Each Director attended at least 75% of the aggregate total number of meetings held during the fiscal year by the Directors and by all committees of which such

Director is a member. The Board of Directors has considered the rules of the New York Stock Exchange and business and other relationships between the Company and each of its Directors, including information provided to the Company by the Directors. Based on its review, the Board of Directors has determined that all of its Directors, other than Messrs. Charles J. Urstadt, Charles D. Urstadt and Willing L. Biddle, are independent, as defined under the current rules of the New York Stock Exchange.

The Audit Committee consists of three non-employee Directors, each of whom is independent as defined in the listing standards (as amended from time to time) of the New York Stock Exchange. The Audit Committee held two meetings during the fiscal year ended October 31, 2004. In addition, on two occasions the Audit Committee authorized Peter Herrick, Chairman, to act on behalf of the Committee in reviewing with management and the Company's independent public accountants, quarterly financial statements of the Company. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities. The Committee's primary duties are to: (i) monitor the integrity of the Company's financial statements, financial reporting processes and systems of internal controls regarding finance and accounting matters; (ii) monitor the Company's compliance with legal and regulatory requirements relating to the foregoing; (iii) monitor the independence and performance of the Company's independent auditor and internal auditing function; (iv) provide an avenue of communication among the Board, the independent auditor, management and persons responsible for the internal audit function; and (v) prepare an Audit Committee report as required by the Securities and Exchange Commission (SEC) to be included in the Company's annual proxy statement. The Board of Directors has approved a written charter for the Audit Committee, the text of which may be viewed on the Company's website at <http://www.ubproperties.com>. The Audit Committee has sole authority to appoint, retain, oversee and, when appropriate, terminate the independent auditor of the Company. The Committee reviews with management and the independent auditor the Company's quarterly financial statements and internal accounting procedures and controls, and reviews with the independent auditor the scope and results of the auditing engagement. Messrs. Robert R. Douglass, Peter Herrick and George J. Vojta are the current members of the Audit Committee. The Board of Directors has determined that Mr. Peter Herrick, Chair of the Committee, meets the standards of an Audit Committee Financial Expert as that term is defined under Item 401(h) of Regulation S-K.

The Compensation Committee consists of three non-employee Directors, each of whom is independent as defined in the listing standards (as amended from time to time) of the New York Stock Exchange. The Compensation Committee held one meeting during the fiscal year ended October 31, 2004. Key responsibilities of the Compensation Committee include: (i) reviewing the Company's overall compensation strategy to assure that it promotes shareholder interests and supports the Company's strategic objectives; (ii) reviewing and approving corporate goals and objectives relevant to compensation of the Company's Chief Executive Officer and President, evaluating those officers' performance in light of those goals and objectives and establishing the compensation of the Company's Chief Executive Officer; (iii) reviewing and recommending to the Board compensation for Directors; (iv) administering the Company's Stock Option Plan and Restricted Stock Plan and approving bonus or cash incentive plans used to compensate officers and other employees; and (v) preparing a report to be included in the Company's annual proxy statement. Messrs. E. Virgil Conway, Robert R. Douglass and George H. C. Lawrence are the current members of the Compensation Committee.

The Executive Committee did not hold any meetings during the fiscal year ended October 31, 2004. In general, the Executive Committee may exercise such powers of the Directors between meetings of the Directors as may be delegated to it by the Directors (except for certain powers of the Directors which may not be delegated). Messrs. Willing L. Biddle, Peter Herrick, Charles D. Urstadt and Charles J. Urstadt are the current members of the Executive Committee.

The Nominating and Corporate Governance Committee consists of six non-employee Directors, each of whom is independent as defined in the listing standards (as amended from time to time) of the New York Stock Exchange. The Nominating and Corporate Governance Committee held one meeting during the fiscal year ended October 31, 2004. The principal responsibilities of the Nominating and Corporate Governance Committee are to: (i) establish criteria for Board membership and selection of new Directors; (ii) recommend nominees to stand for election to the Board, including incumbent Board members and candidates for new Directors; (iii) develop and recommend a set of corporate governance principles and evaluate compliance by management and the Board with those principles and the Company's Code of Business Conduct and Ethics; and (iv) with the assistance of the Chief Executive Officer and other members of the Board, develop and periodically review succession planning for the Chief Executive Officer. At its most recent meeting, the Nominating and Corporate Governance Committee recommended changes to the Company's Corporate Governance Guidelines that were approved by the Board. The revised Corporate Governance Guidelines may be viewed on the Company's website at <http://www.ubproperties.com>. The Corporate Governance Guidelines include the Director Candidate Guidelines recommended by the Nominating and Corporate Governance Committee and approved by the Board of Directors which set forth the minimum qualifications and additional considerations that the Nominating and Corporate Governance Committee uses in evaluating candidates for election to the Board. The Director Candidate Guidelines include the following minimum qualifications:

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form DEF 14A

a candidate's demonstrated integrity and ethics consistent with the Company's Code of Business Conduct and Ethics;

a candidate's willingness to represent the best interests of all of the Company's shareholders and not just a particular constituency; and

a candidate's willingness and ability to participate fully in Board activities, including active membership and attendance at Board meetings and participation on at least one committee of the Board.

The Board has not adopted a numerical limit on the number of public company boards on which its Directors may serve; however, the Committee will consider the demands on a candidate's time in selecting nominees. In addition, the Committee will take into consideration such other factors as it deems appropriate, including:

the appropriate size and diversity of the Company's Board of Directors;

the needs of the Company with respect to the particular talents and experience of its Directors and the interplay of the candidate's experience with that of other Board members;

a candidate's judgment, skill and experience with businesses and organizations comparable to the Company; and

a candidate's experience in real estate, business, finance, accounting rules and practices, law and public relations.

The Company requires that at least a majority of its Directors satisfy the independence criteria established by the New York Stock Exchange (NYSE) and any applicable SEC rules, as they may be amended from time to time. In addition, the Committee will consider the financial literacy and financial background of nominees to ensure that the Board has at least one audit committee financial expert on the Audit Committee and that Board members who might serve on the Audit Committee satisfy the financial literacy requirements of the NYSE. The Committee believes it appropriate for at least one key member of the Company's management to participate as a member of the Board.

5

Shareholders can suggest qualified candidates for Director by writing to the Company's corporate secretary at 321 Railroad Avenue, Greenwich, CT 06830. Submissions timely received (as described under Other Matters on page 21) and which comply with the criteria outlined in the preceding paragraphs will be forwarded to the Chairperson of the Nominating and Corporate Governance Committee for review and consideration. The Committee does not intend to evaluate such nominees any differently than other nominees to the Board.

The Board of Directors has approved a written charter for the Nominating and Corporate Governance Committee, the text of which may be viewed on the Company's website at <http://www.ubproperties.com>. Messrs. E. Virgil Conway, Robert R. Douglass (Chair), Peter Herrick, George H. C. Lawrence, Robert J. Mueller and George J. Vojta are the current members of the Nominating and Corporate Governance Committee.

In the fiscal year ended October 31, 2004, the non-management Directors of the Company met once in executive session. Mr. Robert Douglass, Chair of the Nominating and Corporate Governance Committee, presided over the meeting.

Section 16(a) Beneficial Ownership Reporting Compliance.

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires the Directors and officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file initial reports of ownership and reports of changes in ownership of such equity securities with the SEC. Such persons are also required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on a review of the copies of such forms furnished to the Company, or written representations that no Forms 5 were required, the Company believes that, with respect to the period from November 1, 2003 through October 31, 2004, its Directors, officers and greater than 10% beneficial owners complied with all Section 16(a) filing requirements, except that a Form 5 filing for Charles D. Urstadt, relating to the acquisition of 360 shares of Common Stock through the Company's Dividend Reinvestment Plan, was inadvertently not filed, but was later reported in a Form 4 filing.

In connection with the Stock Dividend, each of the directors' options to purchase shares of Common Stock awarded prior to the Stock Dividend (each an Existing Option) is deemed to be, upon his election with respect to each Existing Option: (i) an option (each, a Common Stock Option) to purchase such number of shares of Common Stock as shall be equal in aggregate fair market value to the aggregate fair market value of the shares of Common Stock issuable pursuant to the related Existing Option; (ii) an option (each, a Class A Stock Option) to purchase such number of shares of Class A Common Stock as shall be equal in aggregate fair market value to the aggregate fair market value of the shares of Common Stock issuable pursuant to the related Existing Option; or (iii) an option (each, a Combination Option) to purchase such number of shares of Common Stock and such number of shares of Class A Common Stock, in each case, as shall be equal to the number of shares of Common Stock issuable pursuant to the related Existing Option.

The exercise price for the purchase of one share of Common Stock and/or one share of Class A Common Stock pursuant to any Common Stock Option, Class A Stock Option or Combination Option has been set according to the proportional allocation of the exercise price for the purchase of one share of Common Stock pursuant to the related Existing Option, such proportional allocation being determined according to the fair market values of the underlying shares of Common Stock (ex-Stock Dividend) and Class A Common Stock.

The figures presented in this column assume, in connection with the determination of the number of Common Shares issuable upon exercise of options exercisable within 60 days by Messrs. Douglass and C.D. Urstadt, that such individuals will elect the Common Stock Option with respect to all of such options. If either of such individuals elects the Combination Option or the Class A Stock Option with respect to any or all of such options, the number of Common Shares issuable upon exercise of options exercisable within 60 days, the total number of Common Shares beneficially owned and the Percent of Class would be less for such individual.

Director Compensation

For the year ended October 31, 2004, other than Messrs. C.J. Urstadt and Biddle, each Director received an annual retainer of \$18,000 and compensation of \$1,500 for each Director meeting and each committee meeting attended. The Chairmen of the Audit Committee, Compensation Committee and the Nominating and Corporate Governance Committee each received an additional annual retainer of \$3,000. Effective January 1, 2005, other than Messrs. C.J. Urstadt and Biddle, each Director is entitled to an annual retainer of \$20,000 and compensation of \$1,600 for each Director meeting and each committee meeting attended. The Chairmen of the Audit Committee, Compensation Committee and the Nominating and Corporate Governance Committee each are entitled to an additional annual retainer of \$3,000.

Excess Benefit and Deferred Compensation Plan

Effective since November 1996, the Company has maintained the Urstadt Biddle Properties Inc. Excess Benefit and Deferred Compensation Plan (as amended the Original Plan). In response to changes required by the recently enacted American Jobs Creation Act of 2004, in December 2004 the Directors voted to freeze the Original Plan and adopted a new Urstadt Biddle Properties Inc. Excess Benefit and Deferred Compensation Plan (the Revised Plan), effective January 1, 2005. The Original Plan was (for the period through December 31, 2004) and the Revised Plan is (for the period after December 31, 2004) intended to provide eligible employees with benefits in excess of the amounts which may be provided under the Company's tax-qualified Profit Sharing and Savings Plan (a 401(K) plan), and to provide such employees with the opportunity to defer receipt of a portion of their compensation. Participation is limited to those employees who earn above the limit on compensation under the Company's Profit Sharing and Savings Plan, currently \$150,000.

The Original Plan provided, and the Revised Plan currently provides, that a participant is credited with an amount equal to the contributions which would have been credited to the participant if the applicable compensation limitation under the Profit Sharing and Savings Plan did not apply.

Amounts credited under the Original Plan and the Revised Plan vest under the same rules as under the Profit Sharing and Savings Plan. In addition, each Participant may elect to defer the receipt of a portion of his or her compensation until a later date. Amounts credited under the Original Plan and the Revised Plan are increased with interest at a rate set from time to time by the Compensation Committee. For the fiscal year ended October 31, 2004, the Company paid interest on deferred compensation accounts at a rate based upon the rate of interest applicable to United States Five Year Treasury Notes plus two percent. In the event of a change of control (as defined in each Plan), the Compensation Committee may in its discretion accelerate the vesting of benefits under either Plan.

Each of the Original Plan and the Revised Plan provide for a trust to hold funds allocated under the respective Plan. Members of the Compensation Committee act as trustees of each trust. Eligible participants in the Original Plan (for the period through December 31, 2004) and eligible participants in the Revised Plan (for the period after December 31, 2004) may elect to have all or a portion of their deferred compensation accounts in the applicable Plan invested in the Company's Class A Common Stock, Common Stock or such other securities as may be purchased by the trustees in their discretion.

Change of Control Agreements

The Company has agreements with each of its executive officers, including Messrs. Urstadt, Biddle, Moore and Argila, under which, in certain circumstances following a Change of Control of the Company (as defined in such agreements), the Company would pay severance benefits to such persons. If, within 18 months following the Change of Control, the Company terminates the executive's employment other than for cause, or if the executive elects to terminate his employment with the Company for reasons specified in the agreement, the Company will make a severance payment equal to a portion of such person's base salary, together with medical and other benefits during such period. Messrs. Urstadt, Biddle, Moore and Argila would each receive a severance payment equal to their respective twelve month salaries plus benefits. The salaries of Messrs. Urstadt, Biddle, Moore and Argila are currently \$295,000, \$275,000, \$230,000 and \$172,000, respectively. Each of such agreements has an indefinite term.

Stock Options

The Company maintains a Stock Option Plan pursuant to which 824,093 shares of the Company's authorized but unissued Common Shares and 743,003 shares of the Company's Class A Common Shares have been reserved for issuance upon the exercise of options which have been or may be granted under the Plan. The persons eligible to participate in the Plan are such key employees of the Company as may be selected from time to time by the Compensation Committee in its discretion, as well as non-employee Directors. The Plan is administered by the Compensation Committee. There were no grants of stock options made under the Stock Option Plan in the fiscal year ended October 31, 2004.

Prior to enactment of the Sarbanes-Oxley Act of 2002, the Compensation Committee authorized loans to finance the exercise of stock options granted to executive officers. One loan is outstanding to Willing L. Biddle in the principal amount of \$1,300,000. The loan has a ten-year term and bears interest at a fixed rate based upon the rate of interest applicable to United States Ten Year Treasury Notes plus two percent and is secured by a pledge of the related shares. The loan becomes due on termination of employment by the Company, but is automatically extended for seven months following termination of employment other than for cause.

The following table sets forth, for the executive officers named in the Summary Compensation Table, information concerning the fiscal year-end value of unexercised options and SARs.

Restricted Stock Plan

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form DEF 14A

Under the Company's Restricted Stock Award Plan (the Plan), 350,000 shares each of the Company's authorized but unissued Class A Common Shares and Common Shares and 950,000 shares, which at the discretion of the Compensation Committee may be awarded in any combination of Class A Common Shares and Common Shares, have been reserved for issuance in connection with restricted stock awards that have been or may be granted under the Plan. The persons eligible to receive restricted stock awards are selected by the Compensation Committee, in its discretion, from among management personnel who are considered to have significant responsibility for the growth and profitability of the Company and non-employee Directors. The Plan is administered by the Compensation Committee.

Each restricted stock award is evidenced by a written agreement, executed by both the relevant participant and the Company, setting forth all the terms and conditions applicable to such award as determined by the Compensation Committee. Such terms and conditions shall include (i) the length of the restricted period of the award, (ii) the restrictions applicable to the award, including (without limitation) the employment or directorship status rules governing forfeiture and restrictions on the sale, assignment, transfer, pledge or other encumbrance of the restricted stock during the restricted period, and (iii) the eligibility to share in dividends and other distributions paid to the Company's stockholders during the restricted period.

If a participant ceases to be employed or ceases to be a director prior to the lapse of the restricted period by reason of death or disability, the restrictions shall lapse on such date. If a participant ceases to be employed or ceases to be a director by reason of Retirement (as defined in the Plan), all awards of restricted stock continue to vest as if Retirement had not occurred until such time as the restrictions lapse.

The Compensation Committee has the authority to accelerate the time at which the restrictions may lapse whenever it considers that such action is in the best interests of the Company and of its stockholders, whether by reason of changes in tax laws, a change in control (as defined in the Plan), or otherwise.

Equity Compensation Plan Information

The Company has two compensation plans under which equity securities have been authorized for issuance and have been issued to employees and non-employee Directors; the Restricted Stock Plan and the Stock Option Plan. Each of these plans has been approved by the Company's shareholders. The Restricted Stock Plan is described on page 13. For a description of the Stock Option Plan, see page 12.

The following table shows for these plans as a group the number of Class A Common Shares and Common Shares to be issued upon exercise of options outstanding at October 31, 2004, the weighted average exercise price of these options and the number of Class A Common Shares and Common Shares remaining available for future issuance at October 31, 2004, excluding shares to be issued upon exercise of outstanding options.

Report of Compensation Committee on Executive Compensation

Overview

The Compensation Committee of the Board of Directors is composed of three independent, non-employee Directors, none of whom have interlocking relationships as defined by the SEC. The Committee is responsible for approving the Company's overall compensation strategy, determining the compensation package for the Chief Executive Officer, including base salary, cash bonus and long-term compensation and for administering the Company's Stock Option Plan and Restricted Stock Plan. The Committee believes that compensation should be structured to attract and retain high quality executives, with an emphasis on long-term incentive compensation that is related to the performance and profitability of the Company. Thus, in making its recommendations regarding compensation, the Committee attempts to align the financial interests of the Company's executive officers with those of its shareholders.

Executive Compensation

In approving compensation for executive officers, the Committee evaluated the potential long-term profitability of the Company and the contributions of the respective executive officers. In considering such compensation, the Committee did not use an established formula with specific numerical targets, but evaluated a number of factors. Those factors included, among other things, acquisition and leasing activity, projected and actual cash flow and total return to stockholders. The Committee examined competitive compensation information for executive positions of comparable responsibility with similarly sized REITs which the Committee believes are representative of the companies against which the Company competes for executive talent. These companies may not be identical to the peer group included in the performance graph in this proxy statement, which is determined by NAREIT. The emphasis is on long-term incentive compensation using the Restricted Stock Plan, thus providing the Company's key executives with a direct incentive to improve the Company's performance and enhance shareholder value. The Restricted Stock Plan provides that the recipient does not become vested in restricted stock until after a specified time after it is issued. The Compensation Committee determines the vesting period which may range between five and ten years after the date of grant. Unless an exception is approved by the Compensation Committee, if the executive leaves the Company other than by retirement, death or disability, unvested stock is forfeited. Restricted stock awards serve as both a reward for performance and a retention device for key executives and help to align their interests with all shareholders.

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form DEF 14A

For the year ended October 31, 2004, the Compensation Committee particularly noted a 6.6% increase in the Company's Funds From Operations, improved leasing performance which elevated to 99% the lease rate for the Company's core properties and a total return to stockholders of 25.5%.

All executive compensation paid in 2004 was fully deductible by the Company in accordance with Section 162(m) of the Internal Revenue Code.

CEO Compensation

The Compensation Committee makes specific recommendations to the Board of Directors concerning the Chief Executive Officer's base salary, cash bonus and incentive compensation. In making recommendations regarding appropriate compensation for the CEO, the Compensation Committee does not use an established formula, but reviews the same criteria as set forth above for executive compensation generally. In addition, the Committee may consider the Company's performance compared to the prior year(s), the individual's performance compared to the prior year(s) and the Company's performance as compared to others in the REIT industry. The Compensation Committee believes that the Chief Executive Officer's dedicated commitment to the Company's principal objectives, including the selective acquisition of retail properties in the Company's preferred region in the face of a highly competitive market and the CEO's emphasis on direct property management and cost containment, were instrumental in the Company's steady growth in operating income, Funds From Operations and dividend growth, and have positioned the Company for potential long-term profitability. In recognition of the Chairman's contributions, the Committee recommended to the Board of Directors and the Board of Directors approved an increase in Mr. Urstadt's annual salary from \$290,000 to \$295,000 and awarded him a cash bonus of \$30,000.

15

The Committee also awarded Mr. Urstadt restricted stock in the amount of 75,000 Common Shares and 6,250 Class A Common Shares under the Restricted Stock Plan.

Other Compensation

The Compensation Committee believes that Mr. Biddle's continued strong leadership during fiscal 2004 in all areas of operations, including acquisitions, leasing, property management and cost containment also is deserving of special recognition. The Committee particularly noted leasing efforts under Mr. Biddle's guidance where innovative solutions increased the lease rate of the Company's core properties to 99%. The Committee awarded Mr. Biddle restricted stock in the amount of 100,000 Common Shares and 5,000 Class A Common Shares under the Restricted Stock Plan. The restricted stock awarded to both Messrs. Urstadt and Biddle is subject to continued employment and vests after ten years. In the event of a change in control, the restricted stock would become 100% vested.

The Committee believes that the total compensation paid to Messrs. Urstadt and Biddle was appropriate in light of the results achieved by the Company under their leadership. By placing greater emphasis on restricted stock awards tied to the Company's performance, the Committee believes that the compensation of the Chief Executive Officer and President is more directly linked to performance on behalf of all shareholders.

Each Common Share outstanding on the Record Date entitles the holder thereof to one vote and each Class A Common Share outstanding on the Record Date entitles the holder thereof to 1/20 of one vote. An automated system administered by the Company's transfer agent tabulates the votes.

The election of the Directors and the ratification of the appointment of the Company's auditor each requires the affirmative vote of a majority of the total combined voting power of all classes of stock entitled to vote and present, in person or by properly executed proxy, at the Annual Meeting. Abstentions will thus be the equivalent of negative votes and broker non-votes will have no effect with respect to such proposals, as any Class A Common Shares or Common Shares subject to broker non-votes will not be present and entitled to vote with respect to any proposal to which the broker non-vote applies.

Each of the Proposals presented to the Company at the Annual Meeting is being presented as a separate and independent Proposal and no Proposal is conditioned upon adoption or approval of any other Proposal.
