PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held May 6, 2011

SOLICITATION AND VOTING OF PROXIES

This Proxy Statement is being furnished to shareholders of Bridge Bancorp, Inc. in connection with the solicitation by the Board of Directors of proxies to be used at the Annual Meeting of Shareholders to be held at The Bridgehampton National Bank (the Bank), 2200 Montauk Highway, Bridgehampton, New York 11932, on May 6, 2011 at 11:00 a.m. or any adjournments thereof. The 2010 Annual Report to Shareholders, including the consolidated financial statements for the fiscal year ended December 31, 2010, accompanies this Proxy Statement.

Regardless of the number of shares of Common Stock owned, it is important that shareholders be represented by proxy or be present in person at the Annual Meeting. Shareholders are requested to vote by completing the enclosed proxy card and returning it signed and dated in the enclosed envelope, or to vote electronically. Shareholders should indicate their votes in the spaces provided on the proxy card. Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Where no instructions are indicated, executed proxies will be voted **FOR** the election of the director nominees specified in this Proxy Statement, **FOR** the approval of executive compensation, **FOR** a one year frequency of future advisory votes on executive compensation, and **FOR** the ratification of Crowe Horwath LLP as the Company's Independent Registered Public Accounting Firm for the year ending December 31, 2011.

The Board of Directors knows of no additional matters that will be presented for consideration at the Annual Meeting. Execution of a proxy, however, confers discretionary authority on the designated proxy holder to vote the shares in accordance with their best judgment on such other business, if any, which may properly come before the Annual Meeting or any adjournments thereof.

A proxy may be revoked at any time prior to its exercise by the filing of written revocation with the Secretary of the Company, by delivering to the Company a duly executed proxy bearing a later date, or by attending the Annual Meeting, filing a revocation with the Secretary and voting in person. However, if you are a shareholder whose shares are not registered in your own name, you will need appropriate documentation from your record holder to vote personally at the Annual Meeting.

The cost of solicitation of proxies in the form enclosed herewith will be borne by the Company. In addition to the solicitation of proxies by mail, proxies may also be solicited personally, by telephone or by facsimile by Directors, officers and employees of the Company, without additional compensation therefore.

This Proxy Statement and the accompanying proxy card are first being mailed to shareholders on or about April 4, 2011.

VOTING SECURITIES

The securities which may be voted at the Annual Meeting consist of shares of Common Stock of the Company (the Common Stock), with each share entitling its owner to one vote on all matters to be voted on at the Annual Meeting. The close of business on March 14, 2011 has been fixed by the Board of Directors as the record date (Record Date) for the determination of shareholders entitled to notice of and to vote at this Annual Meeting or any adjournments thereof. The total number of shares of Common Stock outstanding on the Record Date was 6,411,490 shares. The presence, in person or by proxy, of at least a majority of the total number of issued and outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum at this Annual Meeting. In the event there are not sufficient votes for a quorum, or to approve or ratify any matter being presented at the time of this Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

Persons and groups who beneficially own in excess of five percent of Bridge Bancorp, Inc.'s common stock are required to file certain reports with the Company and the Securities and Exchange Commission regarding such beneficial ownership. The following table sets forth, as of March 14, 2011, certain information as to the shares of Bridge Bancorp, Inc. common stock owned by persons who beneficially own more than five percent of the Company's issued and outstanding shares of common stock. We know of no persons, except as listed below, who beneficially owned more than five percent of the outstanding shares of the Company's common stock as of March 14, 2011.

Name and Address of Beneficial Owner	Number of Shares Owned and Nature of Beneficial Ownership	Percentage of Outstanding Shares

(2) This information is based on a Schedule 13G filed with the SEC on January 21, 2011.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Certain Directors and executive officers and related parties, including their immediate families and companies in which they are principal owners, were loan customers of the Bank during 2010. Such loans were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing for comparable loans with unrelated persons, and do not involve more than a normal risk of collection. No such loan was classified by the Bank as of December 31, 2010 as a non-accrual, past due, restructured or potential problem loan. The Audit Committee reviews and approves all transactions between the Company or the Bank and any director or executive officer that would require proxy statement disclosure pursuant to Item 404(a) of SEC Regulation S-K.

VOTING PROCEDURES AND METHOD OF COUNTING VOTES

As to the election of Directors, the proxy card being provided by the Board of Directors enables a shareholder to vote **FOR** the election of the three nominees proposed by the Board of Directors, or to **WITHHOLD AUTHORITY** to vote for the nominees being proposed. Directors are elected by a plurality of votes cast, without regard to either broker non-votes, or proxies as to which authority to vote for the nominees being proposed is withheld.

As to the advisory vote for the approval of the compensation paid to our named executive officers and the ratification of Crowe Horwath LLP as our Independent Registered Public Accounting Firm, by checking the appropriate box, a shareholder may: (i) vote **FOR** the item; (ii) vote **AGAINST** the item; or (iii) **ABSTAIN** from voting on such item. The approval of the executive compensation paid to our named executive officers and the ratification of the appointment of our Independent Registered Public Accounting Firm will be determined by a majority of the votes cast, without regard to broker non-votes, or proxies marked **ABSTAIN**.

With respect to the advisory vote on the frequency of future votes on executive compensation, a shareholder may vote for 1, 2 or 3 years, or may abstain, and the advisory vote on frequency will be determined by the number of years which receives the most votes cast.

Proxies solicited hereby will be returned to the Company, and will be tabulated by inspectors of election designated by the Board of Directors.

PROPOSAL I - ELECTION OF DIRECTORS

The Company's Board of Directors currently consists of ten (10) members. One current member of the board will retire as of the Annual Meeting, at which time the Board will consist of nine (9) members. The Board is divided into three classes as nearly equal in number as possible (Class A, B, and C). Each year one class of Directors is elected to serve for a three-year term or until their respective successors shall have been elected and qualified.

BOARD LEADERSHIP AND RISK OVERSIGHT

Board Leadership Structure

The Board historically has been chaired by an independent director, rather than the chief executive officer. The current chairperson is Ms. Marcia Hefter. The Board of Directors believes that the non-executive chair structure helps to delineate the role of the chairperson, in managing the board, which in turn serves in an oversight capacity, from the responsibilities of the chief executive officer in managing the operations of the Company.

The Role of the Board in Risk Oversight

The entire Board of Directors is engaged in risk management oversight. The Audit Committee assists the Board of Directors in its oversight of the Company's corporate-wide risk management and to identify, measure, monitor, and manage risks, in particular material financial risks. The Board of Directors receives regular reports from management, as well as from the Audit Committee, as to the actions taken by management to adequately address those risks.

The Board of Directors has nominated Charles I. Massoud, Kevin M. O Connor, and Thomas J. Tobin for election as Class C Directors. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to the nominees) will be voted at the

Annual Meeting for the election of these nominees. If the nominees are unable to serve, the shares represented by all such proxies will be voted for the election of such substitute as the Board of Directors may recommend. At this time, the Board of Directors knows of no reason why the nominees would be unable to serve, if elected. There are no arrangements or understandings between the nominees and any other person pursuant to which such nominees were selected.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF THE NOMINEES LISTED IN THIS PROXY STATEMENT.

The following table sets forth certain information, as of March 14, 2011, regarding the Board of Directors and each named executive officer identified in the summary compensation table included elsewhere in this Proxy Statement.

DIRECTOR NOMINATIONS

The Board of Directors has established a Corporate Governance and Nominating Committee for the selection of Directors to be elected by the shareholders. Nominations of Directors to the Board are recommended by the Committee and determined by the full Board of Directors. The Board believes that it is appropriate to have the input of all Directors with respect to the candidates to be considered for election to the Board by the shareholders. In this regard, the Board believes that each individual director has a unique insight into the operations of the Company and the Bank, the communities in which we operate, and the needs of the Company with respect to Board membership.

The Board has determined that, except as to Messrs. O Connor, Nolan and Tobin, each member of the Board is an independent director within the meaning of the corporate governance listing standards of the Nasdaq Stock Market. Messrs. O Connor, Nolan and Tobin are not considered independent because they are employees (or as to Mr. Tobin, a former employee) of the Company. In reaching independence determinations of other Directors, the Board considered loans outstanding that were made on the same terms as available to others.

The Company currently has a Corporate Governance and Nominating Committee charter which outlines the nomination process. The Charter is available on the Company's website, www.bridgenb.com. The Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of gaining new perspectives. If any member of the Board does not wish to continue in service, or if the Committee decides not to re-nominate a member for re-election, or if the size of the Board is increased, the Committee would solicit suggestions for director candidates from all Board members. The Board would seek to identify a candidate who at a minimum satisfies the following criteria:

- Has the highest personal and professional ethics and integrity and whose values are compatible with the Company's;
- Has had experiences and achievements that have given him or her the ability to exercise and develop good business judgment;

- Is willing to devote the necessary time to the work of the Board and its Committees, which includes being available for Board and Committee meetings;
- Is familiar with the communities in which the Company operates and/or is actively engaged in community activities;
- Is involved in other activities or interests that do not create a conflict with their responsibilities to the Company and its shareholders; and
- Has the capacity and desire to represent the balanced, best interests of the shareholders of the Company as a group, and not primarily a special interest group or constituency.

While the Corporate Governance and Nominating Committee does not have a formal policy with respect to diversity on the Board of Directors, consideration is given to nominating persons with different perspectives and experience to enhance the deliberation and decision-making processes of the Board of Directors.

PROCEDURES FOR THE NOMINATION OF DIRECTORS BY SHAREHOLDERS

The Board has adopted procedures for the submission of director nominees by shareholders. If a determination is made that an additional candidate is needed for the Board of Directors, the Board will consider candidates submitted by a shareholder. Shareholders can submit the names of qualified candidates for Director by writing to our Corporate Secretary, Bridge Bancorp, Inc., 2200 Montauk Highway, P.O. Box 3005, Bridgehampton, New York 11932. The Corporate Secretary must receive a submission not less than ninety (90) days prior to the date of the Company's proxy materials for the preceding year's annual meeting. The submission must include the following information:

- The name and address of the shareholder as they appear on the Company's books, and number of shares of Common Stock that are owned beneficially by such shareholder (if the shareholder is not a holder of record, appropriate evidence of the shareholder's ownership will be required);
- The name, address and contact information for the candidate, and the number of shares of Common Stock that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the shareholder's ownership should be provided);
- A statement of the candidate's business and educational experience;
- Such other information regarding the candidate as would be required to be included in the proxy statement pursuant to SEC Regulation 14A;
- A statement detailing any relationship between the candidate and the Company;
- A statement detailing any relationship between the candidate and any customer, supplier or competitor of the Company;

- Detailed information about any relationship or understanding between the proposing shareholder and the candidate; and
- A statement that the candidate is willing to be considered and willing to serve as a Director if nominated and elected.

A nomination submitted by a shareholder for presentation by the shareholder at an annual meeting of shareholders must comply with the procedural and informational requirements described in Advance Notice of Nominations to Be Brought Before an Annual Meeting.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD

A shareholder of the Company who wants to communicate with the Board of Directors or with any individual Director can write to the Corporate Secretary, Bridge Bancorp, Inc., 2200 Montauk Highway, P.O. Box 3005, Bridgehampton, New York 11932, Attention: Board Administration.

The letter should indicate that the author is a shareholder and if shares are not held of record, should include appropriate evidence of stock ownership. Depending on the subject matter, management will:

- Forward the communication to the Director or Directors to whom it is addressed;
- Attempt to handle the inquiry directly, for example where it is a request for information about the Company or it is a stock-related matter; or
- Not forward the communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

At each Board meeting, management shall present a summary of all communications received since the last meeting that were not forwarded and make those communications available to the Directors.

CODE OF ETHICS

The Board has adopted a Code of Ethics that is applicable to the officers, Directors and employees of the Company, including the Company's principal executive officer, principal administrative officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. AUDIT COMMITTEE REPORT

The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of the charter of the Audit Committee is available on the Company's website, www.bridgenb.com.

Management is responsible for the preparation of the Company's consolidated financial statements and their assessment of the design and effectiveness of the Company's internal control over financial reporting. The Independent

Registered Public Accounting Firm is responsible for performing an independent audit of the Company's consolidated financial statements and opining on management's internal control assessment and the effectiveness of those controls in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB) and issuing their reports thereon. As provided in its charter, the Audit Committee's responsibilities include monitoring and overseeing these processes.

In discharging its responsibilities, the Audit Committee has:

- Reviewed and discussed with management, and the Independent Registered Public Accounting Firm, the Company's audited consolidated financial statements for the year ended December 31, 2010;
- Reviewed and discussed with the Independent Registered Public Accounting Firm all communications required by the standards of the PCAOB, including the matters described in

THE COMPENSATION COMMITTEE

The Compensation Committee has four members and met five times in fiscal year 2010. The Compensation Committee is comprised solely of non-employee Directors, all of whom the Board has determined are independent as defined in the NASDAQ® corporate governance listing standards. The Board has adopted a charter for the Compensation Committee, which is available on the Company's website, www.bridgenb.com.

The Compensation Committee's responsibilities include, among other duties, the responsibility to:

- Establish, review, and modify from time to time as appropriate the overall compensation philosophy of the Company;
- Review, evaluate and recommend Company objectives relevant to the CEO's compensation; evaluate CEO performance relative to established goals; and review, evaluate and recommend to the full Board of Directors, the CEO's compensation;
- Review, evaluate and recommend goals relevant to the compensation of the Company's other management personnel; and review such officers' performance in light of these goals and determine (or recommend to the full Board of Directors for determination) such officers' cash and equity compensation based on this evaluation;
- Review, evaluate and recommend succession planning and management development for executive officers, including the CEO;
- Review, evaluate and recommend, in consultation with the corporate governance committee, the compensation to be paid to directors of the Company and of affiliates of the Company for their service on the Board;
- Administer any stock benefit plans adopted by the Company; and
- Review and oversee incentive compensation arrangements of the Bank to ensure they are balanced relative to incentives and risk objectives.

Compensation recommendations for the Chief Executive Officer (CEO), Chief Administrative & Financial Officer (CAO), Chief Lending Officer (CLO) and Chief Retail Banking Officer (CRO) and President Emeritus, collectively known as NEOs, are made by the Compensation Committee to the Board of Directors. Decisions regarding non-equity compensation for the other officers are made under the authority of the Company's CEO. The Committee has engaged McLagan, an AON Hewitt company (formerly Amalfi Consulting, LLC through December 16, 2010) an outside and independent national compensation consulting firm, to assist in the annual review of its incentive compensation arrangements for the NEOs and all other employee groups of the Bank.

Compensation Committee meetings are regularly attended by the members of the Committee, and at the request of the Committee, by the CEO and CAO. At each meeting, the Compensation Committee meets in executive session which excludes the executive management. The Compensation Committee's Chairperson reports the Committee's recommendations on executive compensation to the Board. Independent advisors and the Company's finance department support the Compensation Committee in its duties and, along with the CEO and CAO, may be delegated authority to fulfill certain administrative duties regarding the compensation programs. The Compensation Committee reviews the total fees paid to outside consultants by the Company to ensure that the consultant maintains its objectivity and independence when rendering advice to the Committee.

The Committee engaged its independent compensation consultant, McLagan, to assist in the review of potential risks stemming from the Company's compensation program. McLagan conducted a comprehensive review and evaluation of incentive plans covering all employees of the Company. The

review included an evaluation of the design features of each plan, the governance and oversight aspects of each plan, the mix of cash and equity incentives opportunities, the use of performance metrics, the performance periods and time horizon of each plan, the various termination provisions associated with the plans, and other dimensions of the plans deemed relevant for the risk review process. McLagan reviewed the results of its assessment with the Committee and with management.

Based on the results of the independent assessment by McLagan and the assessment of risks by the Committee, the Board has determined that the Company's compensation policies, practices and programs do not promote excessive risk taking or pose risks that are reasonably likely to have a material adverse effect on Bridge Bancorp, Inc.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee consists of Directors Maran (Chairperson), Arturi, Hefter and McCoy. None of these directors was during 2010, or is formerly, an officer of the Company. During the year ended December 31, 2010, the Company had no interlocking relationships in which (1) any executive officer is a member of the Board of Directors or Compensation Committee of another entity, one of whose executive officers is a member of the Company's Board of Directors or Compensation Committee, or (2) any executive officer is a member of the Compensation Committee of another entity, one of whose executive officers is a member of the Company's Board of Directors.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview of the Compensation Program

The Compensation Committee (Committee) of the Board has responsibility for establishing, implementing and continually monitoring adherence with the Company's compensation philosophy. The goal of the Committee is for the total compensation paid to the NEOs to be fair, reasonable and competitive.

Compensation Philosophy and Objectives

The compensation philosophy, established by the Committee, provides broad guidance on executive compensation and, more specifically, the compensation of the NEOs. Compensation comparisons are based on a peer group of banks, taking into consideration asset size, geographic location, and performance. However, reasonable exceptions to this compensation philosophy are considered appropriate as determined by the Committee.

Specifically, the compensation philosophy includes:

- Aligning compensation with shareholder value;
- Providing a direct and transparent link between the performance of the Bank and pay for the NEOs;
- Aligning the interests of the Bank's senior executive officers with that of the shareholders through performance-based incentive plans;
- Making wise use of the Bank's equity resources to ensure compatibility between management and shareholder interests; and
- Awarding total compensation that is both reasonable and effective in attracting, motivating, and retaining key executives.

The compensation objectives of Bridge Bancorp, Inc. subject to experience and achieving plan performance are to:

- Pay base salaries to the Company's senior executives at a level consistent with the Company's performance related to the Company's selected peer group (the market);
- Provide total cash compensation (salary and cash incentive compensation) to the Company's senior executives at a level consistent with performance related to market;
- Provide total direct compensation (the sum of salary, cash incentives, and equity incentives) at a level consistent with performance related to market based on planned and cumulative performance; and
- Align senior management's interest with that of shareholders through increasing equity compensation relative to total incentive compensation.

In addition, the Company's compensation philosophy is to provide retirement benefits that are competitive with market practice. The Compensation Committee of the Board annually reviews the administration of the compensation plans.

Stock Ownership Guidelines

The Board of Directors believes that it is in the best interest of the Company and its shareholders to align the financial interests of Company executives and directors with those of shareholders. In March 2011, Stock Ownership Guidelines were implemented for certain Executives and Directors of the Company that require the following minimum investment in Company common stock:

Directors:	\$100,000
NEOs:	One times (1.0x) annual base salary

Stock holdings are expected to be achieved within three (3) years of the implementation of the ownership guidelines or the starting date of the individual, whichever is later.

Stock ownership for NEOs and Directors will be reviewed annually as part of the annual executive performance evaluation process and as part of the Board review. These guidelines will allow for extenuating circumstances and discretion in the evaluation process. The Compensation Committee shall be responsible for the periodic review of the policy. Any changes to the policy will require the approval of the Board of Directors.

The Committee monitors executives' ownership annually. At this time, all Directors and NEOs have achieved their target stock ownership guidelines.

Role of Executive Officers in Compensation Decisions

The CEO provides recommendations to the Committee and Board on the other NEOs compensation. The Committee recommends and the Board approves all compensation decisions for the CEO as well as the other NEOs and approves recommendations regarding equity awards to certain officers of the Company. The CEO, CAO, CLO and the CRO annually review the performance and recommend compensation for senior management of the Company who are not NEOs.

Setting Executive Compensation

Based on the foregoing philosophy and objectives, the Committee has structured the Company's annual and long-term incentive-based cash and non-cash executive compensation to motivate executives to achieve the business goals set by the Company and reward the executives for achieving such goals. In furtherance of this, McLagan's annual review provides the Committee with relevant market data and

alternatives to consider when making compensation decisions for the NEOs and on the recommendations being made by the Company's management for other key executives.

In making compensation decisions, the Committee compares each element of total compensation against a peer group of publicly-traded financial institutions that are comparable in asset size and performance (collectively, the Compensation Peer Group). When selecting the peer group, peer bank performance is taken into consideration. The key performance measures used in selecting the Company's peer group are:

- Return on Average Assets (ROAA)
- Return on Average Equity (ROAE)
- Net Interest Margin
- Efficiency Ratio
- Core Earnings Per Share (EPS) Growth
- Total Three Year Return
- Non-Performing Assets as a Percentage of Total Assets

The Compensation Peer Group is periodically reviewed and updated by the Committee. Not all banks in the Compensation Peer Group reported data for each of our executive positions.

The twenty one companies comprising the Compensation Peer Group for the CEO, CAO, CLO and CRO are:

McLagan used its own proprietary database of over 13,000 incumbents and 400 financial institutions to compile data for banks appropriate for comparison to the Company based on asset size. Data utilized from this database was effective as of April 1, 2010. McLagan also utilized the 2008/2009 Towers Watson (formerly Watson Wyatt) Survey Report on General Executive Compensation to provide competitive data for the NEO positions and to supplement the proxy benchmark. Data from this survey was effective as of April 1, 2009.

Market compensation data from the Compensation Peer Group, McLagan's database, and other surveys were aged by an annualized factor of 2.0% to adjust for the historical nature of the data. In addition, data from McLagan's database and other surveys were adjusted utilizing data from the Economic Research Institute to reflect the cost of wages in the Company's local market.

Each NEO's current compensation was compared to an average of the applicable Compensation Peer Group salary and the regionally adjusted benchmark salary from the 2008/2009 Towers Watson Survey Report on General Executive Compensation and the McLagan database. Overall base pay and total cash compensation is competitive with the market median. A significant percentage of total compensation is allocated to incentives as a result of the philosophy mentioned above. The Committee's recommendations on granting options and restricted stock awards are based on the evaluation of the Company's performance in connection with year end results, the individual's accomplishments and the position held by the individual. The NEOs are parties to employment and/or change in control agreements which are described elsewhere in this Proxy statement.

2010 Executive Compensation Components

For fiscal year ended December 31, 2010, the principal components of compensation for NEOs were:

- Base salary
- Short term incentive program
- Long term equity incentive compensation
- Retirement and other benefits
- Perquisites and other personal benefits

Base Salary

The Company provides NEOs and other employees with base salary to compensate them for services rendered during the fiscal year. Base salary ranges for NEOs are determined for each executive based on his or her position and responsibility by using market data. Base salary ranges are designed so that salary opportunities for a given position will generally reflect +/- 15% of the market 50th percentile. The annual salary of the NEOs is reviewed annually by the Compensation Committee and Board of Directors. The 2010 base salary for Messrs. O Connor, Nolan, Santacroce, Manseau and Tobin was \$350,000, \$240,000, \$210,000, \$210,000 and \$320,000, respectively. Mr. Tobin retired effective on March 2, 2010.

Short Term Incentive Program

Each NEO has an incentive opportunity defined by a target incentive and range that is based on their role and competitive market practice, except for Mr. Tobin whose incentive was at the discretion of the Board. Incentive targets/ranges are expressed as a percentage of base salary and determined based on competitive market practice for similar roles in similar organizations. The Board established the financial performance targets to be used in establishing awards under the plan for fiscal 2010, as well as the percentage of base salary that can be earned by each category of officer based on the achievement of targets. The Plan has six performance goals: return on average equity, earnings per share growth, efficiency ratio, nonperforming assets as a percentage of total assets, net charge-offs and management of capital. For capital management, the Board has full discretion regarding achievement of goals. For the other five measures, the Board has chosen to benchmark the Plan to the peer group. For any given year, we look at the trailing twelve months of performance as of September 30. Based on those figures, we

set our threshold, target and maximum performance levels as follows:

- Threshold Performance: 100% of the Peer Median
- Target Performance: 110% of the Peer Median
- Maximum Performance: 125% of the Peer Median

In order to earn a minimum payout, the Company's performance achievement must equal or exceed the threshold level. If none of the performance criteria are achieved, no short term incentive is earned under the plan. However, the Compensation Committee may at its discretion, recommend to the Board awards it considers reasonable. For 2010, the Company's performance achievement was as follows:

2010 Performance Measures	Threshold	Peer Performance Achievement Target	Maximum	BDGE Results LTM 9-30-10	Weight	Actual Achievement
	100% of Median	110% of Median	125% of Median			
ROAE	10.16%	11.18%	12.70%	15.41%	35%	35%
EPS Growth	5.15%	5.66%	6.44%	1.41%	15%	0%
Efficiency Ratio	61.19%	55.63%	48.95%	61.76%	20%	0%
NPA's to Assets	1.53%	1.39%	1.22%	1.17%	10%	10%
Net Charge-offs /Avg Loans	0.38%	0.35%	0.30%	0.28%	10%	10%
Capital Management	Board discretion				10%	10%
% of maximum payout achieved					100%	65%

For 2010, the Company achieved 65% of the maximum incentive opportunity compared to the 67.2% achieved in 2009 resulting in the following payout % of base salary for each NEO:

NEO	Payout Opportunity as a % of Base Salary			Actual Payout % of Base Salary
	Threshold %	Target %	Maximum %	
Kevin M. O Connor	18.75%	37.5%	75%	48.75%
Howard H. Nolan	13.75%	27.5%	55%	35.75%
Kevin L. Santacroce	12.50%	25.0%	50%	32.50%
James J. Manseau	12.50%	25.0%	50%	32.50%

In order to further assure that the Company's compensation programs do not encourage undue and unnecessary risks and promote a long-term outlook among the NEOs, the Committee and Board determined that the amount earned

under the Short Term Incentive Plan for 2010 will be paid to the NEOs, partially (50%) in cash and partially (50%) in restricted stock awards. Each restricted stock award vests over five years, with one third vesting in each of years 3, 4 and 5. Dividends are paid on unvested restricted stock awards.

The incentive compensation earned by NEOs for the years ended December 31, 2010 and 2009, respectively, reflecting the impact of performance achievements is as follows:

Incentive Compensation Earned for the Years Ended December 31,

	2010			2009		
	Cash	Restricted		Cash	Restricted	
		Stock	Total		Stock	Total
Kevin M. O Connor	\$85,315	\$85,315	\$170,630	\$90,720	\$113,420	\$204,140
Howard H. Nolan	\$42,900	\$42,900	\$85,800	\$54,096	\$67,675	\$121,771
Kevin L. Santacroce	\$34,125	\$34,125	\$68,250	\$30,240	\$37,846	\$68,086
James J. Manseau	\$34,125	\$34,125	\$68,250	\$33,600	\$42,090	\$75,690

Clawback Policy

In February 2009, the Committee adopted a clawback policy, to recover certain incentive payments paid to the Company's NEOs if (1) the payments or awards were based on materially inaccurate financial statements or any other materially inaccurate performance metric criteria, and (2) the amount of the incentive compensation, as calculated under the restated financial results, is less than the amount actually paid or awarded under the original financial results.

Long Term Stock Incentive Program

The 2006 Stock-Based Incentive Plan (2006 SBIP) was approved by the Company's stockholders at the 2006 Annual Meeting of Stockholders and is the successor plan to the Company's 1996 Equity Incentive Plan, which expired in April 2006. The 2006 SBIP gives the Board the latitude to provide incentives and rewards to employees and Directors who are largely responsible for the success and growth of Bridge Bancorp, Inc. and its affiliates, and to assist all such entities in attracting and retaining experienced and qualified Directors, executives and other key employees.

Stock options may be either incentive stock options, which bestow certain tax benefits on the optionee, or non-qualified stock options, not qualifying for such benefits. All options have an exercise price that is not less than the market value of the Company's Common Stock on the date of the grant. Historically, stock based awards under the Company's plans have either been stock options or shares of restricted stock (which are shares of Common Stock that are forfeitable and are subject to restrictions on transfer prior to the vesting date).

The vesting of restricted stock depends upon the executives continuing to render services to the Company. Restricted stock awards carry dividend rights from the date of grant. Restricted shares are forfeited if the award holder departs

the Company before vesting. Options have no value unless the Company's stock price rises over time, and the value of restricted shares over time also is directly proportionate to the market value of the Company's stock.

The Committee's recommendations on granting options and restricted stock awards are based on the evaluation of the Company's performance in connection with year end results, the individual's accomplishments and the position held by the individual.

Based on the Compensation Committee's evaluation of the Company's 2010 performance and individual accomplishments, 10,000 restricted shares were granted to certain NEOs (4,000 shares to Mr. O'Connor and 2,000 shares each to Messrs. Nolan, Santacroce and Manseau) on December 16, 2010, as part of the long term stock incentive program. These shares vest over seven years in three equal installments with the first installment vesting on February 15, 2016 and succeeding installments on each anniversary thereafter through February 15, 2018. Dividends are paid on unvested restricted stock awards.

Retirement and Other Benefits

The Bank maintains a non-contributory, tax-qualified defined benefit pension plan (the Retirement Plan) for eligible employees. All salaried employees at least age 21 who have completed at least one year of service are eligible to participate in the Retirement Plan. The Retirement Plan provides for a benefit for each participant, including the NEOs, in an amount equal to 1.50% of the participant's average annual earnings multiplied by creditable service (up to 35 years) plus 1.00% of the participant's average annual earnings multiplied by creditable service (in excess of 35 years) minus 0.49% of the participant's final average compensation multiplied by creditable service (up to 35 years). As required by law, the Retirement Plan is covered by the insurance program of the Pension Benefit Guarantee Corporation.

The Bank also maintains a 401(k) plan for the benefit of its employees. The Bank matches 50% of the employee's contribution up to a maximum of 3%. All employees, including the NEOs, can defer a minimum of 1% and a maximum of 75% of their annual income as long as the deferred compensation does not exceed annual Internal Revenue Service (IRS) limits.

The Bank has a Supplemental Executive Retirement Plan (the SERP), under which additional retirement benefits are accrued for eligible Executive Officers. Under the defined benefit component of the SERP, the amount of supplemental retirement benefits is based upon a benefit at normal retirement which approximates the differences between (i) the total retirement benefit the participant would have received under the Retirement Plan without taking into account limitations on compensation and annual benefits; and (ii) the retirement benefit the participant is projected to receive under the Retirement Plan at normal retirement. Under the defined contribution component of the SERP, the amount of the supplemental retirement benefit is the difference between (i) the total matching contribution that would have been contributed by the Bank to the executive's account under the 401(k) Plan based on the executive's compensation, without giving effect to limitations on compensation and annual benefits; and (ii) the maximum amount that could have been contributed to the executive's account under the 401(k) Plan with respect to such compensation.

Perquisites and Other Personal Benefits

The Company provides NEOs with perquisites and other personal benefits that the Company and the Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain employees for key positions. The NEOs are provided use of company automobiles and participation in the plans and programs described above. Attributed costs of personal benefits described for the NEOs for the fiscal year ended December 31, 2010 are included in the All Other Compensation column of the Summary Compensation Table.

The Company and the Bank have entered into employment agreements with Messrs. O'Connor and Nolan, which are described under the heading Employment Agreements. An employment agreement with Mr. Tobin expired on March 2, 2010. The Company and the Bank have entered into change in control agreements, with Messrs. Santacroce, and Manseau which are described under the heading Change in Control Agreement.

Tax Implications

Tax Deductibility of Executive Compensation

Under Section 162(m) of the Internal Revenue Code, public companies are subject to limits on the deductibility of executive compensation. Deductible compensation is limited to \$1 million per year for

each executive officer listed in the summary compensation table. Compensation that is performance-based under the Internal Revenue Code's definition is exempt from this limit. Stock option grants are intended to qualify as performance-based compensation. Although the Committee does not have a formal policy with respect to the payment of compensation in excess of the deductibility limits, compensation paid to the NEOs historically has fallen within the tax code limitations for deductibility.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

EMPLOYMENT AGREEMENTS

Kevin M. O Connor

The term of the employment agreement with Mr. O Connor, President and Chief Executive Officer, and a Director of the Company and the Bank, is two-years, renewing daily, so that the remaining term is twenty-four months, unless notice of non-renewal is provided to the executive. If his employment is terminated, his service on the Boards also terminates. The current base salary under the agreement is \$350,000. Base salary is reviewed annually and can be increased but not decreased.

The initial base salary under the employment agreement is \$230,000. Base salary is reviewed annually (with the first review performed in January 2010) and can be increased but not decreased, and pursuant to such review, base salary was increased to \$240,000.

If Mr. Nolan voluntarily terminates his employment without good reason, or his employment is terminated for cause, no benefits are provided under the agreement.

In the event (i) of the executive's involuntary termination for any reason other than disability, death, retirement or termination for cause, or (ii) the executive's resignation upon the occurrence of certain events constituting good reason, including a reduction in the executive's duties, responsibilities or pay, the executive would be entitled to a severance benefit equal to a cash lump sum payment equal to twenty-four months base salary and the continuation of insurance coverage for twenty-four months.

In the event (i) of the executive's involuntary termination for any reason other than cause, or (ii) the executive's resignation upon the occurrence of certain events constituting good reason, including a reduction in the executive's duties, responsibilities or pay, within one year following a change in control, the executive would be entitled to a severance benefit equal to a cash lump sum payment equal to:

- Three times his annual compensation for the calendar year preceding the change in control; and
- Continued health and medical insurance coverage for up to three years.

Except in the event of a change in control, following termination of employment Mr. Nolan is subject to non-compete restrictions.

- 3 times his annual compensation for the calendar year preceding the year of the change in control; and
- Continued insurance coverage for three years.

The amount of payments will be reduced, if necessary, to an amount that is \$1.00 less than the amount that would otherwise be an excess parachute payment under Section 280G of the Internal Revenue Code of 1986, as amended.

The Bank sponsors a defined benefit pension plan covering substantially all employees. Benefits are based on years of service and the employee's highest average compensation during five consecutive years of employment or all years of service, if less than five. Compensation used to determine benefits is all wages, tips, and other compensation as reported on form W-2, such as any amounts which are treated as salary reduction contributions under a 401(k) plan, a cafeteria plan or a qualified flexible benefits plan. The Normal Benefit Form is payable as a Single Life Pension with

60 payments guaranteed. There are a number of optional forms of benefit available to the above participants, all of which are adjusted actuarially. Participants are eligible for early retirement upon obtaining age 55.

As previously disclosed, the Bank maintains a SERP for the benefit of Messrs. O Connor, Nolan and Tobin. Amounts in the 401(k) Plan component of the SERP are credited with earnings each year in the same percentages as the participant's account under the Bank's 401(k) Plan earns income.

Payments under both the 401(k) Plan and defined benefit pension plan component of the SERP begin six months after the participant separates from service with the Bank. In the event of a change in control of the Bank, the SERP will be terminated and amounts will be paid to participants in a single lump sum payment on the date of the change in control.

The following table shows as of December 31, 2010, Bank contributions and earnings, and the aggregate vested account balances of Messrs. O Connor, Nolan and Tobin under the 401(k) Plan component of the SERP. The vested balances under the pension plan component of the SERP are included in the Pension Benefits table. Aggregate earnings in this table have not been reported in the Summary Compensation Table for the 2010, 2009 and 2008, respectively as they are not preferential or above market as defined in SEC regulations.

DIRECTOR COMPENSATION

Cash Compensation Paid to Board Members

All of the members of the Board of Directors of the Company also serve on the Board of the Bank. For 2010, each outside (non-employee) Director received an annual fee of \$15,000 from the Bank. The Chairperson of the Board of Directors receives an additional annual fee of \$5,000. The Vice Chairperson of the Board of Directors, and the Chairperson of the Audit Committee and the Chairperson of the Compensation Committee receive an additional annual fee of \$2,500. All Outside Directors are compensated \$500 for each Board meeting. Directors who are members of Board Committees are compensated \$400 per meeting attended. Effective May 2011, the annual fee for each outside director has been increased to \$17,500. In addition, effective in May 2011, Directors who are members of Board Committees will be compensated \$500 per meeting attended.

Equity Awards Program

In addition, each non-employee director received a \$5,000 annual retainer in the form of restricted stock units.

Deferred Compensation Plan

The Directors Deferred Compensation Plan, effective April 1, 2009, is a nonqualified deferred compensation plan, which allows a Director to defer his or her annual retainer earned from May 1 to April 30 (the Plan Year) and to have such amounts invested in restricted stock units. The value of a restricted stock unit will be determined based on the fair market value of a share of Common Stock, with fair market value determined based on the trailing 10-day average. Directors who elect to defer will be deemed to defer their annual retainer as of the first day of each Plan Year, or May 1. With respect to each Plan Year's deferral, a Director will vest pro-rata during such Plan Year and will become fully vested after twelve months of service, except a Director will be fully vested upon disability, death or

retirement.

All deferrals will be credited to a Director's account as restricted stock units and distributions from the Plan will be made in shares of Common Stock. The restricted stock units do not have any voting rights. There are no preferential earnings on amounts deferred. Dividends will be paid on restricted stock units, in the same amount as dividends paid on the Common Stock, and will accrue as additional restricted stock units. At the time a Director elects to make a deferral election, he or she will also elect the time that the amounts credited to his or her account will be distributed and whether such amounts will be paid in a lump sum or installments.

Such payment shall be made at the time elected by the Director, which shall be the earlier of the Director's cessation of service, a change in control of the Company or a specified date.

PROPOSAL II ADVISORY NON-BINDING VOTE ON EXECUTIVE COMPENSATION

The Board believes that the Company's compensation programs and policies are centered on a pay for performance culture and are strongly aligned with the long-term interests of shareholders.

We are asking stockholders to vote in an advisory, non-binding manner on the compensation paid to our Named Executive Officers, as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K (including the Compensation Discussion and Analysis, compensation tables and accompanying narrative discussion). Item 402 of Regulation S-K is the SEC regulation that sets forth what companies must include in their proxy statement as to compensation.

This proposal, commonly known as a Say on Pay proposal, gives you as a shareholder the opportunity to vote on our executive pay program. In proposal III, we are seeking your advice on the frequency of such votes in the future. Pursuant to recently adopted section 14A of the Securities and Exchange Act of 1934, the Board of Directors is requesting shareholders to cast a non-binding advisory vote on the following resolution:

Resolved, that the compensation paid to the Company's Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby APPROVED.

Because your vote is advisory, it will not be binding upon the Board. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

PROPOSAL III ADVISORY NON-BINDING VOTE ON FREQUENCY OF SAY-ON-PAY VOTES

Pursuant to recently adopted Section 14A of the Exchange Act, our shareholders are being asked to vote, on an advisory basis, on how frequently our shareholders should have a Say on Pay vote in the future. Although this frequency vote is advisory and is not binding on the Board, the Compensation Committee will take into account the outcome of the vote when considering how frequently to hold the Say on Pay votes. You may choose from the following alternatives: every year, every two years, every three years or you may abstain. We will ask you to vote on an advisory basis on the frequency of Say on Pay votes at least once every six years. Shareholders are not voting to approve or disapprove the Board's recommendation.

The Board believes and is recommending that the Say on Pay vote should be conducted every year so that shareholders may annually express their views on the Company's executive compensation program. The Compensation Committee, which administers the Company's executive compensation program, values the opinions expressed by shareholders in these votes and will continue to consider the outcome of these votes in making its decisions on executive compensation.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE TO CONDUCT FUTURE SAY ON PAY VOTES EACH YEAR.
