CAPITALIZATION

The table below sets forth our capitalization as of June 29, 2018:

- on an actual basis;
- on an as adjusted basis, assuming that the acquisition of Lime Energy is not completed and the conditions precedent to borrowing under the Delayed Draw Term Loan Facility are not satisfied, and giving effect to this offering, as if this offering had occurred on June 29, 2018; and
- on an as adjusted pro forma basis, assuming the acquisition of Lime Energy is completed, the conditions precedent to borrowing under the Delayed Draw Term Loan Facility are satisfied, and giving effect to this offering, as if each had occurred on June 29, 2018.

You should read this table together with *Use of Proceeds* appearing in the Preliminary Prospectus Supplement, the *Management's Discussion and Analysis of Financial Condition and Results of Operations* section and our consolidated financial statements and related notes included in our Annual Report on Form 10-K for the fiscal year ended December 29, 2017, in our Quarterly Report on Form 10-Q for the quarterly periods ended March 30, 2018 and June 29, 2018, and our Current Report on Form 8-K filed with the SEC on October 3, 2018, which are incorporated by reference into the Preliminary Prospectus Supplement and related prospectus.

(1) All amounts previously outstanding under the existing revolving credit facility were repaid subsequent to June 29, 2018.

(2) Assumes no amounts will be outstanding under the new revolving credit facility after giving effect to the acquisition of Lime Energy. We may borrow up to an aggregate of \$30.0 million under our new revolving credit facilities.

(3) The amount available for borrowing under the Delayed Draw Term Loan Facility will be reduced by the net proceeds from any equity offering completed by us prior to any borrowings under such facility but, in no event, will the amount available for borrowing be less than \$70.0 million. For purposes of the above table, we have assumed we will borrow \$70.0 million under the Delayed Draw Term Loan Facility after giving effect to the acquisition of Lime Energy.

SUMMARY UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION

The following tables present our summary unaudited pro forma condensed combined financial information as of and for the six months ended June 29, 2018 and for the fiscal year ended December 29, 2017. The unaudited pro forma condensed combined financial information for the six months ended June 29, 2018 gives effect to the acquisition of Lime Energy, this offering of our common stock and the use of proceeds therefrom and borrowings under the New Credit Facilities, assuming each had occurred on December 30, 2017. The unaudited pro forma condensed combined financial information for the fiscal year ended December 29, 2017 gives effect to the acquisition of Lime Energy, this offering of our common stock and the use of proceeds therefrom and borrowings under the New Credit Facilities, assuming each had occurred on December 31, 2016. The unaudited pro forma condensed combined balance sheet data as of June 29, 2018 gives effect to the acquisition of Lime Energy, this offering of our common stock and the use of proceeds therefrom and borrowings under the New Credit Facilities, assuming each had occurred on June 29, 2018.

The summary unaudited pro forma condensed combined financial information does not purport to be indicative of the financial position or results of operations that would have been reported had the acquisition of Lime Energy, this offering of our common stock and the use of proceeds therefrom and borrowings under the Credit Agreement actually been effected on the dates indicated, or at all, or which may be reported in the future. The summary unaudited pro forma condensed combined financial information does not reflect any revenue enhancements or cost savings from synergies that may be achieved with respect to the acquisition of Lime Energy, or the impact of non-recurring items directly related to the acquisition and the related debt financing. Although our management believes the assumptions used in preparing the summary unaudited pro forma condensed combined financial information were reasonable as of the date of this prospectus supplement, these assumptions may not prove to be correct. As a result, actual results could differ materially. The summary unaudited pro forma condensed combined financial information should be read together with our consolidated financial statements and the consolidated financial statements of Lime Energy and their respective accompanying notes included in our Current Report on Form 8-K filed with the SEC on October 3, 2018 along with our other documents incorporated by reference in the Preliminary Prospectus Supplement.

(a) Reflects reclassification from Subconsultant services and other direct costs and Other in General and administrative expenses to conform the presentation of Lime Energy's financial information to Willdan's presentation.

(b) Reflects reclassification to Salaries and wages under Direct costs of contract revenue to conform the presentation of Lime Energy's financial information to Willdan's presentation.

(c) Reflects reclassification from Other in General and administrative expenses to conform the presentation of Lime Energy's financial information to Willdan's presentation.

(d) Reflects \$3.0 million of amortization expenses attributable to intangible assets assumed to be acquired as part of the acquisition and reclassification of \$0.8 million from Other in General and administrative expenses to conform the presentation of Lime Energy's financial information to Willdan's presentation.

(e) Reflects reclassification to Salaries and wages under Direct costs of contract revenue, Salaries and wages under General and administrative expenses, Facilities and facilities related expenses, Stock-based compensation and Depreciation and amortization to conform the presentation of Lime Energy's financial information to Willdan's presentation.

(f) Reflects expected interest expense after repayment of the outstanding debt of Lime Energy in connection with the acquisition of Lime Energy and anticipated borrowings under the New Credit Facilities to finance the acquisition. Assumes Willdan will not borrow under the new revolving credit facility and will borrow \$70.0 million under the Delayed Draw Term Loan Facility. The interest expense for borrowings under the New Credit Facilities is based on an expected interest rate of 5.39%, which assumes LIBOR as of October 1, 2018, plus an applicable margin of 3.00% based on Willdan's expected consolidated leverage ratio after the acquisition of Lime Energy. Borrowings under the New Credit Facilities will bear interest at a rate equal to either, at Willdan's option, (i) the highest of the prime rate, the Federal Funds Rate plus 0.50% or one-month LIBOR plus 1.00% (Base Rate) or (ii) LIBOR, in each case plus an applicable margin ranging from 0.25% to 3.00% with respect to Base Rate borrowings or 1.25% to 4.00% with respect to LIBOR borrowings. The applicable margin will be based upon Willdan's consolidated total leverage ratio. A change of 12.5 basis points in the interest rate would change interest expense for the period shown by \$43,500.

(g) Represents elimination of gain from change in derivative liability from related party due to extinguishment of convertible debt held by a substantial stockholder of Lime Energy in connection with the acquisition.

(h) Represents the income tax impact of the pro forma adjustments based on the federal statutory rate of 28.0%.

(a) Reflects expected use of cash-on-hand, net of any cash proceeds received from expected borrowings under the New Credit Facilities, to fund the purchase price and transaction expenses related to the acquisition of Lime Energy and elimination of cash-on-hand from Lime Energy's balance sheet.

(b) Reflects the estimated amount of goodwill to be acquired at the date of the acquisition of Lime Energy. Goodwill represents the total excess of the total purchase price over the fair value of the net assets acquired. This allocation is

based on preliminary estimates; the final acquisition cost allocation may differ materially from the preliminary assessment outlined above. Any changes to the initial estimates of the fair value of the assets and liabilities will be allocated to goodwill. Residual goodwill at the date of the acquisition of Lime Energy will vary from goodwill presented in the unaudited pro forma condensed combined balance sheet due to changes in the net book value of intangible assets during the period from June 30, 2018 through the date of the acquisition of Lime Energy as well as results of an independent valuation, which has not been completed as of the date of this prospectus supplement.

- (c) Reflects the preliminary estimate of the fair value of the acquired intangible assets. The purchase price allocated to these intangible assets is based on management's estimate of the fair value of assets purchased, and has not been subject to an independent valuation as of the date of this prospectus supplement.
- (d) Reflects elimination of outstanding debt of Lime Energy prior to closing of the acquisition of Lime Energy.
- (e) Reflects expected borrowings under the New Credit Facilities in connection with the acquisition of Lime Energy and elimination of outstanding debt of Lime Energy prior to closing of the acquisition of Lime Energy. Assumes Willdan will not borrow under the new revolving credit facility and will borrow \$70.0 million under the Delayed Draw Term Loan Facility.
- (f) Represents the elimination of the historical owners' equity interest in Lime Energy.
- (g) Represents the elimination of the historical owners' equity interest in Lime Energy.
- (h) Represents the elimination of the retained earnings of Lime Energy.
