Item 1.01 Entry into a Material Definitive Agreement.

Underwriting Agreement

On November 1, 2016, EQT Midstream Partners, LP (EQM) entered into an Underwriting Agreement (Underwriting Agreement) with Deutsche Bank Securities Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, and MUFG Securities Americas Inc., as representatives of the underwriters named therein (Underwriters), relating to the public offering (Offering) of \$500 million aggregate principal amount of EQM s 4.125% senior notes due 2026 (Notes) at a price to the public of 99.191% of the face amount of the Notes.

The Offering closed on November 4, 2016. Net proceeds from the Offering will be used to repay all of the outstanding borrowings under EQM s credit facility and for general partnership purposes.

The Offering was made pursuant to EQM s shelf registration statement on Form S-3 (File No. 333-212362), which became effective upon filing on June 30, 2016 (Registration Statement), and pursuant to the prospectus supplement dated November 1, 2016 (Prospectus Supplement), filed with the Securities and Exchange Commission (Commission) pursuant to Rule 424(b) of the Securities Act of 1933, as amended (Securities Act).

The Underwriting Agreement contains customary representations, warranties and agreements of EQM, and customary conditions to closing, obligations of the parties and termination provisions. EQM has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriters may be required to make because of any of those liabilities.

The Underwriting Agreement and the above descriptions have been included to provide investors and security holders with information regarding the terms of the Underwriting Agreement. They are not intended to provide any other factual information about EQM, its general partner or their respective subsidiaries or affiliates or equity holders. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of that agreement and as of specific dates; were solely for the benefit of the parties to the Underwriting Agreement; and may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made by each contracting party to the other as a way of allocating contractual risk between them that differ from those applicable to investors. Moreover, the subject matter of the representations and warranties are subject to more recent developments. Accordingly, investors should be aware that these representations, warranties and covenants or any description thereof alone may not describe the actual state of affairs of EQM, its general partner, or their respective subsidiaries, affiliates, businesses or equity holders as of the date they were made or at any other time.

The foregoing description of the Underwriting Agreement is not complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K and incorporated in this Item 1.01 by reference.

Indenture and Second Supplemental Indenture for 4.125% Senior Notes due 2026

The Notes were issued under an Indenture, dated as of August 1, 2014 (Base Indenture), by and among EQM, as issuer, certain subsidiaries of EQM and The Bank of New York Mellon Trust Company, N.A., as trustee (Trustee), as amended and supplemented by the Second Supplemental Indenture, dated as of November 4, 2016 (Second Supplemental Indenture), by and among EQM and the Trustee, setting forth the specific terms applicable to the Notes. The Base Indenture, as amended and supplemented by the Second Supplemental Indenture, is referred to herein as the Indenture. The Indenture contains covenants that limit EQM s ability to, among other things, incur certain liens securing indebtedness, engage in certain sale and leaseback transactions, and enter into certain consolidations, mergers, conveyances, transfers or leases of all or substantially all of EQM s assets.

The description of the Notes and the Indenture are described in the Prospectus Supplement and are incorporated herein by reference. The foregoing descriptions of the Base Indenture and the Second Supplemental Indenture are qualified in their entirety by reference to the full text of the Base Indenture and the Second Supplemental Indenture, copies of which are filed herewith as Exhibits 4.1 and 4.2, respectively, and are incorporated herein by reference.
