Voting on Matters before the Annual Meeting

Q: What am I voting on?

A: There are two items that shareholders are asked to vote on at the 2006 Annual Meeting:

Proposal 1: Election of three Class III directors.

Proposal 2: The ratification of the appointment of Ernst & Young LLP, as the Company's independent public accountants for the year ending December 31, 2006.

Q: Who is entitled to vote?

A: Only shareholders of record at the close of business on March 22, 2006 (the Record Date), will be entitled to receive notice of, and to vote at, the Meeting. As of the Record Date, there were outstanding 18,208,436 shares of Common Stock, par value \$.01 per share (the Common Stock), of the Company. Each shareholder of record is entitled to one vote for each share of Common Stock held by such holder and may vote such shares either in person or by proxy. The presence in person or by proxy of 9,104,219 shares of common stock will constitute a quorum at the Meeting.

Q: How do I cast my vote?

A: If you hold your shares as a registered shareholder, you can vote in person at the Annual Meeting or you can vote by mail, telephone or on the Internet.

If your stock is held through a broker or bank you will receive voting instructions from your bank or broker describing how to vote your stock. The availability of telephone or Internet voting will depend upon the bank's or broker's voting processes.

Whichever method you use, each valid proxy received in time will be voted at the Annual Meeting by the persons named on the proxy card in accordance with your instructions. To ensure that your proxy is voted, it should be received by the close of business on May 15, 2006.

If you submit a proxy card without giving instructions, your shares will be voted as recommended by the Board of Directors.

Mellon Investor Services has been engaged as the independent inspector of election to tabulate shareholder votes at the Meeting.

Q: How does the Board of Directors recommend voting?

A: The Board of Directors recommends voting **FOR** H. Frederick Christie, Richard J. Dahl and Patrick W. Rose, to serve as Class III directors;

The Audit Committee of the Board of Directors recommends voting **FOR** ratification of the appointment of Ernst & Young, LLP as the Company's independent registered public accounting firm.

Q: How will my stock be voted on other business brought up at the Annual Meeting?

A: By signing and submitting your proxy card or voting your shares using the Internet or the toll-free telephone number, you authorize the persons named on the proxy card to use their discretion in voting on any other matter brought before the Annual Meeting. The Company does not know of any other business to be considered at the Annual Meeting.

Q: Can I change my vote or revoke my proxy?

Edgar Filing: IHOP CORP - Form DEF 14A

A: Yes. You can change your vote or revoke your proxy at any time before it is voted at the Annual Meeting by executing a later-voted proxy by telephone, mail or the Internet or by voting by ballot at the Meeting.

Q: Will abstentions or broker non-votes affect the voting results?

A: Assuming a quorum is present, directors will be elected by a plurality of the votes cast in the election of directors. Other matters submitted for shareholder approval will be decided by the vote of the holders of a majority of the stock represented and entitled to vote at the Meeting. Abstentions and broker non-votes will be counted and will have the same effect as no votes.

Board of Directors and Corporate Governance

The Board of Directors is responsible for overseeing the direction, affairs and management of the Company.

The Company has implemented a number of changes to its corporate governance practices in response to the Sarbanes-Oxley Act of 2002 and the changes to the corporate governance listing standards of the New York Stock Exchange (NYSE).

The following highlights some of the corporate governance initiatives taken by the Board, in response to the Sarbanes-Oxley Act, the NYSE rules and otherwise:

Corporate Governance Principles. The NYSE rules require listed companies to adopt corporate governance principles. The current version of the Company s corporate governance principles can be found on the Corporate Governance portion of the Investor Information section of our website, <http://www.ihop.com>.

Director Attendance at Annual Meetings. All directors are expected to attend the Company s Annual Meeting. All of the directors attended the Company s 2005 Annual Meeting of Shareholders.

Independent Directors. The NYSE rules require listed companies to have a board of directors with at least a majority of independent directors. The Company has now, and has had for many years, a majority of independent directors.

Under the NYSE rules, a director qualifies as independent upon the Board affirmatively determining that he or she has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). Based upon a review of the directors backgrounds and business activities, the Board has determined that each of the directors, other than Julia Stewart, has no material relationship with the Company and therefore that they qualify as independent.

Board Committees. Both the Sarbanes-Oxley Act and the NYSE rules require the Company to have an audit committee comprised solely of independent directors, and the NYSE rules also require the Company to have a compensation committee and a nominating and corporate governance committee, each of which is comprised solely of independent directors. The Company is in compliance with these requirements.

Under the Sarbanes-Oxley Act, members of an audit committee must have no affiliation with the Company, other than the Board seat, and receive no compensation in a capacity other than as a director and committee member. Each member of our Audit Committee meets this independence standard.

The charters of all three of the Company s Board Committees can be found on the Corporate Governance portion of the Investor Information section of our website, <http://www.ihop.com> and are also available in print to shareholders upon written request to Corporate Secretary, IHOP Corp., 450 N. Brand Boulevard, Glendale, CA 91203-2306.

Audit Committee Financial Experts. Rules promulgated by the SEC under the Sarbanes-Oxley Act require the Company to disclose annually whether our Audit Committee has one or more audit committee financial experts, as defined by the SEC. The Board has determined that Mr. Dahl qualifies as an audit committee financial expert and is independent, as defined in the NYSE rules.

Code of Ethics for Chief Executive and Senior Financial Officers. The Board has adopted a code of ethics that applies to the Company s CEO and senior financial officers, as required by the SEC. The code of ethics for the Chief Executive Officer and Senior Financial Officers can be found on the Corporate Governance portion of the Investor Information section of our website, <http://www.ihop.com> and are also available in print to shareholders upon written request to Corporate Secretary, IHOP Corp., 450 N. Brand Boulevard, Glendale, CA 91203-2306.

Non-Management Directors. The NYSE rules require that the non-management directors of a listed company meet periodically in executive sessions. The Company s non-management directors meet

separately at each regular meeting of the Board and most committee meetings. The Chairman of the Board is not a member of management and presides during executive sessions of the Board.

Interested parties may express their concerns to the Company's non-management directors by contacting the Chairman of the Nominating and Corporate Governance Committee, care of the Corporate Secretary, IHOP Corp., 450 North Brand Boulevard, Glendale, California 91203-2306. The Corporate Secretary will relay all such correspondence to the Chairman of the Nominating and Corporate Governance Committee.

Communications with the Board. Shareholders may communicate with the Board of Directors, care of the Corporate Secretary, IHOP Corp., 450 N. Brand Boulevard, Glendale, California 91203-2306. The Corporate Secretary will relay all such correspondence to the entire Board of Directors.

Senior Management Evaluation. In consultation with the other independent directors, the Chairmen of the Compensation and the Nominating and Corporate Governance Committees annually evaluate the performance of the Company's CEO.

Corporate Financial Ethics Hotline. The Company has established a corporate financial ethics hotline to allow any employee to lodge a complaint, confidentially and anonymously, about any accounting, internal control or auditing matter that is of concern.

Board Retirement Policy. In 2004, the Board resolved that effective with the 2005 Annual Meeting of Shareholders, no person may stand for election to serve as a member of the Company's Board of Directors if he or she shall have reached his or her 76th birthday. Notwithstanding the foregoing, under special circumstances, upon the recommendation of the Nominating and Corporate Governance Committee, and upon the consent and approval of a majority of the Board, a person who has reached his 76th birthday may be permitted to serve on the Board.

Board Meetings and Attendance

Mr. Weisberger has served as Vice President, Legal, Secretary and General Counsel since January 1994.

Employment Agreements

Each of the executive officers is a party to an employment agreement with the Company. The agreements provide for base salaries, participation in a bonus program, car allowances, and certain other perquisites and benefit programs available to other employees. The agreements provide that the Board of Directors may, at its discretion, increase any executive officer's base salary during the term of such officer's employment agreement. The executive officers received upon hiring incentive grants of stock options, and in the case of Mr. Celio, stock options and an award of restricted stock. The employment agreements generally call for initial employment terms of two years (one year for Mr. Weisberger) and provide for automatic successive one-year extensions unless the Company or the officer gives notice to the contrary more than 90 days prior to the expiration of the then current term of the agreement.

In the event of a change in control of the Company, the employment periods of Ms. Stewart and the other executive officers will automatically be extended, for two years from the date of such change in control. For purposes of the employment agreements, a change in control will be deemed to have occurred if (i) any person acquires 25% or more of the combined voting power of the Company's then outstanding securities; (ii) in any two consecutive years individuals who at the beginning of the period constitute the board, plus any directors approved by a vote of at least two-thirds of the directors then in office who either were directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute a majority thereof; (iii) the shareholders approve certain merger or consolidation transactions other than (a) a merger or consolidation which would result in the voting securities of the Company continuing to represent at least 75% of the combined voting power of the voting securities of the Company or surviving entity immediately after such merger or consolidation or (b) a merger or consolidation effected to implement a recapitalization of the Company in which no person acquires more than 50% of the combined voting power of the Company's then outstanding securities; or (iv) the shareholders approve a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all of the Company's assets.

Each executive officer is entitled to receive compensation through the date of termination if such officer's employment is terminated (i) by the Company for cause or disability or (ii) by the officer for any reason, other than a voluntary termination or for good reason following a change in control of the Company. For purposes of the employment agreements, cause means willful failure to substantially perform one's duties, willful misconduct or the commission of acts of dishonesty, fraud, misrepresentation or moral turpitude as would prevent the effective performance of the employee's duties. Disability is defined to mean the employee's absence from the full-time performance of his or her duties for 90 consecutive days or 180 days within any 12 month period as a result of incapacity due to physical or mental illness. Good reason includes, generally, a material breach of the agreement, an adverse change in the officer's duties or responsibilities from those in effect prior to such change in control, a reduction of the officer's salary or benefits, or relocation of the officer outside of Southern California or failure of the Company to pay the officer his or her compensation or to continue in effect any compensation plan or

benefit plan as in effect immediately prior such change in control. A voluntary termination may occur upon an uncorrected material breach of the agreement by the Company.

Ms. Stewart's employment agreement provides that the Company extend to her an interest free personal loan in the amount of \$600,000. The personal loan is forgiven in increments of \$100,000 annually, commencing on December 31, 2002 and would automatically be forgiven upon a change in control or in the event of her termination by the Company for any reason other than for cause. The agreement further provides that if Ms. Stewart is terminated for cause or terminates her employment other than in a voluntary termination, she agrees to repay any amount outstanding on such loan within 60 days of such termination.

If an executive officer's employment is terminated (i) by the Company other than for cause or disability, (ii) by the officer in a voluntary termination or for good reason or (iii) by reason of the officer's death, then the officer (or, in the event of such officer's death, his or her designated payee) will be entitled to receive (i) a lump sum payment of the salary and bonus payments that would have been payable to such officer through (a) in the case of death or a voluntary termination, the term of the agreement, (b) in the case of termination by the employee for good reason following a change in control, a period of 24 months, and (c) in any other instance, a period of 12 months and (ii) continuing insurance benefits for the same period at no cost to the officer (or designated payee), subject to reduction under certain circumstances. In addition, if the Company does not elect to extend Ms. Stewart's agreement, she will be entitled to the compensation and benefits described above for a period of 12 months and her options will become vested and immediately exercisable. Payments and benefits under each employment agreement would be reduced to the extent they are not deductible under Section 280G of the Internal Revenue Code of 1986, as amended (the Code).

Nominating and Corporate Governance Committee

Our Nominating and Governance Committee is comprised of four independent directors: H. Frederick Christie (Chairman), Michael S. Gordon, Gilbert T. Ray and Patrick W. Rose. The Committee operates under a written charter adopted by the Board of Directors, which can be found in the Corporate Governance portion of the Investor Relations section of our corporate web site, <http://www.ihop.com> and is also available in print to shareholders upon written request to Corporate Secretary, IHOP Corp., 450 N. Brand Blvd., Glendale, CA 91401-2306. The chart set forth in Board Committees describes some of the principal functions of the Committee under its charter.

The Committee will consider director candidates recommended by shareholders. Shareholders wishing to recommend director candidates for consideration by the Committee may do so by writing to the Corporate Secretary, giving the recommended nominee's name, biographical data and qualifications, accompanied by the written consent of the recommended nominee.

Consistent with its charter, the Committee considers various criteria in Board candidates, including, among others, experience, interpersonal skills, expertise, diversity, personal and professional integrity, character, business judgment, business philosophy, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Committee considers appropriate in the context of the needs of the Board. The Committee also considers whether a potential nominee would satisfy the NYSE's criteria of director independence; the NYSE's financial management expertise standard; and the SEC's definition of audit committee financial expert.

Whenever a vacancy exists on the Board due to expansion of the Board's size or the resignation or retirement of an existing director, the Committee begins its process of identifying and evaluating potential director nominees. The Committee considers recommendations of management, shareholders and others. The Committee has sole authority to retain and terminate any search firm to be used to identify director candidates, including approving its fees and other retention terms.

Edgar Filing: IHOP CORP - Form DEF 14A

The Committee conducted an evaluation and assessment of all of the sitting directors including those whose term expires in 2006 for purposes of determining whether to recommend them for nomination for re-election to the Board of Directors. After reviewing the assessment results, the Committee determined to recommend to the Board that Messrs. Christie, Dahl and Rose be nominated for re-election to the Board of Directors. The Board accepted the Committee's recommendation and has nominated Messrs. Christie, Dahl and Rose for re-election.

The Committee did not receive any recommendations from stockholders proposing candidates for election to the Board at the 2006 Annual Meeting.

In order to reach the minimum threshold for payouts, the Company's relative total shareholder return for the Performance Period must be at or above the 35th percentile, as compared to the peer index, or the Company's cumulative aggregate net cash flow from operations for the Performance Period must be equal to or greater than \$140,000,000. Report of the Compensation Committee

The Compensation Committee. Executive compensation decisions are made by the three-member Compensation Committee of the Board of Directors. Each member of the Compensation Committee is a non-employee director. The Compensation Committee administers the executive incentive plans, reviews compensation plans, programs and policies, monitors the performance and compensation of executive officers and other key employees and makes recommendations and reports to the Board of Directors. All executive compensation decisions made by the Compensation Committee are reviewed by the entire Board of Directors, except for decisions regarding awards under the IHOP Corp. 2001 Stock Incentive Plan, which are made solely by the Compensation Committee.

Compensation Philosophy. The Company's philosophy regarding compensation is based on several objectives, including: (i) linking executives' interests with those of the Company's shareholders; (ii) instilling an ownership culture throughout the Company and officer group; (iii) attracting and facilitating retention of high caliber executive talent; and (iv) paying for performance and rewarding executives for achievement of both annual and longer term Company financial and key operating goals. The Company maintains a compensation program designed to attract and retain highly-qualified executives and to motivate management. We seek to tie each executive's at risk compensation, to the extent feasible, directly to his or her contribution to the Company's success in achieving its performance objectives.

The Company's executive compensation program consists of three main components: (1) base salary, (2) bonus, and (3) long-term incentives in the form of stock options or other stock-based awards. The bonus and long-term incentives constitute the at risk portion of the compensation program. The Named Executives' compensation for 2005 reflected the Compensation Committee's commitment to coordinating pay with Company and individual performance. In establishing specific compensation levels for the Named Executives in 2005, the Compensation Committee considered information provided by compensation consultants, surveys of compensation programs offered by comparable companies, statistical information generated by the Company's Human Resources Department and evaluations of the individual performances of the Named Executives.

Federal Income Tax Considerations. The Compensation Committee has considered the impact of section 162(m) of the Code. This section disallows tax deductions for any publicly-held corporation for individual compensation to certain executives of such corporation exceeding \$1 million in any taxable year, except for certain performance-based compensation which has been approved by shareholders. It is the intent of the Company and the Compensation Committee to qualify to the maximum extent possible its executives' compensation for deductibility under applicable tax laws, while recognizing that there may be situations in which compensation for certain executives in excess of the 162(m) limit may be warranted. The

Compensation Committee believes that the Company's compensation programs provide the necessary incentives and flexibility to promote the Company's performance-based compensation philosophy while being consistent with Company objectives.

Salaries. The general policy of the Compensation Committee is to establish executive base salaries that are (i) competitive and consistent with those provided to others holding similar positions in the restaurant and franchising industries, and (ii) consistent with each executive's actual and expected contributions to the Company's short-term and long-term success. In general, the Compensation Committee attempts to set base salaries at or near the 50th percentile as compared to a group of peer companies identified with the assistance of an outside consultant. In 2005, Ms. Stewart received a salary increase of 3.4% and the other senior executives received salary increases that ranged from about 2% percent to about 5% percent. The increases for the Named Executives, including Ms. Stewart were based on several considerations including assessments of the individuals' performance, position, tenure, experience and competitive data in compensation surveys of comparable companies.

Bonus Awards. Pursuant to the IHOP Corp. Executive Incentive Plan (the "Incentive Plan") the amount of any bonus is targeted as a percentage of salary. The target amount for Ms. Stewart for 2005 was 75% of her base salary. The target amounts for Mr. Conforti and Ms. O'Keefe for 2005 were 50% of base salary, and the target amounts for Mr. Celio and Mr. Weisberger for 2005 were 40% of base salary. The percentage of the targeted bonus actually earned is determined according to a formula that compares the Company's earnings per share for the 2005 fiscal year (based on a pre-determined amount of shares outstanding) to a specified target in the Company's budget as approved by the Board of Directors at the beginning of the year. The Board of Directors' budget approval process considers short-term profits and the Company's long-term development and objectives. The formula for determining Ms. Stewart's bonus was based solely on the Company's achievement of a targeted earnings per share amount and those of the other Named Executives under the Incentive Plan were based on a combination of individual performance of certain pre-defined independent business objectives and achievement of a targeted earnings per share amount. The portions of the bonuses based on the achievement of a targeted earnings per share amount were paid out at 180%. The portion of the bonuses based on independent business objectives were paid out at percentages ranging from about 63% to 100%.

Long-Term Incentives. The Named Executives participate in the IHOP Corp. 1991 and 2001 Stock Incentive Plans which are aimed at promoting the acquisition and ownership of the Company's stock. Under the program, grants may be made of stock options or other long-term stock based incentives. In 2005, the Committee granted each of the Named Executives options to purchase shares of the Company's common stock (see "Stock Options and Stock Appreciation Rights") and performance share awards (see "Long-Term Incentive Plans Awards in Last Fiscal Year"). In determining the amounts of the individual option and performance share awards, the Compensation Committee considered several factors, including primarily the officers' actual and anticipated future contributions to the Company's long-term success, and the size of awards provided to others holding similar positions in the restaurant industry. The Board of Directors has adopted share ownership guidelines for board members and executives. The types and amounts of the stock based awards are intended, in part, to facilitate the accumulation of sufficient stock by board members and officers to meet such share ownership guidelines. The option exercise prices for options granted to the Named Executives in 2005 were set at the fair market value of the Company's stock on the date of grant.

Report of the Audit Committee

The Audit Committee. The Audit Committee is comprised of three non-employee directors, Richard J. Dahl (Chairman), Michael S. Gordon, and Larry Alan Kay. The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of the charter is attached to this proxy statement as Attachment A, and can also be found in the Investor Relations portion of the Corporate Governance section of the Company's corporate web site, <http://www.ihop.com>, and is available in print to shareholders upon written request to Corporate Secretary, IHOP Corp., 450 N. Brand Boulevard, Glendale, CA 91203-2306.

The Board of Directors has determined that:

- each Audit Committee member is independent under the corporate governance listing standards of the NYSE and is financially literate, as defined by the NYSE;
- the Audit Committee satisfies the financial management expertise standard, as required by the NYSE; and
- Mr. Dahl is an audit committee financial expert, as defined by the SEC.

Management has the primary responsibility for the financial statements and the financial reporting process, including the system of internal controls over financial reporting. The Company's independent registered public accounting firm for 2005, Ernst & Young LLP (EY) was responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and for issuing a report thereon. The Audit Committee is responsible for assisting the Board in monitoring:

- the integrity of the Company's financial statements;
- the Company's compliance with legal and regulatory requirements;
- the Company's independent auditors' qualifications and independence; and
- the performance of the Company's independent auditors and the Company's internal audit function.

It is the Committee's policy to review and approve in advance all proposed audit and non-audit services to be provided by the independent accountants.

During 2005, the Audit Committee met 11 times and held separate discussions with management, the Company's internal auditors and EY. The Audit Committee reviewed and discussed the Company's interim financial information contained in each quarterly earnings announcement with the Company's Chief Financial Officer, General Counsel, Controller and EY prior to public release. The Audit Committee reviewed the Company's quarterly financial statements with management and EY.

Management has represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit Committee reviewed and discussed with management and EY the Company's 2005 annual consolidated financial statements. The Committee has also discussed the following with EY:

- the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), which include, among other items, matters related to the conduct of the audit of the Company's annual consolidated financial statements;
- the critical accounting policies and practices used in the preparation of the Company's annual consolidated financial statements, alternative treatments of financial information within generally accepted accounting principles that EY discussed with management, the ramifications of using such alternative treatments, and the treatment preferred by EY; and
- other written communications between EY and management.

In addition, the Audit Committee has received and reviewed the written disclosures and the letter from EY required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with EY that firm's independence from the Company and management, including all relationships between EY and the Company.

The Audit Committee has considered whether the provision of non-audit services by EY in 2005 is compatible with maintaining the auditors' independence and determined that the provision of non-audit services by EY is not incompatible with maintaining the auditors' independence. The Audit Committee discussed with the Company's internal auditors, EY and management the overall scope and plans for their respective audits. The Audit Committee met with the internal auditors and EY, with and without management present, to discuss the results of their respective audits, the evaluations of the Company's internal controls over financial reporting, and the overall quality of the Company's financial reporting. The Audit Committee also discussed with EY whether there were any audit problems or difficulties, and management's response. In addition, the Audit Committee monitored the Company's compliance activities relating to the Sarbanes-Oxley Act of 2002.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the SEC.

The Audit Committee also has recommended, subject to shareholder ratification, the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006.

No director may serve as a member of the Committee if such director serves on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee. Any such determination must be disclosed in the Corporation's annual proxy statement or report on Form 10-K.

The chairperson of the Committee shall be designated by the Board, *provided* that if the Board does not so designate a chairperson, the members of the Committee, by a majority vote, may designate a chairperson.

Any vacancy on the Committee shall be filled by majority vote of the Board. No member of the Committee shall be removed except by majority vote of the Board.

Each member of the Committee must be financially literate, as such qualification is interpreted by the Board in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Committee. In addition, at least one member of the Committee must be designated by the Board to be the audit committee financial expert, as defined by the SEC pursuant to the Sarbanes-Oxley Act of 2002 (the *Act*).

III. MEETINGS OF THE COMMITTEE

The Committee shall meet as often as it determines necessary to carry out its duties and responsibilities, but no less frequently than once every fiscal quarter. The Committee shall maintain minutes of its meetings and records relating to those meetings.
