Item 1.01. Entry into a Material Definitive Agreement.

On March 31, 2009, Neoprobe Corporation (the “Company”) entered into an agreement (the “Agreement”) with Platinum-Montaur Life Sciences, LLC (“Montaur”) to modify terms related to the calculation of dividend payments and the timing of delivery of interest and dividend payments due to Montaur under various financing agreements between the two parties that may be paid in shares of common stock of the Company. Specifically, pursuant to the Agreement, the Company and Montaur agreed to modify certain terms of the: (1) 10% Series A Convertible Senior Secured Promissory Note in the principal amount of \$7,000,000, due December 26, 2011, issued to Montaur by the Company on December 26, 2007, as amended (the “Series A Note,” previously filed as Exhibit 10.2 to the Company’s Current Report on Form 8-K filed January 2, 2008); (2) 10% Series B Convertible Senior Secured Promissory Note in the principal amount of \$3,000,000, due December 26, 2011, issued to Montaur by the Company on April 16, 2008 (the “Series B Note,” and together with the Series A Note the “Notes,” previously filed as Exhibit 10.3 to the Company’s Current Report on Form 8-K filed April 18, 2008); (3) Series X Warrant to Purchase Shares of Common Stock of Company issued to Montaur on April 16, 2008 (the “Series X Warrant,” previously filed as Exhibit 10.4 to the Company’s Current Report on Form 8-K filed April 18, 2008); (4) Series Y Warrant to Purchase Shares of Common Stock of Company issued to Montaur on December 5, 2008 (the “Series Y Warrant,” and together with the Series X Warrant the “Warrants,” previously filed as Exhibit 10.2 to the Company’s Current Report on Form 8-K filed December 9, 2008); and (5) Certificate of Designations, Voting Powers, Preferences, Limitations, Restrictions, and Relative Rights of the Company’s Series A 8% Cumulative Convertible Preferred Stock (the “Certificate of Designations,” previously filed as Exhibit 4.1 to the Company’s Current Report on Form 8-K filed January 2, 2008).

Pursuant to the terms of the Agreement, Montaur has agreed: (1) to waive any adjustment to the conversion price or the exercise price under the Series A 8% Cumulative Convertible Preferred Stock (the “Preferred Stock”), and the Warrants, respectively, that would have otherwise been made as a result of the payment in shares of the Company’s common stock of dividends on the Preferred Stock (“Dividend Shares”), or interest on the Notes (“Interest Shares” and, together with the Dividend Shares, the “Payment Shares”), provided that such waiver is effective only if the valuation of the Payment Shares under Section 1.2 of the Notes (i.e., 90% of the trailing five Trading Day (as defined in the Notes) average VWAP (as defined in the Notes)), assuming for purposes of this calculation that such Payment Shares are paid pursuant to the Notes, is more than \$0.40 per share; and (2) that the physical delivery of a certificate representing Payment Shares at any time up to two business days after the relevant interest or dividend payment date shall be deemed timely delivered.

In consideration for the modifications described above, the Agreement further provides that: (1) any shares of the Company’s common stock delivered as Dividend Shares shall, notwithstanding any provision of the Certificate of Designations to the contrary, be valued by reference to 90% of the average VWAP for the five Trading Days immediately preceding the date of payment, including the dividend payment made by the Company on the date of the Agreement; and (2) that the Company shall amend the Certificate of Designations within 30 days of the date of the Agreement to reflect such revised valuation for the future payment of Dividend Shares.

The foregoing description of the Agreement is qualified in its entirety by reference to the full text of the Agreement, a copy of which is attached hereto as Exhibit 10.1 and which is incorporated herein in its entirety by reference.
