USA Uranium Corp.  
(Formerly Trilliant, Inc.)  
(A DEVELOPMENT STAGE COMPANY)  
Notes to the Financial Statements  
August 31, 2007

### NOTE A - BASIS OF PRESENTATION

The accompanying unaudited financial statements have been prepared in accordance with accounting principles generally accepted in the United State of America for interim financial information and with the instructions to Form 10-QSB and item 310(b) of Regulation S-B. Accordingly, they do not include all the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. For further information, refer to the financial statements and footnotes thereto included in the USA Uranium Corp's Form 10-KSB filing for the year ended May 31, 2007.

### NOTE B - DEVELOPMENT STAGE COMPANY

USA Uranium Corp. (formerly Trilliant, Inc.) (Hereinafter referred to as the "Company") was incorporated in the state of Nevada on June 20, 2001. It was primarily engaged in the development and marketing of new products on which it holds the patent. Realization of a major portion of its assets is dependent upon the Company's ability to successfully develop and market the products, meet its

### ITEM 2 - MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

USA Uranium Corp. was incorporated as E and S Holdings, Inc. on June 20, 2001 under the laws of the State of Nevada. The Company filed an amendment to its articles of incorporation changing its name to Trilliant, Inc. in December 2006, and to USA Uranium Corp. in May 2007. The Company has not been involved in any bankruptcy, receivership or similar proceedings, nor has it been a party to any merger, consolidation or purchase or sale of a significant amount of assets not in the ordinary course of business.

USA Uranium Corp. a developmental stage company that has received revenues of approximately \$119 during the three-month period ending August 31, 2007. USA Uranium has received no significant revenues since its inception. As of August 31, 2007, USA Uranium Corp. has cash assets of \$120,147 and accounts receivable of nil. The inventory of the company is \$20,876.

From its inception in June, 2001 until December of 2006 the Company was engaged in the development, marketing and sales of a locking pliers tool which is being marketed as the "Portable Pipe Vise". During December 2006, the Company determined that it wished to change the primary focus of its business operations to the mineral exploration business with a focus on diamonds. During early 2007, the Company changed the focus of its business operations to the exploration for economic reserves of uranium in the United States, concentrating in the State of Utah and the "Four Corners" area, where the states of Utah, Arizona, Colorado and New Mexico intersect.

The shares of USA Uranium Corp. are currently listed on the OTC Bulletin Board, under the symbol USAU.

Over the past three months, USA Uranium Corp. has sustained operating losses in the amount of \$219,243. As of August 31, 2007, USA Uranium Corp. has total current liabilities of \$227,442.

There are no off balance sheet arrangements involving USA Uranium Corp. at this time.

### ITEM 3 - CONTROLS AND PROCEDURES

The management of USA Uranium Corp. recognizes its responsibility for establishing and maintaining adequate internal controls over financial reporting for USA Uranium Corp. Due to the small size of USA Uranium Corp., the company's Chief Executive Officer and Chief Operating Officer is aware of all matters pertaining to the operations of USA Uranium, Corp. and has reviewed all aspects of the financial information included in the company's financial reporting. At the present time, management is of the opinion that the company's internal controls over financial reporting for the past fiscal year are adequate. However, management has identified a material weakness in its procedures in that the small size of management causes a lack of segregation of duties and limits management's ability to recognize potential inadequacies of the internal controls over the financial reporting.
