PROXY STATEMENT

These Proxy materials are delivered in connection with the solicitation by the Board of Directors of Tag-It Pacific, Inc., a Delaware corporation ("Tag-It," the "Company", "we", or "us"), of Proxies to be voted at our 2004 Special Meeting of stockholders and at any adjournments or postponements.

You are invited to attend our Special Meeting of stockholders on February 11, 2004, beginning at 10:00 a.m. Pacific Time. The meeting will be held at the Company's corporate headquarters at 21900 Burbank Boulevard, Suite 270, Woodland Hills, California 91367.

STOCKHOLDERS ENTITLED TO VOTE.

Holders of Tag-It common stock and convertible redeemable series C preferred stock at the close of business on January 5, 2004 are entitled to receive this notice and to vote their shares at the Special Meeting. As of January 5, 2004, there were _____ shares of common stock outstanding. Holders of our convertible redeemable series C preferred stock have the right to vote with our common stock based on the number of common shares that the series C preferred shares could be converted into on the record date. As of January 5, 2004, the outstanding shares of convertible redeemable series C preferred stock were convertible into 607,288 shares of common stock, which shares are entitled to vote with our common stock.

MAILING OF PROXY STATEMENTS.

We anticipate mailing this Proxy Statement and the accompanying Proxy to stockholders on or about January 16, 2004.

PROXIES.

Your vote is important. If your shares are registered in your name, you are a share owner of record. If your shares are in the name of your broker or bank, your shares are held in street name. We encourage you to vote by Proxy so that your shares will be represented and voted at the meeting even if you cannot attend. All share owners can vote by written Proxy card. Your submitting the enclosed Proxy will not limit your right to vote at the Special Meeting if you later decide to attend in person. IF YOUR SHARES ARE HELD IN STREET NAME, YOU MUST OBTAIN A PROXY, EXECUTED IN YOUR FAVOR, FROM THE HOLDER OF RECORD IN ORDER TO BE ABLE TO VOTE AT THE MEETING. If you are a share owner of record, you may revoke your Proxy at any time before the meeting either by filing with the

Edgar Filing: TAG IT PACIFIC INC - Form PRE 14A

Secretary of the Company, at its principal executive offices, a written notice of revocation or a duly executed Proxy bearing a later date, or by attending the Special Meeting and expressing a desire to vote your shares in person. All shares entitled to vote and represented by properly executed Proxies received prior to the Special Meeting, and not revoked, will be voted at the Special Meeting in accordance with the instructions indicated on those Proxies. If no instructions are indicated on a properly executed Proxy, the shares represented by that Proxy will be voted as recommended by the Board of Directors.

QUORUM.

The presence, in person or by Proxy, of a majority of the votes entitled to be cast by the stockholders entitled to vote at the Special Meeting is necessary to constitute a quorum. Abstentions and broker non-votes will be included in the number of shares present at the Special Meeting for determining the presence of a quorum. Broker non-votes occur when a broker holding customer securities in street name has not received voting instructions from the customer on certain non-routine matters and, therefore, is barred by the rules of the applicable securities exchange from exercising discretionary authority to vote those securities.

1

VOTING.

Each share of Tag-It common stock is entitled to one vote on each matter properly brought before the meeting. In addition, each share of convertible redeemable series C preferred stock is entitled to one vote for each share of common stock into which it is convertible on each matter properly brought before the meeting.

APPROVAL OF ISSUANCE OF COMMON STOCK UPON CONVERSION OF SERIES D PREFERRED STOCK.

The approval of the issuance of up to 5,728,180 shares of our common stock issuable upon conversion of our outstanding shares of Series D Preferred Stock will require the affirmative vote of a majority of the shares of common stock present or represented and entitled to vote at the Special Meeting. For purposes of the vote to approve the issuance of common stock upon conversion of the Series D Preferred Stock, abstentions will be counted toward the tabulation of votes cast on the proposal and will have the same effect as negative votes, while broker non-votes will not be counted as votes cast for or against such matters.

VOTING AGREEMENTS.

Sanders Morris Harris Inc., which acted as placement agent for the Company with respect to the sale of the shares of Series D Preferred Stock, has entered into voting agreements with certain stockholders of the Company, including members of management, holding approximately 51% of the Company's outstanding voting securities (the "Voting Agreements"), pursuant to which such stockholders have agreed to vote all shares subject to the Voting Agreements in favor of the proposal to approve issuance of shares of our common stock upon conversion of the preferred stock. Concurrently with the execution of the Voting Agreements, each such stockholder also delivered to Sanders Morris Harris an irrevocable proxy appointing Sanders Morris Harris as proxy to vote the shares in accordance with the Voting Agreements.

OTHER MATTERS.

Edgar Filing: TAG IT PACIFIC INC - Form PRE 14A

At the date this Proxy Statement went to press, we do not know of any other matter to be raised at the Special Meeting. However, if any other business shall properly come before the Special Meeting or any adjournment thereof, the persons named as proxies will have discretionary authority to vote the shares represented by the accompanying proxy in accordance with their best judgment.

2

ITEM 1: APPROVAL OF ISSUANCE OF COMMON STOCK UPON CONVERSION OF SERIES D PREFERRED STOCK

Item 1 is the approval of the issuance of up to 5,728,180 shares of our common stock upon conversion of our outstanding shares of Series D Preferred Stock. The Board of Directors has approved, contingent upon approval by the Company's stockholders at the Special Meeting, the issuance of up to 5,728,180 shares of our common stock (the "Series D Conversion Shares") upon conversion of the Company's outstanding shares of Series D Preferred Stock. The Board of Directors is submitting the proposal to approve the issuance of the Series D Conversion Shares to the stockholders for approval at the Special Meeting.

The Series D Conversion Shares, when issued, would become part of the existing class of common stock and would have the same rights and privileges as the shares of common stock now issued and outstanding. There are no preemptive rights relating to the common stock. As of December 15, 2004, there were 11,513,409 shares of our common stock issued and outstanding. If issued, the Series D Conversion Shares would represent approximately 33% of our issued and outstanding shares of common stock. Our common stock is listed on the American Stock Exchange. The continued listing requirements of the American Stock Exchange prohibit us from issuing shares of common stock in a non-public offering prior to obtaining stockholder approval if the price per share of the securities in the offering is less than the greater of book value or market value of our common stock and the proposed issuance would result in the issuance of 20% or more of the common stock or voting power of the Company before the issuance. Assuming immediate conversion of all of the shares of Preferred Stock, the total number of Series D Conversion Shares would be in excess of the 20% threshold. Therefore, we may not issue the Series D Conversion Shares unless and until the issuance has been approved by our stockholders.

PRIVATE PLACEMENT OF SERIES D PREFERRED STOCK.

In December 2003, we entered into Subscription Agreements with certain investors pursuant to which we sold 572,818 shares of Series D Preferred Stock (the "Preferred Shares") at a price of \$44.00 per share in a private placement transaction. We received proceeds of approximately \$23,200,000 in this transaction, after payment of placement agent fees and other offering expenses. We intend to use the proceeds for repayment of debt and general corporate purposes.

Sanders Morris Harris Inc. acted as placement agent in connection with the December 2003 private placement financing transaction. For its services as placement agent, we paid Sanders Morris Harris a fee equal to 7.5% of our gross proceeds from the financing (\$1,890,299). We also paid for the reasonable out-of-pocket expenses incurred by Sanders Morris Harris and all investors in the amount of \$45,000. In addition, we issued to Sanders Morris Harris a warrant to purchase 572,818 shares of our common stock at an exercise price of \$4.74 per share. The warrants have a term of 5 years. The warrants vest and become

Edgar Filing: TAG IT PACIFIC INC - Form PRE 14A

exercisable in full on June 18, 2004.

We entered into a registration rights agreement with the purchasers of the Preferred Shares. Pursuant to this registrant rights agreement, we agreed to file a registration statement on Form S-3 registering the resale by the investors of the Series D Conversion Shares and to keep the registration statement effective until the later of one year or until all the Series D Conversion Shares held by the investors may be sold by them pursuant to Rule 144 promulgated under the Securities Act of 1933. This registration rights agreement also provides that if we do not register for resale the Series D Conversion Shares within 60 days of the closing date (or 150 days in the event of a full review of the registration statement by the Securities and Exchange Commission), then we must pay each of the investors 1% of the per share purchase price paid by such investor for each Preferred Share purchased for each month thereafter that we do not register the shares. The expenses of such registration, other than selling expenses (including broker's fees and commissions), will be borne by us.

REASONS FOR THE PRIVATE PLACEMENT.

The proceeds of the private placement financing transaction will strengthen our working capital and will support the integration and expansion of our operations to exploit our rights under our TALON trade name and the expansion of our operations in the Asian and Caribbean markets. This private placement will also assist us in further developing our waistband technology under our TEKFIT division. We believe the private placement financing will allow us to maximize growth opportunities that would otherwise be left in incubation. We also want

3

to continue building and improving our processes in order to exceed the expectations of our new and existing customers.

TERMS OF SERIES D PREFERRED STOCK.

Except as required by law, the Preferred Shares have no voting rights. The Preferred Shares accrue dividends, commencing on June 1, 2004, at an annual rate of 5% of the initial stated value of \$44.00 per share, payable quarterly. In the event of a liquidation, dissolution or winding-up of the Company, the Preferred Shares will be entitled to receive, prior to any distribution on the common stock, a distribution equal to the initial stated value of the Preferred Shares plus all accrued and unpaid dividends.

If the stockholders approve the issuance of the Series D Conversion Shares, each Preferred Share will be automatically converted into 10 shares of our common stock (as adjusted for stock dividends, combinations, splits or similar events), for an aggregate of 5,728,180 shares of common stock. If the stockholders do not approve the issuance of the conversion shares at the Special Meeting, the Preferred Shares will not be convertible into common stock.

CERTAIN EFFECTS OF THE PROPOSAL.

The Board of Directors believes that the approval of the issuance of the Series D Conversion Shares is in the best interests of the Company and the stockholders. However, the following should be considered by a stockholder in deciding how to vote upon the proposal.

DILUTION. If the issuance of the Series D Conversion Shares is approved

Edgar Filing: TAG IT PACIFIC INC - Form PRE 14A

by the stockholders at the Special Meeting, the holders of the Preferred Shares would automatically have each Preferred Share converted into 10 shares of common stock, or an aggregate of 5,728,180 shares of common stock. When issued, the Series D Conversion Shares would represent approximately 33% of the Company's outstanding shares of common stock, based upon the 11,513,409 shares of our common stock outstanding as of December 15, 2003. As a result, following conversion of the Preferred Shares and issuance of the Series D Conversion Shares, our stockholders would experience substantial dilution in the percentage of Company equity they own.

EFFECT OF ISSUANCE OF SERIES D CONVERSION SHARES BELOW MARKET PRICE. The effective issuance price of the Series D Conversion Shares is \$4.40 per share. The issuance of the Series D Conversion Shares could depress the market price of, and reduce trading activity in, our common stock by increasing the number of shares outstanding. Such downward pressure on our stock price could encourage short sales by certain investors that could place further pressure on the price of our common stock.

PRINCIPAL EFFECTS OF NON-APPROVAL. If the issuance of the Series D Conversion Shares is not approved, the Preferred Shares will not be convertible into common stock. Commencing on June 1, 2004, the holders of the Preferred Shares will be entitled to receive a dividend at an annual rate of 5%. We cannot pay a dividend on our common stock unless all accrued dividends on the Preferred Shares have been paid in full. Additionally, in the event of a voluntary or involuntary liquidation, dissolution or winding up of the Company, the holders of the Preferred Shares will be entitled to receive \$44.00 per share, plus accrued and unpaid dividends before any distributions are made to the holders of our common stock.

4

BOARD RECOMMENDATION AND VOTE.

The approval of the issuance of the Series D Conversion Shares will require the affirmative vote of a majority of the shares present or represented and entitled to vote at the Special Meeting. The Board of Directors is of the opinion that the issuance of the Series D Conversion Shares is in the best interests of the Company and recommends a vote for the approval of the issuance of the Series D Conversion Shares. All Proxies will be voted to approve the issuance of the Series D Conversion Shares unless a contrary vote is indicated on the enclosed Proxy card.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE APPROVAL OF ISSUANCE OF UP TO 5,728,180 SHARES OF COMMON STOCK UPON CONVERSION OF THE SERIES D PREFERRED STOCK.

5

PRINCIPAL STOCKHOLDERS

The following table presents information regarding the beneficial ownership of our common stock as of January 5, 2004:

- o each person who is known to us to be the beneficial owner of more than 5.0% of our outstanding common stock;
- o each of our directors;

Edgar Filing: TAG IT PACIFIC INC - Form PRE 14A

- o the Named Executive Officers; and
- o all of our directors and executive officers as a group

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission that deem shares to be beneficially owned by any person who has or shares voting or investment power with respect to such shares. Shares of common stock under warrants or options currently exercisable or exercisable within 60 days of the date of this information are deemed outstanding for purposes of computing the percentage ownership of the person holding such warrants or options but are not deemed outstanding for computing the percentage ownership of any other person. As a result, the percentage of outstanding shares of any person as shown in this table does not necessarily reflect the person's actual ownership or voting power with respect to the number of shares of common stock actually outstanding at January 5, 2004. Unless otherwise indicated, the persons named in this table have sole voting and sole investment power with respect to all shares shown as beneficially owned, subject to community property laws where applicable.

The address of each person listed is in our care, at 21900 Burbank Boulevard, Suite 270, Woodland Hills, California 91367, unless otherwise set forth below such person's name.
