PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

WEDNESDAY, APRIL 11, 2012

This proxy statement (the "Proxy Statement") is furnished to shareholders of Silver Bull Resources, Inc. ("Silver Bull" or the "Company") in connection with the solicitation of proxies by the Board of Directors (the "Board") of Silver Bull to be voted at the Annual Meeting of Shareholders (the "Meeting"). The Meeting will be held at the Metropolitan Hotel Vancouver, the Vancouver Room, 645 Howe Street, Vancouver, British Columbia V6C 2Y9 on Wednesday, April 11, 2012 at 1:30 p.m. local time, or at any adjournment or postponement thereof. The Meeting is being held for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. This Proxy Statement, the accompanying proxy card and the Notice of Annual Meeting of Shareholders, as well as the Company's Annual Report on Form 10-K for the year ended October 31, 2011 (collectively, the "Proxy Materials"), are first being mailed to shareholders beginning on or about Thursday, March 1, 2012.

ABOUT THE ANNUAL MEETING

Why am I receiving this proxy statement and proxy card?

You have received these proxy materials because the Board is soliciting your proxy to vote your shares at the Meeting. This proxy statement describes issues on which we would like you to vote at our annual meeting of shareholders. It also provides you with information on these issues so that you may make an informed decision on the proposals to be voted on at the Meeting. The costs of the solicitation will be borne by the Company. Proxies may be solicited personally or by mail, telephone, facsimile or telegraph by directors, officers and regular employees of the Company, none of whom will receive any additional compensation for such solicitations. The Company will reimburse banks, brokers, nominees, custodians and fiduciaries for their reasonable out-of-pocket expenses incurred in sending the proxy materials to beneficial owners of the shares. The proposed corporate actions on which the shareholders are being asked to vote are not corporate actions for which shareholders of a Nevada corporation have the right to dissent under the Nevada Private Corporations Chapter of the Nevada Revised Statutes, Nev. Rev. Stat. 78.

What is the purpose of the annual meeting of shareholders?

At our annual meeting, shareholders will vote on the following items of business:

1. Elect six (6) directors, each to serve until the next annual meeting of shareholders of the Company or until their successors are elected and qualified; and
2. Ratify and approve the appointment of Hein & Associates LLP as our independent registered public accounting firm for the fiscal year ended October 31, 2012.

You will also vote on such other matters as may properly come before the meeting or any postponement(s) or adjournment(s) thereof.

1

What are the Board's recommendations?

Our Board recommends that you vote:

1. "FOR" the election of the six (6) nominated directors; and
2. "FOR" the ratification of the appointment of Hein & Associates LLP as our independent registered public accounting firm.

With respect to any other matter that properly comes before the Meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, at their own discretion.

What shares are entitled to vote?

As of Friday, February 24, 2012, the record date for the meeting, we had 136,160,157 shares of common stock outstanding. Each share of our common stock outstanding on the record date is entitled to one vote on all items being voted on at the Meeting. You can vote all of the shares that you owned on the record date. These shares include: (1) shares held directly in your name as the shareholder of record; and (2) shares held for you as the beneficial owner through a broker, bank or other nominee.

What is required to approve each item?

1. For Proposal No. 1 (election of directors), six (6) candidates will be elected by a plurality of affirmative votes. That is, the six (6) candidates that receive the highest number of affirmative votes will be elected to serve on our board of directors.
2. For Proposal No. 2 (ratification of independent auditors), the affirmative vote of the holders of a majority of the stockholders' shares present in person or represented by proxy at the meeting and entitled to vote, is required.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most shareholders hold their shares through a broker, bank or other holder of record rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record. If your shares are registered directly in your name with our transfer agent, Corporate Stock Transfer, Inc., you are considered, with respect to those shares, the shareholder of record, and we are sending these proxy materials directly to you. As the shareholder of record, you have the right to grant your voting proxy directly to the named proxy holder or to vote in person at the meeting. We have enclosed a proxy card for you to use.

Beneficial Owner. If your shares are held through a broker, bank, or other holder of record you are considered the beneficial owner of shares held in "street name," and these proxy materials are being forwarded to you from that holder together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote and are also invited to attend the annual meeting.

Since a beneficial owner is not the stockholder of record, you may not vote these shares in person at the meeting unless you obtain a "legal proxy" from the broker, bank or other holder of record that holds your shares, giving you the right to vote the shares at the meeting. Your broker, bank or other holder of record has enclosed or provided voting instructions for you to use in directing the broker, bank or other holder of record how to vote your shares.

Who may attend the annual meeting?

All shareholders as of the record date, or their duly appointed proxies, may attend the annual meeting. If you are not a shareholder of record but hold shares through a broker or bank (i.e., in street name), you should provide proof of beneficial ownership on the record date, such as your most recent account statement as of Friday, February 24, 2012, a copy of the voting instruction card provided by your broker, bank or other holder of record, or other similar evidence of ownership. Cameras, recording devices, and other electronic devices will not be permitted at the annual meeting.

How may I vote my shares in person at the annual meeting?

Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, bank or other holder of record that holds your shares giving you the right to vote the shares. Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions prior to the meeting as described below so that your vote will be counted if you later decide not to attend the annual meeting.

How may I vote my shares without attending the annual meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. If you are a stockholder of record, you may vote your shares by either completing, signing and returning the accompanying proxy card or casting your vote via a toll-free telephone number at 1-800-690-6903 or over the Internet at www.proxyvote.com at least 48 hours prior to the meeting and any adjournment(s) or postponement(s) thereof (excluding Saturdays, Sundays, and holidays). If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, bank or other holder of record. For directions on how to vote, please refer to the instructions included in the Notice or, for shares held beneficially in street name, the voting instruction card provided by your broker, bank or other holder of record.

Proxies submitted properly by one of the methods discussed above will be voted in accordance with the instructions contained therein. If the proxy is submitted but voting directions are not provided, the proxy will be voted "FOR" each of the six (6) director nominees, and "FOR" the ratification of the appointment of Hein & Associates LLP as our independent registered public accounting firm, and in such manner as the proxy holders named on the proxy, in their discretion, determine upon such other business as may properly come before the annual meeting or any adjournment or postponement thereof.

If your shares are held through a broker, bank or other nominee (collectively referred to as "brokers"), the broker will vote your shares according to the specific instructions it receives from you. If the broker does not receive voting instructions from you, the broker may vote only on a proposal that is considered a "routine" matter. The election of directors is not a "routine" matter on which your broker may vote without your instructions. At this year's annual meeting, your broker may vote without your instructions only on the ratification of the appointment of Hein & Associates LLP as our independent registered public accounting. The broker's failure to vote on the election of directors because it lacks discretionary authority to do so, commonly referred to as a "broker non-vote," will not affect the outcome of the vote on the election of directors.

May I change my vote or revoke my proxy after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change the votes you cast or revoke your proxy at any time before the votes are cast at the meeting by: (1) delivering a written notice of your revocation to our principal executive office, 885 West Georgia Street, Suite 2200 Vancouver, British Columbia V6C 3E8; or (2) executing and delivering a later dated proxy. In addition, the powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the annual meeting will not by itself revoke a previously granted proxy.

What is a “broker non-vote”?

Brokers, banks or other holders of record are not permitted to vote in the election of directors if the broker has not received instructions from the beneficial owner. In these cases, the broker can register your shares as being present at the annual meeting for purposes of determining the presence of a quorum but will not be able to vote on those matters for which specific authorization is required. This is called a “broker non-vote.” If you are a beneficial owner whose shares are held of record by a broker, bank or other holder of record, you must instruct the broker, bank or other holder of record how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any proposal on which the broker does not have discretionary authority to vote. Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares.

3

What constitutes a quorum?

The presence, in person or by proxy, of one-third of the shares of Common Stock outstanding as of the Record Date constitutes a quorum for the transaction of business at the Meeting. In the event there are not sufficient votes for a quorum or to approve any proposals at the time of the Meeting, the Meeting may be adjourned in order to permit further solicitation of proxies. Abstentions will count towards quorum requirements.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, it means that you hold shares registered in more than one name or brokerage account. You should sign and return all proxies for each proxy card that you receive in order to ensure that all of your shares are voted.

How may I vote on each of the proposals?

For the election of directors pursuant to Proposal One, you may vote "FOR" any nominee, or you may indicate that you wish to withhold authority to vote for one or more of the nominees being proposed. For Proposal Two, you may vote "FOR" or "AGAINST" the proposal, or you may indicate that you wish to "ABSTAIN" from voting on the proposal.

Who will count the proxy votes?

Votes will be counted by Broadridge Financial Solutions, Inc., whom we have retained to act as the inspector of election for the annual meeting.

How will voting on any other business be conducted?

We do not expect any matters to be presented for a vote at the Meeting other than the matters described in this proxy statement. If you grant a proxy, either of the officers named as proxy holder, Brian Edgar or Timothy Barry, will have the discretion to vote your shares on any additional matters that are properly presented for a vote at the meeting.

How do I submit a stockholder proposal for consideration at next year's annual meeting?

Proposals for Inclusion in Proxy Statement. For your proposal or director nomination to be considered for inclusion in our proxy statement for next year's annual meeting, your written proposal must be received by our corporate secretary at our principal executive office no later than November 1, 2012. After this date, any shareholder proposal will be considered untimely. If we change the date of next year's annual meeting by more than thirty (30) days from the date of this year's meeting, then the deadline is a reasonable time before we begin to print and mail our proxy materials. You should also be aware that your proposal must comply with SEC regulations regarding inclusion of stockholder proposals in company-sponsored proxy materials, and with any provision in our Amended and Restated Bylaws regarding the same.

Board of Directors Composition

The Company's Board of Directors seeks to ensure that it is composed of members whose particular experience, qualifications, attributes, and skills, when taken together, will allow the Board to satisfy its oversight obligations effectively. The Company's Corporate Governance and Nominating Committee is charged with identifying, screening, and/or appointing persons to serve on the Board. In identifying Board candidates it is the Company's goal to identify persons who it believes have appropriate expertise and experience to contribute to the oversight of a company of the Company's nature while also reviewing other appropriate factors.

The Company believes that each of the persons standing for election to the Board of Directors at the Meeting has the experience, qualifications, attributes and skills when taken as a whole will enable the Board to satisfy its oversight responsibilities effectively. With regard to the Board nominees the following factors were among those considered that led to the Board's conclusion that each would make valuable contributions to the Board:

- **Brian Edgar:** The Board believes that Mr. Edgar is qualified to serve as a director of the Company because of his extensive executive level experience working with junior and mid-size level natural resource companies, as well as his experience with and general knowledge of the capital markets.
- **Timothy Barry:** The Board believes that Mr. Barry is qualified to serve as a director of the Company because of his geological education and background, and his significant experience with junior and mid level natural resources companies.

Transactions with Related Persons

Pursuant to its charter our Audit Committee reviews and approves all related party transactions on an ongoing basis. The following sets out information regarding transactions between the Company and its officers, directors and significant shareholders since November 1, 2010.

Employment and Independent Contractor Agreements

Each of our current executive officers has entered into an employment or independent contractor agreement with the Company. The terms of the employment and independent contractor agreements between Messrs. Edgar, Barry, Fallis, and Cunliffe are described below under the heading Executive Compensation.

Office Space and Services

Our corporate offices are located at 885 West Georgia Street, Suite 2200, Vancouver, British Columbia V6C 3E8. We lease our corporate office space and obtain certain services from a company owned by our Chairman, Brian Edgar, and the current agreement is on a month-to-month basis at the basic rate of \$10,000 per month. The Company paid \$121,000 under this agreement during the year ended October 31, 2011.

Severance Agreement

On April 6, 2011, the Company entered into a severance agreement with Robert Devers, the Company's former Chief Financial Officer. The Company and Mr. Devers agreed that the termination of his employment agreement would be effective April 15, 2011, and that Mr. Devers would cease serving as the Company's Chief Financial Officer as of that date. Mr. Devers remained an employee of the Company through August 31, 2011 to assist with certain on-going projects. Pursuant to the severance agreement, Mr. Devers agreed to waive any and all legal claims (known or unknown) he may have against the Company in exchange for a lump sum severance payment in the amount of \$165,000 (less taxes). This lump sum severance amount was determined based on the termination provisions in Mr. Devers' employment agreement.

Registered Direct Offering

Certain officers and directors of the Company participated in a registered direct offering that closed on December 12 and 13, 2011. Each of these affiliates of the Company purchased shares of the Company's Common Stock at \$0.50 per share, the same price paid by other purchasers in the offering. The affiliates of the Company that participated in this offering included Brian Edgar, Timothy Barry, Nicole Adshead-Bell, Jason Cunliffe, Sean Fallis, and Daniel Kunz.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors and persons who own more than 10% of the Company's outstanding Common Stock to file reports of ownership with the Securities and Exchange Commission ("SEC"). Directors, officers, and greater than 10% shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of Forms 3, 4, and 5 and amendments thereto furnished to the Company during and for the Company's year ended October 31, 2011, and as of February 27, 2012, there were no directors, officers or more than 10% stockholders of the Company who failed to timely file a Form 3, 4 or 5, other than (a) Daniel Kunz and (b) Lazarus Investment Partners LLLP, each of whom filed one late report.

Independence of the Board of Directors

As of February 27, 2012, the Company's Board of Directors consisted of Nicole Adshead-Bell, Joshua Crumb, Timothy Barry, Brian Edgar, Murray Hitzman, Duncan Hsia, Daniel Kunz, and John McClintock. Each of Dr. Adshead-Bell, Mr. Crumb, Mr. Hitzman, Mr. Hsia, Mr. Kunz, and Mr. McClintock is considered "independent" as that term is defined in Section 803A of the NYSE Amex Company Guide.

With respect to the slate of directors being presented for election at the Meeting, the Board has determined that the following persons qualify as "independent" under Section 803A of the NYSE Amex Company Guide and Section 311 of the TSX Company Manual: Joshua Crumb, Murray Hitzman, Daniel Kunz, and John McClintock. Dr. Adshead-Bell and Mr. Hsia have elected not to stand for reelection but will serve until the Meeting. Immediately upon the conclusion of the Annual Meeting, the Board of Directors will reduce the number of directors of the Company from eight (8) to six (6) in accordance with the Company's Amended and Restated Bylaws.

Board Leadership Structure

The Board does not have an express policy regarding the separation of the roles of Chief Executive Officer and Board Chairman as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. Until April 2010, Merlin Bingham served as the Company's Chief Executive Officer and Chairman; however, since April 16, 2010 different persons have served in those positions. Currently, Brian Edgar is the Company's Chairman, while Timothy Barry serves as the Company's Chief Executive Officer. The Board believes that this leadership structure is appropriate as Mr. Edgar and Mr. Barry bring complimenting attributes to the Company's business operations and strategic plans, and generally are focused on somewhat different aspects of the Company's operations. Mr. Barry with his geological background and experience has a greater depth of knowledge regarding the Company's exploration activities, while Mr. Edgar has a significant amount of experience with mid-sized and junior level exploration /mining companies and the Canadian capital markets. Also, the Board does not have a formal policy with respect to the consideration of diversity when assessing directors and directorial candidates, but considers diversity as part of its overall assessment of the Board's functioning and needs.

Board's Role in Risk Oversight

Company management is charged with the day-to-day management of risks the Company faces. However, the Board of Directors, directly and through its committees, is actively involved in the oversight of the Company's risk management policies. The Audit Committee is charged with overseeing enterprise risk management, generally, and with reviewing and discussing with management the Company's major risk exposures (whether financial, operating or otherwise) and the steps management has taken to monitor, control and manage these exposures, including the Company's risk assessment and risk management guidelines and policies. The Audit Committee reports to the Board of Directors regarding the foregoing matters, and the Board of Directors ultimately approves any changes in corporate policies, including those pertaining to risk management. Additionally, the Compensation Committee oversees the Company's compensation policies generally in part to determine whether they create risks that are reasonably likely to have a material adverse effect on the Company. The Audit Committee and the Compensation Committee correspond with, and report to, management and to the Board.

Meetings of the Board and Committees

Board of Directors

The Company's Board of Directors held 18 meetings during the year ended October 31, 2011, and 6 additional meetings through February 27, 2012. Such meetings consisted of both actions taken by the unanimous written consent

of the directors and live meetings at which the directors were present in person or by telephone. All of the Company's directors attended at least 75% of the Board meetings conducted during the fiscal year ended October 31, 2011, except for Mr. Hitzman who attended 72% of the Board meetings. The Company does not have a formal policy with regard to board members' attendance at annual meetings, but encourages them to attend shareholder meetings. Messrs. Edgar and Barry attended last year's annual meeting of shareholders.

11

The Company has a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The following persons serve on our Audit Committee, each of whom is considered “independent” under Section 803A of the NYSE Amex Company Guide and Rule 10A-3 of the Exchange Act: Nicole Adshead-Bell, Duncan Hsia, and Daniel Kunz. The Compensation Committee has authority to retain such compensation consultants, outside counsel and other advisors as the Committee in its sole discretion deems appropriate. The Committee may also invite the executive officers and other members of management to participate in their deliberations, or to provide information to the Committee for its consideration with respect to such deliberations, except that the chief executive officer may not be present for the deliberation of or the voting on compensation for the chief executive officer. The chief executive officer may, however, be present for the deliberation of or the voting on compensation for any other officer.

The Compensation Committee also has the authority and responsibility: (1) to review the fees paid to independent directors for service on the board of directors and its committees, and make recommendations to the board with respect thereto (however disinterested members of the board ultimately determine the fees paid to the independent directors); and (2) to review the Company’s incentive compensation and other stock-based plans and recommend changes in such plans to the board as needed.

Corporate Governance and Nominating Committee

The Company's Corporate Governance and Nominating Committee consists of Daniel Kunz, Murray Hitzman, and Duncan Hsia, each of whom is considered "independent" under Section 803A of the NYSE Amex Company Guide. Duties of the Corporate Governance and Nominating Committee include oversight of the process by which individuals may be nominated to our Board of Directors. COMPENSATION DISCUSSION AND ANALYSIS

The following Compensation Discussion and Analysis describes the material elements of compensation for the executive officers identified in the Summary Compensation Table contained above (the “named executive officers”).

The Compensation Committee of our Board of Directors (the “Committee”) reviews and approves the total direct compensation packages for each of our executive officers. Notably the salary and other benefits payable to those persons who served as our named executive officers during the year ended October 31, 2011 are set forth in employment or independent contractor agreements which are discussed below. Stock option grants, as applicable to the named executive officers, are reviewed by the Committee and approved by the full Board of Directors.

The principle objectives that guide the Committee in its deliberations regarding executive compensation matters include:

- attracting and retaining highly qualified executives who share our Company values and commitment by designing the total compensation package to be fair and competitive;
- providing executives with contractual terms that offer them reasonable security; and
- motivating executives to provide excellent leadership and achieve Company goals by linking short-term and long-term incentives to the achievement of business objectives, thereby aligning the interests of executives and stockholders.

The primary elements of compensation to our named executive officers are cash compensation and equity compensation in the form of stock option grants, each of which are further described below.

In April 2011, we held a shareholder advisory vote on the compensation of our named executive officers, commonly referred to as a say-on-pay vote. Our shareholders overwhelmingly approved the compensation of our named executive officers, with over 95% of shareholder votes cast in favor of our say-on-pay resolution. As we evaluated our compensation practices throughout fiscal 2011, we were mindful of the strong support our shareholders expressed for our philosophy of linking compensation to our operating objectives and the enhancement of shareholder value. As a result, our Committee decided to retain our general approach to executive compensation, with an emphasis on short and long-term incentive compensation that rewards our executives when they deliver value for our shareholders. In addition, our shareholders recommended, in a non-binding vote, that shareholder advisory votes on the compensation of our executive officers be held every three years. Approximately 60% of the votes cast were voted in favor of a three year frequency. Accordingly, our Board adopted the shareholders' recommendation to hold the say-on-frequency vote every three years. The next advisory vote on executive compensation matters will be in 2014.

Cash Compensation Payable to our Named Executive Officers

Our named executive officers receive a base salary or consulting rate payable in accordance with our normal payroll practices. The base salaries or consulting rates of our executive officers are set forth in employment or independent contractor agreements between the Company and each officer. Based on the Committee's knowledge of the industry and size and financial resources of the Company, the Committee believes that the base salaries or consulting rates of the Company's executive officers are competitive to those that are received by comparable officers with comparable responsibilities in similar companies.

When the Committee considers total cash compensation for our named executive officers, we do so by evaluating their responsibilities, experience and the competitive marketplace. Specifically, the Committee considers the following factors:

- the executive's leadership and operational performance and potential to enhance long-term value to the Company's shareholders;
- the Company's financial resources;
- performance compared to the financial, operational and strategic goals established for the Company;
- the nature, scope and level of the executive's responsibilities;
- competitive market compensation paid by other companies for similar positions, experience and performance levels; and
- the executive's current salary or consulting rate, the appropriate balance between incentives for long-term and short-term performance.

Historically the Company has entered into employment or independent contractor agreements with its executive officers that provide for a base salary or consulting rate and other benefits.

Option Grants to our Named Executive Officers

We have granted stock options to our named executive officers. Historically options were granted to officers on or about the time of their initial appointment. Options granted to our executive officers generally vest over a period of 2 years from the date of grant. These option grants are intended to provide incentives to our officers who contribute to the success of the Company by offering them the opportunity to acquire an ownership interest in it. We believe that option grants also help to align the interests of our management and employees with the interests of shareholders.

Further, we believe that these option grants serve as additional incentive for our officers and in turn the achievement of these objectives will help our performance.

17

Employment and Independent Contractor Agreements with our Named Executive Officers

Historically the Company has entered into employment or independent contractor agreements with its named executive officers. Each of our executive officers is paid a salary or consulting rate for their services and has been granted stock options in consideration for their services. When the Committee considers salaries or consulting rates for our executives, it does so by evaluating their responsibilities, experience, the competitive marketplace, and our financial resources and projections. Pursuant to its Charter, the Committee reviews and approves the terms of the compensation granted and awarded to our named executive officers.

Brian Edgar

Effective September 2, 2011, Brian Edgar entered into an amended and restated employment agreement with the Company, pursuant to which he receives a base salary of CDN \$7,500 per month (CDN \$90,000 per year). Stock Option, Stock Awards and Equity Incentive Plans

The Company has two stock option plans. The 2006 Stock Option Plan (the “2006 Plan”) was adopted by the Board of Directors in May 2006, and approved by the stockholders in July 2006. The 2010 Stock Option and Bonus Plan (the “2010 Plan”, together with the 2006 Plan, the “Plans”) was adopted by the Board of Directors in December 2009 and approved by the shareholders in April 2010.

19

Under the 2006 Plan, the Company may grant incentive options or stock bonuses to employees (including officers), consultants and directors (whether or not they are employees) of the Company or its present or future divisions, affiliates and subsidiaries (together, “Eligible Persons”) for up to a total of 5,000,000 shares of common stock. Under the 2010 Plan, the lesser of (i) 30,000,000 shares or (ii) 10% of the total shares outstanding will be reserved to be issued upon the exercise of options or the grant of stock bonuses granted to Eligible Persons.

Options granted under the Plans shall have an exercise price equal to the “Fair Market Value” which is defined in the Plan as the closing price of the Company’s Shares on the principal trading market on the date of the grant.

Options granted under the Plans typically have a graded vesting schedule over approximately 2 years and have a contractual term of 5 to 10 years. In any event, no exercise period of options granted can exceed ten years from the date of the grant. Options granted are not assignable other than by will or applicable laws of intestacy.

Unless otherwise provided in the option agreement between the Company and the optionee, if the optionee ceases to be an employee, officer, director or consultant of the Company, other than by reason of death or disability, all unexercised options granted thereunder to such optionee will terminate three months following the date the optionee ceases to hold such office or directorship, and will terminate upon the date of termination of employment or other relationship if the optionee is discharged with cause. Unexercised options granted will be exercisable within one year after the date of death or disability of the optionee.

Although the Company is not required to submit the selection of independent registered public accountants for shareholder approval, if the shareholders do not ratify this selection, the Board of Directors may reconsider its selection of Hein. The Board considers Hein to be well qualified to serve as the independent auditors for the Company, however even if the selection is ratified, our Board of Directors may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee and Board of Directors determines that the change would be in our best interests.

The Board of Directors recommends a vote "FOR" Proposal Two. Proposal Two requires the affirmative vote of a majority of the votes cast by the holders of shares entitled to vote at the Meeting.
