Item Results of Operations and Financial Condition
2.02.

On October 28, 2004 the Company issued a press release announcing its unaudited financial results for the third quarter ended September 30, 2004. A copy of the press release is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated herein solely for purposes of Item 2.02.

Edgar Filing: ENCORE CAPITAL GROUP INC - Form 8-K

The press release attached to this Current Report on Form 8-K as Exhibit 99.1 contains financial measures for income before taxes, net income, fully diluted earnings per share and cash flow from operations excluding one-time benefit that are not calculated in accordance with generally accepted accounting principles in the United States (GAAP). The Company has provided a reconciliation in the press release attached to this Current Report on Form 8-K as Exhibit 99.1 of the non-GAAP financial measures for income before taxes, net income, fully diluted earnings per share and cash flow from operations excluding one-time benefit to GAAP income before taxes, net income, fully diluted earnings per share and cash flow from operations.

Management believes that these non-GAAP financial measures provide useful information to investors about the Company's results of operations because the elimination of one-time benefit that is included in the GAAP financial measures results in enhanced comparability of certain key financial results between the periods presented.

The information provided in this Current Report on Form 8-K pursuant to Item 2.02, including the exhibit, shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities under that Section. Furthermore, the information provided in this Current Report on Form 8-K pursuant to Item 2.02, including the exhibit, shall not be deemed to be incorporated by reference into the filings of Encore Capital Group, Inc. under the Securities Act of 1933.
