Risk Factors

Investing in the senior subordinated notes involves substantial risk. See **Risk Factors** for a discussion of certain factors that you should consider before investing in the senior subordinated notes.

Ratio of Earnings to Fixed Charges

The following table sets forth the ratio of earnings to fixed charges and for the periods indicated.

	July 28, 2012	July 30, 2011	Fiscal Year Ended July 31, 2010(2)	August 1, 2009(3)	August 2, 2008
Ratio of earnings to fixed charges(1)	2.1	1.2			1.8

(1) For purposes of calculating the ratio of earnings to fixed charges, earnings consist of income (loss) before income taxes and fixed charges, and fixed charges consist of interest expense, capitalized interest, amortization of debt issuance costs and the portion of operating lease rentals deemed representative of the interest factor. Interest associated with income tax liabilities is excluded from our calculation.

(2) For fiscal year 2010, the aggregate amount of fixed charges exceeded our earnings by approximately \$4.5 million, which is the amount of additional earnings that would have been required to achieve a ratio of earnings to fixed charges of 1.0x for such period.

(3) For fiscal year 2009, the aggregate amount of fixed charges exceeded our earnings by approximately \$888.4 million, which is the amount of additional earnings that would have been required to achieve a ratio of earnings to fixed charges of 1.0x for such period. The deficiency of the ratio of earnings to fixed charges for fiscal year 2009 is primarily due to the pretax impairment charges related to 1) \$329.7 million for the writedown to fair value of goodwill, 2) \$343.2 million for the writedown to fair value of the net carrying value of tradenames and 3) \$30.3 million for the writedown to fair value of the net carrying value of certain long-lived assets.

Table of Contents

RISK FACTORS

You should carefully consider the risk factors set forth below and the risk factors included under Part I, Item 1A to our parent's Annual Report on Form 10-K for the fiscal year ended July 28, 2012, which is incorporated by reference in this prospectus, as well as the other information contained in this prospectus and in our parent's Annual Report on Form 10-K for the fiscal year ended July 28, 2012 before making an investment decision. The risks described below are not the only risks facing us. Additional risks and uncertainties not currently known to us or those we currently deem to be immaterial may also materially and adversely affect our business, financial condition or results of operations. Any of the following risks could materially adversely affect our business, financial condition or results of operations. In such a case, you may lose all or part of your original investment in the senior subordinated notes.

Risks Related to the Senior Subordinated Notes

We have a substantial amount of indebtedness, which may adversely affect our cash flow and our ability to operate our business, comply with debt covenants and make payments on our indebtedness, including the senior subordinated notes.

We are highly leveraged. As of July 28, 2012, the principal amount of our total indebtedness was approximately \$2,785.0 million, which included the senior subordinated notes. In addition, as of July 28, 2012, we had \$529.7 million of unused borrowing availability under our \$700.0 million senior secured asset-based revolving credit facility and \$0.3 million of outstanding letters of credit. Our substantial indebtedness, combined with our lease and other financial obligations and contractual commitments, could materially and adversely affect our business, financial condition and results of operations by:

- making it more difficult for us to satisfy our obligations with respect to our indebtedness, including the senior subordinated notes, including restrictive covenants and borrowing conditions, which may lead to an event of default under the indentures governing the senior subordinated notes and the agreements governing such other indebtedness;
- making us more vulnerable to adverse changes in general economic, industry and competitive conditions and government regulation;
- requiring us to dedicate a substantial portion of our cash flow from operations to payments on our indebtedness, thereby reducing the availability of our cash flows to fund current operations and future growth;
- placing us at a competitive disadvantage compared to our competitors that are less leveraged;

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

- limiting our ability to borrow additional amounts for working capital, capital expenditures, acquisitions, debt service requirements, execution of our business strategy or other purposes; and
- limiting our ability to obtain credit from our vendors and other financing sources on acceptable terms or at all.

Table of Contents

Our interest expense could increase if interest rates increase because the entire amount of the indebtedness under our senior secured credit facilities bears interest at floating rates, primarily based on LIBOR. As of July 28, 2012, we had approximately \$2,160.0 million principal amount of floating rate debt, consisting of outstanding borrowings under the senior secured term loan facility and senior secured asset-based revolving credit facility. However, pursuant to interest rate cap agreements, we have capped LIBOR at 2.50% from December 2010 through December 2012 for an aggregate notional amount of \$500.0 million in order to hedge the variability of our cash flows related to a portion of our floating rate indebtedness. Effective August 2011, we entered into additional interest rate cap agreements which cap LIBOR at 2.50% for an aggregate notional amount of \$1,000.0 million from December 2012 through December 2014.

Despite current indebtedness levels, we and our subsidiaries may still be able to incur substantially more debt. This could further exacerbate the risks associated with our substantial leverage.

We and our subsidiaries may be able to incur substantial additional indebtedness in the future. Although the indenture governing the senior subordinated notes and the senior secured credit facilities contain restrictions on the incurrence of additional indebtedness, these restrictions are subject to a number of significant qualifications and exceptions, and any indebtedness incurred in compliance with these restrictions could be substantial. For example, we have the right under our senior secured asset-based revolving credit facility to request up to \$300 million of additional commitments or new term loans under this facility (provided that the aggregate amount of loans and commitments does not exceed \$1,000.0 million), although the lenders under this facility are not under any obligation to provide any such additional commitments. Any increase in commitments or new term loans under this facility are subject to customary conditions precedent, and our ability to borrow revolving loans under this facility as so increased would remain limited by the amount of the borrowing base. Our senior secured term loan facilities and the indenture for the senior subordinated notes allow us to incur this additional indebtedness under our senior secured asset-based revolving credit facility without any restriction. In addition, our senior secured credit facilities and the senior subordinated notes allow us to incur a significant amount of indebtedness in connection with acquisitions (including, in the case of our senior secured term loan facility and the senior subordinated notes, an unlimited amount of debt bearing certain characteristics described in the descriptions of the senior subordinated notes included herein) and a significant amount of purchase money debt. If new debt is added to our and our subsidiaries' current debt levels, the related risks that we and they face would be increased.

Significant amounts of cash are required to service our indebtedness, and any failure to meet our debt service obligations could harm our business, financial condition and results of operations.

Our ability to pay interest on and principal of the senior subordinated notes and to satisfy our other debt obligations will primarily depend upon our future operating performance. As a result, prevailing economic conditions and financial, business and other factors, many of which are beyond our control, will affect our ability to make these payments.

If we do not generate sufficient cash flow from operations to satisfy our debt service obligations, including payments on the senior subordinated notes, we may have to undertake alternative financing plans, such as refinancing or restructuring our indebtedness, selling of assets, reducing or delaying capital investments or seeking to raise additional capital. Our ability to restructure or refinance our debt will depend on the condition of the capital markets and our financial condition at such time. Any refinancing of our debt could be at higher interest rates and may require us to comply with more onerous covenants, which could further restrict our business operations. The terms of existing or future debt instruments and the indenture governing the senior subordinated notes may restrict us from adopting some of these alternatives. In addition, our borrowing costs and ability to refinance may be affected by short-term and long-term debt ratings assigned by independent rating agencies, which are based, in significant part, on our performance as measured by indicators such as interest coverage and leverage ratios. Furthermore, any failure to make payments of interest and principal on our outstanding indebtedness on a timely basis would likely result in a reduction of our credit rating, which could harm our ability to incur additional indebtedness on acceptable terms.

Contractual limitations on our ability to execute any necessary alternative financing plans could exacerbate the effects of any failure to generate sufficient cash flow to satisfy our debt service obligations. The asset-based revolving credit facility permits us to borrow up to \$700.0 million; however, our ability to borrow and obtain letters

of credit (including amendments, renewals and extensions of letters of credit) thereunder is limited by a borrowing base, which at any time will equal the sum of (a) 90% of the net orderly liquidation value of eligible inventory plus (b) 85% of the amounts owed by credit card processors in respect of eligible credit card accounts constituting proceeds arising from the sale or disposition of inventory, less certain reserves. In addition, at any time when incremental term loans are outstanding, if the aggregate amount outstanding under the asset-based revolving credit facility exceeds the reported value of inventory as calculated under that facility, we will be required to eliminate such excess within a limited period of time. If the amount available under the asset-based revolving credit facility is less than the greater of (a) 12.5% of the lesser of (i) the aggregate revolving commitments and (ii) the borrowing base and (b) \$60.0 million, we will be required to repay outstanding loans and, if an event of default has occurred, cash collateralize letters of credit. In addition, we are required to maintain excess availability of at least the greater of (a) 10% of the lesser of (i) the aggregate revolving commitments and (ii) the borrowing base and (b) \$50.0 million. Our ability to meet the conditions described in this paragraph may be affected by events beyond our control.

Our inability to generate sufficient cash flow to satisfy our debt service obligations, or to refinance our obligations at all or on commercially reasonable terms, could have a material adverse effect on our future business, financial condition and results of operations, as well as on our ability to satisfy our obligations in respect of the senior subordinated notes.

Repayment of our debt, including the senior subordinated notes, is dependent on cash flow generated by our subsidiaries.

Our subsidiaries own a significant portion of our assets and conduct a significant portion of our operations. Accordingly, repayment of our indebtedness, including the senior subordinated notes, is dependent, to a significant extent, on the generation of cash flow by our subsidiaries and their ability to make such cash available to us, by dividend, debt repayment or otherwise. Unless they are guarantors of the senior subordinated notes, our subsidiaries do not have any obligation to pay amounts due on the senior subordinated notes or to make funds available for that purpose. As of July 28, 2012, there were no assets or liabilities held by our non-guarantor subsidiaries. Our subsidiaries may not be able to, or may not be permitted to, make distributions to enable us to make payments in respect of our indebtedness, including the senior subordinated notes. Each subsidiary is a distinct legal entity and, under certain circumstances, legal and contractual restrictions may limit our ability to obtain cash from our subsidiaries. While the indentures governing the senior subordinated notes limit the ability of our subsidiaries to incur consensual restrictions on their ability to pay dividends or make other intercompany payments to us, these limitations are subject to certain qualifications and exceptions. In the event that we do not receive distributions from our subsidiaries, we may be unable to make required principal and interest payments on our indebtedness, including the senior subordinated notes.

The senior subordinated notes are effectively subordinated to all liabilities of our non-guarantor subsidiaries and structurally subordinated to claims of creditors of our current and future non-guarantor subsidiaries.

The senior subordinated notes are structurally subordinated to indebtedness and other liabilities of our subsidiaries that are not guarantors of the senior subordinated notes. As of July 28, 2012, there were no assets or liabilities held by our non-guarantor subsidiaries. In the event of a bankruptcy, liquidation or reorganization of any of our non-guarantor subsidiaries, these non-guarantor subsidiaries will pay the holders of their debts, holders of preferred equity interests and their trade creditors before they will be able to distribute any of their assets to us.

Agreements governing the senior subordinated notes and our 2028 debentures restrict our current and future operations and restrict our ability to take certain actions.

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

The credit agreements governing our senior secured asset-based revolving credit facility and senior secured term loan facility and the indentures governing the senior subordinated notes and our 2028 debentures contain, and any future indebtedness of ours would likely contain, a number of restrictive covenants that impose significant operating and financial restrictions, including restrictions on our ability to engage in acts that may be in our best long-term interests. The indenture governing the senior subordinated notes and the credit agreements governing our senior secured credit facilities include covenants that, among other things, restrict our ability to:

Table of Contents

- incur additional indebtedness;
- pay dividends on our capital stock or redeem, repurchase or retire our capital stock or indebtedness;
- make investments;
- create restrictions on the payment of dividends or other amounts to us from our restricted subsidiaries;
- engage in transactions with our affiliates;
- sell assets, including capital stock of our subsidiaries;
- consolidate or merge;
- create liens; and
- enter into sale and lease back transactions.

The covenants limit our subsidiaries' ability to distribute earnings to us, in the form of dividends or otherwise. In addition, our ability to borrow under our senior secured asset-based revolving credit facility is limited by the conditions described above.

Moreover, our senior secured asset-based revolving credit facility provides discretion to the agent bank to impose additional availability restrictions and other reserves, which could materially impair the amount of borrowings that would otherwise be available to us. There can be no assurance that the agent bank will not impose such reserves or, were it to do so, that the resulting impact of this action would not materially and adversely impair our liquidity.

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

A breach of any of the restrictive covenants in the facilities described above may constitute an event of default, permitting the lenders to declare all outstanding borrowings due under the relevant facility to be immediately due and payable, or to enforce their security interest. Agreements governing our indebtedness also contain cross-default provisions, under which a declaration of default under a credit facility would result in an event of default under the senior subordinated notes and our 2028 debentures, which in turn may lead to mandatory redemption of such instruments in full. Moreover, in an event of default or cross-default, certain lenders would also have the right to terminate any commitments they have to provide further borrowings.

A breach of any of the restrictive covenants in the indenture governing our senior subordinated notes would also result in a default under the indenture for our senior subordinated notes after notice and failure to cure. If any such default occurs, the trustee or specified percentage of note holders may elect to declare all outstanding senior subordinated notes under the indenture, together with accrued interest, to be due and payable, which would result in an event of default under our senior secured credit facilities and the 2028 debentures.

Based on the foregoing factors, the operating and financial restrictions and covenants in our debt agreements and any future financing agreements could adversely affect our ability to finance future operations or capital needs or to engage in other business activities.

The senior subordinated notes are not secured by our assets and the lenders under our senior secured credit facilities and our 2028 debentures are entitled to remedies available to a secured lender, which gives them priority over holders of senior subordinated notes.

The senior subordinated notes (in addition to being contractually subordinated to all existing and future senior indebtedness) are effectively subordinated in right of payment to all of our secured indebtedness to the extent of the value of the assets securing such indebtedness. Loans under our senior secured credit facilities are secured by security interests in substantially all of our and the guarantors' assets, our capital stock and in certain of the capital stock held by us (subject to certain significant exceptions). Our 2028 debentures are secured by a portion of our and

Table of Contents

the guarantors' assets and in certain of the capital stock held by us, subject to certain significant exceptions. As of July 28, 2012, the principal amount of our total indebtedness was approximately \$2,785.0 million, the unused borrowing availability under our senior secured asset-based revolving credit facility was \$529.7 million and the outstanding letters of credit were \$0.3 million. If we become insolvent or are liquidated, or if payment under the senior secured credit facilities or of any other secured indebtedness is accelerated, the lenders under our senior secured credit facilities and holders of other secured indebtedness (or an agent on their behalf) are entitled to exercise the remedies available to a secured lender under applicable law (in addition to any remedies that may be available under documents pertaining to our senior secured credit facilities or other senior debt). For example, the secured lenders or debt holders could foreclose and sell those of our assets in which they have been granted a security interest to the exclusion of the holders of the senior subordinated notes, even if an event of default exists under the indentures governing the senior subordinated notes at that time. As a result, upon the occurrence of any of these events, there may not be sufficient funds to pay amounts due on the senior subordinated notes.

The right of holders of the senior subordinated notes to receive payments on the senior subordinated notes and the guarantees thereof are junior to the rights of the lenders under our senior secured credit facilities, our 2028 debentures, and to all of our and the guarantors' other senior indebtedness, including any of our or the guarantors' future senior debt.

The senior subordinated notes and the guarantees thereof rank junior in right of payment to all of our and the guarantors' existing senior indebtedness, including borrowings under our senior secured credit facilities and our 2028 debentures and rank junior in right of payment to all of our and the guarantors' future borrowings and except for any future indebtedness that expressly provides that it ranks equal or junior in right of payment to the senior subordinated notes and the guarantees thereof. See "Description of the Senior Subordinated Notes" Ranking.

As of July 28, 2012, the principal amount of our total indebtedness was approximately \$2,785.0 million, consisting of:

- \$2,285.0 million of secured senior indebtedness, consisting of: our 2028 debentures in an aggregate principal amount of \$125.0 million, indebtedness under our senior secured term loan facility in an aggregate principal amount of \$2,060.0 million and indebtedness under our senior secured asset-based revolving credit facility in an aggregate amount of \$100.0 million; and
- \$500.0 million of unsecured senior subordinated indebtedness, consisting of the original principal amount of the senior subordinated notes.

As of July 28, 2012, we had \$529.7 million of unused borrowing availability under our senior secured asset-based revolving credit facility and \$0.3 million of outstanding letters of credit. Furthermore, as of July 28, 2012, there were no assets or liabilities held by our non-guarantor subsidiaries. We will also be permitted to incur substantial additional indebtedness, including senior indebtedness, in the future. See "Despite current indebtedness levels, we and our subsidiaries may still be able to incur substantially more debt. This could further exacerbate the risks associated with our substantial leverage."

We and the guarantors may not be permitted to pay principal, premium, if any, interest or other amounts on account of the senior subordinated notes or the guarantees thereof in the event of a payment default or certain other defaults in respect of certain of our senior indebtedness, including debt under our senior secured credit facilities, unless such senior indebtedness has been paid in full or the default has been cured or waived. In addition, in the event of certain other defaults with respect to such senior indebtedness, we or the guarantors may not be permitted to

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

pay any amount on account of the senior subordinated notes or the guarantees thereof for a designated period of time. See Description of Senior Subordinated Notes Ranking Payment of Senior Subordinated Notes.

Because of the subordination provisions in the senior subordinated notes and the guarantees thereof, in the event of a bankruptcy, liquidation, reorganization or similar proceeding relating to us or a guarantor, our or the guarantor's assets are not available to pay obligations under the senior subordinated notes or the applicable guarantee until we or the guarantor has made all payments in cash on our or its senior indebtedness. Sufficient assets may not remain after all these payments of principal or interest when due. In addition, in the event of a

Table of Contents

bankruptcy, liquidation or reorganization or similar proceeding relating to us or the guarantors, holders of the senior subordinated notes will participate with trade creditors and all other holders of our and the guarantors' senior subordinated indebtedness, as the case may be, in the assets (if any) remaining after we and the guarantors have paid all of the senior indebtedness. However, because the indenture governing the senior subordinated notes requires that amounts otherwise payable to holders of the senior subordinated notes in a bankruptcy or similar proceeding be paid to holders of senior indebtedness instead, holders of senior subordinated notes may receive less, ratably, than holders of trade payables or other unsecured, unsubordinated creditors in any such proceeding. In any of these cases, we and the guarantors may not have sufficient funds to pay all creditors, and holders of the senior subordinated notes may receive less, ratably, than the holders of senior indebtedness. See Description of Senior Subordinated Notes Ranking.

Federal and state statutes may allow courts, under specific circumstances, to void the senior subordinated notes and the guarantees thereof, subordinate claims in respect of the senior subordinated notes and the guarantees thereof and require note holders to return payments received.

The proceeds of the sales of the senior subordinated notes upon the closing of the Transactions were applied to pay the merger consideration payable to the former stockholders of Neiman Marcus and to repay the 2008 notes. Certain of our existing domestic subsidiaries have guaranteed, and certain of our future domestic subsidiaries may guarantee, the senior subordinated notes. Our issuance of the senior subordinated notes, the issuance of the guarantees thereof by the guarantors, as well as other components of the Transactions, including, without limitation, the granting of liens by us and the guarantors, in favor of the lenders under our senior secured credit facilities and our 2028 debentures, may be subject to review under state and federal laws if a bankruptcy, liquidation or reorganization case or a lawsuit, including in circumstances in which bankruptcy is not involved, were commenced at some future date by us, by the guarantors or on behalf of our unpaid creditors or the unpaid creditors of a guarantor. Under the federal bankruptcy laws and comparable provisions of state fraudulent transfer and fraudulent conveyance laws, a court may void or otherwise decline to enforce the senior subordinated notes and a guarantor's guarantee thereof, or a court may subordinate the senior subordinated notes and such guarantee to our or the applicable guarantor's existing and future indebtedness.

While the relevant laws may vary from state to state, a court might void or otherwise decline to enforce the senior subordinated notes if it found that when we issued the senior subordinated notes, when the applicable guarantor entered into its guarantee thereof or, in some states, when payments became due under the senior subordinated notes or such guarantee, we or the applicable guarantor received less than reasonably equivalent value or fair consideration and either:

- we were, or the applicable guarantor was, insolvent, or rendered insolvent by reason of such incurrence; or
- we were, or the applicable guarantor was, engaged in a business or transaction for which our or the applicable guarantor's remaining assets constituted unreasonably small capital; or
- we or the applicable guarantor intended to incur, or believed or reasonably should have believed that we or the applicable guarantor would incur, debts beyond our or such guarantor's ability to pay such debts as they mature; or

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

- we were, or the applicable guarantor was, a defendant in an action for money damages, or had a judgment for money damages docketed against us or such guarantor if, in either case, after final judgment, the judgment is unsatisfied.

The court might also void the senior subordinated notes or a guarantee thereof without regard to the above factors, if the court found that we issued the senior subordinated notes or the applicable guarantor entered into its guarantee thereof with actual intent to hinder, delay or defraud our or its creditors.

A court would likely find that we or a guarantor of the senior subordinated notes did not receive reasonably equivalent value or fair consideration for the senior subordinated notes or such guarantee if we or such guarantor did

Table of Contents

not substantially benefit directly or indirectly from the issuance of the senior subordinated notes or the applicable guarantee. As a general matter, value is given for a note or guarantee if, in exchange for the note or guarantee, property is transferred or an antecedent debt is satisfied. A debtor will generally not be considered to have received value in connection with a debt offering if the debtor uses the proceeds of that offering to make a dividend payment or otherwise retire or redeem equity securities issued by the debtor. For example, in a leveraged transaction, such as the Transactions, there is increased risk of a determination that the issuer incurred debt obligations for less than reasonably equivalent value or fair consideration as a court may find that the benefit of the transaction went to the former stockholders of Neiman Marcus, while neither we nor the guarantors benefited substantially or directly from the senior subordinated notes or the guarantees.

The measures of insolvency applied by courts will vary depending upon the particular fraudulent transfer law applied in any proceeding to determine whether a fraudulent transfer has occurred. Generally, however, an entity would be considered insolvent if:

- the sum of its debts, including subordinated and contingent liabilities, was greater than the fair saleable value of its assets; or
- the present fair saleable value of its assets was less than the amount that would be required to pay the probable liability on its existing debts, including subordinated and contingent liabilities, as they become absolute and mature; or
- it cannot pay its debts as they become due.

In the event of a finding that a fraudulent conveyance or transfer has occurred, the court may void, or hold unenforceable, the senior subordinated notes or any of the guarantees thereof, which could mean that you may not receive any payments on the senior subordinated notes and the court may direct you to repay any amounts that you have already received from us or any guarantor to us, such guarantor or a fund for the benefit of our or such guarantor's creditors. Furthermore, the holders of voided senior subordinated notes would cease to have any direct claim against us or the applicable guarantor. Consequently, our or the applicable guarantor's assets would be applied first to satisfy our or the applicable guarantor's other liabilities, before any portion of its assets could be applied to the payment of the senior subordinated notes. Sufficient funds to repay the senior subordinated notes may not be available from other sources, including the remaining guarantors, if any. Moreover, the voidance of the senior subordinated notes or a guarantee thereof could result in an event of default with respect to our and our guarantors' other debt that could result in acceleration of such debt (if not otherwise accelerated due to our or our guarantors' insolvency or other proceeding).

Although each guarantee of the senior subordinated notes contains a provision intended to limit that guarantor's liability to the maximum amount that it could incur without causing the incurrence of obligations under its guarantee to be a fraudulent transfer, this provision may not be effective to protect those guarantees from being voided under fraudulent transfer law, or may reduce that guarantor's obligation to an amount that effectively makes its guarantee worthless.

Because each guarantor's liability under its guarantees may be reduced to zero, avoided or released under certain circumstances, you may not receive any payments from some or all of the guarantors.

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

As a holder of the senior subordinated notes, you have the benefit of the guarantees of the guarantors. However, the guarantees by the guarantors are limited to the maximum amount that the guarantors are permitted to guarantee under applicable law. As a result, a guarantor's liability under its guarantee could be reduced to zero, depending upon the amount of other obligations of such guarantor. Further, under the circumstances discussed more fully above, a court under Federal or state fraudulent conveyance and transfer statutes could void the obligations under a guarantee or further subordinate it to all other obligations of the guarantor. In addition, you will lose the benefit of a particular guarantee if it is released under certain circumstances described under [Description of the Senior Subordinated Notes](#) [Guarantees](#).

Table of Contents

We may not be able to repurchase the senior subordinated notes upon a change of control.

Upon the occurrence of certain change of control events, we will be required to offer to repurchase all senior subordinated notes and amounts under our senior secured term loan facility that are outstanding at 101% of the principal amount thereof, plus any accrued and unpaid interest, and additional interest, if any. Our senior secured asset-based revolving credit facility provides that certain change of control events (including a change of control as defined in the indenture governing the senior subordinated notes and in our senior secured term loan facility) constitute a default. Any future credit agreement or other agreements relating to our indebtedness to which we become a party would likely contain similar provisions. If we experience a change of control that triggers a default under our senior secured asset-based revolving credit facility, we could seek a waiver of such default or seek to refinance our senior secured asset-based revolving credit facility. In the event we do not obtain such a waiver or refinance our senior secured asset-based revolving credit facility, such default could result in amounts outstanding under our senior secured asset-based revolving credit facility being declared due and payable. In the event we experience a change of control that results in our having to repurchase your senior subordinated notes, we may not have sufficient financial resources to satisfy all of our obligations under our senior secured credit facilities and the senior subordinated notes. A failure to make the applicable change of control offer or to pay the applicable change of control purchase price when due would result in a default under the indenture.

In addition, the change of control covenant in the indenture governing the senior subordinated notes does not cover all corporate reorganizations, mergers or similar transactions and may not provide you with protection in a highly leveraged transaction.

We cannot assure you that an active trading market for the senior subordinated notes will develop.

We have not had, and do not intend to have, the senior subordinated notes listed on a national securities exchange or included in any automated quotation system. We cannot assure you as to the liquidity of markets that exists or may develop for the senior subordinated notes, your ability to sell the senior subordinated notes or the price at which you would be able to sell the senior subordinated notes. The liquidity of any market for the senior subordinated notes will depend upon the number of holders of the senior subordinated notes, our performance, the market for similar securities, the interest of securities dealers in making a market in the senior subordinated notes and other factors. If an active market is not maintained, the price and liquidity of the senior subordinated notes may be adversely affected. Even if an active market were available, the senior subordinated notes could trade at prices lower than their principal amount or purchase price depending on many factors, including prevailing interest rates and the markets for similar securities. Credit Suisse Securities (USA), LLC has informed us that it intends to make a market in the senior subordinated notes, but it is not obligated to do so. Credit Suisse Securities (USA), LLC may discontinue any market making in the senior subordinated notes at any time, in its sole discretion. As a result, any trading market for the senior subordinated notes may not be liquid. You may not be able to sell your senior subordinated notes at a particular time or at favorable prices or at all.

Historically, the market for non-investment grade debt has been subject to disruptions that have caused substantial volatility in the prices of securities similar to the senior subordinated notes. We cannot assure holders of the senior subordinated notes that the market, if any, for the senior subordinated notes will be free from similar disruptions or that any such disruptions may not adversely affect the prices at which the holders of the senior subordinated notes may sell their senior subordinated notes.

DESCRIPTION OF SENIOR SUBORDINATED NOTES

General

The outstanding senior subordinated notes were issued under a Senior Subordinated Indenture among Newton Acquisition Merger Sub, Inc., the trustee thereunder (now U.S. Bank National Association), as trustee, Holdings and the Subsidiary Guarantors (the Senior Subordinated Indenture). Immediately following the closing of the offering and as part of the Transactions, Newton Acquisition Merger Sub, Inc. merged with and into The Neiman Marcus Group, Inc., with The Neiman Marcus Group, Inc. continuing as the surviving corporation and assuming all the obligations of Newton Acquisition Merger Sub, Inc. under the Senior Subordinated Indenture. The Senior Subordinated Indenture has been qualified under and is subject to and governed by the Trust Indenture Act of 1939 (the Trust Indenture Act). The terms of the senior subordinated notes include those stated in the Senior Subordinated Indenture and those made part of the Senior Subordinated Indenture by reference to the Trust Indenture Act.

You can find the definitions of certain capitalized terms used in this description under the subheading Certain Definitions. In this description, the Company refers to The Neiman Marcus Group, Inc., and not to any of its subsidiaries.

The following description is only a summary of the material provisions of the senior subordinated notes and the Senior Subordinated Indenture. We urge you to read the Senior Subordinated Indenture because it, and not this description, defines your rights as a Holder of senior subordinated notes. Copies of the Senior Subordinated Indenture have been filed with the SEC and are incorporated by reference into the registration statement of which this prospectus forms a part.

Principal, Maturity and Interest

The Company issued the 10 3/8% Senior Subordinated Notes due 2015 (the senior subordinated notes) initially with a maximum aggregate principal amount of \$500.0 million. The Company may issue additional senior subordinated notes under the Senior Subordinated Indenture from time to time after this offering (the Additional Senior Subordinated Notes). Any offering of Additional Senior Subordinated Notes is subject to the covenant described below under Certain Covenants Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock . The senior subordinated notes and any Additional Senior Subordinated Notes subsequently issued under the Senior Subordinated Indenture will be treated as a single class for all purposes under the Senior Subordinated Indenture, including waivers, amendments, redemptions and offers to purchase. Unless the context requires otherwise, references to senior subordinated notes for all purposes of the Senior Subordinated Indenture and this Description of Senior Subordinated Notes include any Additional Senior Subordinated Notes that are actually issued.

Interest on the senior subordinated notes accrues at the rate of 10 3/8% per annum, and is payable in cash semi-annually in arrears on each April 15 and October 15 commencing April 15, 2006. The Company will make each interest payment to the Holders of record of the senior subordinated notes on the immediately preceding April 1 and October 1. Interest on the senior subordinated notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance of the senior subordinated notes. Interest is computed on the basis of a 360-day year comprised of twelve 30-day months. The senior subordinated notes will mature on October 15, 2015.

Principal of, premium, if any, and interest on the senior subordinated notes will be payable at the office or agency of the Company maintained for such purpose within the City of Dallas, State of Texas or, at the option of the Company, payment of interest may be made by check mailed to the Holders at their respective addresses set forth in the register of Holders; provided that all payments of principal, premium, if any, and interest with respect to senior subordinated notes represented by one or more global notes registered in the name of or held by the Depository Trust Company or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof. The senior subordinated notes will be issued in denominations of \$2,000 and any integral multiples of \$1,000 in excess of \$2,000.

Guarantees

Holdings and each direct and indirect Restricted Subsidiary of the Company that is a Domestic Subsidiary and that guarantees the obligations of the Company under the Company's Senior Credit Facilities, as primary obligors and not merely as sureties, will jointly and severally irrevocably and unconditionally guarantee, on an unsecured senior subordinated basis, the performance and full and punctual payment when due, whether at maturity, by acceleration or otherwise, of all obligations of the Company under the Senior Subordinated Indenture and the senior subordinated notes, whether for payment of principal of, or interest on or Additional Interest in respect of the senior subordinated notes, expenses, indemnification or otherwise, on the terms set forth in the Senior Subordinated Indenture by executing the Senior Subordinated Indenture. Each Guarantee will be subordinated to any Senior Indebtedness of such Guarantor on the same basis as the senior subordinated notes are

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

subordinated to Senior Indebtedness of the Company. See also Brief Description of the Senior Subordinated Notes and the Guarantees .

Each Subsidiary Guarantee contains a provision intended to limit the Subsidiary Guarantor's liability thereunder to the maximum amount that it could incur without causing the incurrence of obligations under its Subsidiary Guarantee to be a fraudulent transfer. This provision may not, however, be effective to protect a Subsidiary Guarantee from being voided under fraudulent transfer law, or may reduce the Subsidiary Guarantor's

Table of Contents

obligation to an amount that effectively makes its Subsidiary Guarantee worthless. See Risk Factors Federal and state statutes may allow courts, under specific circumstances, to void the senior subordinated notes and the guarantees thereof, subordinate claims in respect of the senior subordinated notes and the guarantees and require note holders to return payments received .

Each Subsidiary Guarantor may consolidate with or merge into or sell all or substantially all its assets to (A) the Company or another Subsidiary Guarantor without limitation or (B) any other Person upon the terms and conditions set forth in the Senior Subordinated Indenture. The Senior Subordinated Indenture also imposes limitations on the ability of Holdings to consolidate with or merge into or sell all or substantially all its assets to another Person. See Certain Covenants Merger, Consolidation or Sale of All or Substantially All Assets .

The Subsidiary Guarantee of a Subsidiary Guarantor will automatically and unconditionally be released and discharged upon:

(1) (a) the sale, disposition or other transfer (including through merger or consolidation) of all of the Capital Stock (or any sale, disposition or other transfer of Capital Stock following which such Subsidiary Guarantor is no longer a Restricted Subsidiary), or all or substantially all the assets, of such Subsidiary Guarantor (other than a sale, disposition or other transfer to a Restricted Subsidiary) if such sale, disposition or other transfer is made in compliance with the applicable provisions of the Senior Subordinated Indenture;

(b) the designation by the Company of such Subsidiary Guarantor as an Unrestricted Subsidiary in accordance with the provisions of the Senior Subordinated Indenture set forth under Certain Covenants Limitation on Restricted Payments and the definition of Unrestricted Subsidiary ;

(c) the release or discharge of such Subsidiary Guarantor from its guarantee of Indebtedness under the Senior Credit Facilities or the guarantee that resulted in the obligation of such Subsidiary Guarantor to guarantee the senior subordinated notes, in each case, if such Subsidiary Guarantor would not then otherwise be required to guarantee the senior subordinated notes pursuant to the covenant described under Certain Covenants Limitation on Guarantees of Indebtedness by Restricted Subsidiaries (treating any guarantees of such Subsidiary Guarantor that remain outstanding as incurred at least 30 days prior to such release), except, in each case, a release or discharge by, or as a result of, payment under such guarantee or payment in full of the Indebtedness under the Senior Credit Facilities; or

(d) the exercise by the Company of its legal defeasance option or its covenant defeasance option, as described under Legal Defeasance and Covenant Defeasance or if the Company's obligations under the Senior Subordinated Indenture are discharged in accordance with the terms of the Senior Subordinated Indenture; and

(2) in the case of clause (1) (a) above, the release of such Subsidiary Guarantor from its guarantee, if any, of and all pledges and security, if any, granted in connection with, the Senior Credit Facilities and any other Indebtedness of the Company or any Restricted Subsidiary.

Ranking

Senior Indebtedness versus Senior Subordinated Notes

Payments of principal of, and premium, if any, and interest on the senior subordinated notes and the payment of any Guarantee will be subordinate in right of payment to the prior payment in full of all Senior Indebtedness of the Company and the Guarantors, including the obligations of the Company and, to the extent applicable, the Guarantors, under the Senior Credit Facilities and the Existing 2028 Debentures.

Table of Contents

As of July 28, 2012:

(1) the Company's Senior Indebtedness, including Indebtedness under the Senior Credit Facilities and the Existing 2028 Debentures, was approximately \$2,285.0 million (excluding unused commitments), all of which was Secured Indebtedness; and

(2) the Guarantors' Senior Indebtedness, consisting principally of their respective guarantees of Senior Indebtedness of the Company under the Senior Credit Facilities, was approximately \$2,160.0 million in the aggregate (excluding unused commitments), all of which was Secured Indebtedness.

We also had at that date \$529.7 million of unused borrowing availability under our senior secured asset-based revolving credit facility and \$0.3 million of outstanding letters of credit.

Although the Indenture contains limitations on the amount of additional Indebtedness that the Company and its Restricted Subsidiaries may incur, under certain circumstances the amount of such Indebtedness could be substantial and, in any case, such Indebtedness may be Senior Indebtedness. The Indenture does not limit the amount of additional Indebtedness that Holdings may incur. See Certain Covenants Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.

Liabilities of Subsidiaries versus Senior Subordinated Notes

The Company conducts a significant portion of its operations through its Subsidiaries. Some of the Company's Subsidiaries are not guaranteeing the senior subordinated notes, and Subsidiary Guarantees may be released under certain circumstances, as described under Guarantees. In addition, the Company's future Subsidiaries may not be required to guarantee the senior subordinated notes. Claims of creditors of such non-guarantor Subsidiaries, including trade creditors and creditors holding indebtedness or guarantees issued by such non-guarantor Subsidiaries, and claims of holders of Preferred Stock of such non-guarantor Subsidiaries generally will have priority with respect to the assets and earnings of such non-guarantor Subsidiaries over the claims of the Company's creditors, including Holders, even if the claims do not constitute Senior Indebtedness. Accordingly, the senior subordinated notes will be structurally subordinated to claims of creditors (including trade creditors) and holders of Preferred Stock, if any, of such non-guarantor Subsidiaries.

As of July 28, 2012, the Company's Subsidiaries (other than the Subsidiary Guarantors) had no consolidated total assets. In addition, for the fiscal year ended July 28, 2012, the Company's Subsidiaries (other than the Subsidiary Guarantors) had no revenues. Although the Senior Subordinated Indenture limits the incurrence of Indebtedness and Preferred Stock by Restricted Subsidiaries, such limitation is subject to a number of significant qualifications. Moreover, the Senior Subordinated Indenture does not impose any limitation on the incurrence by Restricted Subsidiaries of liabilities that are not considered Indebtedness or Preferred Stock under the Senior Subordinated Indenture, such as trade payables. See Certain Covenants Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.

Other Senior Subordinated Indebtedness versus Senior Subordinated Notes

Only Indebtedness of the Company or a Guarantor that is Senior Indebtedness will rank senior to the senior subordinated notes and the Guarantees in accordance with the provisions of the Senior Subordinated Indenture. The senior subordinated notes and the Guarantees will in all respects rank pari passu with all other Senior Subordinated Indebtedness of the Company and the Guarantors.

The Company and the Subsidiary Guarantors have agreed in the Senior Subordinated Indenture that they will not incur any Indebtedness that is subordinate or junior in right of payment to their Senior Indebtedness, unless such Indebtedness is Senior Subordinated Indebtedness of the applicable person or is expressly subordinated in right of payment to Senior Subordinated Indebtedness of such person. The Senior Subordinated Indenture does not treat (i) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured or (ii) Senior Indebtedness as subordinated or junior to any other Senior Indebtedness merely because it has a junior priority with respect to the same collateral.

Payment of Senior Subordinated Notes

The Company is not permitted to make payments of principal of or premium, if any, or interest on the senior subordinated notes or make any deposit pursuant to the provisions described under **Legal Defeasance and Covenant Defeasance** or **Satisfaction and Discharge** below and may not purchase, redeem or otherwise retire any senior subordinated notes (collectively, **pay the senior subordinated notes**) (except in the form of Permitted Junior Securities) if either of the following occurs (a **Payment Default**):

(1) any Obligation on any Designated Senior Indebtedness of the Company is not paid in full in cash when due (after giving effect to any applicable grace period); or

(2) any other default on Designated Senior Indebtedness of the Company occurs and the maturity of such Designated Senior Indebtedness is accelerated in accordance with its terms;

unless, in either case, the Payment Default has been cured or waived and any such acceleration has been rescinded or such Designated Senior Indebtedness has been paid in full in cash. Notwithstanding the foregoing, the Company is permitted to pay the senior subordinated notes if it and the Trustee receive written notice approving such payment from the Representatives of all Designated Senior Indebtedness with respect to which the Payment Default has occurred and is continuing.

During the continuance of any default (other than a Payment Default) with respect to any Designated Senior Indebtedness pursuant to which the maturity thereof may be accelerated without further notice (except such notice as may be required to effect such acceleration) or the expiration of any applicable grace periods, the Company is not permitted to pay the senior subordinated notes (except in the form of Permitted Junior Securities) for a period (a **Payment Blockage Period**) commencing upon the receipt by the Trustee (with a copy to the Company) of written notice (a **Blockage Notice**) of such default from the Representative of such Designated Senior Indebtedness specifying an election to effect a Payment Blockage Period and ending 179 days thereafter. The Payment Blockage Period will end earlier if such Payment Blockage Period is terminated:

(1) by written notice to the Trustee and the Company from the Person or Persons who gave such Blockage Notice;

(2) because the default giving rise to such Blockage Notice is cured, waived or otherwise no longer continuing; or

(3) because such Designated Senior Indebtedness has been discharged or repaid in full in cash.

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

Notwithstanding the provisions described above, unless the holders of such Designated Senior Indebtedness or the Representative of such Designated Senior Indebtedness have accelerated the maturity of such Designated Senior Indebtedness, the Company is permitted to resume paying the senior subordinated notes after the end of such Payment Blockage Period. The senior subordinated notes shall not be subject to more than one Payment Blockage Period in any consecutive 360-day period irrespective of the number of defaults with respect to Designated Senior Indebtedness during such period; provided that if any Payment Blockage Notice is delivered to the Trustee by or on behalf of the holders of Designated Senior Indebtedness of the Company (other than the holders of Indebtedness under the Senior Credit Facilities), a Representative of holders of Indebtedness under the Senior Credit Facilities may give another Payment Blockage Notice within such period. However, in no event may the total number of days during which any Payment Blockage Period or Periods on the senior subordinated notes is in effect exceed 179 days in the aggregate during any consecutive 365-day period, and there must be at least 186 days during any consecutive 365-day period during which no Payment Blockage Period is in effect. Notwithstanding the foregoing, however, no Default that existed or was continuing on the date of delivery of any Blockage Notice to the Trustee will be, or be made, the basis for a subsequent Blockage Notice.

Upon any payment or distribution of the assets of the Company upon a total or partial liquidation or dissolution or reorganization of or similar proceeding relating to the Company or its property:

Table of Contents

(1) the holders of Senior Indebtedness of the Company will be entitled to receive payment in full in cash of such Senior Indebtedness before the Holders are entitled to receive any payment;

(2) until the Senior Indebtedness of the Company is paid in full in cash, any payment or distribution to which Holders would be entitled but for the subordination provisions of the Senior Subordinated Indenture will be made to holders of such Senior Indebtedness as their interests may appear, except that Holders may receive Permitted Junior Securities; and

(3) if a distribution is made to Holders that, due to the subordination provisions, should not have been made to them, such Holders are required to hold it in trust for the holders of Senior Indebtedness of the Company and pay it over to them as their interests may appear.

The subordination and payment blockage provisions described above will not prevent a Default from occurring under the Senior Subordinated Indenture upon the failure of the Company to pay interest or principal with respect to the senior subordinated notes when due by their terms. If payment of the senior subordinated notes is accelerated because of an Event of Default, the Company or the Trustee must promptly notify the holders of Designated Senior Indebtedness or the Representative of such Designated Senior Indebtedness of the acceleration. So long as there shall remain outstanding Senior Indebtedness under the Senior Credit Facilities, a Blockage Notice with respect to the Senior Credit Facilities may only be given by the respective administrative agents thereunder unless otherwise agreed to in writing by the respective requisite lenders named in therein. If any Designated Senior Indebtedness is outstanding, neither the Company nor any Guarantor may pay the senior subordinated notes until five Business Days after the Representatives of all the issues of Designated Senior Indebtedness receive notice of such acceleration and, thereafter, may pay the senior subordinated notes only if the Senior Subordinated Indenture otherwise permits payment at that time.

A Guarantor's obligations under its Guarantee are senior subordinated obligations. As such, the rights of Holders to receive payment by a Guarantor pursuant to its Guarantee will be subordinated in right of payment to the rights of holders of Senior Indebtedness of such Guarantor. The terms of the subordination and payment blockage provisions described above with respect to the Company's obligations under the senior subordinated notes apply equally to a Guarantor and the obligations of such Guarantor under its Guarantee.

A Holder by its acceptance of senior subordinated notes agrees to be bound by these subordination provisions and authorizes and expressly directs the Trustee under the Senior Subordinated Indenture, on its behalf, to take such action as may be necessary or appropriate to effectuate the subordination provided for in the Senior Subordinated Indenture and appoints the Trustee under the Senior Subordinated Indenture its attorney-in-fact for such purpose.

By reason of the subordination provisions contained in the Senior Subordinated Indenture, in the event of a liquidation or insolvency proceeding, creditors of the Company or a Guarantor who are holders of Senior Indebtedness of the Company or such Guarantor, as the case may be, may recover more, ratably, than the Holders, and creditors of the Company or a Guarantor who are not holders of Senior Indebtedness may recover less, ratably, than holders of Senior Indebtedness of the Company or such Guarantor and may recover more, ratably, than the Holders. See Risk Factors. The right of holders of the senior subordinated notes to receive payments on the senior subordinated notes and the guarantees thereof are junior to the rights of the lenders under our senior secured credit facilities, our 2028 debentures and to all of our and the guarantors' other senior indebtedness, including any of our or the guarantors' future senior debt.

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

The terms of the subordination provisions described above will not apply to payments from money or the proceeds of U.S. Government Obligations deposited in trust or with the Trustee, as applicable, for the payment of principal of and interest on the senior subordinated notes pursuant to the provisions described under Legal Defeasance and Covenant Defeasance or Satisfaction and Discharge, if the subordination provisions described in this section were not violated at the time the applicable amounts were deposited in trust or with the Trustee, as applicable, pursuant to such sections.

Table of Contents

Mandatory Redemption; Offer to Purchase; Open Market Purchases

The Company is not required to make any mandatory redemption or sinking fund payments with respect to the senior subordinated notes. However, under certain circumstances, the Company may be required to offer to purchase senior subordinated notes as described under Repurchase at the Option of Holders. The Company may from time to time acquire senior subordinated notes by means other than a redemption, whether by tender offer, in open market purchases, through negotiated transactions or otherwise, in accordance with applicable securities laws.

Optional Redemption

The Company may redeem the senior subordinated notes, in whole or in part, upon not less than 30 nor more than 60 days prior notice at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, and Additional Interest, if any, thereon to the applicable redemption date, subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on October 15 of each of the years indicated below:

Year	Percentage
2011	103.458%
2012	101.729%
2013 and thereafter	100.000%

Selection and Notice

If the Company is redeeming less than all of the senior subordinated notes at any time, the Trustee will select the senior subordinated notes to be redeemed (a) if the senior subordinated notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which such senior subordinated notes are listed or (b) if such senior subordinated notes are not so listed, on a pro rata basis to the extent practicable; provided that no senior subordinated notes of \$2,000 or less shall be redeemed in part.

Notices of redemption shall be mailed by first-class mail, postage prepaid, at least 30 days but not more than 60 days before the redemption date to each Holder at such Holder's registered address, except that notices of redemption may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the senior subordinated notes or a satisfaction and discharge of the Senior Subordinated Indenture. If any senior subordinated note is to be redeemed in part only, any notice of redemption that relates to such senior subordinated note shall state the portion of the principal amount thereof to be redeemed.

A senior subordinated note in principal amount equal to the unredeemed portion of any senior subordinated note redeemed in part will be issued in the name of the Holder thereof upon cancellation of the original senior subordinated note. Senior subordinated notes called for redemption become due and payable on the date fixed for redemption. On and after the redemption date, unless the Company defaults in the redemption payment, interest shall cease to accrue on the senior subordinated note or portions thereof called for redemption.

Repurchase at the Option of Holders

Change of Control

If a Change of Control occurs, the Company will make an offer to purchase all of the senior subordinated notes pursuant to the offer described below (the **Change of Control Offer**) at a price in cash (the **Change of Control Payment**) equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, and Additional Interest, if any, to the date of purchase, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Company will send notice of such Change of Control Offer by first class mail, with a copy to the Trustee, to each Holder to the address of such Holder appearing in the security register with a copy to the Trustee, with the following information:

- (1) a Change of Control Offer is being made pursuant to the covenant entitled Change of Control , and all senior subordinated notes properly tendered pursuant to such Change of Control Offer will be accepted for payment;
- (2) the purchase price and the purchase date, which will be no earlier than 30 days nor later than 60 days from the date such notice is mailed (the Change of Control Payment Date);
- (3) any senior subordinated note not properly tendered will remain outstanding and continue to accrue interest;
- (4) unless the Company defaults in the payment of the Change of Control Payment, all senior subordinated notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;
- (5) Holders electing to have any senior subordinated notes purchased pursuant to a Change of Control Offer will be required to surrender the senior subordinated notes, with the form entitled Option of Holder to Elect Purchase on the reverse of the senior subordinated notes completed, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;
- (6) Holders will be entitled to withdraw their tendered senior subordinated notes and their election to require the Company to purchase such senior subordinated notes; provided that the paying agent receives, not later than the close of business on the last day of the offer period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of senior subordinated notes tendered for purchase, and a statement that such Holder is withdrawing its tendered senior subordinated notes and its election to have such senior subordinated notes purchased; and
- (7) Holders whose senior subordinated notes are being purchased only in part will be issued senior subordinated notes equal in principal amount to the unpurchased portion of the senior subordinated notes surrendered, which unpurchased portion must be equal to \$2,000 or an integral multiple of \$1,000 in excess of \$2,000.

While the senior subordinated notes are in global form and the Company makes an offer to purchase all of the senior subordinated notes pursuant to the Change of Control Offer, a Holder may exercise its option to elect for the purchase of the senior subordinated notes through the facilities of the Depository Trust Company (DTC), subject to its rules and regulations.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the senior subordinated notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Senior Subordinated Indenture, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Senior Subordinated Indenture by virtue thereof.

On the Change of Control Payment Date, the Company will, to the extent permitted by law,

(1) accept for payment all senior subordinated notes or portions thereof properly tendered pursuant to the Change of Control Offer,

(2) deposit with the paying agent an amount equal to the aggregate Change of Control Payment in respect of all senior subordinated notes or portions thereof so tendered and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the senior subordinated notes so accepted together with an Officers Certificate stating that such senior subordinated notes or portions thereof have been tendered to and purchased by the Company.

Table of Contents

The paying agent will promptly mail to each Holder the Change of Control Payment for such senior subordinated notes, and the Trustee will promptly authenticate and mail to each Holder a senior subordinated note equal in principal amount to any unpurchased portion of the senior subordinated notes surrendered, if any; provided that each such senior subordinated note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess of \$2,000. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The Senior Credit Facilities (in each case, subject to limited exceptions), and future credit agreements or other agreements to which the Company becomes a party may, prohibit the Company from purchasing any senior subordinated notes as a result of a Change of Control. In the event a Change of Control occurs at a time when the Company is prohibited from purchasing the senior subordinated notes, the Company could seek the consent of its lenders to permit the purchase of the senior subordinated notes or could attempt to refinance the borrowings and notes that contain such prohibition. If the Company does not obtain such consent or repay such borrowings, the Company will remain prohibited from purchasing the senior subordinated notes. In such case, the Company's failure to purchase tendered senior subordinated notes would constitute an Event of Default under the Senior Subordinated Indenture. If, as a result thereof, a default occurs with respect to any Senior Indebtedness, the subordination provisions in the Senior Subordinated Indenture would restrict payment to the Holders under certain circumstances.

The Revolving Credit Facility provides that certain change of control events with respect to the Company (including a Change of Control under the Senior Subordinated Indenture) would constitute a default thereunder. If the Company experiences a change of control that triggers a default under the Revolving Credit Facility or cross-defaults under any other Indebtedness, the Company could seek a waiver of such defaults or seek to refinance the Indebtedness outstanding under the Revolving Credit Facility and such other Indebtedness. In the event the Company does not obtain such a waiver or refinance the Indebtedness outstanding under the Revolving Credit Facility and such other Indebtedness, such defaults could result in amounts outstanding under the Revolving Credit Facility and such other Indebtedness being declared due and payable. The Company's ability to pay cash to the Holders following the occurrence of a Change of Control may be limited by its then existing financial resources. Therefore, sufficient funds may not be available when necessary to make any required repurchases.

The Company will not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the time and otherwise in compliance with the requirements set forth in the Senior Subordinated Indenture applicable to a Change of Control Offer made by the Company and purchases all senior subordinated notes validly tendered and not withdrawn under such Change of Control Offer. A Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

The Change of Control purchase feature of the senior subordinated notes may in certain circumstances make more difficult or discourage a sale or takeover of the Company and, thus, the removal of incumbent management. The Change of Control purchase feature is a result of negotiations between the Company and the Initial Purchasers. We have no present intention to engage in a transaction involving a Change of Control, although it is possible that we could decide to do so in the future. Subject to the limitations discussed below, we could, in the future, enter into certain transactions, including acquisitions, refinancings or other recapitalizations, that would not constitute a Change of Control under the Senior Subordinated Indenture, but that could increase the amount of indebtedness outstanding at such time or otherwise affect our capital structure or credit ratings. Restrictions on our ability to incur additional Indebtedness are contained in the covenant described under "Certain Covenants—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock". Such restrictions can be waived with the consent of the holders of a majority in principal amount of the senior subordinated notes then outstanding. Except for the limitations contained in such covenant, however, the Senior Subordinated Indenture will not contain any covenants or provisions that may afford Holders protection in the event of a highly leveraged transaction.

The definition of "Change of Control" includes a disposition of all or substantially all of the assets of the Company to any Person. Although there is a limited body of case law interpreting the phrase "substantially all", there is no precise established definition of the phrase under applicable

law. Accordingly, in certain circumstances

Table of Contents

there may be a degree of uncertainty as to whether a particular transaction would involve a disposition of all or substantially all of the assets of the Company. As a result, it may be unclear as to whether a Change of Control has occurred and whether a Holder may require the Company to make an offer to repurchase the senior subordinated notes as described above.

The provisions under the Senior Subordinated Indenture relative to the Company's obligation to make an offer to repurchase the senior subordinated notes as a result of a Change of Control may be waived or modified with the written consent of the Holders of a majority in principal amount of the senior subordinated notes.

Asset Sales

The Senior Subordinated Indenture provides that the Company will not, and will not permit any Restricted Subsidiary to, cause, make or suffer to exist an Asset Sale, unless:

- (1) the Company or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Company) of the assets sold or otherwise disposed of; and
- (2) except in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; provided that the amount of
 - (a) any liabilities (as shown on the Company's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto) of the Company or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the senior subordinated notes, that are assumed by the transferee of any such assets (or a third party on behalf of the transferee) and for which the Company or such Restricted Subsidiary has been validly released by all creditors in writing,
 - (b) any securities, notes or other obligations or assets received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash (to the extent of the cash received) within 180 days following the closing of such Asset Sale and
 - (c) any Designated Noncash Consideration received by the Company or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Noncash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed the greater of (x) \$125.0 million and (y) 1.75% of Total Assets at the time of the receipt of such Designated Noncash Consideration, with the fair market value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value,

shall be deemed to be cash for purposes of this provision and for no other purpose.

Within 450 days after any of the Company's or any Restricted Subsidiary's receipt of the Net Proceeds of any Asset Sale, the Company or such Restricted Subsidiary may, at its option, apply the Net Proceeds from such Asset Sale:

(1) to permanently reduce

(x) Obligations under any Senior Indebtedness, the senior subordinated notes or any other Senior Subordinated Indebtedness, in each case, of the Company or any Subsidiary Guarantor and, in the case of Obligations under revolving credit facilities or other similar Indebtedness, to correspondingly permanently reduce commitments with respect thereto (other than Obligations owed to the Company

Table of Contents

or a Restricted Subsidiary); provided that if the Company or any Restricted Subsidiary shall so reduce Obligations under any Senior Subordinated Indebtedness, the Company or such Subsidiary Guarantor will, equally and ratably, reduce Obligations under the senior subordinated notes by, at its option, (A) redeeming senior subordinated notes if the senior subordinated notes are then redeemable as provided under Optional Redemption (B) making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase their senior subordinated notes at 100% of the principal amount thereof, plus the amount of accrued and unpaid interest and Additional Interest, if any, on the principal amount of senior subordinated notes to be repurchased or (C) purchasing senior subordinated notes through open market purchases (to the extent such purchases are at a price equal to or higher than 100% of the principal amount thereof) in a manner that complies with the Senior Subordinated Indenture and applicable securities law; or

(y) Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor, other than Indebtedness owed to the Company or another Restricted Subsidiary; or

(2) to an investment in (a) any one or more businesses; provided that such investment in any business is in the form of the acquisition of Capital Stock and results in the Company or any Restricted Subsidiary owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) properties, (c) capital expenditures and (d) acquisitions of other assets, that in each of (a), (b), (c) and (d), are used or useful in a Similar Business or replace the businesses, properties and assets that are the subject of such Asset Sale.

Any Net Proceeds from the Asset Sale that are not invested or applied in accordance with the preceding paragraph within 450 days from the date of the receipt of such Net Proceeds will be deemed to constitute Excess Proceeds ; provided that if during such 450-day period the Company or a Restricted Subsidiary enters into a definitive binding agreement committing it to apply such Net Proceeds in accordance with the requirements of clause (2) of the immediately preceding paragraph after such 450th day, such 450-day period will be extended with respect to the amount of Net Proceeds so committed until such Net Proceeds are required to be applied in accordance with such agreement (but such extension will in no event be for a period longer than 180 days) (or, if earlier, the date of termination of such agreement). When the aggregate amount of Excess Proceeds exceeds \$45.0 million, the Company shall make an offer to all Holders and, if required by the terms of any Senior Subordinated Indebtedness, to the holders of such Senior Subordinated Indebtedness (other than with respect to Hedging Obligations) (an Asset Sale Offer), to purchase the maximum aggregate principal amount of senior subordinated notes and such Senior Subordinated Indebtedness that is an integral multiple of \$1,000 that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100%, of the principal amount thereof, plus accrued and unpaid interest and Additional Interest, if any, to the date fixed for the closing of such offer, in accordance with the procedures set forth in the Senior Subordinated Indenture. The Company will commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that Excess Proceeds exceed \$45.0 million by mailing the notice required pursuant to the terms of the Senior Subordinated Indenture, with a copy to the Trustee. The Company may satisfy the foregoing obligations with respect to any Net Proceeds from an Asset Sale by making an Asset Sale Offer with respect to such Net Proceeds prior to the expiration of the relevant 450 days or with respect to Excess Proceeds of \$45.0 million or less.

To the extent that the aggregate amount of senior subordinated notes and such Senior Subordinated Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for general corporate purposes, subject to the other covenants contained in the Senior Subordinated Indenture. If the aggregate principal amount of senior subordinated notes or the Senior Subordinated Indebtedness surrendered by such holders thereof exceeds the amount of Excess Proceeds, the Company shall select or cause to be selected the senior subordinated notes and such Senior Subordinated Indebtedness to be purchased on a pro rata basis based on the accreted value or principal amount of the senior subordinated notes or such Senior Subordinated Indebtedness tendered. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds related to such Asset Sale Offer shall be reset at zero.

Table of Contents

Pending the final application of any Net Proceeds pursuant to this covenant, the Company or the applicable Restricted Subsidiary may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by the Senior Subordinated Indenture.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of senior subordinated notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Senior Subordinated Indenture, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Senior Subordinated Indenture by virtue thereof.

The Senior Credit Facilities limit (subject to limited exceptions), and future credit agreements or other agreements to which the Company becomes a party may limit or prohibit, the Company from purchasing any senior subordinated notes as a result of an Asset Sale Offer. In the event the Company is required to make an Asset Sale Offer at a time when the Company is prohibited from purchasing the senior subordinated notes, the Company could seek the consent of its lenders to permit the purchase of the senior subordinated notes or could attempt to refinance the borrowings that contain such prohibition. If the Company does not obtain such consent or repay such borrowings, the Company will remain prohibited from purchasing the senior subordinated notes. In such case, the Company's failure to purchase tendered senior subordinated notes would constitute an Event of Default under the Senior Subordinated Indenture. If, as a result thereof, a default occurs with respect to any Senior Indebtedness, the subordination provisions in the Senior Subordinated Indenture would restrict payments to the Holders under certain circumstances.

The provisions under the Senior Subordinated Indenture relative to the Company's obligation to make an offer to repurchase the senior subordinated notes as a result of an Asset Sale may be waived or modified with the written consent of the Holders of a majority in principal amount of the senior subordinated notes.

Certain Covenants

Set forth below are summaries of certain covenants contained in the Senior Subordinated Indenture.

Limitation on Restricted Payments

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly:

(1) declare or pay any dividend or make any distribution on account of the Company's or any Restricted Subsidiary's Equity Interests, including any dividend or distribution payable in connection with any merger or consolidation other than

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

- (A) dividends or distributions by the Company payable in Equity Interests (other than Disqualified Stock) of the Company or
- (B) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly-Owned Subsidiary, the Company or a Restricted Subsidiary receives at least its pro rata share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities;
- (2) purchase, redeem, defease or otherwise acquire or retire for value any Equity Interests of the Company or any direct or indirect parent of the Company, including in connection with any merger or consolidation;

(3) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value in each case, prior to any scheduled repayment, sinking fund payment or maturity, any Subordinated Indebtedness, other than

(x) Indebtedness permitted under clauses (i) and (j) of the covenant described under Limitations on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock or

(y) the purchase, repurchase or other acquisition of Subordinated Indebtedness purchased in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of purchase, repurchase or acquisition; or

(4) make any Restricted Investment;

(all such payments and other actions set forth in clauses (1) through (4) above being collectively referred to as Restricted Payments), unless, at the time of such Restricted Payment:

(a) no Default shall have occurred and be continuing or would occur as a consequence thereof;

(b) immediately after giving effect to such transaction on a pro forma basis, the Company could incur \$1.00 of additional Indebtedness under the provisions of the first paragraph of the covenant described under Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock ; and

(c) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and the Restricted Subsidiaries after the Issue Date pursuant to the first paragraph of this covenant or clauses (1), (2) (with respect to the payment of dividends on Refunding Capital Stock (as defined below) pursuant to clause (b) thereof only), (6)(C), (8) and (12) of the next succeeding paragraph (and excluding, for the avoidance of doubt, all other Restricted Payments made pursuant to the next succeeding paragraph), is less than the sum, without duplication, of

(i) \$175.0 million (it being understood that any Indebtedness, Disqualified Stock and Preferred Stock incurred pursuant to this clause (v)(i) shall cease to be deemed incurred or outstanding for purposes of this clause (v)(i) but shall be deemed incurred pursuant to the first paragraph of this covenant from and after the first date on which the Company or such Restricted Subsidiary could have incurred such Indebtedness, Disqualified Stock or Preferred Stock pursuant to the first paragraph of this covenant without reliance on this clause (v)(i)); plus

(ii) 200% of the net cash proceeds received by the Company since after the Issue Date from the issue or sale of Equity Interests of the Company or cash contributed to the capital of the Company (in each case, other than proceeds of Disqualified Stock or sales of Equity Interests to the Company or any of its Subsidiaries) as determined in accordance with clauses (c)(2) and (c)(3) of the first paragraph of the covenant described under Limitation on Restricted Payments to the extent such net cash proceeds or cash have not been applied pursuant to such clauses to make Restricted Payments or to make other investments, payments or exchanges pursuant to the second paragraph of the covenant described under Limitation on Restricted Payments or to make Permitted Investments (other than Permitted Investments specified in clauses (a) and (c) of the definition thereof); and

(w) Attributable Debt incurred by the Company or any Restricted Subsidiary pursuant to Sale and Lease-Back Transactions of property (real or personal), equipment or other fixed or capital assets owned by the Company or any Restricted Subsidiary as of the Issue Date or acquired by the Company or any Restricted Subsidiary after the Issue Date in exchange for, or with the proceeds of the sale of, such assets owned by the Company or any Restricted Subsidiary as of the Issue Date, provided that the aggregate amount of Attributable Debt incurred under this clause (w) does not exceed \$100.0 million.

For purposes of determining compliance with this covenant, in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock meets the criteria of more than one of the categories of Permitted Debt described in clauses (a) through (w) above or is entitled to be incurred pursuant to the first paragraph of this covenant, the Company, in its sole discretion, will classify or reclassify, or later divide, classify or reclassify, such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one or more of the above clauses; provided that all Indebtedness outstanding under the Senior Credit Facilities on the Issue Date will be deemed to have been incurred on such date in reliance on the exception in clauses (a) and (b) of the definition of Permitted Debt.

The accrual of interest, the accretion of accreted value and the payment of interest in the form of additional Indebtedness, Disqualified Stock or Preferred Stock will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this covenant.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased.

The principal amount of any Indebtedness incurred to extend, replace, refund, refinance, renew or defease other Indebtedness, if incurred in a different currency from the Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased, shall be calculated based on the currency exchange rate applicable to the

currencies in which such respective Indebtedness is denominated that is in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance.

Limitation on Layering

The Senior Subordinated Indenture will provide that the Company will not, and will not permit any Subsidiary Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Debt) that is contractually subordinated or junior in right of payment to any Senior Indebtedness of the Company or any Subsidiary Guarantor, as the case may be, unless such Indebtedness is either:

- (1) pari passu in right of payment with the senior subordinated notes or the Subsidiary Guarantees, as the case may be; or
- (2) expressly subordinated in right of payment to the senior subordinated notes or the Subsidiary Guarantees, as the case may be.

The Senior Subordinated Indenture will not treat (1) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured or (2) Senior Indebtedness as subordinated or junior to any other Senior Indebtedness merely because it has a junior priority with respect to the same collateral.

Liens

The Company will not, and will not permit any of the Subsidiary Guarantors to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Senior Subordinated Indebtedness or Subordinated Indebtedness on any asset or property of the Company or any Subsidiary Guarantor now owned or hereafter acquired, or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:

- (1) in the case of Liens securing Subordinated Indebtedness, the senior subordinated notes or the applicable Subsidiary Guarantee of a Subsidiary Guarantor, as the case may be, are secured by a Lien on such property or assets that is senior in priority to such Liens; and
- (2) in all other cases, the senior subordinated notes or the applicable Subsidiary Guarantee of a Subsidiary Guarantor, as the case may be, are equally and ratably secured; provided that any Lien which is granted to secure the senior subordinated notes under this covenant shall be discharged at the same time as the discharge of the Lien (other than through the exercise of remedies with respect thereto) that gave rise to the obligation to so secure the senior subordinated notes.

Merger, Consolidation or Sale of All or Substantially All Assets

The Company may not consolidate or merge with or into or wind up into (whether or not the Company is the surviving entity), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(1) the Company is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation organized or existing under the laws of the United States of America, any state thereof, the District of Columbia, or any territory thereof (the Company or such Person, as the case may be, being herein called the Successor Company);

(2) the Successor Company, if other than the Company, expressly assumes all the obligations of the Company under the Senior Subordinated Indenture and the senior subordinated notes pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(3) immediately after such transaction, no Default exists;

(B) the Fixed Charge Coverage Ratio for the Successor Company and the Restricted Subsidiaries on a consolidated basis would be greater than such ratio for the Company and the Restricted Subsidiaries immediately prior to such transaction;

(5) each Guarantor, unless it is the other party to the transactions described above, in which case clause (A)(2) of the second succeeding paragraph or clause (2) of the fourth succeeding paragraph, as applicable, shall apply, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under the Senior Subordinated Indenture and the senior subordinated notes; and

(6) the Company shall have delivered to the Trustee an Officers' Certificate and an opinion of counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Senior Subordinated Indenture.

Subject to certain limitations described in the Senior Subordinated Indenture, the Successor Company will succeed to, and be substituted for, the Company under the Senior Subordinated Indenture and the senior subordinated notes. Notwithstanding the foregoing clauses (3) and (4),

(a) any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to, the Company and

(b) the Company may merge with an Affiliate of the Company incorporated solely for the purpose of reincorporating the Company in another state of the United States of America so long as the amount of Indebtedness of the Company and the Restricted Subsidiaries is not increased thereby.

Subject to certain limitations described in the Senior Subordinated Indenture governing release of a Subsidiary Guarantee upon the sale, disposition or transfer of a Subsidiary Guarantor, each Subsidiary Guarantor will not, and the Company will not permit any Subsidiary Guarantor to, consolidate or merge with or into or wind up into (whether or not such Subsidiary Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person unless

Subject to certain limitations described in the Senior Subordinated Indenture, the Successor Person will succeed to, and be substituted for, such Subsidiary Guarantor under the Senior Subordinated Indenture and such Subsidiary Guarantor's Subsidiary Guarantee. Notwithstanding the foregoing, any Subsidiary Guarantor may merge into or transfer all or part of its properties and assets to another Subsidiary Guarantor or the Company.

Holdings will not consolidate or merge with or into or wind up into (whether or not Holdings is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person unless:

(1) Holdings is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than Holdings) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation organized or existing under the laws of the United States of America, any state thereof, the District of Columbia, or any territory thereof (Holdings or such Person, as the case may be, being herein called the Successor Holdings Guarantor);

Notwithstanding the foregoing, Holdings may merge into or transfer all or part of its properties and assets to a Subsidiary Guarantor or the Company, and Holdings may merge with an Affiliate of the Company incorporated solely for the purpose of reincorporating Holdings in another state of the United States of America so long as the amount of Indebtedness of Holdings, the Company and the Restricted Subsidiaries is not increased thereby.

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

Notwithstanding the foregoing, the Merger will be permitted without compliance with this Merger, Consolidation or Sale of All or Substantially All Assets covenant.

For purposes of this covenant, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company or Holdings, as applicable, which properties and assets, if held by the Company or Holdings, as applicable, instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company and its Subsidiaries on a consolidated basis or Holdings and its Subsidiaries on a consolidated basis, as applicable, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company or Holdings, as applicable.

Although there is a limited body of case law interpreting the phrase substantially all, there is no precise established definition of the phrase under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty as to whether a particular transaction would involve all or substantially all of the properties or assets of a Person.

The Company will not permit any of its Wholly-Owned Subsidiaries that are Restricted Subsidiaries (and non-Wholly-Owned Subsidiaries if such non-Wholly-Owned Subsidiaries guarantee other capital markets debt securities), other than a Subsidiary Guarantor or a Foreign Subsidiary, to guarantee the payment of any Indebtedness of the Company or any other Subsidiary Guarantor unless:

- (1) such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to the Senior Subordinated Indenture providing for a Subsidiary Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Company or any Subsidiary Guarantor:
 - (a) if the senior subordinated notes or such Subsidiary Guarantor's Subsidiary Guarantee are subordinated in right of payment to such Indebtedness, the Subsidiary Guarantee under the supplemental indenture shall be subordinated to such Restricted Subsidiary's guarantee with respect to such Indebtedness substantially to the same extent as the senior subordinated notes are subordinated to such Indebtedness; and
 - (b) if such Indebtedness is by its express terms subordinated in right of payment to the senior subordinated notes or such Subsidiary Guarantor's Subsidiary Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Subsidiary Guarantee substantially to the same extent as such Indebtedness is subordinated to the senior subordinated notes;
- (2) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Subsidiary Guarantee; and
- (3) such Restricted Subsidiary shall deliver to the Trustee an opinion of counsel to the effect that:
 - (a) such Subsidiary Guarantee has been duly executed and authorized; and
 - (b) such Subsidiary Guarantee constitutes a valid, binding and enforceable obligation of such Restricted Subsidiary, except insofar as enforcement thereof may be limited by bankruptcy, insolvency or similar laws (including all laws relating to fraudulent transfers) and

except insofar as enforcement thereof is subject to general principles of equity;

provided that this covenant shall not be applicable to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary.

required to file such forms, including a Management's Discussion and Analysis of Financial Condition and Results of Operations and, with respect to the annual information only, a report on the annual financial statements by the Company's certified independent accountants; and

(2) all current reports that would be required to be filed with the SEC on Form 8-K if the Company were required to file such reports.

In addition, whether or not required by the SEC, the Company will file a copy of all of the information and reports referred to in clause (1) and (2) above with the SEC for public availability within the time periods specified in the SEC's rules and regulations (unless the SEC will not accept such a filing) and make such information available to securities analysts and prospective investors upon request. In addition, the Company has agreed that, for so long as any senior subordinated notes remain outstanding, it will furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

In addition, for so long as Holdings is a Guarantor under the Senior Subordinated Indenture or if at any time any other direct or indirect parent company of the Company is a guarantor of the senior subordinated notes, the reports, information and other documents required to be filed and furnished to the Holders pursuant to this covenant may, at the option of the Company, be filed by and be those of Holdings or such other parent, as applicable, rather than the Company; provided that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to Holdings or such other parent, on the one hand, and the information relating to the Company and its Restricted Subsidiaries on a standalone basis, on the other hand.

Obligations of the Company and the Restricted Subsidiaries Relating to Kate Spade

The Senior Subordinated Indenture contains additional covenants relating to Kate Spade which are no longer applicable as we entered into a definitive agreement to sell 100% of the ownership interests in Kate Spade to Liz Claiborne, Inc. in November 2006.

Events of Default and Remedies

The following events constitute Events of Default under the Senior Subordinated Indenture:

(1) default in payment when due and payable, upon redemption, acceleration or otherwise, of payments of principal of, or premium, if any, on the senior subordinated notes issued under the Senior Subordinated Indenture, whether or not such payment is prohibited by the subordination provisions of the Senior Subordinated Indenture;

(2) default for 30 days or more in the payment when due of interest on or with respect to the senior subordinated notes issued under the Senior Subordinated Indenture, whether or not such payment is prohibited by the subordination provisions of the Senior Subordinated

Indenture;

(3) failure by the Company, Holdings or any Subsidiary Guarantor for 60 days after receipt of written notice given by the Trustee or the Holders of at least 30% in principal amount of the then outstanding senior subordinated notes issued under the Senior Subordinated Indenture to comply with any of its other agreements in the Senior Subordinated Indenture or the senior subordinated notes;

(4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Company or any Restricted Subsidiary or the payment of which is guaranteed by the Company or any Restricted Subsidiary, other than Indebtedness owed to the Company or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the senior subordinated notes, if both

(A) such default either

(i) results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or

(ii) relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity and (B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate \$50.0 million or more at any one time outstanding;

(5) failure by the Company or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of \$50.0 million, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(6) certain events of bankruptcy or insolvency with respect to the Company or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary); or

(7) the Guarantee of any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of any Subsidiary Guarantor that is a Significant Subsidiary (or the responsible officers of any group of Subsidiaries that together would constitute a Significant Subsidiary), as the case may be, denies that it has any further liability under its Guarantee or gives notice to such effect, other than by reason of the termination of the Senior Subordinated Indenture or the release of any such Subsidiary Guarantee in accordance with the Senior Subordinated Indenture.

If any Event of Default (other than of a type specified in clause (6) above) occurs and is continuing under the Senior Subordinated Indenture, the Trustee or the Holders of at least 30% in principal amount of the then outstanding senior subordinated notes issued under the Senior Subordinated Indenture may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding senior subordinated notes issued under the Senior Subordinated Indenture to be due and payable immediately; provided that, so long as any Indebtedness permitted to be incurred under the Senior Subordinated Indenture as part of the Senior Credit Facilities will be outstanding, no such acceleration will be effective until the earlier of

(1) acceleration of any such Indebtedness under the Senior Credit Facilities, and

Upon the effectiveness of such declaration, such principal of and premium, if any, and interest on the senior subordinated notes will be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising under clause (6) of the first paragraph of this section, all outstanding senior subordinated notes will become due and payable without further action or notice. The Senior Subordinated Indenture provides that the Trustee may withhold from Holders notice of any continuing Default, except a Default relating to the payment of principal of and premium, if any, and interest on the senior subordinated notes if it determines that withholding notice is in their interest. In addition, the Trustee will have no obligation to accelerate the senior subordinated notes if in the best judgment of the Trustee acceleration is not in the best interest of the Holders of such senior subordinated notes.

The Senior Subordinated Indenture provides that the Holders of a majority in aggregate principal amount of the then outstanding senior subordinated notes issued thereunder by notice to the Trustee may, on behalf of the

Table of Contents

Holders of all of such senior subordinated notes, waive any existing Default and its consequences under the Senior Subordinated Indenture, except a continuing Default in the payment of principal of and premium, if any, or interest on any such senior subordinated notes held by a non-consenting Holder. In the event of any Event of Default specified in clause (4) above, such Event of Default and all consequences thereof (excluding any resulting payment default) shall be annulled, waived and rescinded automatically and without any action by the Trustee or the Holders if, within 20 days after such Event of Default arose,

- (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged,
- (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or
- (z) the default that is the basis for such Event of Default has been cured.

Except to enforce the right to receive payments of principal of and premium, if any, and interest on the senior subordinated notes when due, no Holder may pursue any remedy with respect to the Senior Subordinated Indenture or the senior subordinated notes unless:

- (1) such Holder has previously given the Trustee notice that an Event of Default is continuing;
- (2) Holders of at least 30% in principal amount of the then outstanding senior subordinated notes have requested the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (5) Holders of a majority in principal amount of the outstanding senior subordinated notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

The Senior Subordinated Indenture provides that the Company is required to deliver to the Trustee annually a statement regarding compliance with the Senior Subordinated Indenture, and the Company is required, within five Business Days, upon becoming aware of any Default, to deliver to the Trustee a statement specifying such Default.

No Personal Liability of Directors, Officers, Employees and Stockholders

No director, officer, employee, incorporator or stockholder of the Company or any Subsidiary Guarantor (other than in the case of stockholders of any Subsidiary Guarantor, the Company or another Subsidiary Guarantor or in the case of stockholders of the Company, Holdings) or any of their parent companies shall have any liability for any obligations of the Company, Holdings or the Subsidiary Guarantors under the senior subordinated notes, the Guarantees and the Senior Subordinated Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a senior subordinated note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the senior subordinated notes. Such waiver may not be effective to waive liabilities under the Federal securities laws and it is the view of the SEC that such a waiver is against public policy.

Legal Defeasance and Covenant Defeasance

Most of the obligations of the Company, Holdings and the Subsidiary Guarantors under the Senior Subordinated Indenture will terminate and will be released upon payment in full of all of the senior subordinated notes issued under the Senior Subordinated Indenture. The Company may, at its option and at any time, elect to

have all of its obligations discharged with respect to the senior subordinated notes issued under the Senior Subordinated Indenture and have Holdings' obligation and each Subsidiary Guarantor's obligation discharged with respect to its Guarantee ("Legal Defeasance") and cure all then existing Events of Default except for

- (1) the rights of Holders of senior subordinated notes issued under the Senior Subordinated Indenture to receive payments in respect of the principal of, premium, if any, and interest on such senior subordinated notes when such payments are due solely out of the trust created pursuant to the Senior Subordinated Indenture,
- (2) the Company's obligations with respect to senior subordinated notes issued under the Senior Subordinated Indenture concerning issuing temporary notes, registration of such senior subordinated notes, mutilated, destroyed, lost or stolen notes and the maintenance of an office or agency for payment and money for security payments held in trust,
- (3) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's obligations in connection therewith and
- (4) the Legal Defeasance provisions of the Senior Subordinated Indenture.

In addition, the Company may, at its option and at any time, elect to have its obligations and those of Holdings and each Subsidiary Guarantor released with respect to certain covenants that are described in the Senior Subordinated Indenture ("Covenant Defeasance") and thereafter any omission to comply with such obligations shall not constitute a Default or Event of Default with respect to the senior subordinated notes. In the event Covenant Defeasance occurs, certain events (not including bankruptcy, receivership, rehabilitation and insolvency events pertaining to the Company) described under "Events of Default and Remedies" will no longer constitute an Event of Default with respect to the senior subordinated notes.

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the senior subordinated notes issued under the Senior Subordinated Indenture:

- (1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest due on the senior subordinated notes issued under the Senior Subordinated Indenture on the stated maturity date or on the redemption date, as the case may be, of such principal, premium, if any, or interest on the senior subordinated notes;
- (2) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an opinion of counsel in the United States of America reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions,

(A) the Company has received from, or there has been published by, the United States Internal Revenue Service a ruling or

(B) since the original issuance of the senior subordinated notes, there has been a change in the applicable U.S. Federal income tax law,

in either case to the effect that, and based thereon such opinion of counsel in the United States of America shall confirm that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an opinion of counsel in the United States of America reasonably acceptable to the Trustee confirming that,

subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default (other than that resulting from borrowing funds to be applied to make such deposit and the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any of the Senior Credit Facilities, the Existing Indenture, the Existing 2028 Debentures or any other material agreement or instrument (other than the Senior Subordinated Indenture) to which, the Company, Holdings or any Subsidiary Guarantor is a party or by which the Company, Holdings or any Subsidiary Guarantor is bound;

(6) the Company shall have delivered to the Trustee an opinion of counsel in the United States of America to the effect that, as of the date of such opinion and subject to customary assumptions and exclusions, following the deposit, the trust funds will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally under any applicable U.S. Federal or state law, and that the Trustee has a perfected security interest in such trust funds for the ratable benefit of the Holders;

(7) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company, Holdings or any Subsidiary Guarantor or others; and

(8) the Company shall have delivered to the Trustee an Officers' Certificate and an opinion of counsel in the United States of America (which opinion of counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Satisfaction and Discharge

The Senior Subordinated Indenture will be discharged and will cease to be of further effect as to all senior subordinated notes issued thereunder, when

(a) either (1) all such senior subordinated notes theretofore authenticated and delivered, except lost, stolen or destroyed senior subordinated notes which have been replaced or paid and senior subordinated notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or (2) all such senior subordinated notes not theretofore delivered to such Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company and the Company, Holdings or any Subsidiary Guarantor has irrevocably

deposited or caused to be deposited with such Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on such senior subordinated notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption, as the case may be;

(b) no Default (other than that resulting from borrowing funds to be applied to make such deposit and the granting of Liens in connection therewith) with respect to the Senior Subordinated Indenture or the senior subordinated notes issued thereunder shall have occurred and

be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under, the Senior Credit Facilities, the Existing Indenture, the Existing 2028 Debentures or any other agreement or instrument to which the Company, Holdings or any Subsidiary Guarantor is a party or by which the Company, Holdings or any Subsidiary Guarantor is bound;

(c) the Company has paid or caused to be paid all sums payable by it under the Senior Subordinated Indenture; and

(d) the Company has delivered irrevocable instructions to the Trustee under the Senior Subordinated Indenture to apply the deposited money toward the payment of such senior subordinated notes at maturity or the redemption date, as the case may be.

In addition, the Company must deliver an Officers Certificate and an opinion of counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Transfer and Exchange

A Holder may transfer or exchange senior subordinated notes in accordance with the Senior Subordinated Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Senior Subordinated Indenture. The Company is not required to transfer or exchange any senior subordinated note selected for redemption. Also, the Company is not required to transfer or exchange any senior subordinated note for a period of 15 days before a selection of senior subordinated notes to be redeemed.

The registered Holder of a senior subordinated note will be treated as the owner of the senior subordinated note for all purposes.

Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the Senior Subordinated Indenture, any related Guarantee and the senior subordinated notes issued thereunder may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the senior subordinated notes then outstanding and issued under the Senior Subordinated Indenture, including consents obtained in connection with a purchase of, or tender offer or exchange offer for, senior subordinated notes, and any existing Default or Event of Default or compliance with any provision of the Senior Subordinated Indenture or the senior subordinated notes issued thereunder may be waived with the consent of the Holders of a majority in principal amount of the then outstanding senior subordinated notes issued under the Senior Subordinated Indenture, including consents obtained in connection with a purchase of, or tender offer or exchange offer for, senior subordinated notes, in each case other than senior subordinated notes beneficially owned by the Company or its Affiliates.

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

- (1) reduce the principal amount of senior subordinated notes whose Holders must consent to an amendment, supplement or waiver,
- (2) reduce the principal of or change the fixed maturity of any such senior subordinated note or alter or waive the provisions with respect to the redemption of the senior subordinated notes (other than provisions relating to the covenants described above under Repurchase at the Option of Holders),

- (9) make any change in these amendment and waiver provisions or
- (10) impair the right of any Holder to receive payment of principal of, or interest on, such Holder's senior subordinated notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's senior subordinated notes.

Notwithstanding the foregoing, without the consent of any Holder, the Company, any Guarantor (with respect to a Guarantee or the Senior Subordinated Indenture to which it is a party) and the Trustee may amend or supplement the Senior Subordinated Indenture, any Guarantee or the senior subordinated notes:

- (1) to cure any ambiguity, omission, mistake, defect or inconsistency;

(11) to make any amendment to the provisions of the Senior Subordinated Indenture relating to the transfer and legending of senior subordinated notes; provided, however, that (a) compliance with the Senior Subordinated Indenture as so amended would not result in senior subordinated notes being transferred in violation of the Securities Act or any applicable securities law and (b) such amendment does not materially and adversely affect the rights of Holders to transfer senior subordinated notes.

The consent of the Holders is not necessary under the Senior Subordinated Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment.

BOOK-ENTRY, DELIVERY AND FORM

Capitalized terms set forth in this section without definition have the meanings given them elsewhere in this prospectus, including the section Description of Senior Subordinated Notes.

The senior subordinated notes are represented by one or more global notes in registered, global form without interest coupons (collectively, the Global Notes). The Global Notes were initially deposited upon issuance with the trustees as custodian for The Depository Trust Company (DTC), in New York, New York, and registered in the name of DTC or its nominee, in each case for credit to an account of a direct or indirect participant as described below.

Except as set forth below, the senior subordinated notes will be issued in registered, global form in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000.

Except as set forth below, the Global Notes may be transferred only to another nominee of DTC or to a successor of DTC or its nominee, in whole and not in part. Except in the limited circumstances described below, beneficial interests in Global Notes may not be exchanged for notes in certified form and owners of beneficial interests in Global Notes will not be entitled to receive physical delivery of notes in certified form. See Exchange of Global Notes for Certificated Notes. In addition, transfers of beneficial interests in the Global Notes will be subject to the applicable rules and procedures of DTC and its direct or indirect participants, which may change from time to time.

Depository Procedures

The following description of the operations and procedures of DTC is provided solely as a matter of convenience. These operations and procedures are solely within the control of the respective settlement systems and are subject to changes by them. We take no responsibility for these operations and procedures and urge investors to contact the system or their participants directly to discuss these matters.

DTC has advised the Company that DTC is a limited-purpose trust company organized under the laws of the State of New York, a banking organization within the meaning of the New York Banking Law, a member of the Federal Reserve System, a clearing corporation within the meaning of the Uniform Commercial Code and a clearing agency registered pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold securities for its participating organizations (collectively, the participants) and to facilitate the clearance and settlement of transactions in those securities between participants through electronic book-entry changes in accounts of its participants. The participants include securities brokers and dealers (including the initial purchasers), banks, trust companies, clearing corporations and certain other organizations. Access to DTC's system is also available to other entities such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly (collectively, the indirect participants). Persons who are not participants may beneficially own securities held by or on behalf of DTC only through the participants or the indirect participants. The ownership interests in, and transfers of ownership interests in, each security held by or on behalf of DTC are recorded on the records of the participants and indirect participants.

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

DTC has also advised the Company that, pursuant to procedures established by it:

- (1) upon deposit of the Global Notes, DTC will credit the accounts of designated participants with portions of the principal amount of the Global Notes; and
- (2) ownership of these interests in the Global Notes will be shown on, and the transfer of ownership of these interests will be effected only through, records maintained by DTC (with respect to the participants) or by the participants and the indirect participants (with respect to other owners of beneficial interests in the Global Notes).

Investors in the Global Notes who are participants in DTC's system may hold their interests therein directly through DTC. Investors in the Global Notes who are not participants may hold their interests therein indirectly

Table of Contents

through organizations (including Euroclear and Clearstream) that are participants in DTC. All interests in a Global Note will be subject to the procedures and requirements of DTC. The laws of some states require that certain Persons take physical delivery in definitive form of securities that they own. Consequently, the ability to transfer beneficial interests in a Global Note to such Persons will be limited to that extent. Because DTC can act only on behalf of participants, which in turn act on behalf of indirect participants, the ability of a Person having beneficial interests in a Global Note to pledge such interests to Persons that do not participate in the DTC system, or otherwise take actions in respect of such interests, may be affected by the lack of a physical certificate evidencing such interests.

Except as described below, owners of an interest in the Global Notes will not have notes registered in their names, will not receive physical delivery of definitive notes registered in certificated form (Certified Notes) and will not be considered the registered owners or holders thereof under the senior subordinated indenture for any purpose.

Payments in respect of the principal of, premium, interest and additional interest, if any, on a Global Note registered in the name of DTC or its nominee will be payable to DTC in its capacity as the registered holder under the senior subordinated indenture. Under the terms of the senior subordinated indenture, the Company and the trustee will treat the Persons in whose names the senior subordinated notes, including the Global Notes, are registered as the owners of the senior subordinated notes for the purpose of receiving payments and for all other purposes. Consequently, neither the Company nor the trustee nor any agent of the Company or the trustee has or will have any responsibility or liability for:

- (1) any aspect of DTC's records or any participant's or indirect participant's records relating to or payments made on account of beneficial ownership interests in the Global Notes or for maintaining, supervising or reviewing any of DTC's records or any participant's or indirect participant's records relating to the beneficial ownership interests in the Global Notes; or
- (2) any other matter relating to the actions and practices of DTC or any of its participants or indirect participants.

DTC has advised the Company that its current practice, upon receipt of any payment in respect of securities such as the senior subordinated notes (including principal and interest), is to credit the accounts of the relevant participants with the payment on the payment date unless DTC has reason to believe it will not receive payment on such payment date. Each relevant participant is credited with an amount proportionate to its beneficial ownership of an interest in the principal amount of the relevant security as shown on the records of DTC. Payments by the participants and the indirect participants to the beneficial owners of senior subordinated notes will be governed by standing instructions and customary practices and will be the responsibility of the participants or the indirect participants and will not be the responsibility of DTC, the trustee nor the Company. Neither the Company nor the trustee will be liable for any delay by DTC or any of its participants in identifying the beneficial owners of the senior subordinated notes, and the Company and the trustee may conclusively rely on and will be protected in relying on instructions from DTC or its nominee for all purposes.

Transfers between participants in DTC will be effected in accordance with DTC's procedures, and will be settled in same-day funds.

DTC has advised the Company that it will take any action permitted to be taken by a holder of the senior subordinated notes only at the direction of one or more participants to whose account DTC has credited the interests in the Global Notes and only in respect of such portion of the aggregate principal amount of the senior subordinated notes as to which such participant or participants has or have given such direction.

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

However, if there is an Event of Default under the senior subordinated notes, DTC reserves the right to exchange the applicable Global Notes for legended notes in certificated form, and to distribute those notes to its participants.

Although DTC has agreed to the foregoing procedures in order to facilitate transfers of interests in Global Notes among participants, it is under no obligation to perform those procedures, and may discontinue or change those procedures at any time. Neither the Company nor the trustee nor any of their respective agents will have any

responsibility for the performance by DTC or its participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

A Global Note is exchangeable for a certificated note (Certificated Notes) if:

- (1) DTC (A) notifies the Company that it is unwilling or unable to continue as depositary for the applicable Global Notes or (B) has ceased to be a clearing agency registered under the Exchange Act and, in each case, a successor depositary is not appointed;
- (2) the Company, at its option, notifies the trustee in writing that it elects to cause the issuance of the Certificated Notes; or
- (3) there has occurred and is continuing a Default with respect to the senior subordinated notes.

In addition, beneficial interests in a Global Note may be exchanged for Certificated Notes upon prior written notice given to the trustee by or on behalf of DTC in accordance with the Indenture. In all cases, Certificated Notes delivered in exchange for any Global Note or beneficial interests in a Global Note will be registered in the names, and issued in any approved denominations, requested by or on behalf of the depositary (in accordance with its customary procedures).

Same Day Settlement and Payment

The Company will make payments in respect of senior subordinated notes represented by Global Notes (including payments of principal, premium, if any, interest and additional interest by wire transfer of immediately available funds to the accounts specified by DTC or its nominee. The Company will make all payments of principal of and premium, if any, and interest on Certificated Notes by wire transfer of immediately available funds to the accounts specified by the holders of the Certificated Notes or, if no such account is specified, by mailing a check to each such holder's registered address. Because of time zone differences, the securities account of a Euroclear or Clearstream participant purchasing an interest in a Global Note from a participant will be credited, and any such crediting will be reported to the relevant Euroclear or Clearstream participant, during the securities settlement processing day (which must be a business day for Euroclear and Clearstream) immediately following the settlement date of DTC. DTC has advised the Company that cash received in Euroclear or Clearstream as a result of sales of interests in a Global Note by or through a Euroclear or Clearstream participant to a participant will be received with value on the settlement date of DTC but will be available in the relevant Euroclear or Clearstream cash account only as of the business day for Euroclear or Clearstream following DTC's settlement date. The Company expects that secondary trading in any Certificated Notes will also be settled in immediately available funds.

CERTAIN U.S. FEDERAL INCOME TAX CONSIDERATIONS

The following is a summary of certain U.S. federal income tax considerations that may be relevant to persons considering the purchase, ownership and disposition of senior subordinated notes. This summary is based on the Internal Revenue Code of 1986, as amended (the "Code"), administrative pronouncements of the Internal Revenue Service ("IRS"), judicial decisions and final, temporary and proposed Treasury regulations, in each case as of the date hereof, changes to any of which subsequent to the date of this document may affect the tax consequences described herein, possibly with retroactive effect. This summary deals only with senior subordinated notes that will be held as capital assets. It does not address tax considerations applicable to investors that may be subject to special tax rules, such as financial institutions, tax-exempt entities, insurance companies, regulated investment companies, holders subject to the federal alternative minimum tax, dealers in securities or currencies, traders in securities electing the mark to market method of accounting, persons that will hold senior subordinated notes as a position in a straddle or conversion transaction, or as part of a synthetic security or other integrated financial transaction, or U.S. Holders that have a functional currency other than the U.S. dollar.

This summary is included for general information only and may not be applicable depending on your particular situation. Persons considering the purchase of senior subordinated notes should consult their own tax advisors in determining the tax consequences to them of the purchase, ownership and disposition of senior subordinated notes, including the application to their particular situation of the U.S. federal income tax considerations discussed below, as well as the application of state, local, foreign or other tax laws. This summary does not address the tax consequences arising under any state, local or foreign law or under any applicable tax treaty or the possible effects of changes in federal or other tax laws. Furthermore, this summary addresses only U.S. federal income tax law and does not consider the effect of the U.S. federal estate, gift or other tax laws.

As used under this heading "Certain U.S. Federal Income Tax Considerations," the term "U.S. Holder" means a beneficial owner of a senior subordinated note that is for U.S. federal income tax purposes: (i) an individual citizen or resident of the U.S.; (ii) a U.S. domestic corporation (or other entity taxable as a corporation for U.S. federal income tax purposes); (iii) an estate, the income of which is subject to U.S. federal income taxation regardless of its source; or (iv) a trust if (A) a U.S. court is able to exercise primary supervision over the trust's administration and (B) one or more U.S. persons have the authority to control all of the trust's substantial decisions. As used under this heading "Certain U.S. Federal Income Tax Considerations," the term "Non-U.S. Holder" means a beneficial owner of a senior subordinated note that is neither a U.S. Holder nor a partnership or other entity treated as a partnership for U.S. federal income tax purposes.

If a partnership (including any entity treated as a partnership for U.S. federal income tax purposes) is a beneficial owner of a senior subordinated note, the tax treatment of a partner in the partnership will generally depend upon the status of the partner and the activities of the partnership. A beneficial owner that is a partnership and partners in such a partnership should consult their tax advisors about the U.S. federal income tax consequences of the purchase, ownership and disposition of senior subordinated notes.

Tax Consequences to U.S. Holders

Payments of Interest

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

Payments of interest on the senior subordinated notes will be taxable to a U.S. Holder as ordinary interest income at the time that such payments are accrued or are received (in accordance with the U.S. Holder's method of tax accounting).

Table of Contents

Premium and Market Discount

A U.S. Holder of a senior subordinated note that purchased such note at a cost greater than its stated principal amount will be considered to have purchased the senior subordinated note at a premium. A U.S. Holder may elect to amortize such premium (as an offset to interest accruing on such note for a given period), using a constant-yield method, over the remaining term of such note. Such election, once made, generally applies to all debt obligations held or subsequently acquired by the U.S. Holder on or after the first taxable year to which the election applies and may not be revoked without the consent of the IRS. A U.S. Holder that elects to amortize such premium must reduce its tax basis in a senior subordinated note by the amount of the premium amortized during its holding period. With respect to a U.S. Holder that does not elect to amortize bond premium, the amount of bond premium will remain in the U.S. Holder's tax basis when the senior subordinated note matures or is disposed of by the U.S. Holder. Therefore, a U.S. Holder that does not elect to amortize such premium and that holds the note to maturity generally will be required to treat the premium as capital loss when the senior subordinated note matures.

If a U.S. Holder of a senior subordinated note purchases such note at a price that is lower than its stated principal amount, by at least 0.25% of its stated principal amount multiplied by the number of remaining whole years to maturity, the senior subordinated note will be considered to have market discount in the hands of such U.S. Holder in an amount equal to the difference. In such case, gain realized by the U.S. Holder on the disposition of the senior subordinated note will generally be treated as ordinary income and classified as interest to the extent of the market discount that accrued on the senior subordinated note while held by such U.S. Holder. In addition, the U.S. Holder could be required to defer the deduction of a portion of the interest paid on any indebtedness incurred or maintained to purchase or carry the senior subordinated note until the market discount is included in the U.S. Holder's income. In general terms, market discount on a senior subordinated note will be treated as accruing ratably over the term of such note, or, at the election of the holder, under a constant yield method.

A U.S. Holder may elect to include market discount in income on a current basis as it accrues (on either a ratable or constant-yield basis) in lieu of treating a portion of any gain realized on a sale of a note as ordinary income. If a U.S. Holder elects to include market discount on a current basis, the interest deduction deferral rule described above will not apply, and the amount of market discount included in income will be added to the U.S. Holder's tax basis for the senior subordinated note. Any such election, if made, applies to all market discount bonds acquired by the U.S. Holder on or after the first day of the first taxable year to which such election applies and is revocable only with the consent of the IRS.

Sale, Redemption, Exchange or Other Taxable Disposition

A U.S. Holder's adjusted tax basis in a senior subordinated note generally will equal the cost of such note to such holder, increased by any market discount previously included in income by the U.S. Holder and decreased by any deductions previously allowed for amortizable bond premium on such note. Upon the sale, redemption, exchange or other taxable disposition of a senior subordinated note, a U.S. Holder generally will recognize gain or loss equal to the difference between (i) the proceeds received by the U.S. Holder in exchange for such note (less any accrued interest not previously included in income by such holder, which will be taxable as such) and (ii) the U.S. Holder's adjusted tax basis in the senior subordinated note. The proceeds received by a U.S. Holder will include the amount of any cash and the fair market value of any other property received for the senior subordinated note. Except as discussed above with respect to market discount, such gain or loss recognized by a U.S. Holder generally will be long-term capital gain or loss if the U.S. Holder has held the senior subordinated note for more than one year at the time of disposition. Under current law, long-term capital gains recognized by a U.S. Holder that is an individual generally are subject to tax at a reduced rate. The deductibility of capital losses is subject to limitations. Prospective investors should consult with their own tax advisors concerning the sale, redemption or other taxable disposition of the senior subordinated notes.

Information Reporting and Backup Withholding

Under current U.S. federal income tax law, information reporting requirements apply with respect to payments made to U.S. Holders of senior subordinated notes unless an exemption exists. Accordingly, the Company will generally be required to report annually to the IRS the amount of interest paid on a senior subordinated note for each calendar year. All individuals are subject to these requirements. In general, corporations, tax-exempt organizations and individual retirement accounts are exempt from these requirements.

In order to prevent such withholding, U.S. Holders may establish their exemption by supplying the Company or its withholding agent with a written statement (IRS Form W-9) certifying that the recipient is a U.S. person. U.S. Holders who are not exempt will be subject to U.S. federal backup withholding tax at the applicable rate in respect of such payments if they do not comply with applicable information reporting and certification requirements, including supplying their taxpayer identification numbers to the Company or its paying agent (usually via delivery of a completed and executed IRS Form W-9 to the Company or its withholding agent). U.S. federal backup withholding is not an additional tax. Any amount withheld from a payment to a U.S. Holder under the backup withholding rules generally will be allowed as a refund or a credit against such holder's U.S. federal income tax liability, provided the required information is furnished timely to the IRS.

Tax Consequences to Non-U.S. Holders

Payments of Interest

Interest paid or accrued on a senior subordinated note to a non-U.S. Holder will qualify for the portfolio interest exemption and will not be subject to U.S. federal income tax or withholding tax; provided that such interest income is not effectively connected with a U.S. trade or business of the non-U.S. Holder, and provided that the non-U.S. Holder:

- does not actually or by attribution own 10% or more of the combined voting power of all classes of the Company stock entitled to vote;
- is not a controlled foreign corporation for federal income tax purposes that is related to the Company actually or by attribution through stock ownership;
- is not a bank that acquired the senior subordinated note in consideration for an extension of credit made pursuant to a loan agreement entered into in the ordinary course of business; and
- either (a) provides the proper variant of Form W-8 (or a suitable substitute form) signed under penalties of perjury that includes the non-U.S. Holder's name and address, and certifies as to non-U.S. person status in compliance with applicable law and regulations; or (b) is a

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

securities clearing organization, bank or other financial institution that holds customers' securities in the ordinary course of its trade or business and provides a statement to the Company or its agent signed under penalties of perjury in which it certifies that such a Form W-8 (or a suitable substitute form) has been received by it from the non-U.S. Holder or qualifying intermediary and furnishes the Company or its agent with a copy. The Treasury regulations provide special certification rules for notes held by a foreign partnership and other intermediaries.

If such non-U.S. Holder cannot satisfy the above requirements, payments of interest made to the non-U.S. Holder will be subject to 30% (or other applicable rate) U.S. federal tax withholding unless (i) the interest is effectively connected with a U.S. trade or business of such non-U.S. Holder and such non-U.S. Holder satisfies the applicable certification requirements (as discussed below) or (ii) such non-U.S. Holder provides the Company or its agent with a properly executed variant of IRS Form W-8 claiming an exemption from (or reduction of) withholding under the benefit of a treaty.

Table of Contents

If interest on a senior subordinated note is effectively connected with a U.S. trade or business of a non-U.S. Holder and, if a tax treaty applies, is attributable to a U.S. permanent establishment or fixed base maintained by the non-U.S. Holder within the U.S., the non-U.S. Holder generally will not be subject to U.S. federal withholding tax if the non-U.S. Holder complies with applicable IRS certification requirements (i.e., by delivering a properly executed IRS Form W-8ECI) and generally will be subject to U.S. federal income tax on a net income basis at regular graduated rates generally in the same manner as if the non-U.S. Holder were a U.S. Holder. In the case of a non-U.S. Holder that is a corporation, such effectively connected income also may be subject to the additional branch profits tax at a 30% rate (or such lower rate as may be prescribed by an applicable tax treaty).

Sale, Redemption, Exchange or Other Taxable Disposition

Generally, any gain recognized by a non-U.S. Holder on the sale, exchange, redemption or other taxable disposition of a senior subordinated note (including market discount but not amounts attributable to accrued and unpaid interest, which will be taxable as such) will not be subject to U.S. federal income or withholding tax unless:

- the gain is effectively connected with the conduct of a U.S. trade or business of the non-U.S. Holder (and, if required by an applicable tax treaty, the gain is attributable to a permanent or fixed base establishment maintained in the U.S. by the non-U.S. Holder);
- the non-U.S. Holder is an individual who is present in the U.S. for 183 days or more during the taxable year of that disposition, and certain other conditions are met; or
- the non-U.S. Holder is subject to Code provisions applicable to certain U.S. expatriates.

A non-U.S. Holder should consult his or her tax advisor regarding the tax consequences of the disposition of senior subordinated notes.

Information Reporting and Backup Withholding

Non-U.S. Holders may be required to comply with certain certification procedures to establish that the holder is not a U.S. person in order to avoid information reporting and backup withholding with respect to payments on the notes or proceeds from the disposition of the notes.

Backup withholding is not an additional tax. Any amount withheld from a payment to you under the backup withholding rules generally will be allowed as a refund or a credit against your U.S. federal income tax liability, provided the required information is furnished timely to the IRS.

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

Non-U.S. Holders should consult their tax advisors regarding the application of information reporting and backup withholding in their particular situations, the availability of an exemption therefrom, and the procedures for obtaining such an exemption, if available.

The U.S. federal income tax summary set forth above is included for general information only and may not be applicable depending upon your particular situation. You should consult your own tax advisors with respect to the tax consequences to you of the purchase, ownership and disposition of the notes, including the tax consequences under state, local, foreign and other tax laws and the possible effects of changes in federal or other tax laws.

Item 14. Indemnification of Directors and Officers.

The following is a summary of the statutes, charter and bylaw provisions or other arrangements under which the Registrants' directors and officers are insured or indemnified against liability in their capacities as such. All of the directors and officers of the Registrants are covered by insurance policies maintained and held in effect by Neiman Marcus, Inc. against certain liabilities for actions taken in their capacities as such, including liabilities under the Securities Act.

Neiman Marcus, Inc., The Neiman Marcus Group, Inc., NM Financial Services, Inc., and BergdorfGoodman.com, LLC are organized under the laws of the State of Delaware. Section 145 of the General Corporation Law of the State of Delaware (the "Delaware Statute") provides that a Delaware corporation may indemnify any persons who are, or are threatened to be made, parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (a "proceeding"), other than an action by or in the right of such corporation, by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise (an "indemnified capacity"). The indemnity may include expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was illegal. Similar provisions apply to actions brought by or in the right of the corporation, except that no indemnification shall be made without judicial approval if the officer or director is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director has actually and reasonably incurred. Section 145 of the Delaware Statute further authorizes a corporation to purchase and maintain insurance on behalf of any indemnified person against any liability asserted against him and incurred by him in any indemnified capacity, or arising out of his status as such, regardless of whether the corporation would otherwise have the power to indemnify him under the Delaware Statute.

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

The amended and restated certificate of incorporation of Neiman Marcus, Inc. provides that the company shall, to the full extent permitted by the Delaware statute, indemnify all persons whom it may indemnify pursuant thereto. The certificates of incorporation and bylaws of NM Financial Services, Inc. also provide that officers, directors, employees and agents of these entities shall be indemnified to the extent permitted by Delaware law.

The bylaws of The Neiman Marcus Group, Inc. provide for indemnification of any director or officer to the fullest extent permitted by law, as long as he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the company and, with respect to any criminal action, had no reason to believe his or her conduct was unlawful. In addition, for actions by or in the right of the corporation, no indemnification shall be made where the director or officer has been adjudged to be liable to the company, unless

Table of Contents

and only to the extent that the court in which the action was brought determines that, despite the adjudication of liability, such person is fairly and reasonably entitled to indemnity. In all cases, unless indemnification is ordered by a court, determination that indemnification is properly authorized under the bylaws shall be made by the shareholders, or a majority vote of the directors not party to the action or of the members of a committee of the board not party to the action, or by independent legal counsel by written legal opinion. Finally, the bylaws also provide that the company may purchase or maintain insurance on behalf of a current or former director, officer, employee or agent against any liability asserted against him or incurred by him in any such capacity, whether or not the company would have the power or the obligation to indemnify him against such liability.

Under Section 18.108 of the Delaware Limited Liability Company Act, a limited liability company has the power to indemnify and hold harmless any member or manager or other person from and against all claims and demands whatsoever, subject to any restrictions set forth in its limited liability company agreement. The limited liability company agreement applicable to BergdorfGoodman.com, LLC, provides for the indemnification of owners, managers, officers, employees or other agents of the company to the fullest extent permitted by applicable law. In addition, it authorizes the managers, on behalf of the company, to enter into indemnity agreements from time to time with any person entitled to be indemnified by the company under these provisions, upon such terms and conditions as the managers deem appropriate in their business judgment. The agreement also provides that the company may purchase and maintain insurance on behalf of any person who is or was an agent of the company against any liability asserted against such person and incurred by such person in any such capacity, whether or not the company would have the power to indemnify such person against such liability under the agreement or under applicable law.

Bergdorf Goodman, Inc. and Bergdorf Graphics, Inc. are incorporated under the laws of the State of New York. Section 722 of the New York Business Corporation Law permits a New York corporation to indemnify its directors and officers in connection with actions or proceedings brought against them by a third party or in the right of the corporation, by reason of the fact that they were or are directors or officers of the corporation, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees actually and necessarily incurred as a result of such action or proceeding, or any appeal therein. Such indemnification shall only be authorized if such person acted in good faith and in a manner such person reasonably believed to be in, or not opposed to, the best interests of the corporation and, in criminal actions or proceedings (other than one by or in the right of the corporation), if such person had no reasonable cause to believe that his conduct was unlawful. Section 721 of the New York Business Corporation Law states that the indemnification provided for by Article 7 thereof shall not be deemed exclusive of any other rights to which a director or officer seeking indemnification or advancement of expenses may be entitled. The bylaws of Bergdorf Goodman, Inc. and Bergdorf Graphics, Inc. both provide for the indemnification of directors and officers to the full extent provided in the New York Business Corporation Law.

NEMA Beverage Corporation, NEMA Beverage Holding Corporation and NEMA Beverage Parent Corporation are incorporated under the laws of the State of Texas. Chapter 8 of the Texas Business Organizations Code (TBOC) authorizes indemnification of directors of Texas corporations, provided that the director to be indemnified conducted himself in good faith and reasonably believed that, in the case of conduct in his official capacity as a director or officer of the corporation, such conduct was in the corporation's best interests; and, in all other cases, that such conduct was at least not opposed to the corporation's best interests. If a director is found liable to the corporation or is found liable on the basis that personal benefit was improperly received by the person, the indemnification is limited to reasonable expenses actually incurred by the person in connection with the proceeding and shall not be made in respect of any proceeding in which the person shall have been found liable for willful or intentional misconduct in the performance of his duty to the corporation. In the case of a criminal proceeding, a director or officer may be indemnified only if he had no reasonable cause to believe his conduct was unlawful. If a director or officer is wholly successful, on the merits or otherwise, in connection with such a proceeding, such indemnification is mandatory. The TBOC further provides that a corporation may indemnify and advance expenses to an officer, employee or agent of the corporation, and to those who are not or were not officers, employees or agents but who are or were serving at the request of the corporation, to the same extent that it may indemnify and advance expenses to directors. Certificates of incorporation and bylaws of NEMA Beverage Corporation, NEMA Beverage Holding Corporation and NEMA Beverage Parent Corporation provide for the indemnification of their directors, officers, employees or agents to the maximum extent permitted by law, for and

Table of Contents

against all expenses, including, without limitation, attorney's fees, court costs, expert witness fees, judgment, decrees, fines, penalties and other expenses incurred by the person in connection with the proceeding.

Worth Avenue Leasing Company is incorporated under the laws of the State of Florida. Section 607.0850 of the Florida Business Corporation Act generally permits indemnification of directors, officers, employees and other agents of a corporation, provided such person acted in good faith and in a manner he reasonably believed to be in the corporation's best interests, did not derive an improper personal benefit from his action, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was illegal. Determination of whether this standard of conduct has been met is subject to specific procedures set forth in the statute, except that when the agent has been successful on the merits, indemnification for actual and reasonable expenses is mandatory. Section 607.0850 also provides that the indemnification provided for therein shall not be deemed exclusive of any other rights to which those seeking indemnification may otherwise be entitled.

NMGP, LLC is organized under the laws of the State of Virginia. Under Section 13.1-1009 of the Limited Liability Company Act, a limited liability company has the power to indemnify and hold harmless any member or manager or other person from and against any and all claims and demands whatsoever, subject to such standards and restrictions, if any, as are set forth in its articles of organization or an operating agreement. The operating agreement of NMGP, LLC authorizes the company to indemnify any owner, manager, officer, employee or other agent of the company to the fullest extent permitted by applicable law. Managers of NMGP, LLC are also authorized, on behalf of the company, to enter into indemnity agreements from time to time with any person entitled to be indemnified by the company hereunder, upon such terms and conditions as the managers deem appropriate in their business judgment. Finally, the company has the power to purchase and maintain insurance on behalf of any person who is or was an agent of the company against any liability asserted against such person and incurred by such person in any such capacity, whether or not the company would have the power to indemnify such person against such liability under the provisions of the operating agreement or under applicable law.

NM Nevada Trust is organized under the laws of the State of Massachusetts. The agreement and declaration of trust for NM Nevada Trust provides for the indemnification of trustees, officers, employees and agents, except with respect to any matter as to which such covered person shall have been finally adjudicated to be liable to the trust or its shareholders by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of such person's office. It also provides for advance payment for expenses incurred by a person covered by the indemnification provisions, and for indemnification of compromise payments or other payments made without adjudication, subject to certain conditions and restrictions. This right of indemnification is not exclusive of and does not affect any other right to which a person may be entitled, nor does it affect the power of the trust to purchase and maintain liability insurance on behalf of any such person, provided, however, that the trust shall not purchase or maintain any such liability insurance in contravention of applicable law.

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

Each of the undersigned registrants hereby undertakes as follows:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (A) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933.
 - (B) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the

Table of Contents

registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(C) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) that, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, if the registrants are subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use; and

(5) that, for the purpose of determining liability of the registrants under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrants undertake that in a primary offering of securities of the undersigned registrants pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrants will be sellers to the purchaser and will be considered to offer or sell such securities to such purchaser:

(A) Any preliminary prospectus or prospectus of the undersigned registrants relating to the offering required to be filed pursuant to Rule 424;

(B) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrants or used or referred to by the undersigned registrants;

Edgar Filing: NEIMAN MARCUS GROUP INC - Form POS AM

(C) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrants or their securities provided by or on behalf of the undersigned registrants; and

(D) Any other communication that is an offer in the offering made by the undersigned registrants to the purchaser.

(6) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
