Item 1.02 Termination of a Material Definitive Agreement

On April 19, 2013, we entered into an agreement with Green Recycling Technologies International (“GRSI”) (the “Agreement”) requiring GRSI to pay all legal and accounting professionals necessary to complete an audit to bring us to a current reporting status with our SEC reporting obligations, including the preparation of unaudited and audited financial statements to be contained in our periodic reports that are delinquent.

Tirex management has determined that GRSI has breached the terms of the Agreement by refusing to pay the auditor costs pertaining to the review of our unaudited financial statements and audit of our audited financial statements, thereby causing an indefinite delay in becoming current in our SEC reporting obligations.

On November 7, 2013, our legal counsel informed GRSI by written correspondence that because it had breached the terms of the Agreement, the Agreement was null and void. Tirex management allowed subsequent time for GRSI to respond. To date, we have not received a response from GRSI.
