Each outstanding share entitles its holder to cast one vote on each matter to be voted upon.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. The shares represented by the accompanying proxy will be voted as directed with respect to the election of directors or, if no direction is indicated, will be voted in favor of election as directors of the nominees listed below. Each proxy executed and returned by a shareholder may be revoked at any time hereafter by giving written notice of such revocation to the Secretary of the Company, except as to any matter or matters upon which, prior to such revocation, a vote shall have been cast pursuant to the authority conferred by such proxy.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendation of the Board of Directors. The Board's recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote for election of the nominated slate of directors and approval of the stock option plan.

2

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, at their own discretion.

The 10K Financial Statement for the fiscal year ended December 31, 2005 including financial statements, is being sent to shareholders on or before the date of this Proxy Statement which is the approximate date on which the Proxy Statement and form of proxy are first being sent or given to shareholders. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE Based upon a review of the filings with the Securities and Exchange Commission, the Company believes that all of the Company's directors and executive officers complied during 2005 with the reporting requirements of Section 16(a) of the Securities Act of 1934.

Item I. Nomination of Board of Directors

The Board of Directors has an Audit Committee and a Compensation and Stock Option Committee. The Board does not have a standing nominating committee or a charter with respect to the process for nominating directors for election to the Company's Board of Directors. The Company qualifies as a controlled company under American Stock Exchange (AMEX) rules, as Joseph Feldschuh, M.D. controls more than 50% of the Company's voting power, as evidenced by the Company's ownership records. As a result, The Amex continued listing standards do not require the Company to have a nominating committee or a written charter. Shareholders and members of the Company's Board submit nominees for election to the Company's Board of Directors to the entire Board for its consideration.

Item II. Election of Directors

Shareholders are being asked to elect an entire board of six directors to serve on the Board of Directors of Daxor Corporation to hold office until the next annual meeting or until their successors shall have been duly elected and shall have qualified. The proxies will vote all proxies received FOR the election as directors of the nominees listed below if no direction to the contrary is given. In the event

that any nominee is unable to serve, the proxy solicited herewith may be voted, in the discretion of the proxies, for the election of another person in his stead. The Board of Directors knows of no reason to anticipate that this will occur.

The following table sets forth the name, age, current and past five years business experience, directorship, and positions held with the Company by each person nominated for election as director.
