Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) The stock options vest in increments of one third on 1/25/2013, 1/25/2014, and 1/25/2015.

(2) The units are convertible to common stock on a one-for-one basis.

(3) The units do not have an expiration date.

(4) This is a special option grant subject to certain performance conditions for earning and vesting. The exercise price of the options is \$24.09, which is the closing price of Neenah Paper, Inc. common stock ("Neenah Stock") on the date of grant, January 25, 2012. The material conditions to vesting and exercise are as set forth herein: (a) 100% of the options will vest and are exercisable on December 31, 2016 if, during the 5-year period from the starting date of December 31, 2011 to the vesting date, Neenah Stock achieves annualized total shareholder return ("TSR") of 11% or above. TSR is calculated based on the January 25, 2012 closing price ("Starting Price", which was \$24.09) of Neenah Stock, re-investment of all dividends and distributions to shareholders paid between December 31, 2011 and December 31, 2016 and an ending price equal to the volume-weighted average Neenah Stock price on the NYSE over any period of 90 trading days during 2016; and

(b) if the 5-year TSR hurdle has not been met: (i) 25% of the options will vest and are exercisable on December 31, 2016 if, during the time period from the starting date of December 31, 2011 to a measurement date occurring between December 31, 2014 and December 31, 2015, Neenah Stock achieves annualized total shareholder return of 11% or above and (ii) 25% of the options will vest and are exercisable on December 31, 2016 if, during the time period from the starting date of December 31, 2011 to a measurement date occurring between December 31, 2015 and December 31, 2016, Neenah Stock achieves annualized total shareholder return of 11% or above.

Edgar Filing: O'Donnell John P - Form 4

- All options that are earned will fully vest and become exercisable on December 31, 2016, and have a 10-year term ending December 31, 2021. All options which have not been earned by December 31, 2016 as a result of a failure to attain the TSR hurdle(s) shall expire and terminate. In the event of a change in control event as described in Neenah's 2004 Omnibus Stock and Incentive Plan occurs prior to
- (6) December 31, 2016, all options that have met the performance criteria (or any interim performance criteria) set forth above shall immediately vest and become exercisable and any options that are unearned at that point will be deemed to be earned and will immediately vest if the effect of the change in control satisfies the 5-year annualized TSR criteria set forth above.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
