**ITEM 9. Regulation FD Disclosure.**

On April 29, 2004, we commenced the mailing of our Annual Report to Shareholders. The Letter to Shareholders contained in the Annual Report included a projection of the impact on the Company's Funds from Operations of the Patent and Trademark Office ( PTO ) vacating the 1.9 million square feet it currently occupies in the Company's Washington, D.C. Office buildings, and the subsequent lease-up of that space.

Previously, the Company disclosed in its Annual Report on Form 10-K for the year ended December 31, 2003, that the PTO would be relocating in the late 2004 and 2005.

Details of the projection are included in Exhibit 1.1 and 1.2. This projection contains forward-looking statements as such term is defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements are not guarantees of performance. The Company's future results, financial condition and business may differ materially from those expressed in these forward-looking statements. These forward-looking statements are subject to numerous assumptions, risks and uncertainties. Many of the factors that will determine these items are beyond our ability to control or predict. For further discussion of these factors, see "Forward Looking Statements" and "Item 1. Business-Risk Factors" in the Company's annual report on Form 10-K for the year ended December 31, 2003.
