This Proxy Statement and the form of proxy card are being mailed to stockholders on or about January [25], 2012. Any stockholder giving a proxy has the power to revoke it by executing a superseding proxy by telephone, Internet or mail following the process described on the proxy card or by submitting a notice of revocation to the Fund or in person at the Meeting. All properly executed proxies received in time for the Meeting will be voted as specified in the proxy or, if no specification is made, for the election of directors and for the proposed Investment Advisory and Management Agreement between the Fund and Martin Currie, Inc. ("Martin Currie") and the proposed Sub-Advisory Agreement between Martin Currie and APS Asset Management Pte Ltd ("APS") (collectively, the "Proposed Agreements"), as described in this Proxy Statement.

For purposes of determining the presence of a quorum for transacting business at the Meeting, executed proxies returned without marking a vote on Proposals 1 and 2 will be treated as shares that are present for quorum purposes. Abstentions are included in the determination of the number of shares present at the Meeting for purposes of determining the presence of a quorum. If a stockholder is present in person or by proxy at the Meeting but does not cast a vote, the stockholder's shares will count towards a quorum but will have no effect on Proposal 1 and will have the effect of a vote to disapprove Proposal 2.

Stockholders on the record date will be entitled to one vote for each share held, with no shares having cumulative voting rights. As of the record date, the Fund had outstanding [18,575,214] shares of common stock.

Management of the Fund knows of no business other than those mentioned in Proposals 1 and 2 of the Notice of Meeting which will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment.

Leadership Structure and Board of Directors

The Board has general oversight responsibility with respect to the business and affairs of the Fund. The Board is responsible for overseeing the operations of the Fund in accordance with the provisions of the 1940 Act, other applicable laws and the Fund's Articles of Incorporation. The Board is composed of five Independent Directors and one of the Independent Directors serves as Chairman of the Board. Generally, the Board acts by majority vote of all of the Directors, including a majority vote of the Independent Directors if required by applicable law. The Fund's day-to-day operations are managed by the Adviser and other service providers who have been approved by the Board. The Board meets periodically throughout the year to oversee the Fund's activities, review contractual arrangements with service providers, oversee compliance with regulatory requirements and review performance. The Board has determined that its leadership structure is appropriate given the size of the Board, the extensive experience of each Director with the Fund and the nature of the Fund.

The Directors were selected to serve and continue on the Board based upon their skills, experience, judgment, analytical ability, diligence, ability to work effectively with other Directors and a commitment to the interests of stockholders and, with respect to the Independent Directors, a demonstrated willingness to take an independent and questioning view of management. As a result of his substantial prior service as a Director of the Fund and, in several cases, as a director of other investment companies, each Director currently also has considerable familiarity with the Fund, Martin Currie (the "Adviser") and State Street Bank and Trust Company (the "Administrator"), and their operations, as well as the special regulatory requirements governing registered investment companies and the special responsibilities of investment company directors. In addition to those qualifications, the following is a brief summary of the specific experience, qualifications or skills that led to the conclusion, as of the date of this proxy statement, that

each person identified below should serve as a Director for the Fund. References to the qualifications, attributes and skills of the Directors are pursuant to requirements of the Securities and Exchange Commission (“SEC”), and do not constitute a holding out of the Board or any Director as having any special expertise and should not be considered to impose any greater responsibility or liability on any such person or on the Board by reason thereof. As required by rules the SEC has adopted under the 1940 Act, the Fund’s Independent Directors select and nominate all candidates for Independent Director positions.

M. Christopher Canavan, Jr. Mr. Canavan is currently the Chairman of the Audit Committee and has served as a Director of the Fund since 2003. He has provided financial accounting, auditing and consulting services for over 40 years. Mr. Canavan's experience includes over 27 years of service as a partner in PricewaterhouseCoopers, LLP and its predecessor firms, and over 10 years of service as an independent consultant providing financial consulting services.

Michael F. Holland. Mr. Holland has served as a Director of the Fund since 2007. He has worked in the investment management industry for over 40 years. Mr. Holland's experience includes service as the Chairman of Holland & Company (an investment management company), which he founded in 1995, and as the chief executive officer, chairman or vice chairman of other major U.S. asset management firms including Salomon Brothers Asset Management, First Boston Asset Management and Oppenheimer & Co., Inc. He is a regular guest on several financial television programs and is regularly quoted in leading financial publications. Mr. Holland also serves on the boards of other charitable and listed companies.

Anthony Kai Yiu Lo. Mr. Lo has served as a Director of the Fund since 2003. He has worked in the investment management and investment banking industry for over 30 years. Mr. Lo's experience includes service as the founding Chairman and Co-CEO of Shanghai Century Acquisition Corporations, which was listed on the American Stock Exchange. His experience also includes his role as founder of Advantage Limited and Suez Asia Capital Management Co. Ltd. and his service as a managing director of ABN Amro Asia Ltd., HG Asia Ltd. and Schroders Asia Ltd. Mr. Lo also serves on the boards and audit committees of other companies publicly listed in Hong Kong and on the NASDAQ.

Joe O. Rogers. Mr. Rogers has served as a Director of the Fund since the Fund's inception in 1986. He has provided business and investment consulting services for over 30 years. Mr. Roger's experience includes service as the president, vice president or partner in business and investment consulting firms including Rogers International LLC, PHH Asia Corporation and PHH Fantus Consulting. He served as the U.S. Ambassador to the Asian Development Bank under President Ronald Regan. Mr. Rogers also served the U.S. House of Representatives in various capacities including Executive Director and International Relations Counselor of the Republican Conference and served as the chief economist and budget advisor to Senator William Armstrong. He has also lectured on economics and finance at various U.S. based and internationally based universities and served as a Visiting Professor of Finance at Fudan University in Shanghai. Mr. Rogers also serves on the boards of other listed companies.

Bing Shen. Mr. Shen has served as a Director of the Fund since 2007. He has worked in financial services, including investment management, since 1973. Mr. Shen's experience includes his service as Supervisor and Chairman of the Audit Committee of CTCI Corporation, an engineering and construction company listed on the Taiwan Stock Exchange, and a Special Observer of the Oversight Committee of DynaFund, a venture capital fund. His experience also includes his service at the World Bank, International Finance Corporation, and executive positions at Morgan Stanley Group, China Development Industrial Bank and CBID & Partners Investment Holding Corporation. He also serves on the boards of other listed and private companies.

The Fund's Board of Directors has a separately designated Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") which is responsible for reviewing financial and accounting matters. The Fund's Audit Committee is composed of directors who are independent (as defined in the New York Stock Exchange, Inc. ("NYSE") listing standards, as may be modified or supplemented) and not interested persons of the Fund and its actions are governed by the Fund's Audit Committee Charter, which is posted on the Fund's website (www.the.taiwanfund.com). The current members of the Audit Committee are Messrs. Canavan, Holland, Lo, Rogers and Shen. The Audit Committee convened five times during the fiscal year ended August 31, 2011.

The Fund's Board of Directors has determined that the Fund has at least one audit committee financial expert. Mr. M. Christopher Canavan, Jr., an independent director, is the Fund's audit committee financial expert.

The Fund's Board of Directors has a Nominating Committee, which is responsible for recommending individuals to the Board for nomination as members of the Board and its Committees. The Fund's Nominating Committee is composed of directors who are independent as independence is defined in the New York Stock Exchange, Inc.'s listing standards, as may be modified or supplemented and are not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act) and its actions are governed by the Fund's Nominating Committee Charter, which is posted on the Fund's website (www.thetaiwanfund.com). Currently, the Nominating Committee does not consider nominees recommended by the stockholders. The Nominating Committee believes that it is not necessary to have such a policy because the Board has had no difficulty identifying qualified candidates to serve as directors. The Nominating Committee evaluates a candidate's qualifications for Board membership and the candidate's independence from the Fund's advisers and other principal service providers. The Nominating Committee does not have specific minimum qualifications that must be met by candidates recommended by the Nominating Committee and there is not a specific process for identifying such candidates. In nominating candidates, the Nominating Committee takes into consideration such factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with businesses or other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, requirements of the New York Stock Exchange and the Securities and Exchange Commission (the "SEC") to maintain a minimum number of independent or non-interested directors, requirements of the SEC as to disclosure regarding persons with financial expertise on the Fund's audit committee and the extent to which the candidate generally would be a desirable addition to the Board and any committees of the Board. The Committee believes the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy in this regard. The current members of the Nominating Committee are Messrs. Chang, Canavan, Lo and Shen. The Nominating Committee convened twice during the fiscal year ended August 31, 2011.

The Fund's Board of Directors has a Fair Valuation Committee which is responsible for establishing and monitoring policies and procedures reasonably designed to ensure that the Fund's assets are valued appropriately, objectively and timely, reflecting current market conditions. The Fund's Fair Valuation Committee is composed of directors who are not interested persons of the Fund as well as certain employees of the Fund's Adviser, Martin Currie. The current Directors who are members of the Fair Valuation Committee are Messrs. Holland, Lo and Rogers. The Fair Valuation Committee met once during the fiscal year ended August 31, 2011.

The Fund's Board of Directors has an Investment Management Oversight Committee which is responsible for overseeing and evaluating the nature and quality of the investment services provided to the Fund by the Adviser and Sub-Adviser in order to assist the Board in overseeing the investment services being provided to the Fund by the Adviser and Sub-Adviser. The current members of the Investment Management Oversight Committee are Messrs. Chang and Shen. The Investment Management Oversight Committee convened four times during the fiscal year ended August 31, 2011.

The Fund's Board of Directors has a Share Repurchase Program Committee which is responsible for overseeing and evaluating the Fund's program to repurchase its shares on the market. The current members of the Share Repurchase Program Committee are Messrs. Rogers, Holland and Shen. The Share Repurchase Program Committee did not meet during the fiscal year ended August 31, 2011.

The Board of Directors of the Fund held five regular meetings and three special meetings during the fiscal year ended August 31, 2011. For the fiscal year ended August 31, 2011, each Director attended at least seventy-five percent of the aggregate number of meetings held during the fiscal year of the Board and of any committee on which he or she served.

For annual or special stockholder meetings, Directors may but are not required to attend the meetings; and for the Fund's last annual stockholder meeting, all of the Directors attended the meeting.

Risk Oversight

The day-to-day operations of the Fund, including the management of risk, is performed by third party service providers, such as the Adviser, APS (the “Sub-Adviser”) and Administrator. The Directors are responsible for overseeing the Fund’s service providers and thus have oversight responsibilities with respect to risk management performed by those service providers. Risk management seeks to identify and address risks, i.e., events or circumstances that could have material adverse effects on the business, operations, stockholder services, investment performance or reputation of the Fund. The Fund and its service providers employ a variety of processes, procedures and controls to identify certain of those possible events or circumstances, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur.

Not all risks that may affect the Funds can be identified nor can controls be developed to eliminate or mitigate their occurrence or effects. It may not be practical or cost effective to eliminate or mitigate certain risks, the processes and controls employed to address certain risks may be limited in their effectiveness, and some risks are simply beyond the reasonable control of the Fund or the Adviser, the Sub-Adviser or other service providers. Moreover, it is necessary to bear certain risks (such as investment-related risks) to achieve a Fund’s goals. As a result of the foregoing and other factors, the Fund’s ability to manage risk is subject to substantial limitations.

Risk oversight forms part of the Board’s general oversight of the Fund and is addressed as part of various Board and Committee activities. As part of its regular oversight of the Fund, the Board, directly or through a Committee, interacts with and reviews reports from, among others, the Adviser, the Sub-Adviser, the Fund’s Chief Compliance Officer and the independent registered public accounting firm, as appropriate, regarding risks faced by the Fund. The Board is responsible for overseeing the nature, extent and quality of the services provided to the Fund by the Adviser and the Sub-Adviser and receives information about those services at its regular meetings. In addition, on an annual basis, in connection with its consideration of whether to renew the Advisory and Sub-Advisory Agreements, the Board meets with the Adviser and the Sub-Adviser to review the services provided. Among other things, the Board regularly considers the Adviser’s and the Sub-Adviser’s adherence to the Fund’s investment restrictions and compliance with various Fund policies and procedures and with applicable securities regulations. The Board has appointed a Chief Compliance Officer who oversees the implementation and testing of the Fund’s compliance program and reports to the Board regarding compliance matters for the Fund and its service providers. The Board, with the assistance of the Adviser and the Sub-Adviser, reviews investment policies and risks in connection with its review of the Fund’s performance. In addition, as part of the Board’s oversight of the Fund’s advisory and other service provider agreements, the Board may periodically consider risk management aspects of their operations and the functions for which they are responsible.

Stockholder Communications

Stockholders may send communications to the Fund’s Board of Directors by addressing the communication directly to the Board (or individual Board members) and/or clearly indicating that the communication is for the Board (or individual Board members). The communication may be sent to either the Fund’s office or directly to such Board member(s) at the address specified for each Director above. Other stockholder communications received by the Fund not directly addressed and sent to the Board will be reviewed and generally responded to by management, and will be forwarded to the Board only at management’s discretion based on the matters contained therein.

The following table sets forth information regarding the ownership of securities in the Fund by the current directors. Each of the current directors, except Harvey Chang, are also nominees for election as director.

The term “Family of Investment Companies” means two or more registered investment companies that share the same investment adviser or principal underwriter and hold themselves out to investors as related companies for the purposes of investment and investor services. The Fund is the only investment company in the Family of Investment Companies.

No director or nominee for election as director who is not an interested person of the Fund, or any immediate family member of such person, owns securities in the Adviser or the Sub-Adviser, or a person directly or indirectly controlling, controlled by, or under common control with the Adviser or the Sub- Adviser.

Transactions with and Remuneration of Officers and Directors

The aggregate remuneration, including expenses relating to attendance at board meetings reimbursed by the Fund, paid in cash to directors not affiliated with the Adviser or the Sub-Adviser was \$320,000 during the fiscal year ended August 31, 2011. The Fund currently pays each director that is not affiliated with the Adviser or Sub-Adviser an annual fee of \$20,000 plus \$2,500 for each directors’ meeting and committee meeting attended in person, and \$2,500 for each meeting attended by telephone other than the Investment Management Oversight Committee Meetings for which no compensation was received.

The following table sets forth the aggregate compensation from the Fund paid to each director during the fiscal year ended August 31, 2011, as well as the total compensation earned by each director from the Fund Complex.

(2) There is one fund in the Fund Complex.

(3) Mr. Chang is not standing for re-election as a director.

Required Vote

The election of each director will require the affirmative vote of a plurality of the votes of the shares present in person or represented by proxy at the Meeting and entitled to vote for the election of the directors. For this purpose, votes that are withheld will have no effect on the outcome of the elections.

THE BOARD OF DIRECTORS OF THE FUND RECOMMENDS THAT YOU

VOTE "FOR" THE ELECTION OF THE FIVE NOMINEES FOR DIRECTORS.

PROPOSAL 2

APPROVAL OF PROPOSED INVESTMENT ADVISORY AND MANAGEMENT AGREEMENT AND SUB-ADVISORY AGREEMENT

On January 5, 2012, the Board of Directors, all of whom are Independent Directors, voted to approve and recommend to shareholders the approval of the proposed Investment Advisory and Management Agreement between the Fund and Martin Currie, Inc. (“Martin Currie”) (the “Proposed Advisory Agreement”) and the proposed Sub-Advisory Agreement between Martin Currie and APS Asset Management Pte Ltd (“APS”) (the “Proposed Sub-Advisory Agreement” and collectively, the “Proposed Agreements”). The Proposed Agreements, if approved, will replace the interim Investment Advisory and Management Agreement dated November 9, 2011 between the Fund and Martin Currie, Inc. and the interim Sub-Advisory Agreement dated November 10, 2011 between Martin Currie, Inc. and APS (collectively, the “Current Agreements”). The Current Agreements were not approved by the stockholders of the Fund. The Current Agreements replaced a previous Investment Advisory and Management Agreement (the “Previous Agreement”) with Martin Currie dated May 8, 2010, which was approved by the stockholders of the Fund on April 26, 2010. The Previous Agreement was terminated on November 9, 2011 upon Martin Currie delegation of management of the Fund’s portfolio to APS. The terms of the Current Agreements are substantially similar to the terms under the Previous Agreement, except that the Current Agreements will terminate within 150 days of execution while the Previous Agreement was required to be reviewed and re-approved by the Board once a year, after the initial two year term.

The Proposed Agreements provide for Martin Currie and APS to provide substantially the same investment advisory and management services as provided under the Current Agreements. Martin Currie’s and APS’ duties under the Proposed Agreements include making investment decisions, supervising the acquisition and disposition of investments and selecting brokers or dealers to execute these transactions in accordance with the Fund’s investment objective and policies and within the guidelines and directions established by the Fund’s Board of Directors.

Under both the Proposed Agreements and the Current Agreements, the Fund bears expenses for legal fees and expenses of counsel to the Fund; auditing and accounting expenses; taxes and governmental fees; New York Stock Exchange listing fees; dues and expenses incurred in connection with membership in investment company organizations; fees and expenses of the Fund’s custodian, sub-custodian, transfer agents and registrars; fees and expenses with respect to administration (except as may be expressly provided otherwise); expenses for portfolio pricing services by a pricing agent, if any; expenses of preparing share certificates and other expenses in connection with the issuance, offering and underwriting of shares issued by the Fund; expenses relating to investor and public relations; expenses of registering or qualifying securities of the Fund for public sale; freight, insurance and other charges in connection with the shipment of the Fund’s portfolio securities; brokerage commissions or other costs of acquiring or disposing of any portfolio holding of the Fund; expenses of preparation and distribution of reports, notices and dividends to shareholders; expenses of the Fund’s dividend reinvestment and cash purchase plan; costs of stationery; any litigation expenses; and costs of stockholder’s and other meetings. Under the Proposed Agreements, as is the case under the Current Agreements, each of Martin Currie and APS bear all other expenses associated with the performance of its duties (including employee salaries and overhead) other than expenses to be paid by the Fund, as specifically provided above. Each of Martin Currie and APS also would pay the salaries and expenses of such of the Fund’s officers and employees and any fees and expenses of such of the Fund’s directors who are managers, members, officers or employees of Martin Currie or APS or any of their affiliates, provided, however, that the Fund, and not Martin Currie or APS, shall bear travel expenses or an appropriate fraction thereof of directors and officers of the Fund who are managers, members, officers or employees of Martin Currie or APS to the extent that such expenses relate to attendance at meetings of the Board or any committee thereof, and provided, further, that such expenses are incurred in accordance with the Fund’s travel policy.

The Proposed Agreements may be terminated at any time, without payment of penalty by Martin Currie, by APS, or by the Fund acting pursuant to a vote of the Board of Directors or by a vote of a majority of the Fund's outstanding securities (as defined in the 1940 Act) upon sixty (60) days' written notice, and will terminate automatically in the event of its assignment (as defined in the 1940 Act) by Martin Currie or APS. The Proposed Agreements will also terminate (i) automatically if Martin Currie ceases to be authorized and regulated by the Financial Services Authority of the United Kingdom (the "FSA") or any successor organization or (ii) upon proper notice if the Martin Currie is required to terminate the Proposed Agreements on the FSA's instructions.

If approved by stockholders, each of the Proposed Agreements would remain in effect for an initial period of two years from the date it becomes effective. Thereafter, the Proposed Agreements would continue in effect from year to year if their continuance is specifically approved at least annually by (i) a vote of a majority of the Independent Directors, cast in person at a meeting called for the purpose of voting on such approval, and (ii) either a vote of a majority of the Board of Directors as a whole or a majority of the Fund's outstanding shares of common stock as defined in the 1940 Act.

Fee Provisions of the Proposed Agreements

Under the terms of the Current Agreements, Martin Currie is entitled to receive fees for its services, computed daily and payable monthly in US dollars, at the annual rate of 0.90% on the first \$150 million in total net assets under management, 0.80% on the next \$150 million in total net assets under management and 0.70% on total net assets under management over \$300 million. From that fee, Martin Currie is responsible for the payment of the fee to APS. APS is entitled to receive fees for its services, computed daily and payable monthly in US dollars, at the annual rate of 0.45% on the first \$150 million in total net assets under management, 0.40% on the next \$150 million in total net assets under management and 0.35% on total net assets under management over \$300 million.

Under the terms of the Proposed Agreements, Martin Currie is entitled to receive the same fee rate payable under the Current Agreements. Under the Proposed Agreements, APS is entitled to receive fees at the annual rate of 0.50% on the total net assets under management.

For the fiscal year ended August 31, 2011, the aggregate amount of advisory fees paid by the Fund was \$3,028,421. Had the Proposed Agreements been in place for the fiscal year ended August 31, 2011, the fees paid by the Fund would have been the same.

There were no additional payments made to Martin Currie or APS by the Fund for the fiscal year ended August 31, 2011.

The Factors Considered by The Board of Directors Regarding the Proposed Agreements

The Board was asked to approve the Proposed Agreements with substantially the same terms and conditions as the Current Agreements, with the exception of the fee rate payable to APS, as described above, and the termination provision. The Current Agreements will expire within 150 days from the date of execution while the Proposed Agreements are legally required to be reviewed and re-approved by the Board once a year, after their initial two year terms. In being asked to approve the Proposed Agreements, the Board was assured by Martin Currie and APS that the Fund would continue to be managed in substantially the same manner under the Proposed Agreements as under the Current Agreements.

Approval Process

At its meeting on July 29, 2011, in anticipation of a change in the personnel at Martin Currie who were managing the Fund's portfolio (the "Former Portfolio Managers") the Board of Directors of the Fund (the "Board"), all of whom are Independent Directors, determined that it would be appropriate for the Board to review the arrangements for the management of the Fund's assets and consider engaging a different investment adviser for the Fund. At that time, the Board appointed a committee (the "Committee") to oversee the process of reviewing alternative investment advisers. The Committee retained a consultant to assist the Committee in identifying appropriate candidates to serve as investment adviser for the Fund and in preparing a request for proposal to be sent to the candidates. Initially, six candidates were identified, based on the Committee's knowledge of candidates that had experience managing portfolios consisting of Taiwan equity securities and advice from the consultant. The consultant then evaluated the

six candidates based on a number of factors and reported on its evaluation to the Board. After reviewing the consultant's report, the Board decided that three of those candidates (as well as the investment management firm established by the Former Portfolio Managers (collectively, the Candidates)) should make a presentation at the October 26, 2011 meeting of the Board of Directors. In advance of that meeting, the Directors discussed the consultant's evaluation of the Candidates that it had reported on. In addition, the Fund's Chief Compliance Officer reviewed information regarding the compliance programs of each of the Candidates. Throughout the process, the Board and the Committee were advised by counsel.

At the Board meeting on October 26, 2011, with all Directors present, each of the Candidates made a presentation to the Board and responded to questions from the Board. Following the presentations, the Board discussed the relative merits of each Candidate and determined that further information should be requested from the candidates. The Board determined that it would be appropriate to enter into interim arrangements with Martin Currie and APS while the Board continued to consider permanent arrangements for the management of the Fund. At the Board meeting on October 26, 2011, the Board approved the Current Agreements with Martin Currie and APS. At the Board meeting held on January 5, 2012, the Board approved the selection of Martin Currie as the investment adviser for the Fund with APS as the sub-adviser for the Fund, approved the Proposed Agreements and agreed to submit the selection of Martin Currie and APS for approval by the Fund's stockholders at the next annual stockholders meeting in February 2012.

In making this selection, the Board noted Martin Currie's experience in providing services to the Fund and the approach of APS in providing investment management services, as well as APS' superior performance record in providing those services. The Board also noted that the advisory fee agreed to by Martin Currie and APS compared favorably with fees charged by advisers of other U.S. registered closed-end funds that invest in the China region. The Board also considered the terms and conditions of the Proposed Agreements and the nature, scope and quality of services that Martin Currie and APS are expected to provide to the Fund, including compliance services. The Board also based its decision on the following considerations, among others, although the Board did not identify any consideration that was all important or controlling, and each Director attributed different weights to the various factors.

Nature, Extent and Quality of the Services provided by the Adviser and Sub-Adviser. The Board reviewed and considered the nature and extent of the investment management services to be provided by Martin Currie and APS under the Proposed Agreements. The Board also reviewed and considered the nature and extent of the non-investment management, administrative services to be provided by Martin Currie and APS under the Proposed Agreements. The Board determined that Martin Currie and APS appeared to be capable of providing the Fund with investment management and administrative services of above average quality.

Performance, Fees and Expenses of the Fund. The Board noted that Martin Currie had only been providing services to the Fund for a short period and APS has been doing so for less than two months, therefore, that there were limitations on the Board's ability to evaluate the performance of Martin Currie and APS in managing the Fund. Based, however, on the performance of the Martin Currie and APS in managing other products, the Board concluded that there was reason to believe that Martin Currie and APS could achieve above average performance over the long term in managing the Fund. The Board also noted that other expenses of the Fund were not expected to increase as a result of the retention of Martin Currie and APS.

Economies of Scale. The Board considered the economy of scale benefits that the Fund's stockholders would be afforded as the management fee rate under the Proposed Agreements declines as the Fund's assets grow.

Other Benefits of the Relationship. The Board considered whether there were other benefits that Martin Currie, APS and their affiliates may derive from their relationship with the Fund and concluded that any such benefits were likely to be minimal.

Resources of the Proposed Investment Adviser and Sub-adviser. The Board considered whether Martin Currie and APS are financially sound and have the resources necessary to perform its obligations under the Proposed Agreements, noting that each of Martin Currie and APS appear to have the financial resources necessary to fulfill its obligations under the Proposed Agreements.

General Conclusions. After considering and weighing all of the above factors, the Board concluded that it would be in the best interest of the Fund and its stockholders to approve the Proposed Agreements. In reaching this conclusion,

the Board did not give particular weight to any single factor referenced above.

Required Vote

The 1940 Act requires that an investment advisory contract between an investment company and an investment adviser be in writing, that such contact specify, among other things, the compensation payable to the adviser pursuant thereto and that such contracts be approved by the holders of a majority of the Fund's outstanding shares of common stock as defined in the 1940 Act and discussed below.

Approval of the Proposed Agreements will require the affirmative vote of a majority of the Fund's outstanding shares of common stock. As defined in the 1940 Act, a "majority of the outstanding shares" means the lesser of 67% of the voting securities present at the Annual Meeting of Stockholders, if a quorum is present, or 50% of the outstanding securities. For this purpose, both abstentions and broker non-votes will have the effect of a vote to disapprove the Proposed Agreements. If this proposal is not approved by stockholders, the Fund will continue under the Current Agreements while the Board of Directors considers other steps.

Forms of the Proposed Agreements are attached as Appendix A.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE PROPOSAL TO APPROVE THE PROPOSED AGREEMENTS BETWEEN THE FUND AND MARTIN CURRIE AND BETWEEN MARTIN CURRIE AND APS.

FORM OF INVESTMENT ADVISORY AND MANAGEMENT AGREEMENT

This Agreement, dated as of _____, 2011, between THE TAIWAN FUND, INC., a corporation organized under the Delaware Laws of the United States with a registered office at c/o State Street Bank and Trust Company, P.O. Box 5049, 2 Avenue de Lafayette, Boston, MA 02206-5409 (the "Fund"), and MARTIN CURRIE INC., a company incorporated in New York and registered as an investment adviser with the U.S. Securities and Exchange Commission and authorized and regulated by the Financial Services Authority of the United Kingdom, the regulator for financial services institutions in the United Kingdom (the "FSA") (the "Investment Manager").

The Fund is a closed-end, diversified management investment company registered under the Investment Company Act of 1940 (the "1940 Act"), the shares of common stock of which are registered under the Securities Exchange Act of 1934 and listed on the New York Stock Exchange. The Fund's investment objective is long-term capital appreciation through investment primarily in securities of Republic of China companies listed on the Taiwan Stock Exchange.

The Fund desires to retain the Investment Manager to provide investment management services with respect to the Fund's assets, and the Investment Manager agrees to provide such services, based upon its professional investment judgment and within the scope of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants hereafter contained, the parties hereto hereby agree as follows:

1. Appointment of Investment Manager

(a) The Fund hereby employs the Investment Manager for the period and on the terms and conditions set forth herein, subject at all times to the supervision of the Board of Directors of the Fund (the "Board"), to:

- (i) Make all investment decisions for the assets of the Fund (the “Fund Assets”) and to manage the investment and reinvestment of the Fund Assets in accordance with the investment objective and policies of the Fund, as such investment objective and policies are amended from time to time by the Board (or with the concurrence of the Fund’s shareholders, in each case in accordance with the requirements of the 1940 Act), and subject always to the restrictions of the Fund’s Certificate of Incorporation and By-Laws, as amended or restated from time to time. Should the Board at any time make any definite determination as to investment policy and notify the Investment Manager thereof, the Investment Manager shall be bound by such determination for the period, if any, specified in such notice or until similarly notified that such determination has been revoked. The Investment Manager shall vote the Fund’s proxies in accordance with the Fund’s proxy voting policies, which may be amended from time to time by the Board and communicated to the Investment Manager. The Investment Manager shall make such reports to the Board concerning such proxy voting as the Board may deem necessary or advisable and as may be required by rules and regulations under the 1940 Act. The Fund acknowledges that no assurance has been or can be provided that the investment objective of the Fund can or will be achieved. The Investment Manager shall take, on behalf of the Fund, all actions that the Investment Manager deems necessary to implement the investment policies of the Fund and to place all orders for the purchase or sale of portfolio securities for the Fund with brokers or dealers selected by the Investment Manager, and in connection therewith, the Investment Manager is authorized as agent of the Fund to give instructions to the custodians from time to time of the Fund Assets as to deliveries of securities and payments of cash for the account of the Fund. In connection with the selection of such brokers or dealers and the placing of such orders, the Investment Manager is directed at all times to seek to use its best efforts to obtain for the Fund the most favorable net results available (“best execution”). In using its best efforts to obtain for the Fund best execution, the Investment Manager shall consider all factors it deems relevant, including, by way of illustration, price, the size of the transaction, the nature of the market security, the amount of the commission, the timing of the transaction taking into account market prices and trends, the reputation, experience and financial stability of the broker or dealer involved and the quality of service rendered by the broker or dealer in other transactions. Subject to such policies as the Fund may communicate to the Investment Manager in writing, the Investment Manager shall not be deemed to have acted unlawfully or to have breached any duty created by this Agreement solely by reason of its having caused the Fund to pay a broker or dealer that provides brokerage and research services to the Investment Manager or its affiliates an amount of commission for effecting a portfolio investment transaction in excess of the amount of commission another broker or dealer would have charged for effecting that transaction, if the Investment Manager determines in good faith that such amount of commission was reasonable;
- (ii) Assist the administrator of the Fund, as requested, in the preparation of the Fund’s periodic financial statements and in the valuation of the Fund Assets and the determination of its liabilities;
- (iii) Prepare and make available to the Fund pertinent research and statistical data;
- (iv) Maintain or cause to be maintained for the Fund all books and records required under the 1940 Act, to the extent that such books and records are not maintained or furnished by administrators, custodians or other agents of the Fund;
- (v) Assist in such marketing activities with respect to the Fund as the Fund may reasonably request; and
- (vi) Provide the Fund with such other services and advice, consistent with the foregoing, as the Board may reasonably request.
-

(b) The Investment Manager accepts such appointment and agrees during the term of this Agreement to render such services, to permit any of its managers, members, officers or employees to serve without compensation as directors or officers of the Fund if elected to such positions and to assume the obligations herein for the compensation herein provided. The Investment Manager shall for all purposes herein provided be deemed to be an independent contractor and, unless otherwise expressly provided or authorized, shall have no authority to act for or represent the Fund in any way or otherwise be deemed an agent of the Fund.

(c) The Investment Manager may from time to time, in its discretion and with the approval of the Board, delegate certain of its responsibilities under this Agreement in respect of any Fund to APS Asset Management Pte Ltd (the "Sub-Adviser"), which is registered under the Investment Advisers Act of 1940, as amended, provided that the separate costs of employing the Sub-Adviser and of the Sub-Adviser itself are borne by the Investment Manager or the Sub-Adviser and not by the Fund. Notwithstanding any such delegation, the Investment Manager shall remain responsible and liable to the Fund for the acts and omissions of the Sub Adviser as if any such act or omission were the act of the Investment manager. For the avoidance of doubt, the preceding sentence is not intended to alter any rights, claims, or actions the Investment Manager may pursue against the Sub-Adviser.

2. Compensation

For the services and facilities described in Section 1, the Fund agrees to pay to the Investment Manager, a fee in U.S. dollars in accordance with the schedule set forth as Exhibit A hereto. For the month and year in which this Agreement becomes effective or terminates, there shall be an appropriate proration on the basis of the number of days that this Agreement is in effect during such month and year, respectively.

3. Investment in Fund Stock

The Investment Manager agrees that it will not make a short sale of any shares of the Fund.

4. Non-Exclusivity of Services

Nothing herein shall be construed as prohibiting the Investment Manager or any of its affiliates from providing investment advisory services to, or entering into investment advisory agreements with, any other clients (including other registered investment companies), including clients which may invest in Taiwanese or Chinese equity securities, so long as the Investment Manager's services to the Fund pursuant to this Agreement are not materially impaired thereby, except that, without the prior written consent of the Fund the Investment Manager may not act as the investment adviser or investment manager to any other investment company that is listed on the New York Stock Exchange and that has the same investment strategy as the Fund. The Investment Manager is not obligated to purchase or sell for the Fund any security which the Investment Manager or its affiliates may purchase or sell for their own accounts or the accounts of other clients.

5. Standard of Care; Indemnification

The Investment Manager may rely on information reasonably believed by it to be accurate and reliable. Neither the Investment Manager nor its officers, managers, members, employees, agents, delegees or controlling persons (as defined in the 1940 Act), or other affiliates (each, a “Performing Party”) shall be subject to any liability for any act or omission, error of judgment or mistake of law, or for any loss suffered by the Fund, in the course of, connected with or arising out of any services to be rendered hereunder except by reason of willful misfeasance, bad faith or gross negligence on the part of the Performing Party in the performance of its duties or by reason of reckless disregard on the part of the Performing Party of its obligations and duties under this Agreement. Any person, even though also employed by the Investment Manager, who may be or become an employee of the Fund shall be deemed, when acting within the scope of his employment by the Fund, to be acting in such employment solely for the Fund and not as an employee or agent of the Investment Manager.

The Fund shall indemnify and hold harmless the Investment Manager, its officers, managers, members, employees, agents, delegees, controlling persons (as defined in the 1940 Act), and other affiliates (each, an “Indemnified Party”) for any losses, costs and expenses incurred or suffered by any Indemnified Party arising from any action, proceeding or claims that may be brought against such Indemnified Party in connection with the performance or non-performance of its functions under this Agreement, except for such losses, costs and expenses resulting from willful misfeasance, bad faith or gross negligence in the performance of such Indemnified Party’s duties or from reckless disregard on the part of such Indemnified Party of such Indemnified Party’s obligations and duties under this Agreement.

6. Allocation of Charges and Expenses

(a) The Investment Manager shall assume and pay for maintaining its staff and personnel and shall at its own expense provide the equipment, office space and facilities necessary to perform its obligations hereunder. The Investment Manager (or the Sub-Adviser, as applicable) shall pay the salaries and expenses of such of the Fund’s officers and employees and any fees and expenses of such of the Fund’s directors who are managers, members, officers or employees of the Investment Manager, the Sub-Adviser or any of their respective affiliates, provided, however, that the Fund, and not the Investment Manager, shall bear travel expenses for an appropriate fraction thereof of directors and officers of the Fund who are managers, members, officers or employees of the Investment Manager or the Sub-Adviser to the extent that such expenses relate to attendance at meetings of the Board or any committee thereof, and provided, further, that such expenses are incurred in accordance with the Fund’s travel policy.

(b) In addition to the fee of the Investment Manager, the Fund shall assume and pay the following expenses: legal fees and expenses of counsel to the Fund; auditing and accounting expenses; taxes and governmental fees; New York Stock Exchange listing fees; dues and expenses incurred in connection with membership in investment company organizations; fees and expenses of the Fund's custodian, sub-custodian, transfer agents and registrars; fees and expenses with respect to administration, except as may be herein expressly provided otherwise; expenses for portfolio pricing services by a pricing agent, if any; expenses of preparing share certificates and other expenses in connection with the issuance, offering and underwriting of shares issued by the Fund; expenses relating to investor and public relations; expenses of registering or qualifying securities of the Fund for public sale; freight, insurance and other charges in connection with the shipment of the Fund's portfolio securities; brokerage commissions or other costs of acquiring or disposing of any portfolio holding of the Fund; expenses of preparation and distribution of reports, notices and dividends to shareholders; expenses of the Fund's dividend reinvestment and cash purchase plan; costs of stationery; any litigation expenses; and costs of stockholder's and other meetings.

(b) If the Investment Manager considers the purchase or sale of securities for the Fund and other advisory clients of the Investment Manager at or about the same time, transactions in such securities shall be made for the Fund and such other clients in accordance with the Investment Manager's trade allocation procedures, as they may be amended from time to time and approved by the Board.

[In order for the Investment Manager to comply with the requirements of the FSA, the Fund and the Investment Manager have executed a Terms of Business Letter, as such term is defined under the FSA rules.] The Terms of Business Letter will serve as the Fund's acknowledgement that the Investment Manager has made to the Fund certain prescribed disclosures as required by the FSA.

9. Duration and Termination

(a) This Agreement shall be effective for a period of two (2) years from the date hereof and shall continue in effect from year to year thereafter, provided that such continuance is specifically approved at least annually by (i) a majority of the members of the Board who are neither parties to this Agreement nor interested persons of the Fund, the Investment Manager, the Sub-Adviser or of any entity regularly furnishing investment advisory services with respect to the Fund pursuant to an agreement with the Investment Manager or the Sub-Adviser, cast in person at a meeting called for the purpose of voting on such approval, and (ii) separately by the Board (all directors voting) or by vote of a majority of the Fund's outstanding voting securities.

(b) This Agreement may nevertheless be terminated at any time, without payment of penalty, by the Investment Manager or by the Fund acting pursuant to a vote of the Board or by vote of a majority of the Fund's outstanding securities upon sixty (60) days' written notice. This Agreement shall automatically be terminated in the event of its assignment, provided, however, that a transaction that does not, in accordance with the 1940 Act and applicable rules thereunder, result in a change of actual control or management of the Investment Manager's business shall not be deemed to be an assignment for the purposes of this Agreement. This Agreement shall automatically be terminated if the Investment Manager ceases to be authorized and regulated by the FSA or any successor organization. In addition, this Agreement shall be terminated upon proper notice if the Investment Manager is required to terminate the Agreement on the FSA's instructions.

(c) Termination of this Agreement shall not (i) affect the right of the Investment Manager to receive payments of any unpaid balance of the compensation described in Section 2 earned prior to such termination or (ii) extinguish the Investment Manager's right of indemnification under Section 5.

As used herein, the terms "interested person," "assignment" and "vote of a majority of the outstanding voting securities" shall have the meanings set forth in the 1940 Act.

10. Amendment

This Agreement may be amended by mutual agreement, provided that if required by the 1940 Act or other applicable law any such amendment shall only become effective after the affirmative vote of (i) the holders of a majority of the outstanding voting securities of the Fund and (ii) a majority of the members of the Board who are not interested persons of the Fund or of the Investment Manager, cast in person at a meeting called for the purpose of voting on such approval.

The Sub-adviser is authorized to pay a broker-dealer who provides such brokerage and research services a commission for executing a portfolio transaction for the Fund which is in excess of the amount of commission another broker-dealer would have charged for effecting that transaction if, but only if, the Sub-adviser determines in good faith that such commission was reasonable in relation to the value of the brokerage and research services provided by such broker-dealer viewed in terms either of that particular transaction or in terms of the Sub-adviser's overall responsibilities with respect to the accounts over which the Sub-adviser exercises investment discretion; and

The Sub-adviser further agrees to provide reasonable evidence of its compliance with any of the foregoing.

e. The Sub-adviser has adopted a written code of ethics complying with the requirements of Rule 17j-1 under the 1940 Act and will provide the Adviser with a copy of the code of ethics. Within 60 days of the end of the last calendar quarter of each year that this Agreement is in effect, a duly authorized officer of the Sub-adviser shall certify to the Adviser and the Board that the Sub-adviser has complied with the requirements of Rule 17j-1 during the previous year and that there has been no material violation of Sub-adviser's code of ethics or, if such a violation has occurred, information about such violation and any action taken in response to such violation.

All such books and records shall be the property of the Fund, and the Sub-adviser will surrender promptly to the Fund any of such records upon the Fund's request (provided that the Sub-adviser may retain a copy of such records) and shall make all such books and records available for inspection and use by the SEC, the Fund, the Adviser or any person retained by the Fund at all reasonable times. Subject to the Memorandum of Understanding, upon written direction by the Adviser, the Sub-adviser shall promptly forward to such address in the United Kingdom as the Adviser may specify in writing to the Sub-adviser all such information as the Adviser may request in writing to enable the Adviser to meet its obligations under the FSA rules or, as applicable other rules in respect of the services to be provided by the Sub-adviser to the Adviser under this Agreement, provided always disclosure of such information by the Sub-adviser will not cause the Sub-adviser to breach its confidentiality obligations under any rules. The Sub-adviser confirms that the right enforceable by the Adviser under this Paragraph 10 may additionally be enforced by the FSA or, as applicable, any other competent regulatory body such that the information which is the subject of the right under this Paragraph 10 may be requested in writing by the FSA or, as applicable, any other competent regulatory body to be forwarded by the Sub-adviser to the FSA or, as applicable, any other competent regulatory body, and the Sub-adviser confirms that it shall, simultaneously with forwarding such information to the FSA or, as applicable, any other competent regulatory body, forward a copy thereof to the Adviser, marked for the attention of the Adviser's Chief Compliance Officer, provided always disclosure of such information by the Sub-adviser will not cause the Sub-adviser to breach its confidentiality obligations under any rules.

11. Anti-Corruption. Each party undertakes to the other party that:

(a) it will not, and will procure that its affiliates will not, in the course of the carrying on the business contemplated in this Agreement, engage in any activity, practice or conduct which would constitute an offence under sections 1, 2 or 6 of the U.K. Bribery Act 2010 or equivalent or similar legislation in other relevant jurisdictions;

(b) it has and will maintain in place, and will procure that its affiliates have and will maintain in place, adequate procedures designed to prevent any associated person from undertaking any conduct that would give rise to an offense under section 7 of the U.K. Bribery Act 2010 and, to the extent applicable, equivalent or similar legislation in other relevant jurisdictions; and

Subject to the foregoing, nothing herein shall constitute a waiver of any rights or remedies that the Fund may have under any federal or state securities laws. Any person, even though also employed by the Sub-adviser, who may be or become an employee of the Fund shall be deemed, when acting within the scope of his employment by the Fund, to be acting in such employment solely for the Fund and not as an employee or agent of the Sub-adviser. In no event will the Sub-adviser have any responsibility under this Agreement for any portion of the Fund other than the Managed Assets or for the acts or omissions of any other adviser or sub-adviser of the Fund. In particular, the Sub-adviser shall have no responsibility for the Fund's being in violation of any applicable law or regulation or investment policy or restriction or instruction applicable to the Fund as a whole or for the Fund's failing to qualify as a regulated investment company under the Internal Revenue Code of 1986, as amended (the "Code"), if the Fund's holding of the Managed Assets would not be deemed to be such a violation or if the Fund would not fail to qualify if the Managed Assets were deemed a separate series of the Fund or a separate "regulated investment company" under the Code.

The Sub-adviser hereby agrees to indemnify and hold harmless the Fund and the Adviser and their respective officers, directors, employees, agents, shareholders, controlling persons or other affiliates against any and all losses, costs and expenses resulting from the willful misfeasance, bad faith, negligent acts or reckless disregard of obligations or duties hereunder or the breach of any representation and warranty hereunder on the part of the Sub-adviser or any of its officers, directors, employees, affiliates or agents.

14. Indemnification by the Adviser. 15. **Renewal, Termination and Amendment.** This Agreement shall be effective for a period of two (2) years from the date hereof and shall continue in effect from year to year thereafter, provided that such continuance is specifically approved at least annually by (i) a majority of the members of the Board who are neither parties to this Agreement nor interested persons of the Fund, the Adviser, the Sub-adviser or of any entity regularly furnishing investment advisory services with respect to the Fund pursuant to an agreement with the Adviser or the Sub-adviser, cast in person at a meeting called for the purpose of voting on such approval, and (ii) separately by the Board (all directors voting) or by vote of a majority of the Fund's outstanding voting securities.

This Agreement may be terminated at any time without payment of any penalty, by the Adviser, the Board, or by a vote of a majority of the outstanding voting securities of the Fund upon 60 days' prior written notice to the Sub-adviser or by the Sub-adviser upon 90 days' prior written notice to the Adviser, or upon such shorter notice as may be mutually agreed upon. This Agreement may also be terminated, without the payment of any penalty, by the Adviser (i) upon material breach by the Sub-adviser of any representations and warranties set forth in this Agreement, if such breach has not been cured within seven days after written notice of such breach or (ii) immediately if, in the reasonable judgment of the Adviser, the Sub-adviser becomes unable to discharge its duties and obligations under this Agreement, including circumstances such as the insolvency of the Sub-adviser, the termination, resignation or other loss of a key portfolio manager, or other circumstances that the Adviser determines could adversely affect the Fund. This Agreement shall terminate automatically and immediately upon termination of the Management Agreement. This Agreement shall terminate automatically and immediately in the event of its assignment. The terms "assignment" and "vote of a majority of the outstanding voting securities" shall have the meanings set forth for such terms in the 1940 Act and the regulations thereunder.

In the event of a termination of this Agreement, those paragraphs of the Agreement which govern the conduct of the parties' future interactions with respect to the Sub-adviser having provided investment advisory services to the Fund for the duration of the Agreement, including, but not limited to, paragraphs 4(i), 12, 13, 14, 15, 16, 17, 18, 19, 20 and 21 shall survive the termination of the Agreement.

This Agreement may be amended at any time by the Sub-adviser and the Adviser, subject to approval by the Board and, if required by applicable SEC rules and regulations, a vote of a majority of the Fund's outstanding voting securities.

16. **Confidentiality and Data Protection.** "Confidential Information" includes (without limitation): (i) any information or recommendation supplied by one party ("Disclosing Party"), which is not otherwise in the public domain or previously known to the other party ("Recipient") in connection with the performance of the Disclosing Party's obligations hereunder, (ii) details of Disclosing Party's investment discretion (iii) details of holdings and transactions, (iv) details of the calculation of Disclosing Party's fees, (v) details of the internal business operations, investment processes, business plans and business strategy of Disclosing Party, (vi) details obtained from third parties to whom Disclosing Party owes a duty of confidence, including the Fund, (viii) information relating to other clients of the Disclosing Party, (ix) personal information relating to Disclosing Party's staff and, (x) details of soft commission and bundling arrangements.

Unless prior written approval has been obtained from the Disclosing Party, the Recipient will not disclose Disclosing Party's Confidential Information, either before or after the termination of this Agreement, to any party not authorized by Disclosing Party to receive the same. This obligation shall not apply to Disclosing Party's Confidential Information which Recipient discloses to the Fund, or is bound to disclose by law or regulation, or which is requested by competent regulatory or fiscal authorities or court of competent jurisdiction or which is confidentially disclosed to the Recipient's advisers, where reasonably necessary for the performance of their professional services.

Each party acknowledges that the other party's Confidential Information is the exclusive property of the other party, is not within the public domain and is protected by copyright and other intellectual property rights. Each party therefore further agrees not to use or permit the use of the other party's Confidential Information:

(a) for any illegal purpose or otherwise than in compliance with applicable rules, law or regulation.

(b) for the purpose of creating (whether by itself, in conjunction with or by or through any third party) any financial product or service in competition with the other party (i) which seeks to match the performance of; or (ii) whose capital and/or income value is related to; the other party's Confidential Information, the Fund or the performance of the Fund.

(c) which generally exploits the other party's Confidential Information to benefit the Sub-adviser or a third party other than by the other party's performance of its obligations hereunder.

Each party will not do or suffer any act which reasonably would or might prejudice or bring into disrepute the business reputation of the other. The provision set out in this paragraph shall not prejudice the parties' ability to enforce their legal rights including but not limited to under contract and tort.

Neither party is obliged to disclose to the other party or to take into consideration information which if disclosed to the other party would or might be a breach of duty or confidence to any other person.

The Sub-adviser, and where relevant the Fund's custodians, will act as data controllers (and in certain circumstances, data processors) within the meaning of the United Kingdom Data Protection Act 1998 (the "Data Protection Act"). The Adviser hereby consents to the processing and use by the Sub-adviser, and where relevant the Fund's custodians, and its (or their) agents and associates or affiliates of any personal data (as defined in the Data Protection Act) given by the Adviser under this Agreement for the provision of services to the Adviser and / or the Fund, which may include the transfer of such data out of the European Economic Area (as defined in the Data Protection Act). Such data may also be used by the Sub-adviser and its agents and associates or affiliates to update the Adviser's records.

Both parties acknowledge and agree that damages would not be an adequate remedy for any breach of this Paragraph 16 and that accordingly in addition to any other remedies that may be available to, the parties shall be entitled (but not limited) to seek interdict, injunctive or other equitable relief restraining the other from breaching this Paragraph 16.

17. Sub-adviser Insurance. The Sub-adviser, its affiliates and associates involved in the carrying out of obligations under this Agreement have, and will maintain in full force, with a reputable insurance carrier fidelity, professional indemnity and all risk losses insurance with an adequate level of coverage (taking into account the activities of the Sub-adviser and its affiliates and associates). The Sub-adviser will upon request promptly provide the Adviser and the Fund with written evidence of such insurances (including the levels of cover provided) and shall notify the Adviser and the Fund as soon as reasonably practicable of any material changes in such insurances or any failure to maintain such insurances in full force.

18. **Third-Party Beneficiaries.** The Fund is hereby expressly made a third-party beneficiary under this Agreement, and it shall be entitled to enforce this Agreement against the Sub-adviser, and to bring an action against the Sub-adviser in respect of any failure to perform its obligations under this Agreement as if the Fund were a party hereto, and the Sub-adviser expressly consents to the foregoing. Except as provided in the preceding sentence, neither the Adviser nor Sub-adviser intends for this Agreement to benefit any third-party not expressly named in this Agreement.

21. **Miscellaneous.** Each party agrees to perform such further actions and execute such further documents as are necessary to effectuate the purposes hereof. The captions in this Agreement are included for convenience only and in no way define or delimit any of the provisions hereof or otherwise affect their construction or effect.
