GigaMedia Board Resolves Not To Pursue Management Group Offer To Privatize Company; Board Changes Announced

[GIGAMEDIA LOGO]

GIGAMEDIA BOARD RESOLVES NOT TO PURSUE MANAGEMENT
GROUP OFFER TO PRIVATIZE COMPANY

BOARD CHANGES ANNOUNCED

TAIPEI, Taiwan, July 16, 2003 - GigaMedia Limited ("GigaMedia" or the "Company") (Nasdaq: GIGM, www.giga.net.tw), a diversified provider of online and offline entertainment services in Taiwan, today announced that the Company today held a special meeting of the board of directors to discuss the offer from GigaMedia's senior management team (the "Management Group") to privatize the Company.

Edgar Filing: GIGAMEDIA LTD - Form 6-K

At this meeting, the special committee created by the board of directors to consider the Management Group's offer recommended to the board of directors that the Company not pursue the offer. The board of directors, after considering carefully the recommendation of the special committee and other relevant factors, resolved to not pursue the offer from the Management Group. Previously, on July 14, 2003, the Management Group had extended its offer to July 16, 2003, which was due to expire on July 14, 2003.

The Management Group indicated in its discussions with the board of directors that the Management Group intends to continue to review privatization options going forward in response to potential low market valuations, liquidity and other factors.

In connection with the offer to privatize the company, GigaMedia announced on June 5, 2003 that the chairman of the board of directors of the Company, Mr. Nelson Chang, had tendered his resignation as chairman of GigaMedia and a member of the board. Mr. Chang's resolution was contingent upon resolution of the offer made by the Management Group and will now take effect at the end of the business day on Friday, July 18, 2003 Taiwan time.

The Company thanks Mr. Chang for his leadership and the significant contributions he made over the past two years to align the company's operating philosophy with market conditions. During Mr. Chang's tenure, GigaMedia achieved rapid improvements in its financial performance. In the Company's online operations, from 1Q01 to 1Q03 subscribers grew 47%, from 70,437 to 103,375. Total revenues increased 83%, from NT\$88,168,363 to NT\$161,199,976, while total costs and expenses during the same period declined 61%, from NT\$509,673,310 to NT\$199,789,650. The Company also acquired Taiwan's two leading music store chains, which resulted in total consolidated revenue growth of 937% during this period to NT\$914,078,004.

Commenting on his work with GigaMedia and his decision to resign, Mr. Chang said, "During the past two years we have faced many challenges, yet managed to strengthen the company's competitive position and financial performance. I am proud of our achievements, and have great respect for the management team and the board members.

1

With this team in place, I am confident that GigaMedia is on track to achieve even greater potential."

The Company also announced today the addition of two new board members. Daniel Wu and Gwo-yeu Tsai have each been appointed to GigaMedia's board of directors. Daniel Wu brings to the Company significant operational experience and extensive business relationships in Taiwan. He is currently chairman of Grand Pacific Petrochemical Corp., Biocare Corp. and Videoland Inc. in Taiwan. Mr. Wu also served as president of Grand Pacific Petrochemical Corp. from 1992 to 1994 and was president of Wyse Technology, Inc. from 1990-1994. He was chairman of Monte Jade Science & Technology Association from 1993 to 1994. Prior to that, Mr. Wu was chairman of Precision Semiconductor Mask Corp. from 1998 to 2000, and Vice Chairman of Crimson Asia Capital Holdings, Ltd. from 1997-2000. Mr. Wu received a bachelor of science in chemical engineering from National Taiwan University in 1970 and a Ph.D. in chemical engineering from the University of Delaware in 1976.

Gwo-yeu Tsai adds additional leadership and business experience to GigaMedia's board. Mr. Tsai currently serves as the chief secretariat of the board of directors of Taiwan Cement Corporation. He received his law degree from Soochow

Edgar Filing: GIGAMEDIA LTD - Form 6-K

University and was born in 1950.

Daniel Wu and Gwo-yeu Tsai replace independent director and audit committee member Richard Yang and director and audit committee member David Chuang, who have resigned for personal reasons.

ABOUT GIGAMEDIA

GigaMedia Limited (Nasdaq: GIGM) is a diversified provider of entertainment services in Taiwan. The company's online/offline business model provides the company multiple distribution channels, deep customer relationships and the ability to meet future market demands as technology drives new media and entertainment industry change.

Offline, GigaMedia operates Taiwan's two largest music store chains, Rose Records and Tachung Records through its subsidiary G-Music. These businesses were acquired in February and September of 2002, respectively, and together hold approximately 50% market share in Taiwan.

Online, the company operates a leading broadband ISP, providing Internet access service and broadband content with multiple delivery technologies. The company's access products consist of premium cable modem and ADSL offerings, giving the company the ability to deliver superior broadband connections island-wide. GigaMedia's cable modem is a world-class platform capable of offering broadband Internet access at speeds of up to 100 times faster than traditional dial-up services. With 21 cable system partners, the company's cable modem business passes more than 3.1 million Taiwan households, as well as 417,000 small and medium businesses. In addition, the company offers interactive Chinese-language multimedia Web sites through its Web destination <http://www.gigigaga.com>.

2

Other subsidiary companies of GigaMedia include Koos Broadband Telecom Limited, a broadband service provider focused exclusively on corporate subscribers in Taiwan.

Strategic investors of GigaMedia include the Koos Group, a major player in Taiwan's manufacturing, finance, telecommunications, media, and cable industries.
