05.01.06 12:51 Marked=OB **TEL ACQUISITION OF VODAFONE SWEDEN COMPLETED** avtaler  
Telenor has today paid EUR 994 million to Vodafone, thereby completing the acquisition of the mobile operator Vodafone Sweden. Including debt, the purchase price is EUR 1,035 million.

10.01.06 08:05 Marked=OB **TEL NEW GROUP MANAGEMENT MEMBERS APPOINTED**  
organisasjonsendring

Telenor's mobile commitments in Asia and Europe are becoming increasingly important to the Group. Telenor is therefore appointing two of its most experienced executives Arve Johansen and Jan Edvard Thygesen to head its commitments in these regions. Coordination across the Group's operations is also strengthened, as two new members are appointed to the Group Management.

Telenor is now establishing Asia and Eastern/Central Europe as separate areas of responsibility, with dedicated Executive Vice Presidents, as Telenor has previously done with its Nordic operations. Arve Johansen will head Telenor's commitments in Asia, and Jan Edvard Thygesen will head the Group's commitments in Eastern/Central Europe. Both Johansen and Thygesen are experienced members of Telenor's Group Management.

Two new members will also be joining the Group Management, as Telenor strengthens the co-ordination of operational and human resources across all countries in which it has business activities. Ragnar H. Korsæth will be responsible for global coordination and for the extraction of synergies between the mobile operations. Senior Vice President for HR, Bjørn Magnus Kopperud, will also join the Group Management. Both possess extensive experience within their respective fields at Telenor. The changes to Telenor's Group Management will be effective from today, Tuesday 10 January.

The new Group Management serves to illustrate the changes that Telenor is undergoing. Asia and Eastern/Central Europe are becoming increasingly important to Telenor. To achieve success, each operation must develop local competitiveness through partnerships and exchange of competence across companies, countries and regions. The composition of the Group Management reflects this development, and secures necessary backing for these important efforts, said President and CEO Jon Fredrik Baksaas.

Telenor's Group Management now consists of: Jon Fredrik Baksaas, President and CEO Arve Johansen, Senior Executive Vice President and Head of Telenor in Asia Jan Edvard Thygesen, Executive Vice President and Head of Telenor in Eastern/Central Europe Morten Karlsen Sørby, Executive Vice President and Head of Telenor in the Nordic Region Stig Eide Sivertsen, Executive Vice President and Head of Telenor Broadcast Trond Ø. Westlie, Executive Vice President and CFO Ragnar H. Korsæth, Executive Vice President and Head of Global Coordination Bjørn Magnus Kopperud, Executive Vice President and Head of Human Resources.
