiered vesting schedule tied to the Company's total return to its shareholders as compared to the total return to holders of common stock of the companies which comprise the Standard & Poor's 500. Any shares which do not vest will be forfeited. As of each dividend record date for the Common Stock occurring on or after the date of any grant of shares of restricted stock, but prior to the date such shares become vested or are forfeited, an account established by the Company for the benefit of Mr. Kathwari shall be credited with the amount of dividends which would otherwise have been paid with respect to such shares. Amounts credited to the account shall be credited with interest at the rate of 5% per year until distribution. Mr. Kathwari shall be fully vested in all amounts credited to the account, regardless of the subsequent vesting or forfeiture of the shares. The balance credited to Mr. Kathwari's account shall be distributed to him in cash as soon as practicable after the termination of his employment. All shares of restricted stock will become fully vested upon the occurrence of a Change in Control of the Company or in the event that Mr. Kathwari's employment is terminated by the Company without "cause" or by Mr. Kathwari "for good reason."

Under his prior employment agreement, the Company established a book account for Mr. Kathwari, which has been credited with 126,000 Stock Units (the "Stock Units"). Following the termination of Mr. Kathwari's employment, Mr. Kathwari will receive shares of Common Stock equal to the number of Stock Units credited to the account. During the period in which Stock Units were credited to the account, Mr. Kathwari received dividend equivalent payments in cash equal to the dividends payable on the shares of Common Stock represented by the Stock Units.

In the event Mr. Kathwari's employment with the Company is terminated by reason of death or disability, he (or his estate) will receive his base salary plus his bonus through the end of the year, along with any deferred compensation, unreimbursed expenses, insurance proceeds and other payments in accordance with Company practices. If Mr. Kathwari's employment is terminated by the Company without "cause" or by Mr. Kathwari "for good reason", he will receive his base salary through the end of the term of the Employment Agreement and a payment equal to the lesser of \$1 million or the bonus payments for two years calculated by reference to the highest bonus previously paid to him, and he will be entitled to

settlement of the stock options, which are exercisable within three years after termination. If Mr. Kathwari's employment is terminated by the Company for "cause" or voluntarily by Mr. Kathwari, he will receive his base salary and bonus prorated through the date of termination, along with any deferred compensation, unreimbursed expenses or any other payment in accordance with Company practices. In connection with each of the foregoing termination payments, Mr. Kathwari will be reimbursed for certain excise and other taxes he is required to pay in respect of such payments.

For fiscal year 2004, Mr. Kathwari received \$873,800 in base salary, which represented a \$23,800 increase from the prior fiscal year and was consistent with the terms of the Employment Agreement. Mr. Kathwari also received an annual incentive bonus for fiscal year 2004 of \$1,073,000 and dividend income of \$428,400 from the Stock Units. The payment of the incentive bonus and the dividend income were in accordance with the recommendation and action of the Compensation Committee and the terms of the Employment Agreement. For fiscal year 2003, Mr. Kathwari received \$850,000 in base salary, which represented a \$79,441 increase from the prior fiscal year and was consistent with the terms of the Employment Agreement. Mr. Kathwari also received an annual incentive bonus for fiscal year 2003 of \$1,100,000 and dividend income of \$31,500 from the Stock Units. The payment of the incentive bonus and the dividend income were in accordance with the recommendation and action of the Compensation Committee and the terms of the Employment Agreement. For fiscal year 2002, Mr. Kathwari received \$770,559 in base salary, which represented a \$22,779 increase from the prior fiscal year. Mr. Kathwari also received an annual incentive bonus for fiscal year 2002 of \$1,575,000 and dividend income of \$18,900 from the Stock Units. The payment of the incentive bonus and the dividend income were in accordance with the recommendation and action of the Compensation Committee and the terms of the prior employment agreement.

To assist in developing the terms of the Employment Agreement, the Compensation Committee retained an independent compensation consultant, and met with such consultant over a period of six months. In determining the level of compensation appropriate for Mr. Kathwari, the Compensation Committee reviewed employment contracts of chief executive officers in companies in the home furnishings industry of a size and complexity comparable to the Company. In addition, the Compensation Committee and Mr. Kathwari agreed to include a substantial incentive component in the Employment Agreement. As a result, the large part of Mr. Kathwari's potential compensation is in the form of stock options, restricted stock awards, and a bonus based on the Company's performance.

Tax Policy

Section 162(m) of the Internal Revenue Code (the "Code") limits deductibility of annual compensation in excess of \$1 million paid to the Company's Chief Executive Officer and any of the four other highest paid officers. However, compensation is exempt from this limit if it qualifies as "performance based compensation." In 2001, the Company submitted an amendment to the 1992 Stock Option Plan to shareholders, to allow awards thereunder to qualify under the "performance-based compensation" requirements. The Company has also submitted the incentive performance bonus provisions of the Employment Agreement to its shareholders to allow the bonus to comply with the "performance-based compensation" requirements, which was approved and ratified by the shareholders.

Although the Compensation Committee will continue to consider deductibility under Section 162(m) with respect to future compensation arrangements with executive officers, deductibility will not be the sole factor used in determining appropriate levels or methods of compensation. Since Company objectives may not always be consistent with the requirements for full deductibility, the Company may enter into compensation arrangements under which payments are not deductible under Section 162(m).

Conclusion

The Compensation Committee believes that long-term shareholder value is enhanced by corporate and individual performance achievements. Through the plans described above, a significant portion of the Company's executive compensation is based on corporate and individual performance, as well as competitive pay practices. The Compensation Committee believes equity compensation, in the form of stock options, restricted stock, and stock units is vital to the long-term success of the Company. The Compensation Committee remains committed to this policy, recognizing that the competitive market for talented executives and the cyclical nature of the Company's business may result in highly variable compensation for a particular time period.

NOMINATIONS/CORPORATE GOVERNANCE COMMITTEE

The duties of the Nominations/Corporate Governance Committee include, but are not limited to the duty to (i) develop qualification criteria for board members and nominate or recommend to the Board of Directors individuals to serve on the Board of Directors; (ii) review and monitor the Company's corporate governance policies and guidelines, including the Company's trading policy for its directors and executive officers; and (iii) make an annual assessment of the Board's performance and report to the Board of Directors. The Nominations/Corporate Governance Committee follows the procedure concerning nominations or consideration of director candidates recommended by shareholders set forth in the Company's Amended and Restated By-Laws ("By-Laws"). The By-Laws of the Company permits shareholders as of the Record Date to nominate director candidates at the annual meeting, subject to certain notification requirements. (See "Shareholders Proposals and Nominations of Directors" under Other Matters on page 17 herein for information on how to propose/nominate a candidate.) The Committee believes that as a result of the provisions in the By-Laws, any separate policy by the Committee would be duplicative. Each Member of the Nominations/Corporate Governance Committee is independent as defined in Section 303A.02 of the NYSE Listing Standards. The Nominations/Corporate Governance Committee held two meetings during fiscal year 2004.

The Nominations/Corporate Governance Committee seeks candidates who demonstrate a willingness and ability to prepare for, attend and participate in all board and committee meetings and whose experience and skill would complement the then existing mix of directors. The Committee gathers suggestions as to individuals who may be available to meet the Board's future needs from a variety of sources, such as past and present directors, shareholders, colleagues and other parties with which we have business dealings, and undertakes a preliminary review of the individuals suggested. At such times as the Committee determines that a relatively near term need exists and the Committee believes that an individual's qualities and skills would complement the then existing mix of directors, the Committee will contact the individual. Based on the Committee's evaluation of potential nominees and the Company's needs, the Committee determines whether to nominate the individual for election as a director. While the Committee has not, in the past, engaged any third party firm or consultant to identify or evaluate nominees, the Committee, in accordance with its charter, may do so in the future. There are no differences in the manner in which the Committee evaluates nominees for directors recommended by a shareholder.

Director Compensation

For fiscal year 2004, all independent directors (defined in NYSE Listing Standards) received \$16,000 per annum and \$2,500 per meeting of the Board of Directors attended in person (\$500 per meeting attended by telephone). Employee Stock Plans

The Company has issued options to purchase shares of Common Stock pursuant to the 1992 Stock Option Plan. See Note 11 to "Notes to Consolidated Financial Statements" in the Company's Annual Report as of June 30, 2004 filed on Form 10-K. The Company has registered shares of Common Stock issuable upon exercise of such options.

The Ethan Allen Retirement Savings Plan

The Company established the Ethan Allen Profit Sharing and 401(k) Retirement Plan (the "Plan"), now known as the Ethan Allen Retirement Savings Plan, effective July 1, 1994 as a result of the merger of the Profit Sharing and 401(k) Plans. The Plan covers all employees who have completed at least three months of service.

The 401(k) aspect of the Plan allows participants to defer up to 100% of their compensation, subject to certain statutory limitations. The Company may, at its discretion, fully match the first \$500 of a participant's before tax contribution and one-half of the next \$1,000 of a participant's before tax contribution, up to a maximum of \$1,000 each year. Except as otherwise noted in the Summary Compensation Table, during each of the fiscal years 2004, 2003, and 2002, the Company made a contribution of \$1,000 to the 401(k) aspect of the Plan for each of the above named executive officers. Participant contributions and employer 401(k) contributions are immediately and fully vested.

The Profit Sharing portion of the Plan is a defined contribution plan. Contributions to the Plan can only be made by the Company and are at the discretion of the Company. Contributions are allocated among all members in the same ratio as their covered remuneration bears to that of all members.

The Plan is the primary vehicle for providing retirement income to Company employees.

The Plan is administered by Ethan Allen Inc. with J.P. Morgan as Investment Manager and Record Keeper. Investments offered include a stable asset fund, seven mutual funds, three strategic allocation funds, employer common stock, a bond fund and a personal choice option. The investments are employee directed and qualify under Section 404c of the Code.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, some over 10% owners of our common shares, and some persons who formerly were directors, executive officers, or over 10% owners, to file reports of ownership and changes in ownership with the Securities and Exchange Commission and the New York Stock Exchange and furnish us with a copy of each report filed. Based solely on our review of copies of the reports by some of those persons and written representation from others that no reports were required, we believe that during fiscal year 2004 all Section 16(a) filing requirements were complied with in a timely fashion except that Mr. Kathwari and Mr. Wisner each filed one late report.

OTHER MATTERS

Proxy Solicitation Expense

The expense of the proxy solicitation will be paid by the Company. In addition to the solicitation of proxies by use of the mails, solicitation also may be made by telephone, telegraph or personal interview by directors, officers and regular employees of the Company, none of whom will receive additional compensation for any such solicitation. The Company has engaged Morrow & Company, a professional proxy solicitation firm, to provide customary solicitation services for a fee \$4,000 plus expenses. The Company does not anticipate that the costs and expenses incurred in connection with this proxy solicitation will exceed those normally expended for a proxy solicitation for those matters to be voted on in the Annual Meeting. The Company will, upon request, reimburse brokers, banks and similar organizations for out-of-pocket and reasonable clerical expenses incurred in forwarding proxy material to their principals.

Shareholder Proposals and Nominations of Directors

Nominations:

To be in proper written form, a shareholder's notice to the Secretary must set forth: (a) as to each person whom the shareholder proposes to nominate for election as a director (i) the name, age, business address and residence address of the person; (ii) the principal occupation or employment of the person; (iii) the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by the person; and (iv) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act, as amended, and the rules and regulations promulgated thereunder; and (b) as to the shareholder giving the notice (i) the name and record address of such shareholder; (ii) the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by such shareholder; (iii) a description of all arrangements or understandings between such shareholder and each proposed nominee and any other person or persons (including their name) pursuant to which the nomination(s) are to be made by such shareholder; (iv) a representation that such shareholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice; and (v) any other information relating to such shareholder that would be required to be disclosed in a proxy statement or other filings or solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder. Such notice must be accompanied by a written consent of each proposed nominee to be named as a nominee and to serve as a director if elected.

To be in proper written form, a shareholder's notice to the Secretary must describe the proposal in sufficient detail for the proposal to be summarized on the agenda for the 2005 Annual Meeting of Shareholders and must set forth: (i) the name and address, as it appears on the books of the Company, of the shareholder who intends to make the proposal; (ii) a representation that the shareholder is a holder of record of stock of the Company entitled to vote at such meeting and intends to appear in person or by proxy at such meeting to present such proposal; and (iii) the class or series and number of shares of capital stock of the Company which are beneficially owned by the shareholder. In addition the notice must set forth the reasons for conducting such proposed business at the 2005 Annual Meeting of Shareholders and any material interest of the shareholder in such business. The presiding officer of the 2005 Annual Meeting of Shareholders will, if the facts warrant, refuse to acknowledge a proposal not made in compliance with the foregoing procedure, and any such proposal not properly brought before the 2005 Annual Meeting of Shareholders will not be considered.

Any proposal(s) or nomination(s) to be submitted that do not comply with Rule 14a-8 promulgated under the Exchange Act may be omitted. Any shareholder proposal or nominations for the 2005 Annual Meeting of Shareholders submitted outside the submission date will be deemed untimely for purposes of Rule 14a-4(c)(i).
