### PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

CLST Holdings, Inc. (the *Company*) cannot file its Annual Report on Form 10-K for the fiscal year ended November 30, 2009 (the *Form 10-K*) by the prescribed due date of March 1, 2010 because it has not yet finalized its financial statements for the fourth quarter and fiscal year ended November 30, 2009, and the audit of the Company's 2009 financial statements is ongoing.

The Company's limited financial and human resources following the adoption of its plan of dissolution has resulted in the delay of its preparation and review of the Form 10-K. This delay could not be avoided without unreasonable effort or expense. In accordance with Rule 12b-25 of the Securities Exchange Act of 1934, as amended, the Company anticipates that the Form 10-K will be filed no later than the fifteenth calendar day following the date on which the Form 10-K was due.

If answer is no, identify report(s).

Yes  No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The statements of operations included in the financial statements to be attached to the Form 10-K to which this Notice of Late Filing on Form 12b-25 ( **Form 12b-25** ) relates will reflect certain significant changes in the Company's results of operations for the fiscal year ended November 30, 2009 ( **fiscal 2009** ) compared to the fiscal year ended November 30, 2008 ( **fiscal 2008** ). The reasons for some of the significant changes are as follows:

On November 10, 2008, December 12, 2008 and February 13, 2009, the Company consummated three acquisitions of receivables portfolios (the **Receivable Purchases** ). Fiscal 2009 will be the first full fiscal year in which the Company will report a full twelve months of the performance of the asset receivable portfolios. The Company expects that there will be significant changes in the results of operations (in particular, total revenues, interest income and net loss) from the corresponding period for the last fiscal year as a result of the impact of the Receivable Purchases.

Also, during fiscal 2009, the Company has been involved in extensive litigation with Red Oak Fund, L.P. and certain of its affiliates ( **Red Oak** ). In connection with this litigation, the Company has incurred substantial legal and professional costs.

While we have not finalized all of the analysis related to our year end closing process, we expect to report net loss of approximately \$5.4 million in fiscal 2009 compared to \$1.7 million in fiscal 2008, an increase in net loss of approximately \$3.7 million. This increase in net loss is primarily due to costs related to our litigation with Red Oak and an increase in our provision for doubtful accounts related to our asset receivable portfolios.

The Company's estimates of its operating results for fiscal 2009 contained in this Form 12b-25 should be considered preliminary, and are subject to change to reflect any necessary corrections or adjustments, or changes in accounting estimates, that are identified prior to the time the Company finalizes its financial statements for fiscal 2009. The Company's actual results of operation may differ significantly from the estimates contained herein.
