Proxy Statement For Annual Meeting of Stockholders

Approximate Date of Mailing: August 26, 2013

The accompanying proxy is solicited by the Board of Directors of Champions Oncology, Inc., a Delaware corporation, in connection with the Annual Meeting of Stockholders (the "Meeting") to be held on October 15, 2013, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying notice of the meeting. The Board of Directors has fixed the close of business on August 16, 2013 as the record date (the "Record Date") for the determination of stockholders entitled to notice of, and to vote at, the meeting. On that date, there were outstanding 66,852,100 shares of the Company's Common Stock par value \$.001 per share (the "Shares"). The Board of Directors has designated its headquarters at One University Plaza, Suite 307, Hackensack, New Jersey 07601 as the place of the Meeting. The Meeting will be called to order at 9:00 AM, Eastern time.

The Board of Directors solicits this proxy and urges you to vote immediately. Unless the context otherwise indicates, references to "Champions," "we," "us," "our" or "the Company" means Champions Oncology, Inc.

Pursuant to the e-proxy rules and regulations adopted by the United States Securities and Exchange Commission ("SEC"), we have elected to provide access to our proxy materials over the Internet. On or about August 26, 2013, we mailed to our stockholders a notice (the "E-Proxy Notice") containing instructions on how to access online our 2013 Proxy Statement, and Annual Report on Form 10-K. If you would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting proxy materials included in the E-Proxy Notice. These materials will be available free of charge and will be sent to you within three business days of your request. Our Annual Report on Form 10-K does not constitute a part of the proxy solicitation material, but provides you with additional information about the Company.

Each record holder of Shares on the Record Date is entitled to one vote for each Share held on all matters to come before the meeting, including the election of directors. Because most of our stockholders cannot attend the Annual Meeting in person, it is necessary for a large number to be represented by proxy. Stockholders may vote by going online and casting their votes electronically or by requesting a proxy card and mailing it to us to our proxy tabulator. Please check the information forwarded by your bank, broker or other holder of record to see what options are

available to you. A proxy may be revoked at any time before its exercise by the filing of a written revocation with Joel Ackerman, Corporate Secretary of the Company, by timely providing a later-dated proxy or by voting by ballot at the Annual Meeting. Mere attendance at the Annual Meeting will not revoke a proxy, and if you are a beneficial owner of shares not registered in your own name, you will need additional documentation from your record holder to vote personally at the Annual Meeting.

QUESTIONS AND ANSWERS FOR ANNUAL MEETING

Q: Who is asking for my vote and why am I receiving this document?

A: The Board of Directors asks that you vote on the matters listed in the Notice of Annual Meeting of stockholders that are more fully described in this Proxy Statement.

We are providing this Proxy Statement and related proxy card to our stockholders in connection with the solicitation by the Board of Directors of proxies to be voted at the Meeting. A proxy, if duly executed and not revoked, will be voted in accordance with the specific instructions noted on the proxy and, if it does not contain specific instructions, will be voted in accordance with the recommendations of the Board of Directors set forth in this Proxy Statement.

Q: Who is entitled to vote?

A: You may vote if you owned Shares on August 16, 2013, the date established by the Board of Directors under Delaware law and our by-laws for determining stockholders entitled to notice of and to vote at the Meeting. On the record date, there were 66,852,100 Shares outstanding. Each Share outstanding on the record date is entitled to one vote.

Q: What is a proxy?

A: A proxy is your legal designation of another person to vote your stock. If you designate someone in writing as your proxy or proxy holder, that document is also called a proxy or a proxy card. Mr. Joel Ackerman and Dr. Ronnie Morris have been designated as proxies or proxy holders for the Meeting. Proxies properly executed and received by our Secretary prior to the Meeting and not revoked will be voted in accordance with the terms thereof.

Q: What is a voting instruction?

A: A voting instruction is the instruction form you receive from your bank, broker or its nominee if you hold your Shares in street name. The form instructs you on how to direct your bank, broker or its nominee, as record holder, to vote your Shares.

Q: What am I voting on at the Meeting?

A: You will be voting on the following matters at the Meeting:

- Election of the seven named nominees to the Board of Directors;
- Ratification of Ernst & Young LLP as the Company's independent registered public accounting firm;
- Approval of a non-binding advisory resolution relating to the compensation of our named executive officers;

• Approve a non-binding advisory proposal on the frequency of the stockholder votes (every one, two, or three years) relating to the compensation of our named executive officers;

• Grant the Board of Directors discretionary authority to amend the Company's certificate of incorporation to effect a reverse stock split of the Company's common stock; and

- Any other business that may properly come before the Meeting or any adjournments or postponements thereof.

Q: How many votes must be present to hold the Meeting?

In order for the Meeting to be conducted, a majority of the outstanding Shares as of the record date must be represented in person or by proxy at the Meeting. This is referred to as a quorum. Abstentions, withheld votes and shares held of record by a bank, broker or its nominee (“broker shares”) that are voted on any matter (including an abstention or withheld vote by broker shares) are included in determining the number of votes present. Broker shares that are not voted on any matter will not be included in determining whether a quorum is present.

Q: What vote is needed to elect directors?

A: The election of each nominee for director requires the affirmative vote of the holders of a plurality of the Shares voted in the election of directors.

Q: What vote is needed to ratify the appointment of Ernst & Young LLP?

A: The ratification of the appointment of Ernst & Young LLP requires the affirmative vote of a majority of the Shares present or represented by proxy at the Meeting.

Q: What vote is needed to approve the non-binding advisory resolution relating to the compensation of our named executive officers?

The approval of the non-binding advisory resolution relating to the compensation of our named executive officers requires the affirmative vote of a majority of the Shares present or represented by proxy at the Meeting. Because your vote is advisory in nature, it will not be binding on the Company or the Board of Directors. However, the Board of Directors will review the results of the voting on this resolution and consider them when making future decisions on executive compensation.

Q: What vote is needed to approve the non-binding advisory proposal on the frequency of the stockholder votes (every one, two or three years) relating to the compensation of our named executive officers?

The non-binding advisory vote on the frequency of stockholder votes related to the compensation of our named executive officers will be determined by a plurality of the votes of the Shares present or represented by proxy at the Meeting. Note that stockholders are not voting to approve or disapprove the recommendation of the Board of Directors with respect to this proposal. Because your vote is advisory, it will not be binding on the Company or the Board of Directors. However, the Board of Directors will review the results of the voting on this resolution and take them into consideration when making future decisions regarding the frequency of the advisory vote on executive compensation.

Q: What vote is needed to grant the Board of Directors discretionary authority to amend the Company's certificate of incorporation to effect a reverse stock split proposal of the Company's common stock?

The grant of discretionary authority to the Board of Directors to amend the Company's certificate of incorporation to effect a reverse stock split of the Company's common stock requires the affirmative vote of a majority of all outstanding shares of our common stock.

Q: What are the voting recommendations of the Board of Directors?

The Board of Directors recommends that stockholders vote "FOR" all of the proposed nominees for director, "FOR" the ratification of the appointment of Ernst & Young LLP, "FOR" a non-binding resolution approving the compensation of our named executive officers, "FOR" a three-year frequency for the non-binding stockholder vote on the compensation of our named executive officers and "FOR" the grant of discretionary authority to the Board of Directors to effect the reverse stock proposal.

Q: How do I vote?

A: Stockholders may vote by going online and casting their votes electronically or by requesting a proxy card and mailing it to our proxy tabulator.

Stockholders who hold Shares through banks, brokers or other nominees (as an Objecting Beneficial Owner) who wish to vote at the Meeting should be provided voting instructions on the instruction form provided to them from the institution that holds their Shares. If this has not occurred, please contact the institution that holds your Shares.

The deadline for votes received by mail is 5:00 p.m., Eastern time, on October 14, 2013.

Q: Can I attend the Meeting?

A: The Meeting is open to all holders of our Shares as of the record date, August 16, 2013. However, space is limited and seating at the meeting will be available on a first-come, first-served basis. You may vote by attending the Meeting and voting in person. Even if you plan to attend the Meeting, however, we encourage you to vote your Shares by proxy. We will not permit cameras, recording devices or other electronic devices at the Meeting.

Q: Can I change or revoke my vote?

A: Any stockholder giving a proxy may change or revoke it at any time before it is voted at the Meeting. A proxy can be changed or revoked by;

- delivering a later dated proxy, or written notice of revocation, to our proxy tabulator; or
- appearing at the Meeting and voting in person.

If you decide to vote by completing, signing, dating and returning the enclosed proxy card, you should retain a copy of the proxy card in the event that you decide later to change or revoke your proxy at the Meeting. Your attendance at the Meeting will not itself revoke a proxy.

If you are a stockholder whose Shares are held in street name with a bank, broker or other nominee, you must follow the instructions found on the voting instruction form provided by the bank, broker or other nominee, or contact your bank, broker or other nominee in order to change or revoke your previously given proxy.

Q: How will my Shares be voted if I sign, date and return my proxy card or voting instruction form, but do not provide complete voting instructions with respect to each proposal?

A: Stockholders should specify their choice for each matter on the enclosed proxy. If no specific instructions are given, it is intended that all proxies that are signed and returned will be voted “FOR” the election of all nominees for director, “FOR” the ratification of the appointment of Ernst & Young LLP, “FOR” a non-binding advisory resolution relating to the compensation of our named executive officers, “FOR” a three-year frequency for the non-binding advisory proposal on the frequency of the stockholder votes on the compensation of our named executive officers and “FOR” granting the Board of Directors discretionary authority to amend the Company’s certificate of incorporation to effect a reverse split of the Company’s common stock. As to any other business that may properly come before the Meeting, the persons named in the enclosed proxy card or voting instruction will vote the Shares represented by the proxy in the manner as the Board of Directors may recommend, or otherwise in the proxy holders’ discretion. The Board of Directors does not presently know of any other such business.

Q: How will my Shares be voted if I do not return my proxy card or my voting instruction form?

A: It will depend on how your ownership of shares is registered. If you own your shares as a registered holder, which means that your shares are registered in your name with our transfer agent, your shares will only be voted if our transfer agent receives specific voting instructions from you. Otherwise, your unvoted shares will not be represented at the Meeting and will not count toward the quorum requirement, which is explained under “Questions and Answers — How many votes must be present to hold the Meeting?” above, unless you attend the Meeting to vote them in person.

If you are a stockholder whose Shares are held in street name, meaning that your shares are registered in the name of your bank, broker or other nominee, your bank, broker or other nominee may not vote your shares in its discretion (with certain limited exceptions) unless you have provided voting instructions to the bank, broker or its nominee.

Generally, your broker may vote your shares in its discretion on “routine matters.” We believe that the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm is a routine matter for which brokerage firms may vote in their discretion on behalf of their clients if no voting instructions are provided. Therefore, if you are a stockholder whose Shares are held in street name with a bank, broker or other nominee and you do not return your voting instruction form, your bank, broker or other nominee may vote your shares on the ratification of the appointment by the Audit Committee of Ernst & Young LLP as our independent registered public accounting firm.

Q: Where can I find the results of the Meeting?

A:

We intend to announce preliminary voting results at the Meeting and publish final results through a Current Report on Form 8-K that we will file with the Securities and Exchange Commission (the “SEC”) within four business days of the Meeting.

Q: Who pays for the solicitation of proxies?

A: We will pay for the cost of the solicitation of proxies.

Q: Could other matters be decided at the Meeting?

A: As of the date of the mailing of this Proxy Statement, the Board of Directors did not know of any other business that might be brought before the Meeting. However, if any other matters should properly come before the Meeting or any adjournment or postponement thereof, it is the intention of the persons named in the accompanying proxy to vote on such matters as they, in their discretion, may determine.

Q: Where can I find the corporate governance materials?

A: The charters of our Audit Committee, Compensation Committee and Nominating and Governance Committee, are available on our Internet website at <http://www.championsoncology.com> under the Corporate Governance section of the Investor Relations tab and are available in print to any stockholder upon request by contacting our investor relations department as described below.

Q: How do I communicate with the Board of Directors?

Stockholders and other interested persons may communicate with the full Board of Directors, a specified committee of the Board of Directors or a specified individual member of the Board of Directors in writing by mail addressed to Champions Oncology, Inc. One University Plaza, Suite 307, Hackensack, New Jersey 07601, Attention: Chairman of the Nominating and Governance Committee. The Chairman of the Nominating and Governance Committee and his duly authorized agents are responsible for collecting and organizing stockholder communications. Board Recommendation

The Board of Directors unanimously recommends that you vote FOR the election of the above nominees.

Corporate Governance

Independence of Directors

The Board of Directors has determined that Messrs. Epker, Mendelson, Poliakoff and Tobin are “independent” as defined in Rule 5605(a)(2) of the NASDAQ Stock Market Rules (“NASDAQ Rules”). Although the Company is not listed on an exchange, the Company has opted to use the NASDAQ Rules definition of “independent.” In addition, Ana Stancic and James Martell were directors for a portion of the Company’s fiscal year ended April 30, 2013. The Board of Directors has determined that Ms. Stancic and Mr. Martell were independent as defined in the NASDAQ Rules.

Board of Directors Meetings

During the fiscal year ended April 30, 2013, the Board of Directors met 8 times. No incumbent director attended fewer than 75% of the aggregate of (1) the total number of meetings of the Board of Directors of the Company held during the year and (2) the total number of meetings held by all committees on which the director served during such year. Our policy is that directors are expected to attend our annual meetings of stockholders. We did not have an annual stockholders meeting in the fiscal year ending April 30, 2013.

Board Committees

The Board has the following committees, each of which meets at scheduled times:

Audit Committee. The Audit Committee is appointed by the Board to assist the Board in its duty to oversee the Company’s accounting, financial reporting and internal control functions and the audit of the Company’s financial statements. The role of the Audit Committee is to oversee management in the performance of its responsibility for the integrity of the Company’s accounting and financial reporting and its systems of internal controls, the performance and qualifications of the company’s independent auditor, including the independent auditor’s independence, the performance of the Company’s internal audit function; and the Company’s compliance with legal and regulatory requirements.

The current members of the Audit Committee are: (i) Scott Tobin, who is serving as Chairperson, (ii) Arthur G. Epker III and (iii) Abba David Poliakoff, each of whom is independent under the NASDAQ Rules. Our Audit Committee

members are not required to meet the heightened independence requirements of Rule 10A-3 of the Securities Act of 1933, as amended, since our securities are not listed or traded on a national securities exchange. However, our Board of Directors has reviewed whether our Audit Committee members meet those heightened independence standards, and concluded that each member meets such requirements. The Board has also examined the SEC's definition of "audit committee financial expert" and determined that Mr. Tobin satisfies this definition. Accordingly, Mr. Tobin has been designated by the Board as the Company's audit committee financial expert. The Audit Committee met 4 times during the fiscal year ended April 30, 2013.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for developing and implementing policies and procedures that are intended to assure that the Board of Directors will be appropriately constituted and organized to meet its fiduciary obligations to the Company and the stockholders on an ongoing basis. The Nominating and Corporate Governance Committee makes recommendations to the Board regarding matters and practices concerning the Board, its committees and individual directors; evaluates the current composition and governance structure of the Board and determines its future requirements; makes recommendations concerning the qualifications, compensation and retirement age of directors; recommends nominees for election to the Board and establishes and administers a Board evaluation process; makes recommendations to the Board about the appointment of directors to the Board Committees and the selection of the Chairpersons of the Board Committees; and reviews timely nominations by stockholders for the election of directors and ensures that such stockholders are advised of any action taken by the Board with respect thereto.

The current members of Nominating and Corporate Governance Committee are: (i) Daniel Mendelson, who is serving as Chairperson and (ii) Abba David Poliakoff, each of whom is independent under the NASDAQ Rules. The Nominating and Corporate Governance Committee met one time during the fiscal year ended April 30, 2013. The policy of our Board is to encourage the selection of directors who will contribute to our company. The Nominating and Corporate Governance Committee considers recommendations from stockholders, as well as other people, as it deems appropriate. Stockholders wishing to nominate a director candidate must comply with certain procedures. We explain the procedures for nominating a director candidate at next year's annual meeting in "Other Matters."

Compensation Committee. Compensation Committee is charged with reviewing and determining the compensation of the Chief Executive Officer and the other executive officers of the Company. The Compensation Committee, among other things, reviews all forms of compensation for senior management of the Company, including the form and amount of current salary, deferred salary, cash and non-cash benefits and all compensation plans of the Company; approves base salary amounts, incentive and bonus compensation amounts and individual stock and/or option grants and awards for all corporate officers at or above the Vice President level (including the President) and all other reporting officers of the Company; administers the Company's 2010 Equity Incentive Plan; prepares and approves reports to stockholders on compensation matters which are required by the Securities and Exchange Commission and other government bodies; performs an annual performance appraisal for the President and other senior managers designated by the Board; establishes levels of director compensation.

The current members of the Compensation Committee are: (i) Abba David Poliakoff, who is serving as Chairperson; (ii) Scott Tobin; and (iii) Daniel Mendelson, each of whom is independent under the NASDAQ Rules. The Compensation Committee met one time during the fiscal year ended April 30, 2013.

Communications with the Board

Any stockholder desiring to contact the Board, or any specific director(s), may send written communications to: Board of Directors (Attention: (Name(s) of director(s), as applicable)), c/o the Company's Secretary, One University Plaza, Suite 307, Hackensack, New Jersey 07601. Any proper communication so received will be processed by the Secretary. If it is unclear from the communication received whether it was intended or appropriate for the Board, the Secretary will (subject to any applicable regulatory requirements) use his judgment to determine whether such communication should be conveyed to the Board or, as appropriate, to the member(s) of the Board named in the communication.

Leadership Structure and Risk Oversight

While the Board believes that there are various structures which can provide successful leadership to the Company, we currently have separate individuals serving in the roles of Chairman of the Board and Chief Executive Officer in recognition of the differences between the two roles. The CEO is responsible for setting the strategic direction for the Company and the day-to-day leadership of the Company, while the Chairman of the Board provides guidance to the CEO and presides over meetings of the full Board. This structure is appropriate at this time to the Company's business because it reflects the industry experience, vision and energy brought to the Board of Directors by the Chairman, Dr. Sidransky, and the day-to-day management direction of the Company under our CEO, Joel Ackerman.

Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with management to discuss strategy and the risks facing the Company. Senior management attends the Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board and independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.
