Item 2.05. Costs Associated with Exit or Disposal Activity.

On February 19, 2016, bebe stores, inc. (the "Company") announced a workforce reorganization that will result in the elimination of a total of approximately 45 positions across the design, merchandising, production, information technology and support functions of the Company. This represents approximately a 14.6% reduction in corporate headcount. As part of the reduction, the Company is streamlining its design and merchandising teams, while reducing support functions in recognition of the rationalization of the store base. As a result of this restructuring, the Company expects to incur a one-time cash severance charge of approximately \$3.7 million in the third fiscal quarter of 2016. These reductions are expected to yield annualized pre-tax cost savings of approximately \$6.0 million.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective February 18, 2016, Manny Mashouf has rejoined the Company's management team as Chief Executive Officer and Walter Parks has rejoined the Company as President, Chief Operating Officer and Interim Chief Financial Officer. This follows the departure of Jim Wiggett, former Chief Executive Officer and former member of the Board of Directors; Liyuan Woo, former Chief Financial Officer; and Brigitte Bogart, former Executive Vice President of Design and Product Development, who are no longer with the Company. The Company has agreed to pay Mr. Parks \$40,000 per month.

Item 7.01. Regulation FD Disclosure.

On February 19, 2016, bebe issued a press release which is attached hereto as Exhibit 99.1 and incorporated herein by reference in its entirety.
