**Item 1.01**

**Entry into a Material Definitive Agreement.**

On September 26, 2007, Genco Shipping & Trading Limited, a Marshall Islands company (the “Company”), and Fleet Acquisition LLC, a Marshall Islands company and a stockholder of the Company (the “Selling Shareholder”), entered into an Underwriting Agreement (the “Underwriting Agreement”) with Bear, Stearns & Co. Inc. and Jefferies & Company, Inc., as representatives for the several underwriters referred to in the Underwriting Agreement (collectively, the “Underwriters”), pursuant to which the Company and the Selling Shareholder will sell to the Underwriters an aggregate of 4,055,000 shares of common stock, par value \$0.01 per share, of the Company (the “Common Stock”), of which 3,208,955 shares are to be sold by the Company and 846,045 shares are to be sold by the Selling Shareholder, for a purchase price of \$63.8175 per share (the “Purchase Price”), which reflects a price to the public of \$67.00 per share less underwriting discounts and commissions of \$3.1825 per share. For purposes of covering over-allotments, the Company has granted the Underwriters the right to purchase up to an additional 149,254 shares of Common Stock and the Selling Shareholder has granted the Underwriters the right to purchase up to an additional 256,246 shares of Common Stock, for an aggregate of up to an additional 405,500 shares and in each case, at a price per share equal to the Purchase Price. The Underwriters have 30 days from September 26, 2007 to exercise this option. If the Underwriters exercise this right for less than all of the additional shares, then the additional shares shall be purchased first from the Company before any additional shares are purchased from the Selling Shareholder. The Company will not receive any proceeds from the sale of the shares of Common Stock by the Selling Shareholder.

The shares are being sold pursuant to the Company’s shelf registration statement on Form S-3 (Reg. No. 333-140158) (the “Registration Statement”), which was declared effective by the SEC on February 7, 2007, as supplemented by the Company’s prospectus supplement dated September 26, 2007.

The Underwriting Agreement contains customary representations, warranties, conditions to closing, indemnification rights and obligations of the parties. The closing is expected to occur and delivery of the shares is expected to be made on or about October 2, 2007.

The Underwriting Agreement is filed as an exhibit with this Current Report.
