PROXY STATEMENT

This Proxy Statement is furnished to holders of common stock, \$.001 par value per share, of Evolution Petroleum Corporation, a Nevada corporation (formerly known as Natural Gas Systems, Inc.), in connection with the solicitation of proxies by our Board of Directors for use at our 2006 Annual Meeting of Stockholders to be held at 2:00 p.m., local time, at our Company's offices at 820 Gessner, Suite 1340, Houston, Texas 77024, on Wednesday, December 6, 2006, and at any postponement or adjournment thereof.

This Proxy Statement and the accompanying proxy card are first being mailed to our stockholders on or about November 6, 2006.

What is the purpose of the Annual Meeting?

At the Annual Meeting, stockholders will act upon the matters outlined in the attached Notice of Meeting and described in detail in this Proxy Statement, which is the election of directors and the ratification of the appointment of our independent auditors. In addition, management will report on our performance during the fiscal year ended June 30, 2006, which we refer to as fiscal 2006, and respond to questions from stockholders.

Who is entitled to vote at the Annual Meeting?

Only stockholders of record at the close of business on November 1, 2006 will be entitled to notice of, and to vote at, the Annual Meeting or any adjournment or postponement thereof.

What are the voting rights of the holders of our common stock?

Holders of our common stock are entitled to one vote per share with respect to each of the matters to be presented at the Annual Meeting. With regard to the election of directors, the five nominees receiving the greatest number of votes cast will be elected provided a quorum is present. On each other matter to be presented, the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote will be necessary to approve the matter.

Abstentions will be counted towards the tabulation of votes cast on matters properly presented to the stockholders (except the election of directors) and will have the same effect as negative votes. Broker non-votes will not be counted as votes cast and, therefore, will have no effect on the outcome of the matters presented at the Annual Meeting.

What constitutes a quorum?

Our Bylaws provide that the presence, in person or by proxy, of the holders of a majority of outstanding shares of our common stock at our Annual Meeting shall constitute a quorum.

For the purpose of determining the presence of a quorum, proxies marked “withhold authority” or “abstain” will be counted as present. Shares represented by proxies that include broker non-votes will also be counted as shares present for purposes of establishing a quorum. On November 1, 2006, the record date, there were 26,652,005 shares of our common stock issued and outstanding and such shares are the only shares entitled to vote at the Annual Meeting.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendations are set forth together with the description of the Proposals in this Proxy Statement. In summary, the Board recommends a vote FOR election of the directors named in this Proxy Statement (see Proposal I), and FOR the ratification of the appointment of Hein & Associates LLP as our independent auditors (See Proposal II).

The proxy holders will vote in their discretion with respect to any other matter that properly comes before the Annual Meeting.

Proxies

If the enclosed proxy card is executed, returned in time and not revoked, the shares represented thereby will be voted at the Annual Meeting and at any postponement or adjournment thereof in accordance with the instructions indicated on the proxy and IF NO INSTRUCTIONS ARE INDICATED, PROXIES WILL BE VOTED (1) "FOR" THE PROPOSALS DESCRIBED IN THIS PROXY STATEMENT AND (2) AS TO ANY OTHER MATTERS PROPERLY BROUGHT BEFORE THE ANNUAL MEETING OR ANY POSTPONEMENT OR ADJOURNMENT THEREOF, IN THE SOLE DISCRETION OF THE PROXIES.

A stockholder who has returned a proxy card may revoke it at any time prior to its exercise at the Annual Meeting by (i) giving written notice of revocation to our Corporate Secretary, (ii) properly submitting to Evolution Petroleum Corporation a duly executed proxy bearing a later date, or (iii) appearing at the Annual Meeting and voting in person. All written notices of revocation of proxies should be addressed as follows: Evolution Petroleum Corporation, 820 Gessner, Suite 1340, Houston, Texas 77024, Attention: Sterling H. McDonald.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE
NOMINEES FOR ELECTION AS DIRECTORS.**

Meetings of the Board of Directors and Committees

Board of Directors.

The property, affairs and business of our company are under the general management of our Board of Directors as provided by the laws of Nevada and our Bylaws. We have standing Audit, Compensation and Nominating Committees of the Board of Directors. The Board of Directors held six meetings during fiscal 2006. Each director attended at least 75% of the aggregate of the total meetings of the Board and the total number of meetings held by all committees of the Board on which he served during fiscal 2006.

Audit Committee.

The Board of Directors has instructed the Audit Committee to meet periodically with our management and independent auditors to, among other things, review the results of the annual audit and quarterly reviews and discuss our financial statements, recommend to our board the independent auditors to be retained, and receive and consider the auditors' comments as to controls, adequacy of staff and management performance and procedures in connection with audit and financial controls. The Audit Committee is also authorized to review related party transactions for potential conflicts of interest. A copy of the written charter adopted by the Board of Directors for the Audit Committee and as currently in effect is included on our website, www.evolutionpetroleum.com. The Audit Committee is composed of Mr. Gene Stoever, Chairman, and Messrs. E.J. DiPaolo and William Dozier. Each member of the Audit Committee is "independent," as such term is defined in the listing standards for companies listed on the American Stock Exchange. Each member of the Audit Committee also satisfies the Securities and Exchange Commission's additional independence requirements for members of audit committees. The Board has determined that Mr. Stoever is an "audit committee financial expert" as defined under Item 401(e)(2) of Regulation SB of the Securities Act of 1933. The Audit Committee met four times during fiscal 2006.

Compensation Committee.

The Compensation Committee is authorized to review annual salaries and bonuses of our officers and has the authority to determine the recipients of options, the time or times at which options shall be granted, the exercise price of each option, and the number of shares to be issuable upon the exercise of each option under our stock option plan. In addition, the Compensation Committee recommends to the full Board the compensation of our Chief Executive Officer. The members of the Compensation Committee consist of Mr. Dozier, Chairman, and Messrs. Stoever and DiPaolo. A copy of the written charter adopted by the Board of Directors for the Compensation Committee and as currently in effect is included on our website, www.evolutionpetroleum.com. Each member of the Compensation Committee is "independent," as such term is defined in the listing standards for companies listed on the American Stock Exchange. The Compensation Committee met four times during fiscal year 2006.

Nomination of Directors.

The Nominating Committee, the members of which are currently Mr. DiPaolo, who serves as Chairman and Messrs. Stoever and Dozier, is responsible for identifying, screening, and recommending qualified candidates to serve on our Board of Directors. A copy of the written charter adopted by the Board of Directors for the Nominating Committee and as currently in effect is included on our website, www.evolutionpetroleum.com. Pursuant to its charter, the Nominating Committee is directed, among other things, to: develop and recommend to the Board specific guidelines and criteria for selecting nominees to the Board; formulate a process to identify and evaluate candidates to be recommended; review periodically compensation programs for non-employee directors and make recommendations for changes when appropriate; and evaluate the performance of incumbent members of the Board to determine whether to recommend such persons for re-election. Each member of the Nominating Committee is "independent," as defined in the listing standards for companies listed on the American Stock Exchange. Because the Nominating Committee was only recently formed, it has not yet held any meetings, although all of the members approved the appointment of the director nominees.

It is our policy that the Nominating Committee consider recommendations for the nomination of directors submitted by our significant, long-term stockholders (generally, stockholders that have beneficially owned more than 5% of our outstanding shares for at least two years). The Nominating Committee will give consideration to such recommendations that have been submitted in accordance with procedural requirements adopted by the Nominating Committee. All such stockholder nominating recommendations must be in writing, addressed to the Nominating Committee, care of the Secretary at Evolution Petroleum Corporation, 820 Gessner, Suite 1340, Houston, Texas 77024. Submissions must be made by mail, courier or personal delivery. E-mailed submissions will not be considered.

Stockholders wishing to recommend nominees for election as directors at an annual meeting should submit such recommendation, together with any relevant information that they wish the Nominating Committee to consider, no later than 120 days prior to such annual meeting of stockholders.

In addition to the foregoing, stockholders may nominate directors for election without consideration by the Nominating Committee so long as we are provided with proper notice of such nomination, which notice includes all the information required pursuant to Regulation 14A under the Securities Exchange Act of 1943, as amended, including the consent to serve as a director.

Code of Ethics.

We have adopted a formal code of conduct that applies to all of our employees, officers and directors. You can access the latest copy of our Code of Business Conduct and Ethics on our website, www.evolutionpetroleum.com.

Stockholder Communications with the Board.

Any stockholder can communicate with all directors or with specified directors by sending a letter to our Secretary at the address set forth under "Stockholder Proposals," below. All such letters will be forwarded to the entire Board or to the directors specified by the stockholder.

Compensation of Directors

Our non-employee directors are paid \$25,000 per fiscal year. We also reimburse our non-employee directors for any direct expenses they incur in their capacity as directors.

On October 22, 2004, our board approved the grant of options to purchase up to 100,000 shares of common stock at an exercise price of \$1.27 per share, 85% of the closing market price of our common stock as of the grant date of such options, to each of two of our non-employee board members, Messrs. Gene Stoever and Jed DiPaolo. On December 12, 2005, the foregoing options were cancelled and new, fully vested options were issued to such directors with an exercise price of \$1.27 per share, a price that exceeded the closing market price of our common stock as of the grant date of such options. On December 12, 2005, our board approved the grant of options to purchase up to 100,000 shares of common stock with an exercise price of \$1.21 per share, the closing market price of our common stock as of the grant date of such options, to our other non-employee board member, William Dozier. These options vest annually over a two-year period beginning December 12, 2005, the date of Mr. Dozier's election to our board. On August 22, 2005, we granted options to purchase up to 28,000 shares of our common stock at an exercise price of \$1.10 per share, the closing market price of our common stock as of the grant date of such options, to each of Messrs. DiPaolo and Stoever. These options vested in full on August 22, 2006. On May 10, 2006, our board approved the grant of options to purchase up to 50,000, 50,000 and 25,000 shares of common stock with an exercise price of \$3.03 per share, the closing market price of our common stock as of the grant date of such options, Messrs. Stoever, DiPaolo and Dozier, respectively. These options vest annually over a two year period from the date of grant.

Laird Q. Cagan, chairman of our board, also earns compensation from our company through his relationship with our financial advisor, Cagan McAfee Capital Partners, LLC ("CMCP") and placement agent (Chadbourne Securities, Inc.). In addition, we reimburse CMCP for the costs of legal services performed by staff members of CMCP under the direction of our general counsel. Mr. Cagan is also reimbursed by us for documented travel expenses he incurs from time to time directly on our behalf. Please see "Certain Relationships and Related Transactions."

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of the shares of our common stock (collectively, "Reporting Persons") to file reports of ownership and changes in ownership with the SEC. Reporting Persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of such forms received or written representations from the Reporting Persons, we believe that with respect to the fiscal year ended June 30, 2006, all the Reporting Persons complied with all applicable Section 16 filing requirements.

Laird Q. Cagan, the Chairman of our Board of Directors, is a Managing Director of CMCP. CMCP performs financial advisory services for us pursuant to a written agreement and is paid a monthly retainer. In addition, Mr. Cagan is a registered representative of Chadbourn Securities, Inc. ("Chadbourn"), our non-exclusive placement agent for private financings. Pursuant to the agreement between Mr. Cagan, Chadbourn and us, we pay Chadbourn a placement fee based on the amount of securities placed by Chadbourn. Effective as of December 1, 2005, we renegotiated our agreement with CMCP to reduce the monthly retainer fee from \$15,000 per month to \$5,000 per month and to change the placement fee from 8% of the gross equity proceeds and warrants equal to 8% of the shares placed by Chadbourn, to a cash fee of 8% for the first \$1.0 million of gross proceeds, declining by 1% for each subsequent \$1.0 million of gross proceeds raised (to a minimum fee of 4%), and warrants equal to 4% of the shares placed by Chadbourn. The retainer includes payment for the services of Mr. Cagan as Chairman of our Board of Directors.

In connection with the founding of our company, 18,000,000 shares of Old NGS common stock were directly and indirectly purchased by various parties as founder's shares, including, 1,000,000 shares by Robert S. Herlin as an incentive to act as our President and CEO; 1,000,000 shares by Liviakis Financial Communications, Inc., our investor relations firm; 7,500,000 shares by Mr. Cagan; and 5,700,000 by Eric M. McAfee, a Managing Director of CMCP.

During fiscal 2006, we expensed and paid CMCP \$95,000 for monthly retainers, issued warrants to purchase up to 14,054 shares of our common stock to Mr. Cagan and Chadbourn and paid a \$63,240 cash commission to Chadbourn in connection with capital raising services (a substantial portion of which fees accrued to the benefit of Mr. Cagan). In March 2006 Mr. Cagan loaned us \$250,000, pursuant to a secured promissory note bearing interest at 10% per annum, for general working capital purposes. On June 13, 2006, we repaid the loan and accrued interest thereon, in full.

During the fiscal year ended June 30, 2005, we issued warrants to purchase up to 91,359 and 5,427 shares of common stock to Mr. Cagan and Chadbourn, respectively, in connection with capital raising services. During the same period, we paid total cash commissions of \$257,890 to Mr. Cagan and Chadbourn, in connection with capital raising activities. During the fiscal year ended June 30, 2005, we expensed and paid CMCP \$180,000 for monthly retainers earned in fiscal 2005, and paid \$60,000 for monthly retainers earned, but unpaid, during fiscal 2004.

From August through December, 2004, Mr. Cagan loaned us, through a series of advances, \$920,000, pursuant to a secured promissory note bearing interest at 10% per annum and a 5% origination fee, earmarked for our purchase of working interests in the Tullos Urania Field in Louisiana, working capital and certain costs related to the closing of our loan facility with a third party. On February 15, 2005, we repaid this note, totaling \$953,589 with accrued interest, in full.

EMPLOYMENT AGREEMENTS; CHANGE IN CONTROL AGREEMENTS

Executive Employment Agreement: Robert S. Herlin

On September 23, 2003, Natural Gas Systems, Inc., a Delaware corporation (“Old NGS”), a subsidiary of Natural Gas Systems, Inc., a Nevada corporation (the “Company”), entered into an Executive Employment Contract (the “Original Herlin Employment Contract”) with Robert S. Herlin for Mr. Herlin to serve as President and Chief Executive Officer. Pursuant to the Original Herlin Employment Contract, Mr. Herlin was granted a stock option to purchase 250,000 shares of Old NGS common stock with an exercise price equal to \$0.001 per share vesting over four years, that was to be cancelled when the Company granted warrants to Tatum CFO Partners, LLP, a provider of contract CFO’s and other executive level executives (“Tatum”), in connection with Mr. Herlin’s status as a partner of Tatum and certain other services to be provided by Tatum. In addition, under the Original Herlin Employment Contract Mr. Herlin received an annual salary of \$180,000, an annual discretionary bonus of up to \$180,000 and a six month severance package, and purchased 1,000,000 shares of common stock of Old NGS, with Old NGS having a repurchase right under a reverse vesting arrangement over 27 months (the “Stock Purchase Agreement”). The Original Herlin Employment Contract and Stock Purchase Agreement were assumed by us when our subsidiary merged with Old NGS in May 2004. In addition, the stock options were exchanged in the merger for stock options exercisable for shares of our common stock.

On April 4, 2005, we entered into an Executive Employment Contract (the “New Herlin Employment Contract”) with Mr. Herlin. The New Herlin Employment Contract supersedes the Original Herlin Employment Contract. Pursuant to the New Herlin Employment Contract, Mr. Herlin continues to serve as our President and Chief Executive Officer, receiving an annual salary of \$180,000, which increased to \$210,000 in April 2006, and a one year severance package. Mr. Herlin is also eligible to receive a discretionary bonus equal to 100% of his annual salary. As a bonus for fiscal 2005, Mr. Herlin was allowed to retain the 250,000 stock options granted to him under the Original Employment Agreement after the grant of warrants to Tatum. We also entered into a new agreement with Tatum, which supersedes the original agreement with Tatum and provides for us to grant Tatum a warrant to purchase up to 262,500 shares of our common stock, exercisable at \$0.001 per share over a five-year period. We refer you to “Amended and Restated Agreement with Tatum Partners.”

On April 4, 2005, Mr. Herlin was granted a stock option to purchase up to 500,000 shares of our common stock, with an exercise price equal to \$1.80 per share that vests over four years, as well as a warrant to purchase up to 287,500 shares of our common stock, with an exercise price equal to \$1.80 per share that vests over eighteen months, both of

which have with certain acceleration provisions based on involuntary termination and change of control.

On February 15, 2006, Mr. Herlin was granted a warrant to purchase up to 400,000 shares of our common stock, with an exercise price of \$1.41 per share. In lieu of a cash bonus, that portion of the option to purchase 150,000 shares was fully vested as of its grant date, with the remaining portion of the option vesting over a four-year period..

Amended and Restated Agreement with Tatum Partners.

In September 2003, Old NGS entered into a Resources Agreement with Tatum (the “Original Tatum Contract”). The Original Tatum Contract provided for Tatum to make available to Old NGS the services of its partner, Mr. Herlin, and provide access to various Tatum resources in exchange for sharing of Mr. Herlin’s compensation from Old NGS. The Original Tatum Contract was assumed by us when our subsidiary merged with Old NGS in May 2004.

On April 4, 2005, we executed an Amended and Restated Resources Agreement (the “Amended and Restated Tatum Contract”) with Tatum. Pursuant to the Amended and Restated Tatum Contract, Tatum will receive \$12,000 per year in exchange for our access to its services. In addition, we granted Tatum a warrant to purchase up to 262,500 shares of our common stock, exercisable at \$0.001 per share over a period of five years.

Executive Employment Agreement: Sterling H. McDonald

On November 10, 2003, Old NGS entered into an Executive Employment Contract with Sterling H. McDonald for Mr. McDonald to serve as Chief Financial Officer (the “Original McDonald Employment Contract”). In addition, under the Original McDonald Employment Contract Mr. McDonald received an annual salary of \$120,000, an annual discretionary bonus, and a maximum six-month severance package. The Original McDonald Employment Contract was assumed by us when our subsidiary merged with Old NGS in May 2004. In addition, the stock options were exchanged in the merger for stock options exercisable for shares of our common stock.

On April 4, 2005, we entered into an Executive Employment Contract (the “New McDonald Employment Contract”) with Mr. McDonald. The New McDonald Employment Contract supersedes the Original McDonald Employment Contract, with the exception that Mr. McDonald retained the stock options under the terms previously granted. Pursuant to the New McDonald Employment Contract, Mr. McDonald continues to serve as our Chief Financial Officer at an annual salary of \$150,000. Mr. McDonald is also eligible to receive an annual discretionary bonus equal to 75% of his annual salary, and a six-month severance package, which may be increased to one year under conditions related to a change of control.

On April 4, 2005, Mr. McDonald was granted a stock option to purchase up to 350,000 shares of our common stock at an exercise price of \$1.80 per share, vesting over four years, with certain acceleration provisions based on involuntary termination and change of control.

On February 15, 2006, Mr. McDonald was granted a stock option to purchase up to 150,000 shares of our common stock at an exercise price of \$1.41 per share. In lieu of a cash bonus, that portion of the option to purchase 100,000 shares was fully vested as of its grant date, with the remaining portion of the option vesting over a four-year period. On February 15, 2006, Mr. McDonald was also granted a warrant to purchase up to 150,000 shares of our common stock at an exercise price of \$1.41 per share vesting over a four-year period. Pre-Approval of Services by External Auditor

The Audit Committee has adopted policies and procedures for the pre-approval of the audit and non-audit services performed by the independent auditors in order to ensure that the provision of such services does not impair the auditors' independence. The Audit Committee approves all audit fees and terms for all services provided by the independent auditors, and considers whether these services are compatible with the auditors' independence. The Chairman of the Audit Committee may approve additional proposed services that arise between Committee meetings provided that the decision to approve the service is presented at the next scheduled Committee meeting. All non-audit

services provided by the independent auditors must be pre-approved by the Audit Committee Chairman prior to the engagement. The Audit Committee pre-approved all audit and permitted non-audit services by Hein & Associates LLP in fiscal 2006.

We are not required to seek stockholder approval for the appointment of our independent auditors; however, the Audit Committee and the full Board of Directors believe it to be sound corporate practice to seek such approval. If the appointment is not ratified, the Audit Committee will investigate the reasons for stockholder rejection and will re-consider the appointment. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of our company and our stockholders.

The Board of Directors recommends that the stockholders vote FOR the ratification of the appointment of Hein & Associates LLP as our independent auditors.

Representatives of Hein & Associates LLP will be present at the Annual Meeting and will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.
