### REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Participants and the Plan Administrative Committee of  
the Harsco Retirement Savings and Investment Plan:

In our opinion, the accompanying statements of net assets available for benefits and the related statement of changes in net assets available for benefits present fairly, in all material respects, the net assets available for benefits of the Harsco Retirement Savings and Investment Plan (the "Plan") at December 31, 2004, and the changes in net assets available for benefits for the year ended December 31, 2004 in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit of these statements in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly

stated in all material respects in relation to the basic financial statements taken as a whole.

## NOTES TO FINANCIAL STATEMENTS

-----

1. Transfer from Harsco Corporation Savings Plan and creation of the Plan:

-----

## Edgar Filing: HARSCO CORP - Form 11-K

Effective January 1, 2004, the account balances of salaried employees in the Harsco Corporation Savings Plan totaling \$110.9 million were spun off to create the Harsco Retirement Savings and Investment Plan (the "Plan"). The spin off was made in connection with the Company restructuring salaried employees' defined benefit pension plans from principally defined benefit to principally defined contribution. Hourly and salaried Air-X-Changers employees remain in the Harsco Corporation Savings Plan.

### 2. General Description of Plan:

-----  
The following description of the Plan provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan designed to comply with the requirements of the Employee Retirement Income Security Act of 1974 ("ERISA") and with the requirements for qualification under Sections 401(a) and 401(k) of the Internal Revenue Code (the "Code").

All U.S. salaried non-union employees (including officers) who are employed by Harsco Corporation (the "Company") or any subsidiary of either the Company or a subsidiary which adopts this Plan with the approval of the Company shall be covered by, or remain covered by this Plan, are deemed "Eligible Employees." Also eligible are employees covered by a collective bargaining agreement where the agreement provides for the employees' eligibility to participate in the Plan. New employees deemed Eligible Employees under this Plan are eligible to participate in the Plan as of the first payroll of January, April, July or October after the date of hire.

To participate in the Plan, an Eligible Employee must elect to contribute to the Plan through payroll deductions each pay period. Contributions are in whole percentages from 1% to 75% of compensation received for services as an employee of the Company or any subsidiary of the Company. The participant shall designate what percentage of such contributions will be "Pre-Tax Contributions" and what percentage will be "After-Tax Contributions." A participant who makes Matched Pre-Tax and/or Matched After-Tax Contributions in an aggregate amount of 6% of his or her compensation may also elect to contribute from 1% to 69% of his or her compensation as an Unmatched Pre-Tax Contribution and from 1% to 16% of his or her compensation as an Unmatched After-Tax Contribution, subject to IRS and Plan limitations. In no event during the year may (a) Matched Pre-Tax and Matched After-Tax Contributions exceed 6% of compensation, (b) Unmatched Pre-Tax and Unmatched After-Tax Contribution exceed 69% of compensation or (c) Pre-Tax Contributions exceed the amount specified by the Internal Revenue Service (IRS) code which was \$13,000 for the year ended December 31, 2004 for

-6-

### 2. General Description of Plan: (continued)

-----  
participants under 50 years of age. For participants who turned 50 on or before the end of the calendar year, the pretax limit was \$16,000 in 2004 as a result of an additional \$3,000 "catch-up contributions" allowed by law in 2004. Pre-Tax Contributions shall constitute a reduction in the

## Edgar Filing: HARSCO CORP - Form 11-K

participant's taxable income for purposes of Section 401(k) of the Code. After-Tax Contributions will be considered to be the participant's contributions to the Plan and shall not constitute a reduction in the participant's taxable income for the purposes of Section 401(k) of the Code.

Pursuant to the Plan, the Company will make contributions in cash to the trustee for the account of each participant in an amount equal to 100% of the first 3% of such participant's compensation designated as Matched Pre-Tax Contributions and/or Matched After-Tax Contributions, and 50% of the sum of the next 2% of each eligible Participant's Matched Pre-Tax Contributions and/or Matched After-Tax contributions for the period. These contributions are referred to as "Company Matching Contributions".

As of December 31 of each plan year, the employer may make a Company discretionary contribution to the Plan in an amount determined by the Company's board of directors. Employer discretionary contributions are allocated to the accounts of eligible participants in the proportion that each eligible participant's compensation bears to the aggregate compensation of all eligible participants who are entitled to an allocation of the Company discretionary contribution for that Plan year.

Participants are immediately vested in their contributions plus actual earnings thereon and current Company Matching Contributions to the Plan. Vesting in the Company's Harsco Savings Matching Accounts and discretionary contributions are based on years of vesting service. A participant is 100% vested in the Company's Matching Accounts transferred from the Harsco Savings Plan after three years of credited service. A participant is 100% vested in the Company's discretionary contributions after five years of credited service.

The Company pays administrative fees related to maintaining the Plan as a whole. Fees for investment management are subtracted from fund performance reported by each fund. Loan setup fees, quarterly loan fees and withdrawal fees are paid by the participant. Transfers in and out of the Harsco Corporation Common Stock Fund are assessed a \$0.03 commission per share transferred.

Participants may borrow from their fund accounts a minimum of \$500 to a maximum of 50% of their vested account balance, not to exceed \$50,000. Loan transactions are treated as a transfer to (from) the respective investment fund(s) from (to) the Participant Loans fund. The participant may choose the loan repayment period, not to exceed five years. However, the term may be for any period not to exceed 15 years if the purpose of the loan is to acquire the participant's principal residence. The loans are collateralized only by the portion of the participant's account from which the loan is made

and bear interest at a rate commensurate with local prevailing rates as determined periodically by the Plan administrator. Interest rates on outstanding loans, based on the trustee's prime rate plus one percent, ranged from 5.00% to 10.5% at December 31, 2004. Principal and interest is paid ratably through payroll deductions.

Edgar Filing: HARSCO CORP - Form 11-K

On termination of service, a participant or beneficiary may elect one of three options. The participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account; a portion paid in a lump-sum, and the remainder paid later; or annual installments over not more than fifteen years.

While the Company has not expressed any intent to discontinue the Plan, it reserves the right to terminate the Plan at any time or discontinue contributions thereunder. In the event such discontinuance resulted in the termination of the Plan, the accounts of each affected employee who has not yet incurred a break in service shall be fully vested. Complete distributions or withdrawals would be distributed to Plan participants and beneficiaries in proportion to their respective account balances.

3. Summary of Significant Accounting Policies:  
-----

-----

The financial statements of the Plan are prepared under the accrual basis of accounting.

3. Summary of Significant Accounting Policies: (continued)  
-----

Use of Estimates:  
-----

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and

## Edgar Filing: HARSCO CORP - Form 11-K

disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Other:  
-----

The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation (depreciation) in the market value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

The purchase and sale of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Income from other investments is recorded as earned on an accrual basis. Both participant contributions and Company matching contributions are accrued in the period of the related payroll deductions. Forfeitures, a result of participant withdrawals prior to their full vesting in the Plan, are used to reduce the amount of future Company matching contributions. In 2004, forfeited amounts of \$91,298 were used to offset Company matching contributions and \$14,348 remained in a money market fund at December 31, 2004 to be used to offset future Company matching contributions.

#### 4. Investment Options: -----

The Plan, comprised of participant directed contributions, contains the following investment options:

- (1) Harsco Corporation Common Stock Fund - a fund consisting of Common Stock of Harsco Corporation purchased in the open market or through privately negotiated transactions to the extent permitted by rules of the New York Stock Exchange and the Securities and Exchange Commission.

Edgar Filing: HARSCO CORP - Form 11-K

fund invests in a combination of T. Rowe Price mutual funds representing different types of stocks and bonds.

The Plan provides for various investment options as described above. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

There were 1,847 participants at December 31, 2004 who participated in one or more of the 33 investment funds. At December 31, 2004 the number of participants selecting each of the investment funds for their contributions was as follows:

5. Related-Party Transactions:  
-----

Transactions in the Harsco Corporation Common Stock Fund also qualify as party-in-interest transactions.

-12-

NOTES TO FINANCIAL STATEMENTS, continued  
-----

6. Plan Amendment:  
-----

The Company amended the Plan effective January 1, 2004, to include rollover contributions when determining whether a Participant's account exceeds \$5,000. This threshold is used to determine if a Participant's balance will be immediately paid-out to the participant upon the participant leaving employment with the Company or if it will remain in the Plan until the Participant chooses to withdraw it.

7. Federal Income Taxes:  
-----

The Company received a determination letter from the Internal Revenue Service on May 19, 2005 that the Plan is a qualified plan under Sections 401(a) and 401(k) of the Internal Revenue Code and is therefore exempt from Federal income taxes under the provisions of Section 501(a). The Plan has been amended since the IRS made its determination. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Internal Revenue Code.

8. Subsequent Event - 2% Discretionary contribution:  
-----

In February 2005, the Company made a discretionary contribution totaling \$1.8 million equal to 2% of the compensation paid to Plan participants in 2004. The discretionary contribution will be recorded as a 2005

Edgar Filing: HARSCO CORP - Form 11-K

contribution.
