Report of Independent Auditors

To the Board of Directors and Stockholders of
One Liberty Properties, Inc. and Subsidiaries

We have audited the accompanying statement of revenues and certain expenses of 947 South Township Line Road acquired by OLP Lakeview LP, a wholly owned subsidiary of One Liberty Properties, Inc. (the "Company"), for the year December 31, 2009. This statement of revenues and certain expenses is the responsibility of the Company's management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues and certain expenses is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues and certain expenses. An audit also includes assessing the basis of accounting used and significant estimates made by management, as well as evaluating the overall presentation of the statement. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues and certain expenses was prepared for the purpose of complying with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission for inclusion in the Current Report on Form 8-K/A of One Liberty Properties, Inc. as described in Note 1, and is not intended to be a complete presentation of 947 South Township Line Road's revenues and expenses.

In our opinion, the statement of revenues and certain expenses referred to above presents fairly, in all material respects, the revenues and certain expenses described in Note 1 of 947 South Township Line Road for the year ended December 31, 2009, in conformity with U.S. generally accepted accounting principles.

947 South Township Line Road

Notes to Statements of Revenues and Certain Expenses

1. Organization and Basis of Presentation

On February 24, 2010, OLP Lakeview LP, a wholly owned subsidiary of One Liberty Properties, Inc. (the “Company”) acquired 947 South Township Line Road, a retail shopping center with approximately 194,000 square feet of leasable space, situated on approximately 33 acres in Royersford, Pennsylvania (the “Lakeview Shopping Center”).

The accompanying statements of revenues and certain expenses of the Lakeview Shopping Center have been prepared in accordance with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission for inclusion in the Current Report on Form 8-K/A of the Company. Accordingly, the statements of revenues and certain expenses exclude certain expenses that may not be comparable to those expected to be incurred in the future operations of the aforementioned property. Items excluded consist of interest expense, interest income, depreciation, amortization, corporate expenses, federal and state income taxes and other costs not directly related to future operations.

2. Use of Estimates

The preparation of the statements of revenues and certain expenses in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the statements of revenues and certain expenses and accompanying notes. Actual results could differ from those estimates.

3. Concentration of Credit Risk

For the year ended December 31, 2009 and the period from January 1, 2010 through February 23, 2010 (unaudited), the Lakeview Shopping Center was leased to eleven and ten tenants respectively, of which three tenants account for approximately 72% of total base rents. Therefore, the Lakeview Shopping Center’s results of operations are significantly dependent on the financial condition of these three tenants.

4. Revenue Recognition

The Lakeview Shopping Center is leased to tenants under operating leases with various expiration dates through 2022. Base rents are recognized on a straight-line basis over the terms of the respective leases, net of valuation adjustments, based on management’s assessment of credit, collection and other business risks. The excess of rents recognized over amounts contractually due pursuant to the underlying leases was \$10,236 and \$108,875, for the period from January 1, 2010 through February 23, 2010 (Unaudited) and for the year ended December 31, 2009, respectively.

947 South Township Line Road

Notes to Statements of Revenues and Certain Expenses (Continued)

Tenant recoveries related to the reimbursement of real estate taxes, insurance, repairs and maintenance, and other operating expenses are recognized as revenues in the period the applicable expenses are incurred. The reimbursements are recorded in this manner because the Company is the primary obligor with respect to purchasing goods and services from third-party vendors, has discretion in selecting the vendors and bears the associated credit risk.

5. Leases

For the year ended December 31, 2009 and the period from January 1, 2010 through February 23, 2010, the Lakeview Shopping Center was 99% leased. Approximately 70% of base rents for the year ended December 31, 2009 are from ground leases, where the tenant constructed the building at their expense. Most of the leases have scheduled increases in the base rent with several renewal options and provide for reimbursements based upon the tenant's proportionate share of real estate taxes and certain operating expenses. The remaining leases provide for the tenant to pay real estate taxes directly to the governmental authority and to pay for their own common area maintenance, insurance and repairs.

6. Future Minimum Rents

Future minimum lease payments to be received under the noncancellable operating leases for the years ending December 31 are as follows:

2010	\$ 1,896,486
2011	1,829,431
2012	1,464,221
2013	1,482,880
2014	1,482,880
Thereafter	10,765,252
	\$ 18,921,150

7. Real Estate Management Fees

The Lakeview Shopping Center was managed by a property manager pursuant to a management agreement, which provided for management fees based on 4% of base rents during the year ended December 31, 2009 and the period from January 1, 2010 through February 23, 2010 (Unaudited).

947 South Township Line Road

Notes to Statements of Revenues and Certain Expenses (Continued)

8. Interim Unaudited Financial Information

The statement of revenues and certain expenses for the period from January 1, 2010 through February 23, 2010 is unaudited; however, in the opinion of management, all adjustments (consisting solely of normal, recurring adjustments) necessary for the fair presentation of the statement of revenues and certain expenses for the interim period have been included. The results of the interim period are not necessarily indicative of the results to be obtained for a full fiscal year.

The interim period is through February 23, 2010 as the property was acquired by the Company on February 24, 2010.

Report of Independent Auditors

An audit also includes assessing the basis of accounting used and significant estimates made by management, as well as evaluating the overall presentation of the statement. In our opinion, the statement of revenues and certain expenses referred to above presents fairly, in all material respects, the revenues and certain expenses described in Note 1 of the Whole Foods Shopping Center for the year ended December 31, 2009, in conformity with U.S. generally accepted accounting principles.
