Item 1. Security and Issuer

This statement on Schedule 13D (this **Statement**) relates to the common stock, \$0.01 par value (the **Shares**), of Harman International Industries, Incorporated., a Delaware corporation (the **Issuer** or the **Company**). The Issuer's principal executive offices are located at 400 Atlantic Street, Suite 1500, Stamford, CT 06901.

Item 2. Identity and Background

This Statement is being filed by Relational Investors Mid-Cap Fund I, L.P. (**MC I**) and Relational Investors Mid-Cap Fund II, L.P. (**MC II**), collectively, the **Relational LPs**. Each of the Relational LPs is a Delaware limited partnership. The principal business of each is securities investment.

This Statement is also being filed by Relational Investors, LLC (**RILLC**), a Delaware limited liability company. The principal business of RILLC is being the sole general partner or sole managing member of the general partner of certain investment partnerships, including the Relational LPs, and the manager of certain investment accounts. The Relational LPs are the beneficial owners of certain securities covered by this Statement. Pursuant to the Limited Partnership Agreement of each of the Relational LPs, RILLC has sole investment discretion and voting authority with respect to certain securities covered by this Statement.

This Statement is also being filed by Ralph V. Whitworth and David H. Batchelder. Messrs. Whitworth and Batchelder are the Principals of RILLC, in which capacity they share voting control and dispositive power over certain securities covered by this Statement. As such, Messrs. Whitworth and Batchelder may be deemed to have indirect beneficial ownership of such securities, but, each of Mr. Whitworth and Mr. Batchelder disclaim beneficial ownership of the Shares except to the extent of his pecuniary interest therein. The present principal occupation of each of Messrs. Whitworth and Batchelder is serving as Principals of RILLC (Messrs. Whitworth and Batchelder, together with Relational LPs and RILLC, hereinafter, the **Relational Entities**).

This Statement is also being filed by California State Teachers' Retirement System (**CalSTRS**), a California Government Employee Benefit plan. The principal business of CalSTRS is to provide retirement related benefits and services to teachers in public schools and community colleges in California.

CalSTRS and the Relational Entities are filing this statement jointly due to the Co-Investment Arrangement described below in Item 6.

The Relational Entities and CalSTRS together are the **Reporting Persons** .

During the last five years, none of the Reporting Persons has been (i) convicted in a criminal proceeding (excluding traffic violations and similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction, and as a result of such proceeding, was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

The business address of each of the Relational Entities is 12400 High Bluff Drive, Suite 600, San Diego, CA 92130.

Messrs. Whitworth and Batchelder are citizens of the United States.

The business address for CalSTRS is 100 Waterfront Place, MS 04, West Sacramento, CA 95605.

Item 3. Source and Amount of Funds or Other Consideration

The Reporting Persons purchased an aggregate of 3,872,391 Shares for total consideration (including brokerage commissions) of \$138.6 million derived from their working capital.

Item 4. Purpose of the Transaction.

The Reporting Persons acquired the Shares covered by this Statement because, in their opinion, such Shares are undervalued. The Reporting Persons believe the Company's share price does not adequately reflect the potential for significant earnings and cash flow growth as a result of market share gains and operational improvements achieved by management over the past couple of years. In addition, the Company maintains a cash and short-term investment balance of \$921 million as of June 30, 2011, as reported by the Company in its Current Report on Form 8-K filed on August 10, 2011 (the **August Form 8-K**), representing approximately 40% of the Company's market capitalization (as of October 12, 2011).

As reported by the Company in its August Form 8-K, management has removed \$434 million in costs from the Company's fixed cost structure since fiscal 2008. The Reporting Persons believe that this has significantly lowered the Company's financial risk profile and enhanced the Company's ability to improve profitability by leveraging its cost structure on incremental sales. The Company has built a market-leading \$14.5 billion automotive backlog including \$7.2 billion in the high margin areas of scalable infotainment (\$4.4 billion) and branded audio (\$2.8 billion) according to the Company's fourth quarter, fiscal 2011 slide presentation dated August 10, 2011. The revenue from new, high-margin scalable infotainment systems should increase significantly from approximately \$100 million in fiscal 2012 to approximately \$1 billion in fiscal 2014 according to statements by the Company at the Credit Suisse Annual Automotive and Transportation Conference on September 7, 2011. It is the Reporting Persons' opinion that this growth coupled with the Company's newly lowered cost structure will drive improved margins and higher profits.

The Reporting Persons believe forthcoming improvements in a number of areas will further enhance the Company's equity valuation. Since their initial investment in November of 2008, the Reporting Persons have maintained a dialogue with the Company's board and management and have periodically presented their views and concerns regarding (i) capital structure, (ii) capital allocation, (iii) corporate governance, (iv) executive compensation, and (v) investor communications. The Reporting Persons have recently intensified their communications around certain of these topics and believe the Company has taken, and will continue to take, actions to improve its performance in these areas.

Capital Structure

As of June 30, 2011, the Company maintains \$921 million in cash and short-term investments with roughly \$400 million in outstanding debt according to the Company's August Form 8-K. It is the Reporting Persons' opinion that a debt balance of \$400 million is appropriate as part of the Company's long-term capital structure. The Reporting Persons believe the Company's significant cash balance combined with the expected annual cash flows over the next few years provides, and will continue to provide, a significant amount of excess cash.

Capital Allocation

The Reporting Persons believe that Company's excess cash position along with the expected annual future cash flows make capital allocation an increasingly important component of equity value creation. The Reporting Persons believe that historically, the Company has lacked

appropriate discipline and process in this area. The Reporting Persons have been communicating with the Company to help ensure its capital structure is optimized and that the Company has in place capital allocation processes and disciplines to ensure the cash balance and future free cash flows are allocated to the highest and best return alternatives. Based on the Company's current valuation, the Reporting Persons believe share repurchases represent a low-risk, high-return hurdle against which all alternative uses of capital must be benchmarked.

Corporate Governance

The Reporting Persons believe a declassification of the board and the addition of independent directors with senior executive level, public company experience would further enhance the Company's improving governance profile.

Executive Compensation

The Reporting Persons have communicated with the Company's compensation committee members, compensation consultant, and management regarding optimal executive compensation practices and proposed changes to the current structure. The Reporting Persons believe the Company should modify its executive compensation plans to increase the weight of return metrics that reinforce the importance of disciplined capital deployment.

Investor Communications

On August 10, 2011, the Company announced a new reporting structure that the Reporting Persons believe promotes both greater clarity and improved management accountability. It is the Reporting Persons' opinion that given the anticipated profit and margin growth (previously cited) in the Company's automotive infotainment business due to market share gains and upcoming product launches, the market has undervalued the Company's largest operation by revenue due in part to a lack of disclosure related to its automotive backlog. The Company has publicly communicated its intention to provide additional details regarding the timing and pace of its automotive backlog at an upcoming investor event to be held on October 26, 2011 in Nashville, Tennessee.

The Reporting Persons intend to closely monitor the Company's progress in each of these five areas and may modify their plans accordingly.

The Reporting Persons may exercise any and all of their respective rights as shareholders of the Company in a manner consistent with their equity interests. The Reporting Persons and their representatives and advisers intend to continue from time to time to discuss the Company and its performance with members of the Company's board and management. In addition, the Reporting Persons may communicate with other shareholders, industry participants and other interested parties concerning the Company. Although the Reporting Persons do not have any current plans, other than the monitoring and communication program outlined above, the Reporting Persons may in the future decide to seek representation on the Company's board of directors. Among other factors, the Reporting Persons will consider the Board's overall progress in considering capital allocation strategies for maximizing shareholder value as a major factor in its decision of whether or not to nominate independent director candidates.

The Reporting Persons may from time to time (i) acquire additional Shares (subject to availability at prices deemed favorable) in the open market, in privately negotiated transactions or otherwise, or (ii) dispose of Shares at prices deemed favorable in the open market, in privately negotiated transactions or otherwise. The Reporting Persons may formulate plans or proposals for, and may from time to time explore, or make proposals relating to, transactions or actions which relate to or would result in any of the matters specified in clauses (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer

(a) As of the date of this Statement, the Reporting Persons beneficially own in the aggregate 3,872,391 Shares, constituting approximately 5.54% of the outstanding Shares. The percentage of Shares owned is based upon 69,930,927 Shares reported to be outstanding on August 1, 2011, as set forth in the Company's Annual Report on Form 10-K for the year ended June 30, 2011. The Reporting Persons may be deemed to have direct beneficial ownership of the Shares as follows:

NAME	NUMBER OF SHARES	% OF OUTSTANDING SHARES	VOTING AND DISPOSITIVE POWER
RILLC	200	0.00%	Sole
MC I	1,673,090	2.39%	Sole
MC II	1,024,140	1.46%	Sole
CalSTRS	1,174,961	1.68%	Shared

RILLC, as the sole general partner, of each of Relational LPs may be deemed to beneficially own (as that term is defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended) the 2,697,230 Shares beneficially owned by the Relational LPs because the limited partnership agreements of the Relational LPs specify that RILLC has sole investment discretion and voting authority with respect to those Shares.

Each of Messrs. Whitworth and Batchelder, as Principals of RILLC, may be deemed to have indirect beneficial ownership of the Shares which RILLC may beneficially own. Each of Messrs. Whitworth and Batchelder disclaims beneficial ownership of such Shares except to the extent of his pecuniary interest therein.

CalSTRS beneficially owns the underlying shares identified above and has sole voting authority over such shares. CalSTRS may be deemed to share the dispositive power over 426,506 shares that it beneficially owns with certain of its external asset managers.

To the best of the knowledge of each of the Reporting Persons, other than as set forth above, none of the persons named in Item 2 is the beneficial owner of any Shares.

(b) CalSTRS has the sole power to vote or to direct the vote of all of the Shares it beneficially owns as disclosed in item (a). Except for 426,506 Shares, CalSTRS has the sole power to dispose or to direct the disposition of all Shares it beneficially owns as disclosed in item (a). CalSTRS shares the power to dispose or to direct the disposition of 426,506 Shares it beneficially owns with certain of its external managers, as follows:
