(1) Transaction represents tax withholding in connection with the vesting of one-third of the 225,000 shares of restricted stock awarded and previously reported in Table I of a Form 4 filed in connection with the restricted stock grant. The tax withholding reduces the number of shares delivered to the reporting person upon vesting by a number of shares having a value equal to the tax withholding obligations arising from the vesting. These tax withholding transactions are exempt under Rule 16b-3 of the Securities Exchange Act of 1934, as amended. The reporting person is reporting (using Code F) the shares not delivered by the issuer because of the applicable tax withholding.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
