Overseas Regulatory Announcement

This announcement is made pursuant to Rules 13.09(1) and 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

This announcement is made by China Eastern Airlines Corporation Limited (the "**Company**") in compliance with Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Stock Exchange**") (which requires any issuer listed on the Stock Exchange whose securities are also listed on other stock exchange(s) to simultaneously inform the Stock Exchange of any information released to any of such other exchange(s) and to ensure that such information is released to the market in Hong Kong at the same time as it is released to the other market(s)).

1. Estimated results for the reporting period:

- (i) Period to which the estimated results applies: 1 January 2007 to 30 June 2007;
- (ii) Estimated results: According to the preliminary estimate, the Company anticipated that profit will be generated in the first half of 2007. Please refer to the Company's 2007 Interim Results announcement to be published on 30 August 2007 for further details;
- (iii) The estimated results have not been reviewed nor audited by certified public accountants and were prepared in accordance with the PRC Accounting Regulations.

2. Results of the corresponding period in the last year:

- (i) Net profit: RMB(1,461,770,000);
- (ii) Earnings per share: RMB(0.30).

3. Reasons to modify the estimated results set out in the previous regular report:

Pursuant to the PRC Accounting Regulations, the Company's net loss in the first quarter of 2007 amounted to RMB(550,000,000), reflecting an increase in loss. As a matter of prudence, the Company then estimated that the operating loss will continue in the next reporting period (i.e. the 2007 Interim Results). However, with reference to

the Company's current accounting data, the Company's operating results for the first half of 2007 has shown an improvement, due to an operating profit versus a loss in the last corresponding period and the benefit from the exchange gains due to the appreciation of RMB. Since the Company's interim results shall report a profit, the Company thus wishes to modify the estimated results as disclosed in its first quarterly report accordingly.

4. Other related matters:

The board of the directors of the Company wishes to remind investors that, since the Company's estimated results mentioned above is only a preliminary estimate prepared in accordance with PRC Accounting Regulations, which have not been reviewed nor audited, investors are advised to be cautious in making investment decisions. The 2007 Interim Results of the Company will be published in the designated newspapers both within and outside Mainland China on 30 August 2007.

As announced by the Company on the clarification announcement dated 30 May 2007, there is a material event, that is, the introduction of strategic investors by the Company, which is pending disclosure, and the Company is in preparation of such information for disclosure, and trading in the H shares of the Company has been suspended since 22 May 2007. Trading in the H shares will remain suspended until the publication of a further announcement which is price-sensitive in nature.
