A complete list of the shareholders entitled to vote at the Annual Meeting will be made available for inspection by any shareholder of record at the offices of the Company during market hours from March 2, 2007 through the time of the Annual Meeting.

Your vote is very important. For this reason, our Board of Directors is soliciting your proxy to vote your shares of common stock at the meeting. The entire cost of soliciting proxies will be borne by the Company. The cost of solicitation will include the cost of supplying necessary additional copies of the solicitation materials and the Company's 2006 Annual Report to Shareholders (the "Annual Report") to beneficial owners of shares held of record by brokers, dealers, banks, trustees, and their nominees, including the reasonable expenses of such recordholders for completing the mailing of such materials and Annual Report to such beneficial owners.

In voting at the Annual Meeting, each shareholder of record on the Record Date shall be entitled to one vote on all matters. Holders of a majority of the outstanding shares of Common Stock must be represented in person or by proxy in order to achieve a quorum to vote on all matters other than the election of directors. The Proxy Statement, the attached Notice of Meeting, the enclosed proxy card and the Annual Report to Shareholders are being mailed to shareholders on or about January 25, 2007.

PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
To Be Held March 13, 2007

General

The enclosed proxy is solicited on behalf of the Board of Directors of National Holdings Corporation, a Delaware corporation (“National Holdings” or the “Company”), for use at the Annual Meeting of Shareholders to be held on March 13, 2007, and any adjournment or postponement thereof. The Annual Meeting will be held at 12:00 P.M. (local time) at the Company’s headquarters, located at 120 Broadway, 27th Floor, New York, New York 10271. This Proxy Statement, the enclosed proxy card and the Company’s Annual Report on Form 10-K for the fiscal year ended September 30, 2006 are being mailed on or about January 25, 2007 to shareholders entitled to vote at the meeting.

Record Date and Voting Shares

The close of business on January 16, 2007 has been fixed as the record date (the “Record Date”) for determining the shareholders of record entitled to notice of and to vote at the Annual Meeting. At the close of business on the Record Date, there were outstanding and entitled to vote 5,358,611 shares of Common Stock, \$.02 par value (the “Common Stock”), 35,316 shares of Series A Convertible Preferred Stock, \$.01 par value (the “Series A Preferred Stock”) and 10,000 shares of Series B Convertible Preferred Stock, \$.01 par value (the “Series B Preferred Stock” and together with the Series A Preferred Stock, the “Preferred Stock”). Each share of Series A Preferred Stock is convertible into Common Stock at the current conversion price of \$1.25 per share and each share of Series B Preferred Stock is convertible into Common Stock at the conversion price of \$.75 per share. The holder of each share of Preferred Stock is entitled to the number of votes equal to the number of shares of common stock into which such share of Preferred Stock could be converted at the Record Date. Accordingly, as of the Record Date, there were 9,517,224 shares entitled to vote, consisting of 5,358,611 shares of Common Stock outstanding, 2,825,280 shares of Common Stock issuable upon conversion of the Series A Preferred Stock and 1,333,333 shares of Common Stock issuable upon conversion of the Series B Preferred Stock. Each share of Common Stock entitles the holder thereof to one vote upon any proposal submitted for a vote at the Annual Meeting.

Directors are elected by a plurality of the votes, which means that the nominee who receives the largest number of properly executed votes will be elected as a director. Shares that are represented by proxies that are marked “withhold authority” for the election of the director nominee will not be counted in determining the number of votes cast for that person. Any other matters properly considered at the meeting will be determined by a majority of the votes cast.

Voting of Proxies

Shares of Common Stock represented by Proxies, which are properly executed, duly returned and not revoked, will be voted in accordance with the instructions contained therein. If no instruction is indicated on the Proxy, the shares of Common Stock represented thereby will be voted: (i) **FOR** the election of the Class III Directors for a term ending in 2010; (ii) **FOR** the ratification of the appointment of Marcum & Kliegman LLP as our independent public accountants for the year ending September 30, 2007; and (iii) at the discretion of the person or persons voting the Proxy, with respect to any other matter that may properly be brought before the Meeting. The execution of a Proxy will in no way affect a shareholder's right to attend the Meeting and vote in person. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. If a broker indicates on

the enclosed proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter (“broker non-votes”), those shares will not be considered as voting with respect to that matter. The Company believes that the tabulation procedures to be followed by the Inspector of Elections are consistent with the general requirements of Delaware law concerning voting of shares and determination of a quorum.

Revocation of Proxies

You may revoke or change your proxy at any time before the Annual Meeting by filing with the Secretary of the Company, at 875 North Michigan Avenue, Suite 1560, Chicago, Illinois 60611, a notice of revocation or another signed proxy with a later date. You may also revoke your proxy by attending the Annual Meeting and voting in person.

If any shareholder is unable to attend the Annual Meeting, such shareholder may vote by proxy. If a proxy is properly executed and returned to the Company in time to be voted at the Annual Meeting, it will be voted as specified in the proxy, unless it is properly revoked prior thereto. Votes cast in person or by proxy at the Annual Meeting will be tabulated by the Inspector of Elections appointed for the meeting and will determine whether or not a quorum is present. The holders of a majority of the shares of stock entitled to vote at the meeting, present in person or represented by proxy shall constitute a quorum for the transaction of business.

Solicitation

The Company will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement, the proxy and any additional solicitation materials furnished to the shareholders. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, the Company may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by telephone, telegram or other means by directors, officers or employees of the Company. No additional compensation will be paid to these individuals for any such services. Except as described above, the Company does not presently intend to solicit proxies other than by mail.

Shareholder Proposals for 2008 Annual Meeting

Any shareholder who intends to present a proposal at the Company's 2008 Annual Meeting of Shareholders must ensure that the proposal is received by the Corporate Secretary at National Holdings Corporation, 875 North Michigan Avenue, Suite 1560, Chicago, Illinois 60611:

- not later than September 27, 2007, if the proposal is submitted for inclusion in our proxy materials for that meeting pursuant to Rule 14a-8 under the Securities Exchange Act of 1934; or
- on or after December 13, 2007, and on or before December 27, 2007, if the proposal is submitted pursuant to the Company's by-laws, in which case the notice of the proposal must meet certain requirements set forth in our by-laws.

Dissenters' Right of Appraisal

Under Delaware law, shareholders are not entitled to dissenters' rights on any proposal referred to herein.

PROPOSAL 1**ELECTION OF DIRECTORS**

Our Board of Directors currently consists of seven (7) members and is divided into three (3) classes, one class of which is elected at each Annual Meeting of Shareholders to hold office for a three-year term and until successors of such class have been elected and qualified. A majority of the Board of Directors is comprised of independent directors. The nominees to serve as Class III Directors of the Board of Directors are set forth below and each has consented to being named in this proxy statement and has agreed to serve if elected. Mr. Rettman, a Class III director, is not seeking re-election at this year's Annual Meeting. Mr. Rettman's decision not to stand for re-election was not the result of any disagreement with the Company or management. Accordingly, we will have a vacancy for a Class III Board member which is not being filled at this year's Annual Meeting. The Company is currently in the process of identifying a candidate for this position. The proxy holders intend to vote all proxies received by them in the accompanying form for the nominees for director listed below. In the event that a nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. In the event that additional persons are nominated for election as a director, the proxy holders intend to vote all proxies received by them for the nominees listed below. As of the date of this Proxy Statement, the Board of Directors is not aware of any nominee who is unable or will decline to serve as a director.

Each shareholder will be entitled to one (1) vote for each share of Common Stock held as of the Record Date. Shares represented by your proxy will be voted in accordance with your direction as to the election as a director of the person listed below as a nominee. In the absence of direction, the shares represented by your proxy will be voted **FOR** such election. Election requires the affirmative vote by the holders of a majority of the Common Stock voting at the Annual Meeting.

CORPORATE GOVERNANCE

The Company's business affairs are conducted under the direction of the Board of Directors in accordance with the Delaware Business Corporation Act and the Company's Certificate of Incorporation and Bylaws. Members of the Board of Directors are informed of the Company's business through discussions with management, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees. Certain corporate governance practices that the Company follows are summarized below.

Code of Ethics and Business Conduct

We have adopted the National Holdings Corporation Code of Ethics and Business Conduct (the “Code of Conduct”), a code of conduct that applies to our directors, officers and employees. The Code of Conduct was filed as an exhibit to our Annual Report on Form 10-K for the fiscal year ended September 30, 2003 and is publicly available on the SEC’s website at www.sec.gov. If we make any substantive amendments to the Code of Conduct or grant any waiver, including any implicit waiver from a provision of the Code of Conduct to our directors or executive officers, we will disclose the nature of such amendment or waiver in a report on Form 8-K.

Meetings and Committees of the Board of Directors and Corporate Governance Matters

During the fiscal year ended September 30, 2006, the Company’s Board of Directors met or acted by unanimous written consent a total of 13 times. Each director attended or participated in 75% or more of the aggregate of the total number of meetings of the Board of Directors.

Committees of the Board of Directors

The Board of Directors has an Audit Committee, a Compensation Committee and a Governance Committee, all the members of which, with the exception of Mr. Dewey, are independent, as defined by Securities and Exchange Commission (the “SEC”) rules. Each director attended or participated in 75% or more of the aggregate of the total number of meetings held by all committees of the Board of Directors on which such director served during fiscal year 2006.

Director Qualifications. The Board of Directors does not currently have a nominating committee, as the Company believes that having the full Board deliberate the nomination process is in the Company’s best interest. Board of Director nominations are recommended by the directors, which has recommended the nominees named above for election at the 2007 Annual Meeting, other than Mr. Dewey who joined the Board after such recommendation was made. In making its nominations, the Board of Director identifies candidates who meet the current challenges and needs of the Board of Directors. In determining whether it is appropriate to add or remove individuals, the Board of Directors will consider issues of judgment, diversity, age, skills, background and experience. In making such decisions, the Board of Directors considers, among other things, an individual’s business experience, industry experience, financial background and experiences. The Board of Directors also considers the independence, financial literacy and financial expertise standards required by our Board of Directors committees’ charters and applicable laws, rules and regulations, and the ability of the candidate to devote the time and attention necessary to serve as a director and a committee member.

Identifying and Evaluating Nominees for Director. In the event that vacancies are anticipated or otherwise arise, the Board of Directors considers various potential candidates for director. Candidates may come to the attention of the Board through current directors, professional search firms engaged by us, shareholders or other persons. Candidates are evaluated at regular or special meetings of the Board of Directors and may be considered at any point during the year.

Shareholder Nominees. Candidates for director recommended by shareholders will be considered by the Board of Directors. Such recommendations should include the candidate’s name, home and business contact information, detailed biographical data, relevant qualifications for membership on our Board of Directors, information regarding any relationships between the candidate and us within the last three years, including stockholdings in us, and a written indication by the recommended candidate of the candidate’s willingness to serve, and should be sent to the Board of Directors at the address listed on page 10 of this proxy statement.

The Board of Directors will evaluate recommendations for director nominees submitted by directors, management or qualifying shareholders in the same manner, using the criteria stated above. All directors and director nominees will submit a completed form of directors' and officers' questionnaire as part of the nominating process. The process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Board of Directors.

Audit Committee

The Audit Committee for fiscal year 2006 consisted of Gary A. Rosenberg, Robert J. Rosan and Norman J. Kurlan. The members are “independent” as defined in SEC Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and Rule 4200 of the Nasdaq Market Place Rules.

On January 22, 2003, the Board adopted a charter for the Audit Committee, as amended and restated on January 12, 2004. The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management is responsible for the Company's internal controls, financial reporting process and compliance with laws and regulations and ethical business standards. The independent public accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee has the power and authority to engage the independent public accountants, reviews the preparations for and the scope of the audit of the Company's annual financial statements, reviews drafts of the statements and monitors the functioning of the Company's accounting and internal control systems by through discussions with representatives of management, the independent public accountants and the internal auditors.

Under SEC rules, companies are required to disclose whether their audit committees have an “audit committee financial expert” as defined in Item 401(h) of Regulation S-K under the Securities Exchange Act of 1934 and whether that expert is “independent” as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act. The Board of Directors has determined that Mr. Rosenberg is a “financial expert” and is also “independent.” The Audit Committee meets quarterly and on an on-needed basis. The Committee met four times during the year ended September 30, 2006.

Compensation Committee

The Company's Compensation Committee for fiscal year 2006 consisted of Robert J. Rosan, Gary A. Rosenberg and Marshall S. Geller, all of whom are considered to be “independent.” On December 27, 2006, Christopher C. Dewey was appointed to the Compensation Committee. Other Compensation.

The Company's senior officers and members of its corporate finance department are entitled to a portion of underwriter or placement agent warrants received in the course of the Company's corporate finance activities. Such warrants typically have no value at the time of allocation.

Report of the Compensation Committee

This report of the Compensation Committee shall not be deemed incorporated by reference by any general statement incorporating the Proxy Statement by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 (the “Acts”), except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Committee is responsible for reviewing and approving the compensation of the Company's Chief Executive Officer and recommending to the Board of Directors the compensation of the Company's other officers and the Company's chairman, consistent with employment contracts, where appropriate. The Committee believes the compensation paid to the Company's Executive Officers is competitive with companies within its industry that are comparable in size and by companies outside the industry with which the Company competes for executive talent.

The Company has a compensation program that consists of salary and performance bonus (that are generally reviewed annually) and stock options. For the fiscal year ended September 30, 2006, the Compensation Committee approved a bonus pool, whereby 20% of the Company's net income was paid as a bonus to certain members of the Company's senior management. A similar bonus pool plan was approved by the Company's Board of Directors, with the recommendation of the Compensation Committee, for the fiscal year ending September 30, 2007. The overall executive compensation philosophy is based upon the premise that compensation should be aligned with and support the Company's business strategy and long-term goals. The Company believes it is essential to maintain an executive compensation program that provides overall compensation competitive with that paid executives with comparable qualifications and experience. This is critical to attract and retain competent executives.

Annual cash bonuses are determined by the Compensation Committee. Stock options may be granted to key employees of the Company pursuant to the Company's stock option plan that provides additional incentive to maximize shareholder value. The plans may also utilize vesting periods to encourage option recipients to continue in the employ of the Company. The Company grants stock options to its officers, directors, employees, investment executives and consultants.

The Compensation Committee regularly evaluates its policies with respect to executive compensation. The Compensation Committee believes that a combination of salary, bonus, and stock options provides a mix of short and long-term rewards necessary to attract motivate and retain an excellent management team.

The Company intends to comply with the requirements of Section 162 (m) of the Internal Revenue Code of 1986 for the fiscal year 2007.

Compensation of the Chief Executive Officer. In March 2006, the Company and Mr. Goldwasser entered into an Employment Agreement for a three-year term with annual one-year renewal periods unless notice of non-renewal is given by either party. The Compensation Committee performed its review of Mr. Goldwasser's compensation package in accordance with the principles of our compensation philosophy described above. Information considered by the compensation committee included competitive compensation data and Mr. Goldwasser's record as the chief executive officer of the Company. The compensation committee determined that the total compensation package offered to Mr. Goldwasser was appropriate under prevailing market conditions and that a package of materially lesser value would have been insufficient to secure Mr. Goldwasser's services. The initial base salary is \$350,000 per annum, subject to annual increases. Mr. Goldwasser will also participate in any senior management bonus pools, and receives normal employee benefits.
