Item 7.01 Regulation FD

On November 4, 2009, the Registrant issued a press release providing an update on activities at the Paredones Amarillos gold project located in Baja California Sur, Mexico. Receipt of the Temporary Occupation Permits that was announced in a press release on October 28, 2009, signals the commencement of a number of activities designed to advance the development of the project towards construction and the planned start of production in 2011. Once in production, the Paredones Amarillos gold project is expected to produce an estimated average of 143,000 ounces of gold per year during the first five years and an estimated 1.2 million ounces of gold over the estimated 9.3 year life of the mine.

A copy of the press release is attached to this report as Exhibit 99.1. In accordance with General Instruction B.2 of Form 8-K, the information set forth herein and in the press release is deemed to be furnished and shall not be deemed to be filed for purposes of the Securities Exchange Act of 1934, as amended. The information set forth in Item 7.01 of this report shall not be deemed an admission as to the materiality of any information in this report on Form 8-K that is required to be disclosed solely to satisfy the requirements of Regulation FD.

Item 9.01 Exhibits

99.1 Press Release dated November 4, 2009*

*The Exhibit relating to Item 7.01 is intended to be furnished to, not filed with, the SEC pursuant to Regulation FD.
