PROXY STATEMENT

SOLICITATION OF PROXIES

This proxy statement is furnished by the Board of Directors of The Great Atlantic & Pacific Tea Company, Inc. (the "Company") for use at the Company's Annual Meeting of Stockholders to be held on July 13, 2004 (the "Annual Meeting"). It is expected that the solicitation of proxies will be primarily by mail. Proxies may also be solicited personally by regular employees of the Company, by telephone or by other means of communication at nominal cost. The Company will bear the cost of such solicitation. It will reimburse banks, brokers and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy material to beneficial owners of stock in accordance with the New York Stock Exchange ("NYSE") schedule of charges. This proxy statement is first being mailed to stockholders on or about May 28, 2004.

TREATMENT AND REVOCATION OF PROXIES

A stockholder may revoke a proxy at any time prior to its exercise at the Annual Meeting by giving notice in writing to the Secretary of the Company by July 5, 2004, by executing a later-dated proxy or by casting a ballot at the Annual Meeting in person. All shares represented by a properly executed proxy will be voted unless it is revoked and, if a choice is specified, in accordance with such specification. If no choice is specified, a proxy will be voted FOR the election of the nine (9) nominees named under "Election of Directors", FOR the approval of the 2004 Non-Employee Director Compensation Plan and AGAINST the one (1) stockholder proposal. There are no appraisal or dissenter's rights with respect to any matter to be voted on at the Annual Meeting. The Company will treat proxies marked as abstaining (including proxies containing broker non-votes) on any matter to be acted upon by stockholders, as present at the Annual Meeting for purposes of determining a quorum, but will not count such proxies as votes cast on such matters.

VOTING SECURITIES

Only stockholders of record at the close of business on May 21, 2004, will be entitled to vote at the Annual Meeting. As of May 21, 2004, there were outstanding 38,520,530 shares of the Company's \$1 par value common stock (the "Common Stock"), each of which is entitled to one vote.

ITEM 1 □ ELECTION OF DIRECTORS

Nine (9) directors will be elected to the Board of Directors of the Company ("Board of Directors" or "Board") at the Annual Meeting. The persons named as proxies in the accompanying proxy intend to vote, unless otherwise instructed, for the election to the Board of the persons named below. Each nominee is presently a member of the Board and, with the exception of Dr. Jens-Juergen Boeckel, was elected at the Company's annual meeting for the fiscal year ended February 22, 2003 ("Fiscal 2002"). In conjunction with the Board's acceptance of Mrs. Rosemarie Baumeister's resignation from the Board on April 29, 2004, the Board elected Dr. Boeckel as a director on April 29, 2004. Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than 10% of the Company's Common Stock, to file reports with the SEC regarding their ownership of such Common Stock. Based on a review of the reports and written certifications provided to the Company, the Company believes that during Fiscal 2003 all such reports were filed on a timely basis.

THE BOARD OF DIRECTORS OF THE COMPANY

GOVERNANCE OF THE COMPANY

The Board of Directors is responsible for the supervision of the overall affairs of the Company. The Board has adopted a Code of Business Conduct and Ethics that applies to all employees, officers and directors of the Company, and has established a set of Corporate Governance Guidelines, which set forth the policies and principles of the Board and the Company.

The Company's website, www.aptea.com, includes the Company's governance materials, including without limitation, the Corporate Governance Guidelines, the Code of Business Conduct and Ethics, information regarding the process by which stockholders can send communications to the Board and the Company's policy regarding the attendance of members of the Board at annual meetings.

BOARD MEETINGS AND COMMITTEES

During Fiscal 2003, the Board of Directors held eleven (11) meetings (four (4) by telephone) and committees thereof held twenty-one (21) meetings. With the exception of Dr. Boeckel, who became a director on April 29, 2004, each director attended at least 75% of the aggregate of (i) the total number of meetings of the Board and (ii) the total number of meetings held by all Committees of the Board on which such director served. Each Board meeting includes an executive session of the independent directors, which is chaired by a Lead Director. The independent directors elect the Lead Director each December for the following calendar year. The Lead Director for 2004 is Bobbie Gaunt. The Board has an Executive Committee, a Finance Committee, an Audit Committee, a Compensation Committee, a Governance Committee and an IT Oversight Committee. The Audit Committee, Compensation Committee, Governance Committee and IT Oversight Committee each have a written charter, which outlines the respective Committee's duties and responsibilities. The Committee charters are published in the Corporate Governance section of the Company's website, www.aptea.com. A copy of the Audit Committee charter is also attached as Appendix A to this proxy statement.

Because Tengelmann owns more than 50% of the Company's Common Stock, the Company qualifies as a "controlled company" under the NYSE listing standards. As a controlled company, the Company is exempt from the NYSE's requirement that it have a majority of independent directors and entirely independent compensation and nominating and corporate governance committees. As indicated below, with the exception of the Compensation Committee, which although not entirely independent does not include any management directors, the Company has voluntarily complied with the NYSE's independence requirements. Additionally, the Company has chosen to have the entirely independent Governance Committee, rather than the Compensation Committee, review and recommend changes to the CEO's compensation.

The Audit Committee, which held ten (10) meetings in Fiscal 2003 (five (5) by telephone), consists of Maureen Tart-Bezer, as Chair, Bobbie Gaunt, Dan Kourkoumelis and Richard Nolan. The Board has determined that each member of the Audit Committee is independent in accordance with the NYSE listing rules, the Company's Standards of Independence and Rule 10A-3 of the Exchange Act. In addition, the Board has determined that each member of the Audit Committee qualifies as an "audit committee financial expert," as defined by the SEC. The Audit Committee (i) reviews annual financial statements prior to submission to the Board and reports thereon, (ii) reviews quarterly results prior to release, (iii) at its discretion, examines and considers matters relating to the internal and external audit of the Company's accounts and financial affairs, (iv) recommends the employment of outside accountants, (v) determines the compensation of, and oversees, the outside accountants, and (vi) as appropriate, meets with Company personnel in the performance of its functions.

The Compensation Committee, which held five (5) meetings in Fiscal 2003, consists of Bobbie Gaunt, as Chair, John Barline and Edward Lewis. The Compensation Committee (i) except with respect to the Company's CEO, establishes and approves salaries and salary increases and benefits where the median base annual compensation for the salary level is at least \$200,000, (ii) recommends to the Board and interprets incentive plans, and (iii) serves as the committee to administer the employee stock option and long term incentive and share award plans.

The Governance Committee, which held four (4) meetings in Fiscal 2003, consists of Richard Nolan, as Chair, Bobbie Gaunt, Dan Kourkoumelis, Edward Lewis and Maureen Tart-Bezer. The Board has determined that each member of the Governance Committee is independent. The Committee's primary purpose is to (i) evaluate the performance of the members of the Board individually and as a group, (ii) review and recommend any changes to the CEO's compensation, (iii) recommend to the Board guidelines and policies for the corporate governance of the Company, (iv) oversee and recommend changes to the governance policies of the Company, examine the relationship between management and the Board and annually review the status of director compensation, and (v) act as a committee for the nomination of candidates for election to the Board.

The Governance Committee will consider director candidates suggested by members of the Board, as well as candidates suggested by management and by stockholders. To submit a recommendation for the Company's next annual meeting, to be held in July, 2005, please provide the prospective candidate's name, contact information, biographical data and qualifications, together with the prospective candidate's written consent to being named as a nominee and to serving on the Board if nominated and elected, to the Governance Committee, c/o The Great Atlantic & Pacific Tea Company, Inc., Office of the General Counsel, 2 Paragon Drive, Montvale, NJ, 07645, by February 1, 2005.

The Governance Committee screens all potential candidates in the same manner regardless of the source of the recommendation. For each candidate, the Governance Committee determines whether the candidate meets the Company's minimum qualifications and specific qualities and skills for directors, which are set forth in the Company's Corporate Governance Guidelines included on the Company's website, and evaluates the candidate's (i) character, judgment, personal and professional ethics, integrity, values and familiarity with national and international issues affecting business, (ii) depth of experience, skills and knowledge complementary to the Board and the Company's business, and (iii) willingness to devote sufficient time to carry out the duties and responsibilities of a Board member effectively. The Governance Committee also considers such other relevant factors as it deems appropriate.

BOARD OF DIRECTOR COMPENSATION

The Company does not pay directors who are also officers of the Company any additional compensation or benefits for serving on the Board. The Company pays non-employee directors an annual retainer of \$32,000, plus an attendance fee of \$1,000 for each Board meeting attended and \$1,000 for each Committee meeting attended if substantial time or effort is involved, plus expenses of attendance. If two (2) or more compensable meetings are held on the same day, the fee for the second meeting is limited to \$500. The Company pays the Chair of each Committee, except the Executive Committee Chair, an additional \$5,000 per year.

On April 28, 2004, the Board adopted the 2004 Non-Employee Director Compensation Plan (the "Plan"), which is summarized in detail in "Item 2 - Approval of the Company's 2004 Non-Employee Director Compensation Plan" beginning on page 19 of this proxy statement. The Plan shall replace both the 1994 Stock Option Plan for Non-Employee Directors and the Directors' Deferred Payment Plan.

Under the 1994 Stock Option Plan for Non-Employee Directors, the Company granted each non-employee director an initial stock option grant of 2,000 shares and an additional grant of 500 shares after each annual meeting. Under the Directors' Deferred Payment Plan, the Company annually contributed to the deferred payment accounts of directors with less than fifteen (15) years of service an amount equal to 75% of the then current retainer. The Company credited 50% of such deferred payments to a Common Stock equivalent account. The balance, the Company credited, as directed by the applicable director, to a 10-year U. S. Treasury bond equivalent account and/or to the director's Common Stock equivalent account. All previously issued stock option grants and all amounts currently in deferred payment accounts shall remain outstanding and shall vest or be paid out, in accordance with the applicable plan.

The Company is a party to employment agreements with each of Mr. Claus, Mr. Goldstein, Mr. Jueptner and Mr. Piwek (the "Employment Agreements") which provide for minimum base annual salaries of CN\$500,000, \$340,000, \$325,000 and \$500,000, respectively. The Employment Agreements for Mr. Claus, Mr. Goldstein, Mr. Jueptner and Mr. Piwek have initial termination dates of November 10, 2005, February 23, 2005, October 1, 2005 and November 10, 2005, respectively; provided, however, that each Employment Agreement provides for a rolling eighteen (18) month term commencing May 11, 2004 for Mr. Claus, August 24, 2004 for Mr. Goldstein, April 2, 2004 for Mr. Jueptner and May 11, 2004 for Mr. Piwek. The Employment Agreements also provide for participation in Company benefit programs (including bonus programs) and services, facilities and perquisites appropriate to their positions, including without limitation, the Executive Medical Plan.

Following termination other than for cause, permanent total disability, death or a resignation not for Good Reason and in the absence of a Change of Control (as such terms are defined in the Employment Agreements), each executive is entitled to receive continued insurance coverage for eighteen (18) months and a pro rata bonus for the year of termination. In addition, under the Employment Agreements, each executive is entitled to receive equal monthly payments of one-twelfth of annual base salary plus average bonus for a period of twenty-four (24) months, for Mr. Claus and Mr. Piwek, and for a period of eighteen (18) months, for Mr. Goldstein and Mr. Jueptner.

Under the Change of Control provisions of the Employment Agreements, the separation pay is increased to three (3) times the executive's final base salary plus the bonus amount and is payable in lump sum. Additionally, the insurance continuation is extended to three (3) years. These provisions apply to terminations without cause or resignations for Good Reason occurring within thirteen (13) months following a Change of Control and for any reason during the thirty (30) days beginning on the first anniversary of a Change of Control. The Employment Agreements also provide for gross-up payments to the executive in the event that any payment or distribution made, or benefit provided, to or for the benefit of the Employee is subject to an excise tax.

Option Tables

The following tables provide information with respect to stock options granted to the Named Executive Officers during Fiscal 2003 and the fiscal year-end value of options held by such officers.

Option Grants in Last Fiscal Year

<i>Name</i>	Number of Securities Underlying Options Granted (#)(1)	% of Total Options Granted to Employees in FY (2)	Exercise or Base Price (\$/Sh)	Expiration Date	Grant Date Present Value (\$)(3)
Christian W. E. Haub	□	□	□	□	□
Eric Claus	50,000	4.51	4.60	3/17/13	123,000
Brian C. Piwek	50,000	4.51	4.60	3/17/13	123,000

Peter Jueptner	75,000	6.77	4.60	3/17/13	184,500

(1) For Mr. Piwek and Mr. Claus, 50% of the options vest ratably over three (3) years beginning on the first anniversary of the grant date, provided pre-established financial goals for Fiscal 2003 are met. The remaining 50% vest ratably over three (3) years beginning on the second anniversary of the grant date, provided that pre-established financial goals for the fiscal year ending February 26, 2005 ("Fiscal 2004") are met. If the pre-established financial goals are not met, the respective options will be forfeited and cancelled. For Mr. Goldstein, 25% of the options vest ratably over three (3) years, beginning on the first anniversary of the grant date, provided that pre-established financial goals for Fiscal 2003 are met and 25% vest ratably over three (3) years, beginning on the second anniversary of the grant date, provided that pre-established goals for Fiscal 2004 are met. If the pre-established financial goals are not met, the respective options will be cancelled and forfeited. The remaining 50% of the options vest ratably over four (4) years beginning on the first anniversary of the grant date. For Mr. Jueptner, one-third of the options vest ratably over three (3) years beginning on the first anniversary of the grant date, provided pre-established financial goals for Fiscal 2003 are met. An additional one-third vest ratably over three (3) years beginning the second anniversary of the grant date, provided that pre-established financial goals for Fiscal 2004 are met. If the pre-established are not met, the respective options will be forfeited and cancelled. The remaining one-third vest ratably over four (4) years beginning on the first anniversary of the grant date. All options have a ten-year term.

(2) Based on total grants during Fiscal 2003 of 1,107,975.

(3) These values were calculated using the Black-Scholes option pricing model. The Black-Scholes model is a complicated mathematical formula which is widely used and accepted for valuing traded stock options. The model is premised on immediate exercisability and transferability of the options. This is not generally true for the Company's options granted to executive officers and other employees. Therefore, the values shown are purely theoretical and do not reflect the market value of the Company's stock at a future date. In addition to the stock prices at time of grants and exercise prices, which are identical, and the ten-year term of each option, the following assumptions were used to calculate the values shown for options granted during Fiscal 2003: expected dividend yield of 0.0; expected stock price volatility of 51%; risk-free rate of return of 2.71% to 4.01%; and a weighted average of seven (7) years from date of grant to date of exercise. If the Named Executive Officers realize the grant date values shown in the table, such values will be less than 1% of the total stockholder appreciation.

The table above indicates the amount of annual benefit payable to a person at age 65 in the specified final average remuneration and years-of-service classifications under the SERP, except that such benefits do not reflect the requisite reduction for any applicable Social Security, or other Company retirement benefits. SERP is an unfunded defined benefit final average pay plan that covers, among the Named Executive Officers, Mr. Claus and Mr. Piwek.

The compensation covered by SERP is base salary, the "Annual Salary" reflected in the Summary Compensation Table, computed as an average of such base salary over the highest compensated five (5) years of employment during the last ten (10) years. The benefit is computed at the rate of 3% for up to twenty (20) years of service with a maximum benefit of up to 60% of such average base salary. Estimated credited years of service at retirement for Mr. Claus and Mr. Piwek are nineteen (19) years and fifteen (15) years, respectively.

PERFORMANCE GRAPH

The following performance graph compares the five-year cumulative total stockholder return (assuming reinvestment of dividends) of the Company's Common Stock to the Standard & Poor's 500 Index and the UBS Warburg Dillon Read Index of Supermarkets, which consists of the Company, Albertson's, Inc., The Kroger Co., Safeway, Inc. and Winn-Dixie Stores, Inc., as its peer group. The performance graph assumes \$100 is invested in the Company's Common Stock, the Standard & Poor's 500 Index and the UBS Warburg Dillon Read Index on February 26, 1999, and that dividends paid during the period were reinvested to purchase additional shares.

REPORT OF THE COMPENSATION AND GOVERNANCE COMMITTEES

The Compensation Committee approves the compensation of all executive officers and other key employees and acts as the committee for the Company's stock option and long-term incentive plans. The Governance Committee approves the compensation of the CEO. The Compensation and Governance Committees operate pursuant to written charters which outline their respective duties and responsibilities.

Overview of Compensation Philosophy and Program

The Compensation Committee establishes the salaries and other compensation of the executive officers and other key employees of the Company, including, with the exception of the CEO, the Named Executive Officers. The Governance Committee is responsible for recommending and approving the compensation level of the CEO.

The Company's executive compensation program consists of salaries, annual incentives and long-term incentive compensation. It is designed to:

- for both the short and long-term, retain and motivate executive officers; compensate them competitively; and reward them for their contributions to the Company;
- link each executive officer's compensation to the performance of the Company and the leadership demonstrated by the individual executive; and
- recognize consistently the level of performance with the appropriate level of compensation.

Evaluation of Executive Officer Performance in Fiscal 2003

Although the Compensation Committee considers "performance against" both financial and non-financial objectives to establish executive compensation levels, it does not rely solely on predetermined formulae or a limited set of criteria when it evaluates the performance of the Company's executives. There are three (3) primary financial measures reviewed: sales; profitability; and cash flow. In addition to these three financial measurements, the Compensation Committee considers the executives' performance against the following:

- fortifying the Company's financial condition;
- halting the decline of the US operations;
- strengthening the profitable Canadian operations; and
- growing stockholder value through improving profitability, EPS growth and liquidity.

The Compensation Committee has concluded after a thorough review of the measurements that all of the short-term financial objectives were met.

Total Compensation

To establish target total compensation levels for the Company's executives, the Compensation Committee considers competitive market total compensation. The Company periodically examines competitors' pay practices to ensure that the Company's compensation policies continue to enable it to attract outstanding new people with critical skill sets, and motivate and retain current valuable employees. The total compensation package for each executive consists of three (3) components: salary; an annual incentive; and a long-term incentive □ a detailed discussion of each follows. The target salary and annual incentive levels are set at the median of the individual executive's competitive peer group.

The Compensation Committee intends to continue its practice of compensating executives based on performance against designated goals and strategies □ Pay for Performance □ consistent with compensation practices throughout the Company.

Salaries

The Compensation Committee considers several criteria in establishing salaries for the Company's executives, including the Named Executive Officers. Key factors affecting the Compensation Committee's judgment include the nature and scope of the executives' responsibilities, and their effectiveness in leading the Company's initiatives. The Compensation Committee also considers the compensation practices and performances of other major corporations that are most likely to compete with the Company for the services of executives. In addition, business unit performance is a factor used to determine the salaries of executives with responsibility for business units.

As a result of the overall Company performance during the previous year, the Named Executive Officers did not receive salary increases in Fiscal 2003.

Annual Incentive

The Company's Annual Incentive Plan provided target annual incentive awards for Fiscal 2003 contingent upon the attainment of the following performance goals: sales; profitability; cash flow; and the executive's individual performance objectives. With respect to Corporate Staff executives, 20% of the incentive was based on the attainment of a net income goal, 30% on a free cash flow goal and 50% on achieving individual performance goals. With respect to operating unit executives, 20% of the incentive was based on the attainment of sales goals, 20% on the attainment of operating income goals, 35% on the attainment of operating cash flow goals and 25% on achieving individual performance goals.

Long Term Incentive

The Company's 1994 Stock Option Plan authorized grants through March 17, 2004 of up to 1,500,000 shares for stock options and tandem or independent Stock Appreciation Rights ("SARs"). The 1998 Long Term Incentive Plan and Share Award Plan authorizes grants through July 13, 2008 of up to 5,000,000 shares for stock options, SARs, restricted stock and other stock based awards.

In Fiscal 2003, as part of its effort to motivate and retain key talent for turning around the Company's business results, the Board awarded performance based stock options to key employees of the Company. These awards are contingent upon the attainment of pre-established financial goals for Fiscal 2003 and Fiscal 2004, respectively, all of which have to be achieved in order for vesting to occur - "earn it or lose it". The financial measures are sales, free cash flow and Earnings Before Income Tax, Depreciation and Amortization (EBITDA). The goals established for Fiscal 2003 were met.

Stock options granted to the Named Executives Officers who are responsible for business units were all performance based. The CEO did not receive a stock option grant in Fiscal 2003.

Discussion of Fiscal 2003 Compensation for the Chief Executive Officer

The Governance Committee, which is composed entirely of independent directors, is responsible for the compensation level of the CEO. In Fiscal 2003, the CEO did not receive a salary increase. The CEO's salary remains at the \$752,000 annual rate that became effective October 1, 2001, with an annual performance incentive target of \$413,600. For Fiscal 2003, based on performance against pre-established financial and individual performance objectives, the CEO would have earned \$587,312 in incentive payments, 142% of target. It is the opinion of the Board, given the overall financial results for Fiscal 2003, that the CEO be paid target incentive of \$413,600, notwithstanding the better than target performance.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code, enacted in 1993, subject to certain exceptions, disallows a tax deduction to public companies for compensation over \$1,000,000 paid to the CEO and the four (4) other most highly compensated executives at fiscal year end. The exceptions to the \$1,000,000 deduction limit include compensation paid under preexisting employment agreements and performance-based compensation meeting certain requirements. The Company's 1994 Stock Option Plan and the 1998 Long Term Incentive and Share Award Plan have been tailored to comply with the provisions of Section 162(m) so that amounts received upon the exercise of options and SARs thereunder should be exempt from Section 162(m) limitations.

As a matter of practice, the Compensation Committee intends to set performance-based goals annually under the Company's variable compensation plans and to deduct compensation paid under these plans to the extent consistent with the provisions of Section 162(m). However, if complying with Section 162(m) conflicts with what the Compensation Committee believes is in the best interest of the Company and its stockholders, the Committee may conclude that paying non-deductible compensation is more consistent with the stockholders' best interests.

AUDIT COMMITTEE

Report of the Audit Committee

The Audit Committee has reviewed and discussed the Company's audited financial statements for Fiscal 2003 and the performance and fees of PricewaterhouseCoopers LLP ("PwC"), the Company's independent auditors, with management. The Audit Committee has also met and discussed with PwC the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU 380), as may be modified or supplemented, relating to the conduct of the audit. The Audit Committee has received the written disclosures and the letter from PwC required by Independence Standards Board No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committee), as may be modified or supplemented, and has discussed with PwC, its independence. Lastly, the Audit Committee has met with the internal auditors to assure that PwC, management and the internal auditors were carrying out their respective responsibilities. Both PwC and the internal auditors have full access to the Audit Committee, including regular meetings without management present. Based on the review of the audited financial statements and the discussions and review with the independent public accountants mentioned above, the Audit Committee recommended to the Board that the audited financial statements for Fiscal 2003 be included in the Company's Annual Report on Form 10-K for Fiscal 2003.

INDEPENDENT PUBLIC ACCOUNTANTS

Change in Independent Public Accountants

As previously disclosed by the Company in its current report on Form 8-K filed with the SEC on September 18, 2002, the Board of Directors, upon the recommendation of its Audit Committee, on September 11, 2002 authorized and approved the appointment of PwC to serve as the Company's independent public accountants for Fiscal 2002, replacing Deloitte & Touche LLP ("D&T").

D&T's report on the Company's consolidated financial statements for Fiscal 2001 neither contained an adverse opinion or disclaimer of opinion, nor was qualified or modified as to uncertainty, audit scope or accounting principles. During Fiscal 2001, and the period from February 24, 2002 through September 11, 2002, there were no disagreements with D&T on any matter of accounting principle or practice, financial statement disclosure or auditing scope or procedure which, if not resolved to D&T's satisfaction, would have caused them to make reference to the subject matter in connection with their report on the Company's consolidated financial statements for Fiscal 2001.

On September 10, 2002, D&T orally informed management of the Company that a reportable condition existed with respect to the Company's internal controls relating to the timing of the recognition of certain vendor allowances, and on September 12, 2002, D&T informed management that on August 21, 2002 it had informed the Chair of the Audit Committee of the same reportable condition. A reportable condition is defined under Generally Accepted Auditing Standards as a "matter coming to an auditor's attention that represents significant deficiencies in the design or operation of internal controls that could adversely affect the entity's ability to initiate, record, process and report financial data consistent with the assertions of management in the financial statements". The Company had previously disclosed that it conducted a review that related in part to certain irregularities relating to the timing of recognition of vendor allowances. Such review considered internal control matters relating to vendor allowance accounting. The Company's restatement of its audited financial statements for the fiscal year ended February 26, 2000 and Fiscal 2000, and supplementary unaudited financial information for the first, second and third quarters of Fiscal 2001, as included in its annual report on Form 10-K for Fiscal 2001, resulted in part from that review. The Company has authorized D&T to respond fully to inquiries of PwC concerning such reportable condition.

The Company provided D&T with a copy of these disclosures and D&T provided the Company with a letter addressed to the SEC dated September 18, 2002, stating its agreement with such statements. A copy of D&T's September 18, 2002 letter was filed as an exhibit to the Company's current report on Form 8-K dated September 18, 2002, reporting the change in certifying accountant. On September 24, 2002, the Company filed a Form 8-K/A, amending its Form 8-K filed on September 18, 2002. The Form 8-K/A was comprised solely of a revised letter from D&T to the Company, which broadened the breadth of D&T's concurrence with certain statements made by the Company in its Form 8-K filed on September 18, 2002.

During Fiscal 2001 and the period from February 24, 2002 through September 11, 2002, the Company did not consult PwC with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

The Board of Directors, upon the Audit Committee's recommendation, has reappointed PwC, independent auditors, as the Company's independent auditors for Fiscal 2004. One or more representative(s) of PwC will be present at the Annual Meeting, will be given an opportunity to make a statement and will be available to respond to questions.

Fees and Services

The following table presents aggregate fees billed to the Company by PwC for professional services rendered for Fiscal 2003 and Fiscal 2002.

	<u>2003</u>	<u>2002</u>
Audit Fees ⁽¹⁾	\$ 1,200,000	\$ 1,289,000
Audit-Related Fees ⁽²⁾	663,000	181,000
Tax Fees ⁽³⁾	205,000	77,000
Other ⁽⁴⁾	31,000	
	<u> </u>	<u> </u>
Total Fees	<u>\$ 2,099,000</u>	<u>\$ 1,547,000</u>

- (1) Audit Fees represent fees for professional services provided in connection with the audit of the Company's consolidated annual financial statements and review of the quarterly financial statements, and audit services in connection with statutory or regulatory filings, consents or other SEC matters.
- (2) Audit-Related Fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements and are not reported under "Audit Fees." In Fiscal 2003, this category consisted primarily of services related to employee benefit plan audits and the stand alone audit of the Eight O'Clock Coffee business. In Fiscal 2002, this category consisted primarily of services related to employee benefit plan audits and audits for German GAAP purposes.
- (3) Tax Fees consist of fees billed for professional services rendered for tax consulting services.
- (4) Other Fees consist of fees for products and services other than those reported above. In Fiscal 2003, Other Fees consisted of consulting services relating to swap arrangements and real estate properties.

Pre-Approval Process and Policy

Our Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent auditors. Our Audit Committee pre-approved all such audit and non-audit services provided by the independent auditors in Fiscal 2003. These services have included audit services, audit-related services, tax services and other services.

Relationship with Independent Auditors

As part of its duties, the Audit Committee also considered and determined that the provision of services, other than audit services, during Fiscal 2003 by PwC is compatible with maintaining the independence of PwC.

ITEM 2 □ APPROVAL OF THE COMPANY'S 2004 NON-EMPLOYEE DIRECTOR COMPENSATION PLAN

The Board adopted the 2004 Non-Employee Director Compensation Plan (the "Plan") on April 28, 2004, which, subject to the stockholder approval solicited by this Proxy Statement, will become effective as of July 14, 2004.

The Plan provides for the payment of a portion of each non-employee director's fees in cash and a portion in shares of Common Stock. The cash payment amounts are the same as the amounts that the Company disclosed in its proxy statement for the Annual Meeting of Stockholders for Fiscal 2002. The Board, however, has decided to increase the equity compensation. The Board has also decided to afford each non-employee director with the opportunity to defer all or any portion of such director's Cash and Equity Compensation (as those terms are hereinafter defined) to the extent desired. Lastly, the Board has established the requirement that each director hold \$150,000 of Common Stock within a reasonable amount of time after becoming a director.

The Board believes that stock ownership will further align the interests of non-employee directors with the Company's stockholders, thereby promoting the long-term profits and growth of the Company, and that the Plan will provide the incentive benefits inherent in increased ownership of Common Stock of the Company. The following is a general description of the material features of the Plan, which is qualified in its entirety by reference to the actual Plan, a copy of which is attached hereto as Appendix B.

Eligibility. All non-employee directors of the Company, of which there are currently eight, may participate in the Plan.

Plan Year. The Plan year shall be defined as each twelve month period beginning with the date of the Annual Meeting of Stockholders and ending the day prior to the following Annual Meeting of Stockholders.

Administration/Duration. The Plan shall be administered by the Compensation Committee of the Board. It shall remain in effect until terminated by the Board.

Description of Benefits under the Plan. As compensation for his or her service on the Company's Board, the Company shall pay each non-employee director the cash amounts indicated in "Board of Director Compensation" on page 9 of this proxy statement, which amounts, as indicated above, are the same as the amounts stated in last year's proxy statement ("Cash Compensation"). The Board may change the cash contribution amounts from time to time.

In addition, each non-employee director shall receive, on the first business day after each Annual Meeting of Stockholders, that number of shares of Common Stock equal to (x) \$45,000, divided by (y) the closing price of the Company's Common Stock on the NYSE, as reported in the Wall Street Journal on the date of grant (the "Equity Compensation").

Prior to the last day of each Plan year, each director may elect to defer receipt of all or a percentage of his or her Cash Compensation and/or Equity Compensation for the subsequent Plan year. Any deferral election shall specify (a) the percentage of the total Cash Compensation (retainers and fees) and/or, (b) the percentage of the Equity Compensation that the director wishes to defer.

The Company shall defer Cash Compensation to an unfunded interest bearing US Treasury bond equivalent account or a Deferred Stock Unit ("DSU") account, as directed by the applicable director, on a monthly basis. The Company shall defer Equity Compensation to a DSU account on the first business day following the Annual Meeting of Stockholders. For both Cash and Equity Compensation deferred to a DSU, only whole units will be credited; any remaining amounts will be carried in a cash sub-account until the balance therein is sufficient to purchase additional whole units. The Company will credit DSU cash sub-accounts with any dividends paid, but will not pay interest on monies held in any DSU cash sub-account.

The exact Cash and Equity Compensation that the Company will award to non-employee directors under this Plan is not determinable prior to the completion of the applicable plan year. Such amounts will depend on the number of Board and committee meetings held and attended and the value of the Company's Common Stock on the date of grant. Each non-employee director shall always be fully vested in his or her deferral account. The Company's obligation to pay benefits under the Plan represents an unfunded, unsecured obligation of the Company and no non-employee director will have any secured interest or claim in any assets or property of the Company.

Distribution of Deferred Compensation. As soon as practicable following a director's termination from the Board, other than as a result of death or disability, the Company shall pay all amounts due to such director, in cash and stock as per his or her prior deferrals. In the event that a director's service terminates as a result of death or disability, the director or the director's beneficiary(s), if applicable, may elect to have any balance, on the date of the director's death or disability, in such director's U.S. Treasury bond account or DSU account converted to shares of Common Stock or to cash and paid out in a lump sum. In the event of a director's death subsequent to termination of his or her Board service, but prior to receiving all entitled distributions under the Plan, the director's beneficiary(s) may elect to have any balance in the applicable director's U.S. Treasury bond account or DSU account converted to shares of Common Stock or to cash and paid out in a lump sum.

Amendment and Termination. The Board may amend, suspend or terminate the Plan at any time, provided that the Board shall take no action that would alter or impair rights previously granted under the Plan without the consent of the affected non-employee director(s).

Federal Income Tax Consequences. The following description of the U.S. federal income tax consequences of payments and/or deferrals under the Plan is a general summary. This description is intended for the information of stockholders considering how to vote at the Annual Meeting and not as tax guidance to non-employee directors who participate in the Plan.

A payment under the Plan will constitute compensation taxable as ordinary income to the participant to the extent it is paid in cash or in an immediately available equity based distribution. Generally, the Company will be entitled to a corresponding tax deduction.

Generally, a participant under the Plan who elects in advance of the Plan year to defer a portion of his or her compensation shall not be taxed on such deferrals. Amounts distributed to the participant, or his or her beneficiary in the event of death, will be taxable to the recipient as ordinary income in the year of distribution. The Company will generally be entitled to a corresponding tax deduction in the year of distribution.

The Board has unanimously approved the 2004 Non-Employee Director Compensation Plan and recommends that you vote FOR its approval. Unless directed otherwise, the persons named in the enclosed form of proxy have indicated they intend to vote FOR the approval of the Plan.

ITEM 3 STOCKHOLDER PROPOSAL

The stockholder proposal has been reproduced below verbatim. The Company has not corrected typographical, spelling or grammatical errors, if any.

Mrs. Evelyn Y. Davis, 2600 Virginia Avenue, N.W. Suite 215, Washington, D.C. 20037, beneficial owner of 800 shares of Common Stock, has notified the Company of her intention to propose the following resolution at the Annual Meeting:

“Resolved: That the stockholders of Great A&P recommend that the Board of Directors take the necessary steps to rotate the annual meeting between Major cities such as New York, Philadelphia, Richmond, Boston, Baltimore, Richmond, and other large cities where the Company either does business(and or has a large concentration of shareholders).

During 2002 the Company met on Nantucket Island, Mass., which is very difficult to reach; during 2003 it met in CANADA on Thunder Bay, Ontario, a distant location. The Board of Directors and management have access to Corporate Jets and can reach those difficult to reach locations easily, but not individual shareholders.

The continuation of meetings in out of the way locations (Rehoboth Beach Delaware in 2001) MAY give the impression that the Company does NOT wish shareholders to attend and ask questions pertaining to the changing of accountants, merchandising policies and other pertinent queries.

Recent corporate scandals and the GLOBAL SETTLEMENT make maximum attendance by outside independent shareholders most important at many major corporations. Xerox, IBM, Verizon, A.T.T.Saks Inc. and The Great A&P should do the same.

Last year the owners of 1,666,250 representing 4% of shares voting, voted FOR this proposal.

If you agree, please mark your proxy for this resolution.”

The Board, having considered this stockholder proposal, believes that it is not in the best interests of the Company's stockholders and accordingly, recommends that you vote AGAINST the proposal for the following reasons:

The Company's by-laws provide that the annual meeting of stockholders shall be held at such date, time and place between the thirtieth day of June and the thirty-first day of July as fixed by the Board. The Board believes that it should retain the flexibility provided by the by-laws to determine the place of the annual meeting. In general, the Board seeks to rotate the place of the annual meeting between the various locations in which the Company has stores, and specifically, those locations where the Company either has a large cluster of stores or has a few prominent and valuable stores. The Company encourages all stockholders to attend the annual meeting in person. In addition, by holding the meeting in a location that also has the Company's assets, representatives of the Company and the stockholders are able to both attend the annual meeting and visit the stores at the same time. Due to the number of stockholders it is inevitable that any place selected will be convenient for some stockholders and pose a conflict for others. The Board believes, however, that the flexibility provided by the by-laws serves the best interests of the Company and its stockholders, and that the Company should not be limited to specific annual meeting places such as those specified in the proposal.

The Board believes that this stockholder proposal, if adopted, would impede the Board's ability to exercise its business judgment. The persons named in the enclosed form of proxy have indicated they intend to vote AGAINST this proposal unless directed otherwise. **For the reasons indicated above, the Board recommends a vote AGAINST this stockholder proposal.**

STOCKHOLDER PROPOSALS

The Company will consider including a stockholder's proposal in the proxy statement and form of proxy for the Annual Meeting of Stockholders for Fiscal 2004 if it receives such proposal at the principal office of the Company no later than January 25, 2005. In order for a proposal submitted outside of Rule 14a-8 of the Exchange Act to be considered "timely" within the meaning of Rule 14a-14(c), such proposal must be received by April 9, 2005.

OTHER MATTERS

No business other than that set forth in the attached Notice of Annual Meeting is expected to come before the Annual Meeting. However, should any other matters requiring a vote of stockholders arise, including the question of adjourning the Annual Meeting, the persons named in the accompanying proxy will vote thereon according to their best judgment in the interest of the Company. In the event that any of the above-named nominees for the office of director shall withdraw or otherwise become unavailable, the persons named as proxies may vote for other persons in their place in the best interest of the Company.

By Order of the Board of Directors

WILLIAM P. COSTANTINI

Senior Vice President, General Counsel
& Secretary

Dated: May 27, 2004

Each person solicited by this proxy statement, including any person who on May 21, 2004 is a beneficial owner of the Company's Common Stock, may request a copy of the Company's Annual Report on Form 10-K for the last fiscal year.

Such written requests should be directed to the Secretary of the Company at its address aforesaid.

APPENDIX B

2004 NON-EMPLOYEE DIRECTOR COMPENSATION PLAN

THE GREAT ATLANTIC & PACIFIC TEA COMPANY, INC.

2004 NON-EMPLOYEE DIRECTOR COMPENSATION PLAN (the "Plan")
(Effective July 14, 2004)

I. Non-Employee Director Compensation

A. Establishment of Annual Compensation

Effective July 14, 2004, compensation amounts payable to Non-Employee Directors (["Directors"]) of The Great Atlantic & Pacific Tea Company, Inc. (the ["Company"]) shall be established from time-to-time by the Board of Directors. Initially, such compensation shall take the form of a \$32,000 annual retainer, plus a \$1,000 attendance fee for each Board of Directors meeting attended and a \$1,000 attendance fee for each Committee meeting attended, if substantial time or effort is involved. If two or more compensable meetings are held on the same day, the fee for all such additional meetings shall be limited to \$500. The Company shall also pay the Chair of each Committee, except the Executive Committee Chair, an additional annual fee of \$5,000. In addition, an annual grant of Company common stock equivalent to \$45,000 shall be made to Directors. The amount of all Annual Compensation will be reported annually in the Proxy Statement.

B. Payment of Cash Compensation

1. Annual cash retainers and non-meeting fees shall be payable in monthly installments, with each installment payable as promptly as practicable following the last business day of the calendar month to which they apply. Such payments shall be pro-rated if Board service commences or terminates during a calendar year. Meeting fees shall be payable as promptly as practicable following the last business day of the calendar month to which they are earned.

C. Grants of Common Stock

1. The \$45,000 grant of common stock shall be made on the first business day following the Annual Meeting of Stockholders.
2. The number of shares of the Company's \$1.00 common stock (the "Common Stock") granted annually to each non-employee Director will be based on the closing price of the Common Stock on the New York Stock Exchange ("NYSE"), as reported in the Wall Street Journal ("WSJ") on the date of grant. Only whole shares will be granted; any remaining amounts will be paid in cash as promptly as practicable following the date of grant.

II. Deferral of Compensation

A. Deferral Elections

1. Prior to the last day of each Plan year (the "last day of each Plan year" being defined as the day prior to the Annual Meeting of Stockholders), each Director shall be permitted to make an irrevocable deferral election for the subsequent Plan year. Such deferral election shall specify (a) the percentage of the total cash compensation (retainers and fees); and/or, (b) the percentage of the \$45,000 allocated for the grant of the Common Stock that the Director wishes to defer.

B. Deferral Media

1. At the Director's election, deferrals of cash compensation (retainers and fees) may be credited to an unfunded interest bearing 10-year U.S. Treasury bond equivalent account or may be credited to a Deferred Stock Unit ("DSU") account established for this purpose.

2. Deferral of amounts allocated for grants of Company common stock shall be credited to a DSU account established for this purpose.

C. Administration of Deferral Accounts

1. Deferrals of cash compensation will be credited to a U.S. Treasury bond equivalent account and/or a DSU account, as per the Director's election, on a monthly basis. The number of DSUs credited to a DSU account each month will be based on the closing price of the Common Stock on the NYSE, as reported in the WSJ, on the first business day of that month. Only whole units will be credited; any remaining amounts will be carried in a cash sub-account until the balance therein is sufficient to buy one or more additional DSUs.

2. The number of DSUs credited to a Director's DSU account each year with respect to deferrals of amounts allocated for the annual grant of the Common Stock will be based on the closing price of the Common Stock on the NYSE, as reported in the WSJ, on the first business day following the Annual Meeting of Stockholders. Only whole units will be credited; any remaining amounts will be carried in a cash sub-account until the balance is sufficient to buy one or more additional DSUs.

3. DSU cash sub-accounts will be credited with any dividends paid. Any amounts in such DSU sub accounts will be used, when sufficient, to purchase additional whole units. Any amounts not sufficient to buy a whole unit will remain in the cash sub-account.

4. Interest will not be paid on monies held in any cash sub account.

5. If, as a result of a recapitalization of the Company, including any stock splits or dividends, the Company's Common Stock shall be changed into a greater or smaller number of shares, the number of DSUs credited to a Director's DSU account shall be appropriately adjusted on the same basis.

III. Distribution of Deferred Compensation

A. Vesting

Directors shall always be fully vested in their deferral accounts.

B. Distributions from U.S. Treasury bond equivalent accounts

The value of a U.S. Treasury bond equivalent account will be the sum of the credits and interest to the date of termination of the Director from the Board, except for termination due to death or disability, and will be paid as soon as practicable thereafter.

C. Distributions from DSU accounts

All credited DSUs held in a Director's account will be converted to the Common Stock as soon as practicable following the Director's termination from the Board, except for termination due to death or disability. Remaining amounts in the Director's cash sub-account will be distributed concurrently in cash.

D. Distributions as a result of death or disability

In the event that a Director's service on the Board terminates as a result of death or disability, the Director, or in the case of death, the beneficiary(s) designated by the Director (or failing such designation, the Director's estate), may elect to have any balance in a Director's U.S. Treasury bond account or DSU account on the date of the Director's death or disability: (i) converted to shares of the Common Stock as soon as practicable following the Director's death or disability; or, (ii) converted to cash and paid out in a lump sum as soon as practicable following the Director's death or disability. In the event of a Director's death subsequent to termination of his or her Board service, but prior to receiving all entitled distributions under the Plan, the beneficiary(s) designated by the Director (or failing such designation, the Director's estate), may elect to have any balance in a Director's U.S. Treasury bond account or DSU account: (i) converted to shares of the Common Stock as soon as practicable following the Director's death; or, (ii) converted to cash and paid out in a lump sum as soon as practicable following the Director's death.
