On April 22, 2015, Gran Tierra Energy Inc. released the following press release:

CALGARY, Alberta, April 22, 2015, Gran Tierra Energy Inc. (“Gran Tierra” or the “Company”) (NYSE MKT: GTE, TSX: GTE), today stated that West Face Capital Inc. (“West Face”) has provided notice of its intent to nominate six candidates to stand for election to Gran Tierra’s Board of Directors at the 2015 Annual Meeting of Stockholders.

Gran Tierra issued the following statement:

The Gran Tierra Board of Directors and management team are committed to enhancing stockholder value, and we are executing a plan that we believe will enable us to achieve this goal. We take the views of our stockholders seriously and have had, and will continue to have, conversations with West Face.

We believe that Gran Tierra’s current strategy of retaining balance sheet strength by minimizing or eliminating expenditures that have no immediate value at current oil prices and making significant operating and general and administrative cost reductions and eliminations through resource re-allocation initiatives is the best path to maximize stockholder value and realize the full potential of our assets. The Gran Tierra Board has been candid about areas of underperformance and – recognizing the need for change – took decisive action to reshape the Company and usher in a new era at Gran Tierra. The Company is pursuing a strategy of focusing on its core Colombian properties, curtailing all discretionary expenditures elsewhere.

Gran Tierra’s Board at present is composed of four highly-qualified and proven leaders, three of whom are independent. They are active, engaged and have the expertise needed to drive success and build stockholder value, including: extensive South American oil and gas energy experience; material participation leading other oil and gas exploration companies; experience with mergers and acquisitions; experience investing in, developing and growing oil and gas exploration companies; as well as expertise in finance and accounting.

The Gran Tierra Board will consider West Face’s nominations in due course, will continue to look for other qualified nominees and will present details regarding the Board’s recommended slate of director nominees in the Company’s definitive proxy statement and other materials, to be filed with the Securities and Exchange Commission and mailed to all stockholders eligible to vote at the 2015 Annual Meeting, the date of which has yet to be announced.
