**Item 8.01 Other Events**

Retail Properties of America, Inc. (the Company) is re-issuing in an updated format the historical financial statements included in its Annual Report on Form 10-K for the year ended December 31, 2011 (the Form 10-K) in accordance with Accounting Standards Codification (ASC) 205-20, Presentation of Financial Statements Discontinued Operations. During the six months ended June 30, 2012, the Company sold two properties, each of which qualifies as discontinued operations, and in compliance with ASC 205-20 has reported revenue, expenses and net gains from the sale of these properties as discontinued operations for each period presented in its Quarterly Report on Form 10-Q, filed on August 7, 2012. Under Securities and Exchange Commission (SEC) requirements, the same reclassification as discontinued operations required by ASC 205-20 following the sale of a property is required for previously issued annual financial statements for each of the three years shown in the Company's last annual report on Form 10-K, if those financials are incorporated by reference in subsequent filings with the SEC made under the Securities Act of 1933, as amended, even though those financial statements relate to periods prior to the date of the sale. This reclassification has no effect on the Company's previously reported net income (loss) attributable to Company shareholders or funds from operations.

In addition, on March 20, 2012, the Company effectuated a ten-to-one reverse stock split of its then outstanding common stock. Immediately following the reverse stock split, the Company redesignated all of its common stock as Class A common stock. On March 21, 2012, the Company paid a stock dividend pursuant to which each then outstanding share of its Class A common stock received one share of Class B-1 common stock, plus one share of Class B-2 common stock, plus one share of Class B-3 common stock. These transactions are referred to as the Recapitalization. All common stock share and per share data included in these re-issued historical financial statements give retroactive effect to the Recapitalization.

This report on Form 8-K updates Items 6, 7 and 8 of the Form 10-K to reflect the properties sold during the six months ended June 30, 2012, that were not held for sale as of December 31, 2011, as discontinued operations for all the years presented as well as the Recapitalization. All other items of the Form 10-K remain unchanged. No attempt has been made to update matters in the Form 10-K, except to the extent expressly provided above. The information provided in this Current Report on Form 8-K should be read in conjunction with the portions of the Form 10-K not subject to the updates described herein and the Company's filings made with the SEC subsequent to the filing of the Form 10-K.
