Item 7.01. Regulation FD Disclosure.

AmerisourceBergen Corporation (the Registrant ) will hold its annual Investor Day Meeting in New York City on December 12, 2013 at 12:45 p.m. Eastern Standard Time.

In a news release, issued on December 12, 2013, the Registrant announced that it will reiterate its previous fiscal year 2014 earnings guidance at its Investor Day Meeting. The Registrant continues to expect adjusted diluted earnings per share from continuing operations for fiscal year 2014 to be in a range of \$3.60 to \$3.73, a 12 percent to 16 percent increase over the \$3.21 in fiscal 2013. Key assumptions supporting that range are: revenue growth in the range of 28 percent to 31 percent; operating income growth in the 12 percent to 16 percent range; operating margin decline in the high teens basis points range due to the on-boarding of significant new lower margin business; free cash flow in the range of \$500 to \$700 million, with capital expenditures in the \$300 million range; and approximately \$500 million in share repurchases, with the majority occurring in the second half of fiscal 2014, subject to market conditions.

Adjusted earnings per share from continuing operations exclude: LIFO charges and credits; warrant expense; acquisition-related expenses and intangibles amortization; special one-time employee severance, litigation, and other expenses; and gains from antitrust litigation settlements. In addition, the Registrant will calculate its adjusted earnings per share for each period using a diluted weighted average share count which will exclude the accounting dilution resulting from the impact of the unexercised equity warrants. In the fiscal year 2014 guidance above, the Registrant has adjusted fiscal year 2013 diluted earnings per share from continuing operations to be on the same basis as fiscal year 2014.

The news release issued on December 12, 2013 is furnished as Exhibit 99.1 to this report and the slides that the Registrant will present at the Investor Day Meeting are furnished as Exhibit 99.2 to this report. Exhibits 99.1 and 99.2 are incorporated herein by reference.
