Statements in this Current Report on Form 8-K (including the exhibit) that are not purely historical facts, including statements regarding Innofone's beliefs, expectations, intentions or strategies for the future, may be "forward-looking statements" under the Private Securities Litigation Reform Act of 1995. All forward-looking statements involve a number of risks and uncertainties that could cause actual results to differ materially from the plans, intentions and expectations reflected in or suggested by the forward-looking statements. Such risks and uncertainties include, among others, introduction of products in a timely fashion, market acceptance of new products, cost increases, fluctuations in and obsolescence of inventory, price and product competition, availability of labor and materials, development of new third-party products and techniques that render Innofone's products obsolete, delays in obtaining regulatory approvals, potential product recalls and litigation. Risk factors, cautionary statements and other conditions which could cause Innofone's actual results to differ from management's current expectations are contained in Innofone's filings with the Securities and Exchange Commission. Innofone undertakes no obligation to update any forward-looking statement to reflect events or circumstances that may arise after the date of this filing.

**ITEM 8.01. OTHER EVENTS.**

On October 4, 2006, we filed a complaint in the United States District Court, Central District of California, against InfoWeapons, Inc. ("InfoWeapons") and Lawrence Hughes ("Hughes") alleging that InfoWeapons and Hughes have failed to perform their obligations under that certain Agreement and Plan of Merger, dated August 16, 2006 (the "Merger Agreement") and that each had wrongfully misappropriated trade secrets of our Company. Under the terms of the Merger Agreement, which was executed on or about August 16, 2006 by the parties, we acquired InfoWeapons and its assets (including but not limited to InfoWeapons' subsidiary InfoWeapons Corp.) with the only non-administrative outstanding item subsequent to execution being the delivery by InfoWeapons of its financial statements in accordance with US Generally Accepted Accounting Principles (GAAP). Despite our recent and repeated requests, InfoWeapons has failed to deliver its US GAAP financial statements as required by the Merger Agreement.

Although we hope to resolve this matter in an amicable fashion, we are demanding pursuant to the complaint that InfoWeapons perform its obligations under the Merger Agreement and are seeking approximately \$20,000,000 in damages related to our tradeseecret misappropriation claim.
