Cautionary Language Concerning Forward Looking Statements

This communication contains certain statements that describe the Company's management's beliefs concerning the proposed merger involving Ultimate Parent and the Company and the Company's future business conditions, plans and prospects, growth opportunities and the outlook for the Company's business and the electric transmission industry based upon information currently available. Such statements are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Wherever possible, the Company has identified these forward-looking statements by words such as will, may, anticipates, believes, intends, estimates, expects, projects and similar phrases. Forward-looking statements are based upon assumptions the Company's management believes are reasonable. Such forward-looking statements are subject to risks and uncertainties which could cause the Company's actual results, performance and achievements to differ materially from those expressed in, or implied by, these statements, including, among other things, (a) the risks and uncertainties disclosed in the Company's annual report on Form 10-K and the Company's quarterly reports on Form 10-Q filed with the Securities and Exchange Commission (the SEC) from time to time and (b) the following transactional factors (in addition to others described elsewhere in this document and in subsequent filings with the SEC): (i) risks inherent in the contemplated merger, including: (A) failure to obtain approval by the Company's shareholders; (B) failure to obtain regulatory approvals necessary to consummate the merger or to obtain regulatory approvals on favorable terms; (C) delays in consummating the merger or the failure to consummate the merger; and (D) exceeding the expected costs of the merger; (ii) legislative and regulatory actions, and (iii) conditions of the capital markets during the periods covered by the forward-looking statements.

Because the Company's forward-looking statements are based on estimates and assumptions that are subject to significant business, economic and competitive uncertainties, many of which are beyond the Company's control or are subject to change, actual results could be materially different and any or all of the Company's forward-looking statements may turn out to be wrong. They speak only as of the date made and can be affected by assumptions the Company might make or by known or unknown risks and uncertainties. Many factors mentioned in this document and the exhibits hereto and in the Company's annual and quarterly reports will be important in determining future results. Consequently, the Company cannot assure you that the Company's expectations or forecasts expressed in such forward-looking statements will be achieved. Except as required by law, the Company undertakes no obligation to publicly update any of the Company's forward-looking or other statements, whether as a result of new information, future events, or otherwise.

Edgar Filing: ITC Holdings Corp. - Form 8-K

The merger is subject to certain conditions precedent, including regulatory approvals and approval of the Company's shareholders. The Company cannot provide any assurance that the proposed merger will be completed, nor can it give assurances as to the terms on which such merger will be consummated.
