Item 2.02. Results of Operations and Financial Condition.

The information included in this Current Report on Form 8-K (including Exhibit 99.1 hereto) that is furnished pursuant to this Item 2.02 shall not be deemed to be "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section or Sections 11 and 12(a) (2) of the Securities Act of 1933, as amended. Item 8.01. Other Events.

The press release issued on February 8, 2007 also contained an announcement with respect to a stock repurchase program. As part of the company's ongoing strategy to enhance value to its stockholders, the company's Board of Directors continues to evaluate the most appropriate actions to best utilize LivePerson's excess cash balances. Recognizing that historical volatility in the company's stock price has on occasion resulted in prices at which the Board felt that the company's stock was undervalued, the Board has approved a stock repurchase program to give the company the ability to repurchase its shares, only if and when such occasions arise in the future and it would be in the best interest of stockholders to do so. The stock repurchase program authorizes the company to repurchase shares of its common stock, in the open market or privately negotiated transactions, at times and prices considered appropriate by the company depending upon prevailing market conditions and other corporate considerations. The program limits the company to an aggregate purchase price of \$8 million. It is expected that repurchases, if any, would be completed no later than the end of the first quarter of 2008.
