Item 8.01 Other Events

On May 15, 2008, El Paso Corporation announced that its Board of Directors had approved a common stock repurchase program of up to \$300 million, effective immediately. This program is intended to be implemented through purchases made from time to time either in the open market or through private transactions, in accordance with Securities and Exchange Commission requirements.

Additionally, on May 15, 2008, El Paso announced its intention to increase its annual dividend on its common stock from \$0.16 per share to \$0.20 per share, commencing with the dividend to be paid in the fourth quarter of fiscal 2008. Payment of the increased dividend will be subject to the declaration of the dividend by El Paso's Board of Directors, and the Board of Directors has not yet declared any dividend on El Paso's common stock other than the previously announced quarterly dividend of \$0.04 per share payable on July 1, 2008 to holders of record at the close of business on June 6, 2008. The declaration and payment of dividends by El Paso will continue to be subject to the sole discretion of the Board of Directors and will depend upon many factors, including El Paso's financial condition, earnings, existence of excess cash flows, capital requirements, covenants associated with debt obligations or other contractual restrictions, legal requirements and other factors deemed relevant by the Board of Directors.

A copy of the press release issued by the company announcing the share repurchase program and the intent to increase the dividend is filed as Exhibit 99.1 hereto and is incorporated herein by reference.
