ITEM 8.01 OTHER EVENTS.

On May 30, 2007, the U.S. Marine Corps awarded a Delivery Order under Contract Agreement No. M67854-07-D-5006 for 14 Mine Resistant Ambush Protected (MRAP) Category III Buffalo vehicles for consideration of approximately \$11,991,406. We intend to manufacture the vehicles in Ladson, SC. We expect to complete the contract in the Spring of 2008.

The foregoing description of the terms and conditions of the Contract Agreement is qualified in its entirety by, and made subject to, the more complete information set forth in the Contract Agreement, filed as Exhibit 10.1 to Form 8-K filed November 14, 2006.

This report contains forward-looking statements that involve risks and uncertainties, including, without limitation, statements concerning our business and possible or assumed future results of operations. We generally use words such as believe, may, could, will, intend, expect, anticipate, plan, and similar expressions to identify forward-looking statements. You should not place undue reliance on these forward-looking statements. Our actual results could differ materially from those anticipated in the forward-looking statements for many reasons including: our ability to raise capital when necessary; availability of parts and raw materials for our products; continued customer acceptance of our products; ongoing success of our research and development efforts; competition in our markets and industry segments; greater than expected costs; and other risks and uncertainties as may be detailed from time to time in our public announcements and SEC filings. Although we believe the expectations reflected in the forward-looking statements are reasonable, they relate only to events as of the date on which the statements are made, and our future results, levels of activity, performance or achievements may not meet these expectations. We do not intend to update any of the forward-looking statements after the date of this document to conform these statements to actual results or to changes in our expectations, except as required by law.
