SECTION 8 OTHER EVENTS

Item 8.01. Other Events.

On April 9, 2007, Mirant Corporation (Mirant) issued a press release announcing that its Board of Directors has decided to explore strategic alternatives to enhance stockholder value. A copy of Mirant's April 9, 2007 press release is furnished as Exhibit 99.1 hereto and incorporated by reference herein.

The information contained in the press release shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.

In addition, Mirant is disclosing additional information about its tax position. On December 11, 2006, Mirant entered into a definitive purchase and sale agreement which provides for the sale of Mirant Asia-Pacific Limited, an indirect wholly-owned subsidiary of Mirant, to a consortium of The Tokyo Electric Power Company and Marubeni Corporation. The transaction is expected to generate approximately \$1.1 billion of taxable gain and to close by the middle of 2007. For U.S. federal income tax purposes, Mirant Asia-Pacific Limited has been treated as a partnership for more than five years. On March 15, 2007, Mirant filed a check the box election under which Mirant Asia-Pacific Limited will be treated as a corporation for U.S. federal income tax purposes effective January 1, 2007. As a result of this election, unless Mirant files a gain recognition agreement with its 2006 federal income tax return, it will be deemed to recognize taxable gain for U.S. federal income tax purposes in 2006. It is anticipated that this gain will fully absorb the Mirant operating loss reported for U.S. federal income tax purposes for 2006. Mirant expects that any net income realized in 2006 as a result of this election will be offset by pre emergence NOLs.
