**LEXINGTON REALTY TRUST**

Introduction to Unaudited Pro Forma Condensed Consolidated Financial Statements

The following unaudited pro forma condensed consolidated balance sheet as of March 31, 2007, reflects the financial position of Lexington Realty Trust (the “Trust”) as if the acquisition of a 100% interest in twenty-six properties (the “Properties”) from Lexington Acquiport, LLC and Lexington Acquiport II, LLC had occurred on March 31, 2007. The unaudited pro forma condensed consolidated statement of operations for the year ended December 31, 2006 and the three months ended March 31, 2007, present the results of operations of the Trust as if the acquisition of the Properties had occurred on January 1, 2006.

These unaudited pro forma condensed consolidated financial statements should be read in connection with the financial statements of the Trust for the year ended December 31, 2006, included in the Trust’s Annual Report on Form 10-K.

These unaudited pro forma financial statements are not necessarily indicative of the expected results of operations of the Trust for any future period. Differences could result from, among other considerations, future changes in the Trust’s portfolio of investments, changes in interest rates, changes in the capital structure of the Trust, changes in property level operating expenses and changes in property level revenues.

Adjustments to Pro Forma Condensed Consolidated Statement of Operations

Edgar Filing: LEXINGTON REALTY TRUST - Form 8-K/A

The adjustments to the pro forma condensed consolidated statement of operations for the year ended December 31, 2006 are as follows:

(AA) Reflects the Trust's historical condensed consolidated statement of operations for the year ended December 31, 2006 and three months ended March 31, 2007.

(BB) Reflects the pro forma acquisition of the Properties as follows:

Increase in rental revenues reflects (i) the recalculation of straight-line rents and (ii) the amortization of above and below market leases on a straight-line basis over the remaining term of in-place leases.

---

Decrease in advisory fees reflects acquisition, financing and asset management fees related to Properties purchased from non-consolidated entities.

Increase in property operating expenses and tenant reimbursements reflect operating activities of the Properties.

(CC) Depreciation has been adjusted to reflect the Properties total capitalized cost depreciated on a straight line basis over the estimated economic useful life of the real estate. Amortization includes the pro forma effect of amortization of intangibles on a straight-line basis over the remaining term of the respective leases.

(DD) The pro forma adjustment to interest expense reflects additional interest expense as a result of mortgages assumed in the transaction and the \$225,000 term loan obtained to partially fund the acquisitions.

(EE) Represents the tax impact related to the reduction in advisory fees.

(FF) Represents the minority interest impact of the pro forma adjustments.

(GG) The pro forma adjustment to equity in earnings of non-consolidated entities reflects the net income statement impact of the Properties purchased from non-consolidated entities.
