Attn: Board of Directors

Re: Acxiom Corporation

Ladies and Gentlemen of the Board of Directors:

Edgar Filing: ACXIOM CORP - Form SC 13D/A

We stated in our letter of June 3, 2005 to Charles Morgan, Chairman and Chief Executive Officer of Acxiom Corporation (the "Company") that we were prepared to present an offer to acquire all of the shares of the Company that we did not already own, and desired to meet with Mr. Morgan, your independent directors or their advisors at the earliest possible time to discuss the matters laid out in our letter. We have not been contacted by any such persons over the course of the past five weeks. Thus, although we still desire to meet with Mr. Morgan, your independent directors or their advisors at the earliest possible time, we are proceeding with our offer to acquire all of the shares of the Company that we do not already own.

This letter sets forth the terms upon which one or more new entities ("Newco") to be formed by VA Partners, LLC ("ValueAct Capital") proposes to acquire (the "Acquisition") all of the outstanding shares of the Company that ValueAct Capital and its affiliates do not already own at a cash price of \$23.00 per share. This price represents a 25% premium to the average of closing prices for the Company's common shares for the 20 trading days preceding our June 3, 2005 letter.

We believe that for Acxiom's potential value to be realized, it is imperative that the Company be transitioned from a founder-run operation to a professionally-managed business with increased sophistication in strategic, operational, and financial management. The Board of Directors of the Company has shown either an inability or an unwillingness to fulfill its responsibility to manage this transition. We believe the evolution of the management of the Company is best accomplished under new ownership and with a new board.

The principals of ValueAct Capital have a track record of success both in executing public-to-private ownership changes and in helping companies move forward from their founder roots. Our proposal is an excellent opportunity for the shareholders of the Company to realize value for their shares now to an extent not available to them in the public equity market.

Page 11 of 12

We believe an Acquisition can be completed quickly. Furthermore, by proceeding expeditiously towards the negotiation of a definitive merger agreement with Newco, we believe the Company can obtain value for its shareholders promptly while minimizing disruption to the Company's business, employees, and competitive position.

1. Purchase Price. The purchase price for the Acquisition will be \$23.00 per share of Company common stock (the "Purchase Price") in cash. If we are given an opportunity to meet with management and receive, on a confidential basis, additional information about the Company, we may be able to offer your shareholders a higher purchase price.

2. Financing. We propose to finance the Acquisition with a combination of equity, senior debt and the issuance by the Company of notes pursuant to a public placement or Rule 144A or other private placement. ValueAct Capital has received a highly confident letter from UBS Securities LLC for debt financing of not less than \$1.6 billion. In conjunction with this debt financing, ValueAct Capital is prepared to commit the remaining equity required for the purchase of the Company's securities, the refinancing of the Company's existing debt and the funding for the fees and expenses pertaining

Edgar Filing: ACXIOM CORP - Form SC 13D/A

to the Acquisition.

3. Structure. The Acquisition would be structured as a one-step merger with a wholly-owned subsidiary of Newco merging into the Company. Pursuant to the merger, all shares of the Company's common stock (other than the shares held by Newco or an affiliate of Newco) would be cashed out at the Purchase Price. Options with an exercise price less than the Purchase Price would be cashed out in the merger; options with an exercise price greater than the Purchase Price would be cancelled. Warrants would be cashed out in the merger. We are prepared to consider allowing management who remain with the Company to roll over their options or warrants into Newco equity. We also expect to establish a new management incentive plan.

4. Definitive Agreement; Conditions. The terms of the transactions set forth herein will be set forth in a definitive agreement which will include standard representations, warranties and covenants for a public company transaction and which will be satisfactory in form and substance to Newco and the Company.

5. Timing. We believe that we will be able to complete all the necessary steps of the transaction in an efficient and expeditious manner. We reiterate our desire to meet with Mr. Morgan, your independent directors or their advisors at the earliest possible time.

Please contact Jeff Ubben or Greg Spivy at (415) 362-3700 to discuss the proposed Acquisition at your earliest convenience.

Very truly yours,

VA PARTNERS, LLC
