Item 1.01 Entry into a Material Definitive Agreement.

In furtherance of the commitment letter previously announced by Baltic Trading Limited (the “Company”), the Company and its wholly-owned subsidiaries Baltic Hornet Limited and Baltic Wasp Limited have each entered into a loan agreement and related documentation for a credit facility in a principal amount up to \$16,800,000 with ABN AMRO Capital USA LLC and its affiliates to partially finance the newbuilding vessels each such subsidiary is to acquire, namely the Baltic Hornet and the Baltic Wasp, respectively. The loan documentation has been submitted to the China Export & Credit Insurance Corporation (“Sinasure”) for review, and borrowings are subject to Sinasure’s issuance of an insurance policy on the terms previously disclosed. The terms of the loan agreement are incorporated by reference to the terms disclosed in the Company’s Current Report on Form 8-K filed on October 1, 2014.

Borrowings are to be secured by liens on the vessel acquired and related assets, and the Company is to guarantee the obligations of the relevant subsidiary under each facility. The Company and the relevant subsidiary must comply with covenants under the facility comparable to those of the Company’s credit facility entered into with DVB Bank SE on December 3, 2013, except for a collateral maintenance covenant requiring that the minimum fair market value of the vessel acquired be 135% of the amount outstanding under the relevant facility. The description of such covenants is otherwise incorporated by reference to the Company’s Current Report on Form 8-K filed on December 6, 2013.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth above under Item 1.01 is incorporated into this Item 2.03 by reference.

“Safe Harbor” Statement Under the Private Securities Litigation Reform Act of 1995

This report contains forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These forward looking statements are based on management’s current expectations and observations. Included among the factors that, in our view, could cause actual results to differ materially from the forward looking statements contained in this presentation are the following: whether Sinasure issues the insurance policy required under the loan agreements, whether and when the Company is able to take delivery of the Baltic Hornet and the Baltic Wasp, and other factors listed from time to time in our public filings with the Securities and Exchange Commission including, without limitation, the Company’s report on Form 10-K for the year ended December 31, 2013 and its subsequent reports on Form 10-Q and Form 8-K.
